Docket No. 14-KCPE-098-TAR

SUSPENSION ORDER

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and decision. Having reviewed the files and records, and being duly advised in the premises, the Commission makes the following findings:

1. On August 12, 2013, Kansas City Power & Light Company (KCP&L) filed an Application seeking approval to modify the original budget for its Demand-Side Management (DSM) pilot program Energy Optimizer.

2. A full investigation of the Application, which may result in a hearing, is deemed necessary and proper. Absent suspension of the Application, Commission Staff is without sufficient time to fully review, consider, and analyze whether the proposed tariff schedule is just and reasonable.

3. The Commission finds and concludes that suspension of the effectiveness of the application and deferral of its effective date are required to allow sufficient time for full investigation of this matter. The application should be suspended for a period of 240 days from the date the application was made, August 12, 2013, until Wednesday, April 9, 2014, pursuant to K.S.A. 66-117(c).

IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:

A. Pursuant to K.S.A. 66-117(c), the application in the above-captioned docket shall be suspended and the effective date deferred until April 9, 2014.

B. Parties have 15 days, plus three days if service is by mail, from the date of service of this Order in which to petition the Commission for reconsideration.¹

C. The Commission retains jurisdiction over the subject matter and parties for the purpose of entering such further order, or orders, as it may deem necessary and proper.

BY THE COMMISSION IT IS SO ORDERED.
