**MOTION TO APPROVE SETTLEMENT AGREEMENT**

Commission Staff moves for the Commission to adopt and approve the attached Settlement Agreement, which has been signed by both parties. Staff notes that approval of the agreement will eliminate the need for further pre-filed testimony and the need for the currently-scheduled March 16, 2017, evidentiary hearing. Staff believes the Agreement represents an appropriate manner of resolving the issues described therein.

Respectfully submitted,

## SETTLEMENT AGREEMENT

This Agreement is between Rodger D. Wells dba Pioneer Resources (“Operator”) (License #32016) and Commission Staff (“Staff”). If the Commission does not approve this Agreement by a signed Order, then this Agreement shall not be binding on either party. This Agreement shall settle the proceedings in Commission Docket Number 17-CONS-3372-CSHO.

### A. Background

1. On November 17, 2016, Commission Staff filed a motion to show cause against Operator, requesting the Commission to cause Operator to come before it at a hearing, to show cause why a penalty constituting an actual and substantial economic deterrent should not be assessed against Operator for its violations of either K.A.R. 82-3-400 or K.A.R. 82-3-409 regarding six wells for the 2015 calendar year, which would constitute second-time violations regarding the specific wells. Operator subsequently reported that it submitted erroneous data regarding the wells and submitted updated Annual Fluid Injection Reports. The parties agree to settle this docket under the following terms.

### B. Terms of Settlement

2. Operator shall pay \$6,000 in this docket, which shall be due by March 31, 2017. For purposes of Operator’s license renewal under K.S.A. 55-155 and K.A.R. 82-3-120, resolution of this matter will count as six violations of K.A.R. 82-3-400 or K.A.R. 82-3-409.

3. If Operator fails to comply with any deadline in Paragraph 2, then Staff shall suspend Operator’s license until compliance is obtained. If Staff suspends Operator’s license, then Staff shall send its standard notice of license suspension letter to Operator. If Staff finds Operator conducting oil and gas operations after 10 days from the date of the notice of license suspension letter, and Operator’s license is still suspended, then Staff is authorized to seal all of Operator’s oil and gas operations and to assess an additional \$5,000.

4. Operator agrees to waive its right to appeal the Commission's Order approving this Agreement, any penalties assessed under this Agreement, and any suspension of Operator's license implemented by Staff due to Operator's failure to comply with this Agreement.
