IF EVERGY CAN PAY ITS CEO 6.8 MILLION AND THE OTHER EXECUTIVES OVER 1MILLION THEY SHOULD BE ABLE TO MANAGE THE COMPANY BETTER AND BE COMPETITIVE WITH FREE MARKET ENERGY. LIKE ELECTRIC DEREGULATED AREAS. IT WAS SINFUL LISTENING TO AN EVERGY EXECUTIVE AT THE INQUIRY TELLING US HOW WE NEED TO GIVE EVERGY AN INCREASE, WHILE HES PROBABLY MAKING 1.7 MILLION. EVERGY SHOULD NEVER USE MONEY GOTTEN FROM US TO ADVERTISE ANYTHING EXCEPT OUTAGES AND DAMAGE! PERIOD!! ABSOLUTELY NO POLITICKING OR LOBBYING OF ANY SORT! PERIOD! WE GIVE TO AN OLIGARCH MONOPOLY. FREE ENTERPRISE DOES NOT EXIST. UNLESS KANSANS WAKE UP AND DEREGULATE ELECTRICITY AS 13 OTHER STATES DO. EVERGY AND THE KCC DECLINED A REQUESTED REDUCTION IN ELECTRICITY RATES FROM SPIRIT 2 YEARS AGO BECAUSE SPIRIT HAS SEVERAL MANUFACTURING PLANTS IN SEVERAL STATES WHERE THE RATES ARE MUCH CHEAPER. ONLY AFTER SPIRIT THREATENED TO LEAVE DID THE KCC AND EVERGY CAPITULATE LOWER THEIR RATE THIS MEANS THAT EVERGY IS NOT COMPETITIVE FOR THE CITIZENS OF KANSAS.

EVERGY HAS A MONOPOLY ON ELECTRICITY IN KANSAS. ONE OF THE CONDITIONS OF THE MERGER 5 YEARS AGO WAS THAT THEY NOT RAISE THEIR RATES UNTIL DECEMBER OF 2023. INSTEAD OF FULFILLING THEIR PROMISE TO PROVIDE BETTER SERVICE AND REDUCE RATES, THEY ARE IMMEDIATELY TRYING TO HIKE THEIR RATES TO INCREASE THEIR PROFITS FOR THEIR EXECUTIVES AND THEIR SHAREHOLDERS. INSTEAD OF HELPING THEIR CUSTOMERS, THEY ARE USING THE NEW PANASONIC BATTERY PLANT NEED FOR ELECTRICITY THE SCAPEGOAT FOR THEIR INCREASES TO THEIR INVESTORS AND HIGHLY PAID EXECUTIVES. ACCORDING TO THE DOCKET FILED BY EVERGY, THEY ARE INCREASING RATES FOR KANSANS 1. TO COMPENSATE EXECUTIVES WHOSE LIFE INSURANCE BENEFIT PLAN IS EXPIRING--SO THAT EVERGY EXECUTIVES HAVE A BETTER COMPENSATION. 'THE COLI PROGRAM INVOLVED THE PURCHASE OF LIFE INSURANCE POLICIES ON KEY COMPANY EXECUTIVES AND THE IMPUTATION OF AN ACTUARIALLY ESTIMATED REVENUE STREAM TO HELP MEET EVERGY KANSAS SOUTHS COST OF SERVICE. THE COLI PROGRAM EXPIRES IN MARCH 2025. THE ANNUAL BENEFIT FROM COLI CURRENTLY REFLECTED IN EKCS RATES IS 43.5 MILLION. UPON THE PROGRAMS EXPIRATION, CUSTOMERS WOULD CONFRONT AN IMMEDIATE RATE INCREASE OF 40 MILLION REFLECTING THE LOSS OF IMPUTED COLI REVENUE.' KANSANS SHOULD NOT HAVE TO PAY MORE FOR THEIR ELECTRIC BILLS TO COMPENSATE EVERGY EXECUTIVES. EVERGY CEO, DAVID CAMPBELL MAKES 6.9 MILLION DOLLARS PER YEAR. OTHER EXECUTIVES MAKE BETWEEN 1.6 MILLION-3.8 MILLION DOLLARS PER YEAR. WHY SHOULD KANSAS, WHOSE AVERAGE HOUSEHOLD INCOME ACCORDING TO THE US CENSUS IS 64,521, HAVE TO PAY FOR MORE COMPENSATION FOR THESE EXECUTIVES? 2. TO COMPENSATE EVERGY INVESTORS SO THAT THEY MAKE MORE MONEY: 'AN INCREASE IN THE OVERALL COST OF CAPITAL FROM 7.0573 TO 7.4189. THIS CHANGE REFLECTS AN INCREASE FROM THE CURRENTLY AUTHORIZED 9.3 TO 10.25 IN THE RETURN ON EQUITY ROE' EVERGY CUSTOMERS SHOULD NOT HAVE TO PAY MORE FOR THEIR ELECTRICITY IN ORDER TO COMPENSATE EVERGY STOCKHOLDERS. EVERGY HAS A MONOPOLY AND SHOULD PASS ON SAVINGS TO

