RE: YourTel America, Inc.
Docket No. 12-TPCT-768-ETC

Dear Ms. Retz:

Pursuant to the Order Clarifying Filing Requirements issued by the Kansas Corporation Commission (“Commission”) on December 5, 2012 in Docket No. 12-TPCT-768-ETC, YourTel America Inc. (“YourTel” / Docket No. 09-TPCT-596-ETC) is required to file a letter notifying the Commission of all revisions to their wireless plans. With this filing, YourTel is notifying the Commission of revisions to their Base Plan offerings.

In compliance with Commission Order in Docket No 12-TPCT-768-ETC, YourTel will continue to pass the entire KUSF Lifeline discount along to its consumers in its entirety. YourTel will also continue to offer to their new and existing Kansas customer’s additional calling minutes above and beyond the number of calling minutes provided to Lifeline customers in other states where YourTel does not receive a similar state Lifeline discount. On November 28, 2017, the Kansas Corporation Commission approved both of YourTel’s current plans, the “KS Broadband Base Plan” and the “KS Voice Base Plan”.

YourTel now requests the Kansas Corporation Commission approve of the following changes to these two plans, which will become effective in December 2018.

The “KS Broadband Base Plan” currently provides 920 calling minutes, 1GB of free data for subscribers with data capable phones, and unlimited texting. Beginning December 2018, this plan will now include 920 calling minutes, 2GB of free data for subscribers with data capable phones, and unlimited texting.

The “KS Voice Base Plan” currently provides 1,380 calling minutes and unlimited texting. Beginning December 2018, this plan will now include 1,840 calling minutes and unlimited texting.

No KUSF funding will be utilized for these additional offerings and Kansas Subscribers will continue to have an additional 420 free calling minutes over the calling minutes offered to subscribers in other states.
