(“Pioneer”) study areas, and the following SWBT wire centers: Bucklin, Dodge City, Fowler, Garden City (including Holcomb), Meade, Minneola, Scott City and Sublette.

A. Background

1. On June 28, 2007, WestLink filed an application requesting designation as an Eligible Telecommunications Carrier (ETC) in certain areas of its licensed service area in the State of Kansas for the purpose of receiving Federal Universal Service Fund (FUSF) support in Docket No. 07-WLCT-1439-ETC.
2. On November 21, 2007, the Commission issued an order granting WestLink’s request to be designated an ETC in specific areas in the State of Kansas for the purpose of receiving FUSF support.
3. On March 3, 2010, WestLink filed an application requesting ETC designation for Kansas Universal Service Fund (KUSF) support for certain areas where it was granted ETC designation for FUSF support.

4. On November 23, 2010, in Docket No. 10-WLCT-565-ETC, the Commission issued an order granting WestLink's application to be designated as an ETC for purposes of KUSF support in Elkhart, United and Pioneer study areas, and the following SWBT wire centers: Bucklin, Dodge City, Fowler, Garden City (including Holcomb), Meade, Minneola, Scott City and Sublette.
5. On March 15, 2011, WestLink filed a Request for Kansas Universal Service Fund Support. Since that time, WestLink has worked with Commission Staff to submit customer information, corrected customer addresses, and worked to determine the Holcomb exchange boundaries. Commission Staff has received a workbook with WestLink's customer information through December 31, 2010.

B. Request for KUSF Support

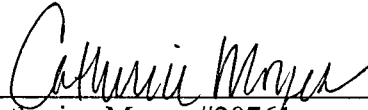

6. WestLink, as an ETC, is authorized to request and receive KUSF support for its customer lines in Elkhart, United and Pioneer study areas, and the following SWBT wire centers: Bucklin, Dodge City, Fowler, Garden City (including Holcomb), Meade, Minneola, Scott City and Sublette. WestLink has taken out all multi-line business customers with four (4) or more phones at one billing location and has excluded any residential lines with more than three (3) phones at one billing location.
7. WestLink submits with this Amended Request its calculation of KUSF support, marked "confidential." Additionally, Holcomb exchange customers are included with the Garden City exchange.

C. Conclusion

Wherefore, WestLink respectfully requests an Order of the Commission granting its KUSF support for its customer lines in Elkhart, United and Pioneer study areas, and the

following SWBT wire centers: Bucklin, Dodge City, Fowler, Garden City (including Holcomb), Meade, Minneola, Scott City and Sublette.
