**APPLICATION**

COMES NOW, Merit Energy Company, LLC ("Merit"), by and through its attorney, Stanford J. Smith, Jr., and in support of its Application in the above captioned matter states as follows:

1. Merit is authorized to do business in the State of Kansas, and has a street address of 13727 Noel Road, Suite 1200, Dallas, Texas, 75240.
2. The Kansas Corporation Commission has issued Merit operator's license 32446, which expires on May 30, 2018.
3. Merit is the owner and operator of the Bidwell 6-13 well, which is located in the Southeast Quarter of the Southeast Quarter of the Northwest Quarter of Section 13, Township 23 South, Range 34 West, Finney County, Kansas, API # 15-055-20873-00-01. The subject well is located on an active oil and gas lease or unit comprising the following lands:

Northwest Quarter of Section 13, Township 23 South, Range  
34 West, Finney County, Kansas.

4. The Bidwell 6-13 was originally perforated in the Lansing/Kansas City, Fort Scott and Atoka formations but was not actively produced and was shut-in as inactive.

5. Pursuant to K.A.R. 82-3-111, Merit sought and obtained temporary abandoned status for said well on or about May 5, 2011 and October 14, 2014.

6. On or about October 10, 2017, the Kansas Corporation Commission notified Merit of the KCC's denial of renewal of temporary abandonment status for the well due to the limitation period of ten (10) years imposed by K.A.R. 82-3-111.

7. K.A.R. 82-3-111 provides for an exception to said 10-year limitation upon the filing of an application pursuant to K.A.R. 82-3-100. Merit seeks such an exception for said well.

8. Merit wishes to continue temporary abandonment status for the subject well because Merit intends to convert the well to a salt water disposal well and dispose in the currently open zones.

9. A Commission Staff-witnessed mechanical integrity test of the casing between the surface and a point within fifty (50) feet above the uppermost perforations is pending.

10. Use of the Bidwell 6-13 as a salt water disposal well would save Merit approximately Twenty-Five Thousand Dollars (\$25,000.00) a year in hauling costs.

11. Merit has included a plat map, attached as Exhibit 1, showing the locations of all producing, injection, temporarily abandoned, abandoned and plugged wells located on the same lease premises as the subject well.

12. Based on the foregoing, Merit requests the Commission grant an exception to the 10-year limitation, specifically to allow the Bidwell 6-13 well to remain eligible for temporary abandonment status for three (3) years following the expiration of 10-year limitation. Merit understands that the exception would be valid for three (3) years, but Merit would still need to apply annually to the Conservation Division District Office for approval of an Application for temporary abandonment status.

13. Listed in attached Exhibit 2 are the names and addresses of the following persons:

- A. Each operator of each oil and gas lease covering lands within one-half (1/2) mile radius of the subject well; and
- B. Each person who owns any mineral interest of record in and under any lands located within one-half (1/2) mile radius of the subject well if unleased.

14. Notice of this Application will be published pursuant to K.A.R. 82-3-135a.

15. WHEREFORE, Merit prays that this matter be granted administratively without a hearing, or in the alternative be set for hearing, and upon hearing that the Commission grant Merit's request for an exception to the K.A.R. 82-3-111 10-year limitation, to allow the subject well to remain temporarily abandoned for three (3) years, subject to annual approval by the Conservation Division District Office of an application for temporary abandonment status.

Respectfully submitted,

MARTIN, PRINGLE, OLIVER, WALLACE  
& BAUER, L.L.P.
