18. **Competitive Local Exchange (CLEC) applicants need to provide an interconnection or resale agreement with the incumbent local exchange carrier(s) for the service territory designated above, if consummated. Please indicate the docket number(s) and Commission approval date(s) for each. (Local operations may not begin until such agreements have been approved by the KCC.)**
- At this time, CCG seeks a CLEC License to provide CLEC services that do not require an interconnection agreement in the State of Kansas. To the extent CCG seeks to provide services in the future that require an interconnection agreement, CCG shall not provide such services until an interconnection agreement has been approved by the Commission.
19. **CLEC Applicants must provide a copy of the Company's proposed Intrastate Access tariff. (Operations may not begin until a tariff has been filed with and approved by the KCC.)**
- CCG does not intend to provide switched access services in Kansas at this time, but to the extent CCG plans to in the future, it will not do so without first filing an intrastate access tariff with the Commission and obtains approval of the same
20. **Complete, sign and attach the KCC Telecommunications Carrier Code of Conduct form as part of this application.**
- A copy of the KCC Telecommunications Carrier Code of Conduct, executed on behalf of CCG, is appended as Exhibit 8

**Notice: Kansas Supreme Court Rule 116 requires attorneys who are not admitted to practice in Kansas to associate with an attorney "who is a resident of Kansas, regularly engaged in the practice of law in Kansas, and who is in good standing under all of the applicable rules of the Supreme Court of Kansas." The Kansas attorney must "sign all pleadings, documents, and briefs, and shall be present throughout all court or administrative appearances." Attorneys licensed in Kansas, but not residents of Kansas may appear without local counsel. Any party may appear personally on his or her own behalf.**

## **II. PUBLIC INTEREST STATEMENT**

Granting this Application will promote the public interest by increasing competition in the provision of telecommunications services in Kansas. As evidenced herein, CCG has vast experience in providing such services in many other states. CCG has the technical and managerial expertise and the financial resources to bring competitive telecommunications services to the residents and businesses in Kansas in an efficient and cost- effective manner, which is indeed in the public interest.

### III. CONCLUSION

In conclusion, as described above, CCG satisfies all requirements for a CLEC License to provide both CLEC and IXC services. Furthermore, granting CCG a CLEC License is in the public interest because it will enable CCG to facilitate deployment of voice, broadband and competitive telecommunications services in Kansas. As such, CCG respectfully requests that the Commission grant this Application expeditiously.
