IV. BUSINESS PLUS II

A. Description

Business Plus II is an optional business package for customers with one (1) to twenty (20) lines that includes a Business Local Exchange Line, Caller ID (Calling Number and Calling Name) and Hunting services on all lines. Basic Call Forwarding service is also included on the Primary Business Local Exchange Line only.

B. Terms and Conditions

The Business Plus II is available for business customers with one (1) to twenty (20) Business Local Exchange Lines per location who agree to a 12, 24, or 36 month term period and commit to subscribe to Nex-Tech long distance, a Business Local Exchange Line, Caller ID (Calling Number and Calling Name), and Hunting. Basic Call Forwarding service is also included on the Primary Business Local Exchange Line. These business customers will be eligible for the package rate listed below in Prices, per line, for these services.

The Business Plus II is only available to customers who require one (1) to twenty (20) individual Business Local Exchange Lines and is not available on Centrex access lines. A customer may subscribe to only one agreement for the Business Plus II plan at a given location. A customer may have up to twenty (20) lines maximum per location subscribed to a Business Plus II agreement.

The Business Plus II agreements will automatically renew for the original selected term at the current Tariffed rate at the time of contract expiration unless the business customer notifies the company thirty (30) days prior to expiration date.
