BACKGROUND

The Commission issued an Order in the General Investigation Regarding Payment of Customer Accounts by means of Fee-based Transactions, Including Third Party Services.¹ The Commission Order, dated March 17, 2006, in Docket No. 06-GIMX-679-GIV stated that all jurisdictional electric and gas utilities may file appropriate tariffs and other materials for Staff review in this docket as necessary to comply with the Commission's November 22, 2005 Order in 04-GIMX-651-GIV.

COMPLIANCE SUMMARY

This memo summarizes utility quarterly reports for additions and deletions of company business offices and walk-in payment locations. Only pay locations authorized by Kansas utilities and physically located in the state of Kansas are included in this report. Kansas City Power & Light, Aquila, Atmos and Empire District Electric Company all have customers who may access Missouri pay locations for bill payment.

¹ Order On Reconsideration, November 22, 2005, as corrected, Order Nunc Pro Tunc, November 28, 2005 Docket No. 04-GIMX-651-GIV.

Reporting for in-person payment locations

The Commission's Minimum Standards for Payment Methods for Utility Bills and Allowing the Acceptance of Credit Cards by Kansas Jurisdictional Electric, Natural Gas, and Water Utilities (E) requires utilities to notify the Commission upon closing walk-in payment locations and explain what other options for in person payments will be made available to the customer. Companies reporting on authorized walk-in pay locations include: Aquila Networks-KGO, Atmos Energy, Empire District Electric, Kansas City Power & Light, Kansas Gas Service, Midwest Energy and Westar Energy.

Staff's last report, dated August 15, 2007, indicated that as of June 30, 2007, a total of 272 pay locations were available for customers to pay their bills. This number was amended to include Midwest Energy's fifteen business offices which were not previously counted. During the third and fourth quarters of 2007, 28 pay locations were closed and 29 pay locations were opened. As of December 31, 2007, 288 pay stations and company businesses offices available for in-person payment.

This memo is to be filed in Docket No. 06-GIMX-679-GIV to provide permanent documentation of utility compliance with the Commission's Order. Specific copies of tariffs and reports filed for compliance in Docket No. 06-GIMX-679-GIV are available by calling 785 271-3165 and asking for Dorothy Myrick or Sonya Cushinberry.
