

BEFORE THE STATE CORPORATION COMMISSION  
OF THE STATE OF KANSAS

In the Matter of the Investigation into the )  
Agreement between Evergy and Elliott )  
Management to Consider a Modified ) Docket No. 20-EKME-514-GIE  
Standalone Plan or Merger Transaction. )

**PETITION TO INTERVENE AND MOTION FOR  
PROTECTIVE ORDER AND DISCOVERY ORDER**

COMES NOW, the Citizens' Utility Ratepayer Board ("CURB") and petitions the Corporation Commission of the State of the Kansas ("Commission") for intervention in the above-captioned case pursuant to K.S.A. 66-1223 and K.S.A. 77-521(a). In support of its petition and motion, CURB states and alleges as follows:

1. On June 18, 2020, the Commission issued an Order Opening General Investigation in this docket, granting the Commission Staff's Petition to investigate Evergy's Agreement with Elliott Management to explore either a Modified Standalone Plan or a Merger Transaction, as described in the order.

2. CURB is composed of five volunteer board members.<sup>1</sup>

3. CURB has specific statutory authority to "represent residential and small commercial ratepayers before the state corporation commission"<sup>2</sup> and to "function as an *official intervenor in cases* filed with the state corporation commission."<sup>3</sup> CURB's authority and role as the official intervenor in cases filed with the Commission has been recognized by the Kansas Supreme Court.<sup>4</sup>

<sup>1</sup> K.S.A. 66-1222(a).

<sup>2</sup> K.S.A. 66-1223(a).

<sup>3</sup> K.S.A. 66-1223(b).

<sup>4</sup> K.S.A. 66-1223(b). See, *Citizens' Utility Ratepayer Board v. Kansas Corporation Comm'n*, 24 Kan. App.2d 63, 68, rev. den. 262 Kan. 959 (1997) ("*CURB v. KCC*"). See also, *Farmland Industries, Inc. v. Kansas Corp. Comm'n*, 29 Kan.App.2d 1031, 1047-48, 37 P.3d 640 (2001) ("The bulk of current customers otherwise entitled to receive refunds are *statutorily represented* by CURB. See K.S.A. 66-1223(a)")

CURB also has specific statutory authority to seek judicial review of Commission orders and decisions on behalf of residential and small commercial ratepayers.<sup>5</sup>

4. CURB's express statutory authority referenced above reflects the intent of the Legislature that CURB should participate in cases filed with the Commission. This fulfills the requirement under K.S.A. 77-521(a)(2) because CURB "qualifies as an intervener under any provision of law."

5. The residential and small commercial ratepayers whose interests CURB represents will be bound by any Commission order or activity arising out of or in connection with the issues identified in this proceeding. The rates paid and the services received by Kansas residential and small commercial ratepayers may be substantially affected by Evergy's decisions concerning the Modified Standalone Plan or Merger and the transparency of the decision-making process arising from the general investigation approved by the Commission.

6. The representation of CURB's interests in this proceeding by existing parties is inadequate. No other party to this proceeding is authorized to (a) specifically represent residential and small commercial ratepayers before the Commission, (b) function as the statutory official intervenor in cases filed with the Commission, or (c) seek judicial review of Commission orders and decisions on behalf of residential and small commercial ratepayers. While Commission Staff may have authority to investigate, evaluate, testify and offer exhibits on behalf of the *general public* pursuant to a definition contained in a Commission regulation,<sup>6</sup> Staff does not specifically represent

<sup>6</sup>Staff's authority to represent the general public is not specifically authorized by statute, but merely referenced in the definition section of Commission regulations. residential and small commercial ratepayers and is expressly denied the right to appeal Commission orders.<sup>7</sup>

7. Accordingly, CURB has a substantial and vital interest in the outcome of this proceeding which cannot be adequately represented by any other party. Pursuant to K.S.A. 77-521(a)(2), CURB qualifies as an intervenor (a) under provision of law and (b) because the rights, duties, privileges, immunities, or other legal interests of residential and small commercial ratepayers may be substantially affected by this proceeding.<sup>8</sup>

8. CURB's requested intervention is in the interests of justice and will not impair the orderly and prompt conduct of the proceedings.<sup>9</sup>

9. CURB therefore requests that the Commission grant CURB's Petition to Intervene and allow CURB to participate fully in this docket, including but not limited to the right to conduct discovery, file pleadings and testimony, present oral argument, and fully participate in any scheduled hearings.