08/03/2023

THEIR CUSTOMERS, NOT THEIR INVESTORS. EVERGY NEEDS TO FULFILL THEIR PROMISES MADE WHEN THEY ASKED FOR A MERGER FIVE YEARS AGO. WE, THE CUSTOMERS OF KANSAS, HAVE NO CHOICE IN WHAT WE ARE CHARGED FOR ELECTRICITY. . PLEASE PROTECT THE KANSAS CITIZENS WHO ARE OUT HERE WORKING HARD TO MAKE ENDS MEET WHEN GROCERY PRICES HAVE GONE UP ASTRONOMICALLY AND OUR GAS UTILITY BILLS ARE ALSO UP SKY HIGH. PLEASE HELP US BY DENYING EVERGY'S REQUEST TO RAISE THEIR RATES IN ORDER TO PAY THEIR EXECUTIVES AND SHAREHOLDERS.

To Whom It May Concern:

Comments:

- 1. This is a comment to the rate increase in the estimated amount of \$14.24 for the Wichita Area. This rate increase should be even across the board, meaning for the KC area and for Missouri too. Also, if this rate increase is passed then remove the customer charge of \$14.50/month to even things up.**
- 2. Evergy is asking for an appx 25% rate increase after this one to help pay the electric bill for Panasonic at their new production plant. I don't feel that I should have to help pay THEIR bill when I'm having a hard enough time paying for my OWN bill.
If this rate increase is passed, which it will, please subtract the rate increase from comment #1 from it and only charge the net amount.**
- 3. An explanation of why the Wichita area always gets hit with the highest rate increases is in order. Please explain.**
- 4. When will Evergy start construction/installation of the second generation unit at Burlington?**

Thank You,

**Bill Brown

I am highly concerned
about the proposed increase
in our electricity.

Inflation is taking such
an enormous toll on the
people of this nation, and
your proposed increase would
add greatly to the burden
people are already exper-
iencing.

Electricity is already
much higher than most
of us can comfortably handle.
We could possibly adapt to
a small increase but
the proposed amount is stag-
gering to most of us.

DOCKET 23 EKCE-775-RTS

DEAR COMMISSION —

IT WAS MY IMPRESSION THAT ENERGY
WAS GOING TO HOLD DOWN COSTS BY SOLAR
AND WIND ENERGY PRODUCTION. NOW THEY WANT
US TO PAY UNKNOWN COSTS OF PER SIMMON
CREEK. THEY WANT RATE INCREASES WHEN WE
ARE STILL PAYING FOR PREVIOUS ENERGY USE
PROBLEMS. APPARENTLY THEY THINK IT WOULD
ONLY BE ABOUT \$14.24 A MONTH, WHICH IS
OVER \$170.00 A YEAR. AS REASONABLE

