MOTION TO CLOSE DOCKET

The Staff of the State Corporation Commission of the State of Kansas (“Staff” and “Commission,” respectively) files this *Motion to Close Docket*. In support of its Motion, Staff states as follows:

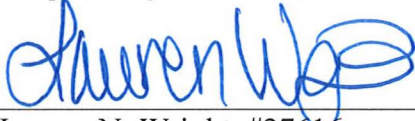

1. On November 22, 2017, Streamline Energy, LLC (“Operator”) submitted an application seeking injection authority at the subject well.
2. On December 20, 2017, the Commission received a protest to the application from Adell T. Nellis (“Protestant”). On January 04, 2018, Staff received a request for hearing from Protestant.
3. On February 15, 2018, the Commission issued an Order Designating Prehearing Officer and Setting Prehearing Conference, scheduling a prehearing conference in this matter on March 02, 2018.
4. On April 26, 2018, the Commission issued an Order Designating a New Prehearing Officer.
5. On July 26, 2018, the Prehearing Officer issued an Order Setting Status Conference, scheduling a status conference in this matter on August 09, 2018.
6. On August 28, 2018, Staff received Protestant’s request to withdraw her protest.¹

¹ See Exhibit A.

7. As the protest in this matter has been withdrawn, this docket is no longer contested. Since the Commission has authorized the Conservation Division to take all actions with regard to injection wells without a Commission order in uncontested matters, Staff moves the Commission to close this docket, authorizing Staff to process Operator's application administratively.²

WHEREFORE, for the reasons described above, Staff respectfully moves the Commission to close the docket so that Staff may process the application administratively.

Respectfully submitted,
