THE REPORT AND RECOMMENDATION OF COMMISSION STAFF**

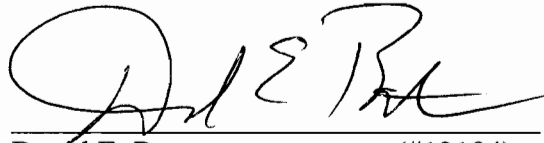

Intervenor SandRidge Exploration and Production, LLC ("SandRidge") moves, pursuant to K.A.R. § 82-1-218, for an eight (8) day extension of time, until March 11, 2016, to respond to the Report and Recommendation of Commission Staff (the "Staff Report") filed in the above captioned docket. In support of this motion, SandRidge states as follows:

1. The Commission granted SandRidge's motion to intervene in the above captioned docket on April 23, 2015.
2. The Staff Report was filed in the above captioned docket on February 19, 2016, and was served on SandRidge by mail. SandRidge's response to the Staff Report is presently due on March 3, 2016.
3. SandRidge requests an 8-day extension of the deadline for filing its response to the Staff Report, until March 11, 2016.
4. SandRidge has neither requested nor received any prior extensions of the deadline for responding to the Staff Report.
5. The extension of time requested by SandRidge is necessary to provide SandRidge with sufficient time to analyze the information contained in the Staff Report and to develop its comments in response thereto.

6. SandRidge has conferred with the Commission Staff and counsel for Tapstone Energy, LLC regarding the extension of time requested herein and they have no objections thereto.

7. Neither the Commission nor the public generally are prejudiced by the extension of time requested herein because the terms of the Order Reducing Saltwater Injection Rates entered in this docket remains in full force and effect.

WHEREFORE, SandRidge requests that the Commission enter an order granting SandRidge an 8-day extension of time, until March 11, 2016, to file comments in response to the Staff Report, and for such other and further relief as the Commission deems just and proper.