REGULATORS TELL THEM TO CUT COSTS -
REDUCE THE NUMBER OF VEHICLES THAT THE
EMPLOYEES DRIVE - HOLD DOWN EXECUTIVE
PAY AND HAVE ACTUAL BUDGET RESTRAINT.
UTILITY COMPANIES ARE ALLEGEDLY PART
OF THE SERVICE ECONOMY. IT APPEARS
THERE IS LITTLE SERVICE AND NOT MUCH
ECONOMY. THEY ARE LIKE CHILDREN WHO
WANT THEIR ALLOWANCES INCREASED EVEN
THOUGH THEY DINGED UP THE FAMILY CAR.

RE: EVERGY rate increase proposal

Dear Commissioners:

I found the commission's report and recommendation regarding Evergy's rate increase proposal online. Although brief, it is written in legal terminology, but I think it says that the commission regards the rate increase as moderate and plans to approve the rate increase.

I urge you to please reconsider. An additional \$14.24 (estimated average) increase in my electric utility bill is not moderate.

I don't know much about the company's budget or projected needs. I do know my utility expenses continue to increase and at my advanced age, I have little choice in utility services.

Evergy's website says the company strives to keep energy prices below inflation. They regard their proposed rate increase as moderate. Evergy's executives' perspective of "moderate" seem far from my reality. Salary.com website shows the total compensation for Evergy's top executives ranges from more than \$6 million for the CEO to \$1.6 million for the public affairs director. And that the median employee pay is more than \$125,000. The average journeyman lineman hourly rate at Evergy is \$48.35, which indeed.com says is above the national average.

I am age 82, retired for 10 years ago from a civil servant position with the University of Kansas. My annual salary had reached about \$50,000 when I retired. My one-story house was constructed in the early 1950s when energy efficiency apparently wasn't a consideration. I try to keep up with home weatherization projects, but in recent years my utility bills don't reflect any savings. My property taxes also increase each year to the point that I wonder if I can afford to live in Lawrence.

I no longer can afford a local newspaper subscription and struggle to keep up with the complicated questions about the need for the rate increase. If the primary reason for the rate increase is to provide electricity to the new Panasonic plant in DeSoto, then I urge the commission to bring to light exactly what Kansans must expect to pay through their utility costs for the privilege of having new industry in Kansas.

The cost of living increases necessary to live in the 21st century give new meaning to the 2009 animated film title, *UP*. Please reconsider your plan to grant this rate increase.

Respectfully,

Mary Jane Dunlap

July 21, 2023

Dear Commission Members:

Evergy is my current concern. However, they are not alone. I, as are many others, am retired. It seems like every time you turn around someone is wanting to pass their costs on to the consumer. Ten or fifteen dollars a month, month after month, first electricity, then gas. It all adds up to unacceptable.

I believe, years ago, utility companies, and business in general, had to operate efficiently and it was the shareholder, company/business who suffered when costs related to doing business were incurred, not the consumer. Shareholders shouldn't make money if the company/business they are holding shares in can't keep costs down. That is, as I indicated, THE COST OF DOING BUSINESS which needs to be part of the businesses bottom line. For the shareholder, they made the choice to invest with a particular company/business. Investing is the risk they are taking. More and more costs should not be allowed to just be passed on to the customer who has NO options, not even a different company to turn to for the service or goods.

I heard a bit of a story on the news and if I understood it correctly, Evergy was turned down for their rate increase? I certainly hope so!! If not I hope you will!! But, at the same time, I also have heard parts of a news article saying that Evergy is going to ask for a rate increase to cover costs incurred related to a new business in the Kansas City area. Really?!

On top of all of this, as I understand it, if I want to generate my own electricity, say with solar panels, I have to pay the electric company to do so. Seriously?!

Between water, electricity, and gas, gasoline, etc., individuals are unreasonably expected to just pay, pay, pay!! ENOUGH!!!!!!

It just isn't right!!!!

