OF THE STATE OF KANSAS**

In the Matter of the Audit of RingCentral Inc.)
By the Kansas Universal Service Fund (KUSF))
Administrator Pursuant to K.S.A. 66-2010(b)) Docket No. 25-RGCV-106-KSF
For KUSF Operating Year 27, Fiscal Year)
March 2023-February 2)

MOTION FOR EXTENSION OF TIME

RingCentral Inc. (“RingCentral”) respectfully submits this Motion for an Extension of Time to complete the corrective actions recommended by Vantage Point Solutions (“VPS”) in the Order Adopting Audit Report filed in Docket No25-RGCV-106-KSF. In support of this motion, RingCentral states as follows:

1. On May 12, 2025, the Kansas Corporation Commission (“Commission”) filed its Order Adopting Audit Report requiring RingCentral to take five (5) corrective actions recommended by VPS within sixty (30) days of issuance, which would be June 12, 2025.

2. The Order Adopting Audit Report requires RingCentral to: (1) file audit True-ups for fiscal years 2026-2027 to exclude the double deductions from discounts and promotional credits from its report; (2) Remit \$5,832.82; (3) update its internal procedures so that KSUSF rate billed to all Kansas customers is updated in a timely manner; (4) file an affidavit, signed by an officer of the company, attesting that the company has updated its internal procedures so the KUSF rate billed to all customers is updated in a timely manner and remitted \$5,832.82 to KUSF. The affidavit should provide the date the corrective actions were implemented; and (5) Remit payment of an outstanding KUSF obligation of \$396.33 withing 30 days of the date of the Commission’s Order.

3. Over the past thirty days, RingCentral has worked diligently to comply with this order. RingCentral has updated its internal testing procedures to come into compliance and is working to test those procedures to ensure accuracy. RingCentral requires an additional 60 days to complete these tests and remediate any errors found. RingCentral is prepared to remit the required payments but erroneously believed that it could handle the remittance through a third party vendor. The vendor recently informed RingCentral that it cannot remit the payment and RingCentral must do so directly. RingCentral is actively working to onboard Vantage Point as a vendor in its billing system so that RingCentral can pay the required amounts.

WHEREFORE, RingCentral respectfully requests the Commission grant its request for extension of time.

Respectfully submitted,
