Docket No. 15-GIMM-212-KHP

**MOTION FOR CONTINUANCE**

On December 11, 2014 the Commission rescheduled a hearing on the above stated case for February 11, 2015 at 10:00 a.m.

Subsequently, on January 30, 2015, I made a request to appear pro se and the commission is to hear that matter on February 10, 2015.

At this time I respectfully ask for a continuance of the scheduled hearing on February 11<sup>th</sup> as I do not believe I will be ready to present my arguments, not knowing the outcome of the Commission's February 10<sup>th</sup> decision.

Thanking you in advance for your consideration in this matter.
