proposed changes to its LADS tariff found in Prairie Land's Application, Commission Staff is without sufficient time to fully review, consider, and analyze whether the requested changes should be approved.

4. The Commission finds and concludes that suspension of any potential effectiveness of the changes to service, as outlined in the Application submitted by Prairie Land, is required to allow sufficient time for full investigation of this matter. The effective date of the rates and/or terms proposed shall be suspended for a period not to exceed 240 days from the date the application was made, April 27, 2020, until December 23, 2020.² A Commission decision may be issued before such date.

IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:

A. Any decision regarding Prairie Land's Application shall be deferred until December 23, 2020. The Commission may issue a decision before such date.

B. The parties have fifteen (15) days, plus three (3) days if service of this order is by mail, from the date this order was served in which to petition the Commission for reconsideration of any issue or issues decided herein. K.S.A. 66-118b; K.S.A. 77-529(a)(1).

² K.A.R. 82-1-217 states that the last day of a time period shall be included in time computation, so long as the last day is not a Saturday, Sunday, or legal holiday. In situations where the last day included in time computation falls on a Saturday, Sunday, or legal holiday, the event period shall run until the next day that is not a Saturday, Sunday, or legal holiday.

BY THE COMMISSION IT IS SO ORDERED.