PLEASE put a stop to this!!!!!! PLEASE "regulate" the rates you are responsible for. PLEASE explain to the public what they can do about this!!

Thank you for listening and taking these thoughts into consideration.

Respectfully,

Jamie L Zirkel

Re: Evergy Rate Hike Docket # 23-EKCE-775-RTS

Dear Commission:

I am a 85 yr. old widow who is trying to remain in my home as long as possible. I'm one of many my age, living on an fixed income. Since my retirement, many of my costs have risen close to three times in these years.

This includes my medicine costs. I have found the medicines advertised on television are the ones where I'm paying \$150.00 to \$275.00 out of my pocket. One of these I have gone to Canada to get the generic of that medicine and it's still \$275.00 out of pocket for me. My physician feels that is no substitute for this blood thinner to insure my good health.

Guess what? Evergy? I have found they likewise advertise on television and at peak times like 7 p.m. & 8:30 p.m. last night. Tell me how this justifies a rate increase to senior citizens so they can tell us what a wonderful corporation they are. They fit right in with the medicine companies whereby everytime I pay the bill, I feel I'm paying for their television commercials.

Tell them to cut these high costs of advertising out and leave our rates at the same rate. It's not like I can go to Canada for a generic brand.

Sincerely,

Kirsten Webster

IT SEEMS TO ME THAT OUR UTILITY REGULATORS SHOULD HAVE TWO OVERRIDING CONCERNS WHEN MANAGING THE PUBLIC UTILITIES THAT SERVE ALL OF US. 1 TO MAKE SURE THAT CUSTOMERS HAVE ENOUGH NATURAL GAS AND ELECTRICITY TO POWER THEIR HOMES AND BUSINESSES; 2 TO PROVIDE THAT NATURAL GAS AND ELECTRICITY AT THE LOWEST POSSIBLE PRICE. BECAUSE KANSAS IS ONE OF THE LARGEST PRODUCERS OF OIL AND NATURAL GAS IN THE COUNTRY, AND SUPPLY OF THESE PRODUCTS IS NOT AN ISSUE, I WOULD ARGUE THAT WE SHOULD MINIMIZE USE OF WIND AND SOLAR POWER, WHICH ARE MUCH MORE EXPENSIVE THAN FOSSIL FUELS, AND WE SHOULD BE USING AS MUCH OIL, COAL AND NATURAL GAS AS POSSIBLE - YOU ON THE COMMISSION HAVE A DUTY TO PROVIDE US WITH THE LOWEST COST ENERGY YOU POSSIBLY CAN. THE ACQUISITION OF THE WIND FARM PROPOSED BY EVERGY WILL SIMPLY DRIVE UP COSTS FOR CONSUMERS AND I OPPOSE IT. I ALSO OPPOSE THE RATE HIKE FOR REASONS STATED ABOVE. SOME OF YOU ON THE COMMISSION ARE LIKELY 'GREENIES' AND WILL HIDE BEHIND THE CONCEPT OF CLIMATE CHANGE AND GLOBAL WARMING AND THE NEED TO REDUCE THE USE OF FOSSIL FUELS, BUT PLEASE KNOW THAT THERE ARE TWO SIDES TO THAT STORY - MANY OF US BELIEVE IT IS NONSENSE AND UNPROVEN 'SCIENCE'. IF YOU ARE VOTING TO SUPPORT EVERGY'S REQUEST, I WOULD ARGUE THAT YOU CANNOT DO SO BECAUSE OF YOUR BELIEF THAT FOSSIL FUELS NEED TO BE REDUCED. INSTEAD, YOU MUST VOTE BASED ON WHAT IS BEST FOR THE CONSUMER'S POCKETBOOK. EVERGY SHOULD BE RECONSIDERING THE CLOSING OF THEIR COAL-FIRED PLANT IN ST MARY'S KANSAS INSTEAD OF TRYING TO BUY A NEW WINDFARM THAT WILL DRIVE PRICES UP FOR CONSUMERS.

