## ORDER GRANTING INTERVENTION TO CITIZENS' UTILITY RATEPAYER BOARD

NOW, the above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission). Having examined its files and records, and being duly advised in the premises, the Commission finds as follows:

## I. BACKGROUND

1. On January 7, 2002, Midwest Energy, Inc. (Midwest) filed its Application requesting the Commission to open a utility-specific docket for Midwest to utilize in filing its monthly contract summary filings and its annual written report relating to supply and transportation contracts and purchasing practices. Midwest's Application was filed in accordance with the Order issued by the Commission in KCC Docket No. 106.U/75-GIMC-009-GIG on June 21, 2001.

2. On February 1, 2002, Citizens' Utility Ratepayer Board (CURB) filed with the Commission a Petition for Leave to Intervene seeking a Commission order granting CURB leave to intervene as a party in this matter. There has been no objection to CURB's petition to intervene.

3. In support of its Petition for Leave to Intervene, CURB states the following:

a. CURB is composed of five volunteer consumer advocate members and is statutorily authorized to represent the interests of Kansas residential and small commercial ratepayers in utility proceedings;

b. CURB is requesting permission to intervene in this docket to represent the interests of the residential and small commercial ratepayers involved in this proceeding;

c. The rates paid and service received by those customers whom CURB represents will or may be affected by the Commission's order in this proceeding;

d. The representation of CURB's interests in this proceeding by existing parties is or may be inadequate;

e. The residential and small commercial ratepayers whose interests CURB represents will or may be bound by a Commission order in this proceeding and will or may be adversely affected thereby.

## **II. DISCUSSION**

4. The general criteria governing intervention is set by statute and in the Commission's rules and regulations, specifically K.S.A. 77-521 and K.A.R. 82-1-225. These authorities provide the Commission great discretion regarding intervention, essentially allowing the Commission to grant intervention if it is determined that the request was made in the interest of justice and will not delay the orderly and prompt conduct of the proceeding. Further, K.S.A. 77-521 and K.A.R. 82-1-225 provide that:

a) the intervener's participation may be limited to designated issues in which the

intervener has a particular interest; b) the intervener's use of discovery, cross-examination and other procedures may be limited so as to promote the orderly and prompt conduct of the proceedings; and c) two or more interveners may be required to combine their presentations of evidence and argument, cross-examination, discovery and other participation in the proceedings.

5. The Commission finds that Citizens' Utility Ratepayer Board, the agency statutorily authorized to represent the interests of residential and small commercial ratepayers in Kansas, has properly filed its petition to intervene and states facts that demonstrate its legal interests may be substantially affected by this proceeding. Therefore, the Commission grants full intervention to CURB. CURB is reminded that the Commission may, at any time, limit their participation in this proceeding, including the use of discovery, cross-examination and other procedures so as to promote the orderly and prompt conduct of this proceeding.

**IT IS THEREFORE BY THE COMMISSION ORDERED THAT:**

(A) The petition to intervene filed by Citizens' Utility Ratepayer Board is hereby granted pursuant to K.S.A. 77-521 and K.A.R. 82-1-225, as set forth in this order.

(B) Any party may file a petition for reconsideration of this Order within fifteen (15) days of the date this Order is served. If service is by mail, service is complete upon mailing and three days may be added to the above time frame.

(C) The Commission retains jurisdiction of the subject matter and the parties for the purpose of entering such further order or orders as it may deem necessary.

**BY THE COMMISSION IT IS SO ORDERED.**
