Docket No. 22-GIMT-142-GIT

**APPLICATION OF TWIN VALLEY COMMUNICATIONS FOR APPROVAL OF USE OF
TRAFFIC STUDIES FOR KANSAS UNIVERSAL SERVICE FUND REPORTING**

COMES NOW TWIN VALLEY Communications, Inc., a Kansas corporation, (hereafter "TVC") and requests approval of the use by TVC, effective October 1, 2022 through December 31, 2022, of the intrastate usage percentage derived by TVC's traffic study to determine the intrastate revenues for its Kansas Universal Service Fund ("KUSF") assessment. In support, TVC shows the Commission as follows:

1. Pursuant to KCC requirements each time there is a change in the factors for the use of a traffic study in determining intrastate retail revenues, a carrier must file a copy of its traffic study with the KCC. See Confidential Attachment "A." The results of the study are based on the most recent three months of actual intrastate usage and will be used by TVC, subject to Commission approval, to report intrastate revenue for the quarter beginning October 1, 2022, and ending December 31, 2022.

2. TVC intends to submit a subsequent traffic study, subject to Commission approval, for use throughout calendar year 2023.

3. With this application TVC submits the verification of Scott Leitzel, its General Manager, as to the matters asserted herein.

WHEREFORE TVC respectfully requests the Commission approve its company-specific traffic study and its use from that study for KUSF reporting purposes.

Respectfully submitted,

Thomas E. Gleason, Jr. #00741
