PREHEARING OFFICER ORDER CLOSING DOCKET

As the email correspondence attached to this order as Exhibit A demonstrates, the protestant in this docket desires to withdraw its protest. As there is no longer a protestant, there is no longer a need to schedule an evidentiary hearing. Accordingly, this docket is closed. Staff may process Continental's application administratively. If an issue arises necessitating a hearing, any party may file a motion requesting one, in which case the docket may be reopened.
