20-CONS-3130-CPEN

November 27, 2019

Kansas Corporation Commission
266 N. Main Street Suite 220
Wichita, Kansas 67202

The purpose of this letter is to respond to a Notice of Penalty Assessment for violation of Kansas Oil and Gas Conservation Statutes, Rules and Regulation letter and to request a hearing. The paperwork I've received says that a request for a hearing must be made within 30 days of the service of the letter. I received the letter November 12th, 2019.

The hearing is made upon the following grounds:

- A) K&G #1-27, API #15-055-21988-00-00, Section 27, Township 26 South, Range 31 West, Finney County, Kansas;

The KCC was informed back in 2017 that the K&G #1-27 was being put back on production. I am working to determine if the well is still being produced. I will provide documentation in the form of payment stubs.

- B) Mott Trust #1-26, API #15-055-21994-00-00, Section 26, Township 26 South, Range 31 West, Finney County, Kansas;

It is our intention to do a 10-year ta on this well.

- C) De Chant #2, API #15-069-20298-00-00, Section 6, Township 25 South, Range 30 West, Gray County, Kansas;

Trying to re-lease this property and continue TA.

- D) Maxine #1-30, API #15-069-20316-00-00, Section 32, Township 27 South, Range 30 West, Gray County, Kansas;

Trying to re-lease this property and continue TA.

- E) Nichols #2-32, API #15-069-20325-00-00, Section 32, Township 27 South, Range 30 West, Gray County, Kansas; and

Trying to re-lease this property and continue TA.

- F) Wedel Trust #3-33, API #15-069-20480-00-00, Section 33, Township 26 South, Range 30 West, Gray County, Kansas.

Trying to re-lease this property and continue TA.

Considering these explanations and others Bengalia Land & Cattle Company requests a hearing to explain its positions to the Commission

Thanks!
