**MOTION TO CANCEL PREHEARING CONFERENCE AND CLOSE DOCKET**

On October 20, 2016, Staff filed a motion requesting that an order to show cause be issued against Operator, based upon Commission records indicating that unplugged wells remained on Operator's expired license. On January 24, 2017, the Commission issued an Order to Show Cause. The matter is currently set for an April 18, 2017, prehearing conference.

Staff reports that the wells in question have recently been transferred to an active license. Since the compliance issue has been resolved, Staff asks that the prehearing conference be cancelled and that the docket be closed.

Respectfully submitted,