Kansas Corporation Commission
Office of Public Affairs and Consumer Protection
1500 SW Arrowhead Road
Topeka, KS 66604-4027

Dear Kansas Corporation Commission,

We are writing in reference to the rate increase that Evergy is applying for-
Docket number 23-EKCE-775-RTS.

This rate increase of 9.77% seems a bit excessive. Most of the populations that Evergy would be charging do not get a cost of living increase even close to 9% and that doesn't even take into consideration the increase of costs of other everyday needs like gas, groceries and tax rates, etc. For those of us on fixed incomes, that makes it very difficult to make ends meet.

We read that they are asking for this as part of a plan to update prices due to "higher expenses related to depreciation and infrastructure upgrades." We are sure that these things are needed, but we also think it is the company's responsibility to plan for such future needs. As homeowners, we have to plan for things that wear out and need to be updated. We don't have anyone coming alongside and handing me a rate increase to help me pay for it. We had to plan ahead or pay for it over time. Do companies always get to just pass the buck to the consumer? Are they never responsible for keeping their company up to date for their customers? We feel like we already have to pay more when they need to raise the rates of the (kWh) electricity we use, but now we are also helping the company update and acquire new facilities ("acquire and operate Persimmon Creek wind facility on behalf of EKC customers").

I think that 9.77% increase is too much to ask of the Evergy customers during such a hard economy. I feel that they should be planning and saving in order to make necessary upgrades or repairs as they expand their company.

Thank you for taking the time to read this. I hope that you will at least consider all the customers that will be affected by this much of an increase.

Tucker and Kristi Lampkin

RE Docket #23-EKCE-775-RTS

Please be concerned for the people of Kansas who you are going to be discussing the up coming rate increase of the Evergy Group for electric service.

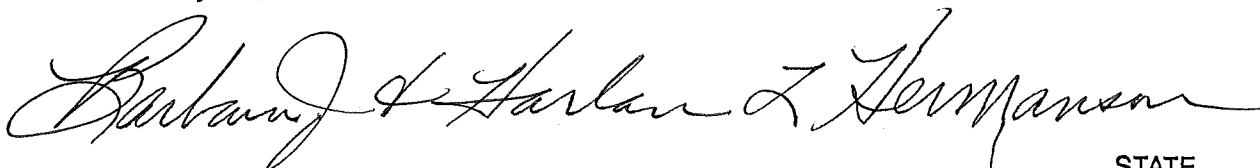

These rate increases that keep coming across the board for everything in our daily lives, are pushing the Elderly people to the limit. Most of us out here are on a fixed income, and do not have the extra to keep up with the increases in necessity item in our lives. Our Social Security has not risen enough to cover all of these increases.

Our Personal Property Taxes have increased, our water has increased, our trash has increased, our food prices have increased, our medical & medications cost have increased along with the insurances on our home and cars, so much it really makes it hard to decide what we can do to keep on living here.

When you reach the age of 88 & 82, it is hard to keep up daily with all of the expense and to keep leading a healthy life.

Please consider these rate increases as overboard and deny the Evergy company the ability to increase our electric rates at this time.

Thank you,

Barbara and Harlan Hermanson

Utility Raise Coming !!!

124386

Jerry Golob <chiefgolob@gmail.com>
Draft

Fri, Jul 21, 2023 at 6:13 PM

To whom this may concern I am writing this letter to inform you that I understand the company wants to Raise rates again I want you to understand this is Not the proper time to raise rates alot of us poor people and hard working people just can barely pay the utility bill at this moment. President caused the problem we have now with the INFLATION every business from dealership , manufacturing companies to every business selling their products has raised 50% to almost 75% if a person would have purchase a used car before the inflation it would have cost about \$8,000.00 + but now since inflation has come about the same car you purchased is now \$17,000.00 I have a 2014 KIA Sorento I gave way back \$ 8,999.99 now it would be at east \$18,000.00 you see why I am writing this letter President states that the inflation has gotten better but we do Not see it our personal money has not gone farther yet. I realize some times you need to Raise the Rates I just don't think that it is advisable at this time until we can completely get out of the inflation that Biden has gotten us into. So please take in consideration in asking for the permission to Raise rates at this time if this occurs I hope the Raise won't get out of hand we are struggling enough to just make a living to survive . I appreciate who ever reads my letter to take in conxideration that I am right Thanks again for listening to me a struggling Citizen of this Great State of Kansas Jerry Golob

