 Docket
Room

RE: Schedule ECA Submittal of 2009 Projected ECA Factors for April, May and June
Docket No. 08-KCPE-677-CPL

Dear Ms. Duffy:

Enclosed for submittal to the Staff of the Commission pursuant to our tariff Schedule ECA, please find the original and eight (8) copies of Kansas City Power & Light Company's (KCP&L) submittal of its projected Energy Cost Adjustment (ECA) factors for April, May and June 2009 pursuant to Tariff Schedule ECA. These factors will be effective April 1, 2009 with the billing cycle 01 start date of April 3, 2009.

Included in this submittal are:

- The Public version showing the ECA factors for January – June 2009;
- The Confidential version showing the summary for all 12 months of 2009;
- Workpapers expanding the summary report; and
- A summary of values allocated between retail / sales for resale sales / bulk power sales not in off-system sales and asset-based off-system sales.

Please note that in addition to the Confidential version of the submittal, all of the workpapers are marked "Confidential" pursuant to K.S.A. 66-1220a because they contain proprietary and confidential information related to KCP&L's projected fuel supply and off-system sales.

Please file stamp one copy for KCP&L's files. Thank you for your assistance.

Respectfully,

Lois J. Liechti
Manager, Regulatory Affairs
