To Whom it May Concern,

I am unable to attend or call in via phone on Thursday May 5, 2016 at the time of the pre-hearing conference.

I understand that things will move forward because the operator has a majority of landowners approval. I simply wanted to state my opinion and reserve my right to protect my interests. I was informed that I could do this in writing (for the record) and never intended to start any legal proceedings.

I do not wish to legally protest at this time.

Thank you for your interest in this matter,
