Conservation Division of the State Corporation of the State of Kansas

We are writing to protest Mid-Continent adding an injection well near our property. We are protesting because of the environmental impact of such a well on our property. Injection wells have been shown to cause small earthquakes which could affect the structures on the property. Injection well have also been found to cause water contamination and toxic leaks can destroy ecosystems. The notice was mailed to me on 11/30/2020.

Regards,

Larry and Karen Chambers

336 Woodhurst Place

Coppell, TX 75019

Applications may be filed by any party having a valid interest in the application. Petitions for protests shall be in writing and shall clearly identify the name and address of the protester and the title of the application. The petition shall include a clear and concise statement of the direct and substantial interest of the protester in the application, including specific allegations as to the manner in which the grant of the application will cause waste, violate correlative rights, or pollute the water resources of the state of Kansas. Protesters shall serve the protest upon the applicant by mail or personal service at the same time or before the protester files the protest with the Conservation Division. Protests must be filed within 30 days of the publication notice of the application.

**BEFORE THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS
NOTICE OF FILING APPLICATION**

RE: Mid-Continent Energy Corp – Application for order to permit the injection of saltwater in to the Seamster A-1, located in Cowley County, Kansas.

TO: All Oil and Gas Producers, Unleased Mineral Interest Owners, Landowners, and all persons whosoever concerned.

You, and each of you, are hereby notified that Mid-Continent Energy Corporation, has filed an application to commence the injection of saltwater into, the Pawnee and Fort Scott formations at the Seamster A-1, located in the C E/2 NE (3630' FSL & 330' FEL) of Section 08, Township 34 South, Range 08 East), Cowley County, Kansas.

Any person who object to or protest this application shall be required to file their objections or protests with the Conservation Division of the State Corporation Commission of the State of Kansas within thirty (30) days from the date of the publication. These protests shall be filed pursuant to Commission regulations and must state specific reasons why the grant of the application may cause waste, violate correlative rights or pollute the natural resources of the State of Kansas. If valid protests are received, this matter will be set for hearing.

All persons interested or concerned shall take notice of the forgoing and shall govern themselves accordingly.
