2. Applicant has been issued by the Kansas Corporation Commission Operator's License 35820, which expires on February 28, 2026.
3. Applicant is the owner and operator of the Thompson# 1 well, API #15-035-24592-00-00 (the subject well), which is located in the SE/NE of Section 5, Township 33 South, Range 5 East, Cowley County, Kansas. The subject well is located on the following lands: Section 5, NE/4 SE/4 Sec 5, Township 33 Range 5 East, Cowley County, Kansas. --

4. Pursuant to K.A.R. 82-3-111, the well was shut in, or Applicant obtained temporary abandonment status, for the subject well on June 6<sup>th</sup> 2015

The subject well has maintained such status from June 6<sup>th</sup> 2015, to the present date.

5. On or about March 27<sup>th</sup>, 2025, the Kansas Corporation Commission notified Applicant temporary abandonment status for the subject well would be denied from and after June 6<sup>th</sup>, 2025 because subject well has been temporarily abandoned for more than ten (10) years.

6. K.A.R. 82-3-111 imposes a 10-year limitation on the amount of time during which wells may be temporarily abandoned, but an exception to the 10-year limitation may be obtained pursuant to said regulation through an application filed with the Commission pursuant to K.A.R. 82-3-100. Applicant seeks such an exception.

7. On May 13, 2025, the subject well passed a Commission Staff-witnessed mechanical integrity test of the casing between the surface and a point within fifty (50) feet above the uppermost perforation or open hole in the well.

8. Applicant wishes to continue TA status for the subject well, because Applicant intends to use the well for the following purpose:

The well will remain shut-in for the immediate future. The well is currently under evaluation to be recompleted as a producer or converted to a disposal well.

9. Applicant submits the following information regarding the well in support of the Application:

Based on the foregoing, Applicant requests the Commission grant an exception to the 10-year limitation, specifically to allow the subject well to remain eligible for temporary abandonment status for three (3) years following the expiration of the 10-year limitation. Applicant understands that the exception would be valid for three (3) years, but Applicant would still need to apply annually to the Conservation Division District Office for approval of an application for temporary abandonment status.

- A. Each operator of each oil and gas lease covering lands within one-half (1/2) mile radius of the subject well; and

In addition, notice of the hearing to be held in this manner will be provided as prescribed by K.A.R. 82-3-135.

WHEREFORE, Applicant prays that this matter be granted administratively without a hearing, or in the alternative be set for hearing, and upon hearing that the Commission grant Applicant's request, for an exception to the K.A.R. 82-3-111 ten (10) year limitation, to allow the subject well to remain temporarily abandoned for three (3) years, subject to annual approval by the Conservation Division District Office of an application for temporary abandonment status.
