

**BEFORE THE
STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS**

In the Matter of the Annual Filing of Southern)
Pioneer Electric Company for Approval to Make)
Certain Changes to Its Charges for Electric) Docket No. 23-SPEE-792-RTS
Services, Pursuant to the Consolidated Formula)
Based Ratemaking Plan Approved in Docket No.)
19-SPEE-240-MIS.

PETITION OF THE KANSAS POWER POOL TO INTERVENE

COMES NOW the Kansas Power Pool (“KPP”), a Municipal Energy Agency (hereinafter the “KPP”) and moves the Corporation Commission of the State of Kansas (“Commission”) for an order pursuant to K.S.A. 77-521 and K.A.R. 82-1-225 permitting it to intervene in the above-captioned proceeding. In support of its Petition, KPP alleges and states as follows:

1. KPP is a municipal energy agency formed under K.S.A. 12-885, *et seq.*
2. KPP provides wholesale capacity, energy and transmission services to its members, who have all signed KPP’s Amended Operating Agreement. Currently, KPP serves 24 Kansas municipal electric utilities. KPP’s members are located in the Westar Energy transmission zone, the Sunflower Electric Power Corporation zone, and in the Midwest Energy zone.
3. On May 1, 2023, Southern Pioneer Electric Company (“SPEC”) filed an application with the Kansas Corporation Commission for approval to make certain changes to its charges for electric services pursuant to the consolidated formula based ratemaking plan approved in Docket No. 19-SPEE-240-MIS.
4. SPEC owns and operates 34.5 kV sub-transmission facilities that provide service to both SPEC’s retail customers and its wholesale local access customers. The wholesale local access customers’ combined load ration share of the total 34.5 kV system revenue requirement for these facilities is recovered through the Local Access Delivery Service (“LADS”) tariff, where the

retail customers' local ratio share of the total 34.5 kV system revenue requirement is bundled and recovered through the composite retail rate found in SPEC's respective retail rate schedules.

5. KPP is one of SPEC's wholesale local access customers, and, thus, is required to pay the LADS rates under the Consolidated FBR Plan. Furthermore, SPEC services a KPP member city, the City of Greensburg, as well as the Greensburg Wind Farm.

6. KPP and, ultimately, its members will or may be bound by any Commission Order or activity in this proceeding, and KPP and its members may be adversely affected thereby.

7. KPP's interests herein are not adequately represented by any other party, and its intervention will not impair the orderly and prompt conduct of the proceedings.

8. All communication and correspondence to KPP, including service of all Notices and Orders of this Commission herein, are requested to be sent to the following named individuals:

Colin Hansen
CEO/General Manager
Kansas Power Pool
100 North Broadway, Suite L110
