issued to Fuller Oil ("Operator") regarding)
responsibility under K.S.A. 55-179 for) CONSERVATION DIVISION
unplugged wells on an expired license.)
_____) License No.: 31094

MOTION TO CLOSE DOCKET

On October 18, 2016, Staff filed a motion requesting that an order to show cause be issued against Operator, based upon Commission records indicating that unplugged wells remained on Operator's expired license. On January 19, 2017, the Commission issued an order to show cause, setting a February 9, 2017, prehearing conference.

Fuller Oil was the name under which Jan Fuller previously conducted oil and gas operations. The license was held as an individual license, rather than a corporate license. Staff has recently determined that Ms. Fuller is deceased. Therefore, pursuit of this matter would not be useful. All remaining issues can be addressed by Staff administratively. Staff thus asks that the docket be closed.

Respectfully submitted,