RE: Docket No. 23-EKCE-775-RTS

We are lifetime customers/consumers of Kansas electricity, located in Montgomery Co. We, along with many in our area are senior citizens, living on fixed incomes. The increase requested by Evergy is too much and will be an unreasonable burden.

We realize it is imperative for companies to maintain, grow and prosper. IT IS NOT fair however, for them to do it as requested. If approved, the increase should be shared across the state, NOT some of us paying a whopping 9.77% while others see only a 1.95% increase. It should be stipulated that the funds approved go to designated maintenance and not to salary increases and bonuses for upper management.

Once a price goes up, it never goes down. How many times have these request been granted and lower cost eventually followed?. Would you like to be charged more than your neighbors for the same product?

Thank you for your careful consideration.

Sincerely,

Larry D. Gillman

Re: Docket number 23-EKCE-775-RTS

I would like to make some comments against the terrible Rate Hike you are asking. I am a Senior Citizen and worked as long as my health permitted. I pulled up the salaries of your Executives and they are grossly overpaid and to ask private citizens to fund their "Life Insurance" makes Every the most miss- managed Corporation in the country. If This increase is approved Kansans are already made fun as the backward state, Most Corporations have a Capital Improvement set aside for lodgical items.

We the Seniors of Kansas living on Fixed incomes cannot keep abreast of all the tax increases and daily Milk & Bread.

Please Deny this Massive increase.

Thanks

Nancy Ford

RE: Evergy \$281 million rate increase

124389

Dear KCC Commissioners,

A Utility's Return on Equity should be primarily a result of a well-run business, not a guaranteed reward no matter how poorly one is run. Please consider the following from the U.S. Energy Information Administration¹.

Electrical rates per kwh in Kansas and adjacent states May 2023

Nebraska	11.88
Missouri	12.46
Kansas	14.09
Oklahoma	11.83
Colorado	14.37

As you can see Kansas rates are approximately 19% higher than the two adjacent states most like our state. So here's a thought: Maybe Evergy should dissolve and the KCC could hire one of those two states' electric utilities to operate Evergy's system. Apparently they can do so for considerably less and still maintain a satisfactory ROE.

I hope you will use the following priorities to weight your decision re the Evergy ROE rate increase:

1. Infrastructure and operations reliability
2. Rates comparable to adjacent states
3. ROE based on innovation plus efficient and effective business practices.

Thank you.

Regards,
Rod McKinney

Re: Proposed Rate Hikes #23-EKCS-775-RT5

100% AGAINST!

Have never been able to figure out why a company that is basically a monopoly feels the need to advertise.

Cut out the advertisement & a large share of your PR dept.s. There's probably other areas that can be trimmed. We couldn't care less about your ads, or your P-R. All we want from you is quality electric service.

When you feel the need for more money, why is your first choice to raid your customers' pockets? Cut the fat from your budget & keep your customers happy.

RE: Evergy's Proposed Rate Increases; Docket No. 23-EKCE-775-RTS

July 29, 2023

To Whom It Concerns,

With regards to the proposed increase in rates by Evergy I would like to register protests.

My first objection is to the variance in rate increases for different sets of customers inside Kansas. All Kansas customers should be treated equally regardless of what part of the state they might live in. The expiration of contracts and a corporate-owned life insurance program do not seem adequate excuse for so steep an increase in the first place, but that Evergy has continued to separate regions of service from each other in this manner only makes it worse.

