OF THE STATE OF KANSAS

In the matter of the application of Quito, LLC (Applicant) for an operator's license)	Docket No. 25-CONS-3082-CMSC
)	
)	CONSERVATION DIVISION
)	
_____)	License No. N/A

REPLY OF QUITO, INC. TO PRESIDING OFFICER PROPOSED
DEFAULT ORDER

COMES NOW Quito, Inc., and for its Reply to Presiding Officer Proposed Default Order, shows to the Commission as follows:

1. This Reply is filed out of an abundance of caution. The license application submitted on behalf of Quito, LLC was the result of a typographical error on the application. The correct applicant, Quito, Inc., was advised of the typographical error and supplied with a corrected License Application. Evidently, the corrected License Application with attached Certificate of Good Standing and license application fee for Quito, Inc. has not, to date, been received by the Commission.

2. To the extent the Proposed Default Order has no bearing on Quito, Inc., and does not prejudice its right to apply for an Operator's License, Quito, Inc. has no objection to the Proposed Default Order.
