MOTION TO REINSTATE MOTOR CARRIER OPERATIONS IN KANSAS

Transportation Staff of the State Corporation Commission of the State of Kansas (Staff),
by and through its counsel, files its motion requesting the Commission to reinstate Belle Springs
Trucking, Inc. of Abilene, Kansas (Respondent) for all Kansas commercial motor carrier
operations. In support of its Motion, Staff states as follows:

1. Respondent is a motor carrier as defined in K.S.A. 2016 Supp. 66-1,108, that
operates commercial motor vehicle(s) in commerce.
2. Respondent is registered as a motor carrier with the U.S. Department of
Transportation (USDOT) and operates under USDOT number 764415.
3. On September 21, 2010, the Commission issued Respondent a Notice and Invoice
(Invoice No. H000517501) assessing Respondent a civil fine in the amount of \$300 for
violation(s) of the Federal Motor Carrier Safety Regulations as adopted by K.S.A. 66-1,129 and
implemented by K.A.R. 82-4-3, et seq., discovered during a routine motor carrier stop and
inspection on September 16, 2010, by a Kansas Highway Patrolman. The Notice informed
Respondent it was to pay the civil fine within 30 days of the date of the Notice, or request an
administrative hearing.

4. On October 26, 2010, the Respondent filed a request for hearing, contesting the violation(s) set out in the Notice and Invoice.

5. On December 6, 2010, the Commission issued an Order Granting Staff's Unopposed Motion to Dismiss Respondent's Request for Hearing, as a result of Staff advising the Commission that Respondent verbally agreed not to go to hearing and to pay the civil fine.

6. A check of records on March 3, 2017, indicated that Invoice No. H000517501, in the amount of \$300 was delinquent and Respondent had not paid the fine.

7. On March 9, 2017, the Commission issued an Order Suspending Motor Carrier Operations in Kansas, due to the Respondent not paying the civil fine within 30 days of the date of the Notice and Invoice.

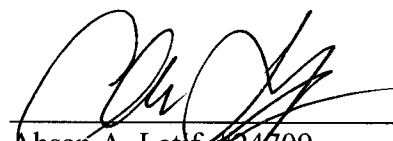

8. On March 9, 2017, Commission Transportation Staff received payment from the Respondent in the amount of \$300.

9. Staff asks that the Commission find Respondent has complied with the suspension order dated March 9, 2017.

10. Staff recommends the Commission reinstate Belle Springs Trucking, Inc.'s motor carrier operations in Kansas.

WHEREFORE, for the reasons stated above, Staff respectfully requests that the Commission issue an order reinstating Respondent's motor carrier operations in Kansas.

Respectfully submitted,
