Dear Lauren N Wright:

Fritzler Resources, Inc. pursuant to K.S.A 55-164, KSA 77-537 and K.S.A 77.542 hereby requests a hearing with respect to the Siemans 1-29.

Fritzler moved a rig on the well in the first week of April 2018 to reactivate the well. Tests indicated economical oil can be produced from the Siemans 1-29.

Currently the crop is being irrigated with a pivot sprinkler system over the well site.

Sincerely,

Gene Fritzler
