Mr. Stucky

Thank you for taking the time to listen to our concerns. You, along with everyone else we have dealt with at the KCC have been very helpful. We revived your letter Monday, February 4th, regarding scheduling a time for a hearing over Orca's Shoffner SWD #12-1 well. We would like to schedule a hearing. Please let us know when and where and if there are any other details we need to work out. We did notice that under 82-3-135. c. 1. that "Anyone who initiates a hearing shall publish a notice" in the Eagle and local newspaper. Is this something we need to handle as the ones initiating the protest? Feel free to call or email anytime.
