Re: Docket 24-CONS-3295-CEXC

Operator,

On April 23, 2024, Commission Legal Staff received an exception application for the Latta A #9 well, API #15-191-20581. To date, Staff has not received affidavits of publication from the Wichita Eagle or the Official County Newspaper for the application. Notice of the application needs to be published as required under K.A.R. 82-3-135a(d). Once notice has been published the affidavits of publication will need to be filed in the referenced docket.

Please file affidavits of publication pursuant to K.A.R. 82-3-135a(d) by July 5, 2024. Failure to do so will result in Staff filing a motion to dismiss the application for the reasons noted above.

You may contact me at k.marsh@kcc.ks.gov if you have any questions.

Sincerely,

/s/ Kelcey Marsh
