RE: NetFortris Acquisition Co. Inc
KS USF Traffic Study - Quarterly - "Confidential"
For the quarter ending May 31, 2017
Docket 17-GIMT-008-GIT

Dear Ms. Amy Green:

Enclosed please find the KS USF Traffic Study - Quarterly - "Confidential" for the quarter ending May 31, 2017, filed on behalf of NetFortris Acquisition Co. Inc. No check is enclosed as there are no remittance fees due.

The KS USF Traffic Study contains highly proprietary and confidential commercial and financial information, the disclosure of which to competitors, or potential competitors, would be highly detrimental to the Company. Specifically, page one breaks out the percentage of intrastate traffic on a monthly basis.

The telecommunications industry is highly competitive and it is imperative that public disclosure of confidential information contained in the KS USF Traffic Study of the Company be avoided because of the competitive harm which disclosure of such information would likely cause the Company. The information is only available to a subset of employees of the Company and its legal and financial agents. Disclosure would allow the entire public to review the information dramatically expanding the scope of the disclosure. Therefore, the Company is requesting confidential treatment of the attached KS USF Traffic Study.

Questions regarding this filing should be directed to my attention at 407-740-8575. Thank you for your assistance in this matter.

Sincerely,

Carly Fiola
