**MOTION FOR THE DESIGNATION OF A PREHEARING OFFICER
AND THE SCHEDULING OF A PREHEARING CONFERENCE
REGARDING CANCELLATION OF THE
EUBANK SOUTH MISSISSIPPIAN-CHESTER SAND OIL AND GAS POOL ORDER**

1. On November 12, 1996 the Commission issued an Order creating spacing rules for an area known as the Eubank South Mississippian-Chester Sand Oil and Gas Pool. The Order does little more than require 40-acre spacing for the area and formation in question, rather than allowing 10-acre spacing under the Commission's general rules. Staff believes the Order no longer serves any utility, and that the Order should be cancelled.

2. On March 18, 2016, Commission Staff sent a letter to all operators having wells within the Eubank South Mississippian-Chester Sand Oil and Gas Pool, stating that Staff was considering filing this motion, and asking for a response if any of the operators disagreed with Staff's belief that the Order should be cancelled. No operator responded.

3. Based upon the above, Staff moves that a prehearing officer be designated, and that a prehearing conference be scheduled, in anticipation of an evidentiary hearing regarding the cancellation of the Commission's Eubank South Mississippian-Chester Sand Oil and Gas Pool Order.

Respectfully submitted,
