The Compliance Agreement stated Operator had nine wells out of compliance with K.A.R. 82-3-111.¹ Under the Compliance Agreement, Operator was to bring one well into compliance by November 1, 2019, and one additional well each three calendar months thereafter, resulting in annual quarterly deadlines of February 1, May 1, August 1, and November 1, with all wells being returned to compliance by November 1, 2021.²

2. On July 19, 2021, Commission Staff filed a Status Update in this docket stating that Operator had timely requested an extension of its July 31, 2021, quarterly deadline, as permitted under the terms of the Compliance Agreement. Staff recommended approval of the requested extension, reporting that Operator was currently in compliance with the Compliance Agreement and had demonstrated good cause, related to service-company scheduling, for the request.

3. Taking administrative notice of its records and upon reviewing Staff's Status Update, the Commission finds it appropriate to grant Operator's request.
