Re: Docket No. 02-MDWG-517-GPR
In the Matter of the Filing of Written Documents and Gas Purchase Reports by
Midwest Energy, Inc. as prescribed by Commission Order dated June 21, 2001 in
Docket No. 106,850-U / 75-GIMC-099-GIG.

Dear Mr. Wagaman,

As required by the Orders issued in the above captioned dockets, Midwest has filed the monthly gas purchase reports, originally under the generic docket, and more recently under our utility-specific docket. We have been under the impression that these regular data reports could be filed by the individual responsible for development of the reports, rather than requiring a formal filing by a corporate officer or attorney. We were only recently informed of the requirement to file these regular reports under signature of an officer or attorney.

All of the regular monthly Gas Purchase Contract Summary Reports have been executed by Mr. Les Munsch of our office. These filings were prepared under my supervision. Midwest Energy, Inc. formally adopts all monthly Gas Purchase Contract Summary Reports previously filed. All future filings in this docket will be under signature of an officer of Midwest Energy, Inc. in accordance with your recent instructions.

We apologize for any inconvenience this has caused. If you require any further information please contact us.

Sincerely,

William N. Dowling
