AGREEMENT PURSUANT TO K.S.A. 66-1401(2)(g)

Comes Now, Great Plains Energy Incorporated ("GPE"), and pursuant to K.S.A. 66-1401(2)(g) states as follows:

1. GPE is a Missouri corporation authorized to do business in the State of Kansas. Kansas City Power & Light Company ("KCPL") is an electric public utility company certified by the Kansas Corporation Commission ("Commission"). KCPL provides retail electric service in the State of Kansas.

2. On February 26, 2001, KCPL filed an application in this docket requesting Commission approval of its plan to reorganize itself into a holding company structure. 4. GPE hereby agrees that, subsequent to acquiring the stock of KCPL, it will keep the Commission fully informed as to the transactions between KCPL and GPE. Furthermore, GPE hereby submits to the jurisdiction of the Commission insofar as any

transaction between GPE and KCPL affects the rate or charge to be made by KCPL to its jurisdictional customers in the State of Kansas.
