AMENDED APPLICATION

COMES NOW, Merit Energy Company ("Merit"), by and through its attorney, Stanford J. Smith, Jr., and in support of its Application in the above captioned matter states as follows:

1. Merit is authorized to do business in the State of Kansas, and has a street address of 13727 Noel Road, Suite 1200, Dallas, Texas, 75240.
2. The Kansas Corporation Commission has issued Merit operator's license 32446, which expires on May 30, 2019.
3. Merit is the owner and operator of the Liberal Airport 7 well, which is located in the East Half of the Southwest Quarter of the Northeast Quarter of Section 1, Township 35 South, Range 34 West, Seward County, Kansas, API # 15-175-20717-00-00. The subject well is located on an active oil and gas lease or unit comprising the following lands:

North Half of the North Half of Section 1, Township 35
South, Range 34 West, Seward County, Kansas.

4. The Liberal Airport 7 has never been perforated or produced above the cast-iron bridge plug.

5. Pursuant to K.A.R. 82-3-111, Merit sought and obtained temporary abandonment status for said well on or about October 9, 2008.

6. On or about October 30, 2018, the Kansas Corporation Commission notified Merit of the KCC's denial of renewal of temporary abandonment status for the well due to the limitation period of ten (10) years imposed by K.A.R. 82-3-111.

7. K.A.R. 82-3-111 imposes a 10-year limitation on the amount of time during which wells may be temporarily abandoned, but an exception to the 10-year limitation may be obtained pursuant to said regulation through an Application filed with the Commission pursuant to K.A.R. 82-3-100. Applicant seeks such an exception.

8. Merit wishes to continue temporary abandonment status for the subject well because Merit intends to use the well to complete downhole zones when economic at a higher commodity price. Merit is currently evaluating new zones as follows: The St. Louis Formation (perfs 6667-6675) and the St. Louis Formation (perfs 6680-6684). It is estimated recovery is 10 MBO at 5-15 bopd. If the zones above prove unproductive, then a recompletion in the Chase/Council Grove Formations will be considered.

9. A Commission Staff-witnessed mechanical integrity test of the casing between the surface and a point within fifty (50) feet above the uppermost perforations is pending.

10. In order to complete the Liberal Airport 7 well in the zones indicated above, it would cost approximately One Hundred Fifty Thousand Dollars to One Hundred Eighty Thousand Dollars (\$150,000.00 - \$180,000.00) based on current prices. It would cost an estimate of Six Hundred Thousand Dollars (\$600,000.00) based on current prices to drill and complete a replacement well. The estimated IP from the zones to complete is not sufficient to justify the expense at current commodity prices.

11. Merit has included a two (2) inch equals one (1) mile plat map, attached as Exhibit A, showing the locations of all producing, injection, temporarily abandoned, abandoned and plugged wells located on the same lease premises as the subject well.

12. Based on the foregoing, Merit requests the Commission grant an exception to the 10-year limitation, specifically to allow the Liberal Airport 7 well to remain eligible for temporary abandonment status for three (3) years following the expiration of 10-year limitation. Merit understands that the exception would be valid for three (3) years, but Merit would still need to apply annually to the Conservation Division District Office for approval of an Application for temporary abandonment status.

13. Listed in attached Exhibit B are the names and addresses of the following persons:

- A. Each operator of each oil and gas lease covering lands within one-half (1/2) mile radius of the subject well; and
- B. Each person who owns any mineral interest of record in and under any lands located within one-half (1/2) mile radius of the subject well if unleased.

14. That the Applicant has sent by regular mail a copy of this Application and Notice of Pending Application to all persons listed on the attached Exhibit B.

15. Notice of this Application will be published pursuant to K.A.R. 82-3-135a.

16. WHEREFORE, Merit prays that this matter be granted administratively without a hearing, or in the alternative be set for hearing, and upon hearing that the Commission grant Merit's request for an exception to the K.A.R. 82-3-111 10-year limitation, to allow the subject well to remain temporarily abandoned for three (3) years, subject to annual approval by the Conservation Division District Office of an application for temporary abandonment status.

Respectfully submitted,

MARTIN, PRINGLE, OLIVER, WALLACE
& BAUER, L.L.P.
