Please Provide the Following:

AT&T has requested to relinquish its ETC designation in an exchange or wire center in which your Company has been designated an ETC. Accordingly, please answer the following:

- a. For each exchange or wire center for which your Company has been designated an ETC, would your Company be able to ensure that all customers served by AT&T would continue to be served if the Commission grants AT&T's request?
- b. If response to subpart a. is yes, would your Company need to purchase or construct facilities in order to fulfill this requirement?
- c. If response to subpart b. is yes, what steps would the Company need to take and how much time does the Company estimate would be required to purchase or construct adequate facilities to fulfill this requirement?
- d. If response to subpart a. is no, please explain why your Company would be unable to ensure all customers currently served by AT&T would continue to be served.
- e. If your Company has been designated as a Lifeline-only ETC, would your company be able to ensure all non-Lifeline customers served by AT&T would continue to be served if the Commission grants AT&T's request. (If your company is not a Lifeline-only ETC, please state this.)