Next is the issue of including in the rates the costs of acquiring and operating Persimmon Creek wind facility. If this facility is not capable of paying for itself by providing sufficient energy to offset the costs of acquisition then it was a poor business decision to acquire it in the first place and customers should not be expected to pay out additional funds on an ongoing basis for it. If Evergy wants to invest in green technology at a deficit perhaps they should get the money from the federal government which is offering apparently generous subsidies rather than asking customers to foot the bill. Otherwise perhaps they should consider a natural gas fired facility instead which would provide cheap and reliable energy generation with considerable less land use and environmental impact. I'm sure the monarch butterflies and birds adversely impacted by large tracts of wind farms would appreciate it, among other wildlife.

While infrastructure upgrades are sometimes necessary, oversight and review as to what is done and when it is truly needed is essential. Such upgrades should be planned for in advance and saved for over time, not rammed through with the idea that customers, who have no alternatives for service, will be forced to pay endless increases. Customers of a public utility should not be subject to rate increases based on decisions in which they have no say. Already customers in Kansas are paying increased fuel prices during summer months. For many customers any increases cause financial strain and so great an increase as this could result in financial difficulty for many customers.

Thank you for your time.

Sincerely,

Thomas Tolbert

Consumer Inquiry

Thank you for coming to the public meeting sponsored by the Kansas Corporation Commission. We regret that we were unable to address all questions during our session tonight, but we want to assure you that we will make every effort to direct your inquiry to Commission staff who will contact you in the near future to address your question.

Please turn in this form to the Commission staff at your location.

Docket: 23-EKCE-775-RTS

#124393

Name (please print): DAVID BRYAN SNEED

Address: 17820 GODDARD ST. OVERLAND PARK, KS 66221

Phone: 913 226 8394 cell

Email: BRYANSNEED@AOL.COM

Preferred method of contact: email

Name of your energy provider (if applicable): Energy

Question: MORE OF A COMMENT:

I believe a company providing product/service should profit & be compensated. But I'm concerned that the "push" on a federal (and state) level to go green by installing more unreliable solar & wind electricity generation will drastically increase my costs. Wind & solar are not baseload, are not reliable & unless enough coal & gas & electric generating plants are maintained in system \Rightarrow rolling blackouts & skyrocketing electric costs are in our futures. One only has to look at Europe's "green" energy failures to see the future in our state & country. Or look @ California.

Please note: Questions submitted on this form will not be considered public comments and are not provided to the Commission for inclusion in the record. Please refer to the Consumer Information Sheet if you would prefer to submit a written comment to the Commission. Thank you.

Comment: As a 65 yr old single householder on a fixed income, I oppose the current rate request because:

- 1) my income does not increase, nor do I have an option to ask/request an increase of that income to keep up with increasing living expenses.
- 2) As a state that produces more energy than we use, we should have the benefit, as users, of any extra energy sold to out-of-state, of reduced charges.
- 3) A "reasonable profit" does not and should not require double digit rate increases when that increase pays partially for bonuses/salaries of top level CEO/COO/CFO and board members who already enjoy the advantages of a 7 digit income ~~and~~.
- 4) It's morally wrong to raise rates on any population that cannot

08/15/2023 MERGING COMMENTS.

WHY DOESN'T EVERGY USE FUNDS FROM ADVERTISING, WHEN WE DON'T HAVE A CHOICE.

I DON'T AGREE WITH HOW EVERGY CLAIMS THEY WILL MAKE MORE IMPROVEMENTS AND ASK FOR MORE MONEY TO DO SO, AND THE COMMISSION KEEPS APPROVING THE INCREASES.

#124396

Please tell me why Evergy would need another rate increase. Attached is a list of the Board of Directors and what they are paid. Why do they need to be paid this much and why are that many directors needed?? I just heard the advertisement on TV about how customers can contact the company to pay their large electrical bills when they don't have enough money to do this. There are so many people living from paycheck to paycheck. Not just the elderly but young families as well. Why not use these directors pay to help these customers with some relief??

Evergy does not need another increase. They don't need a wind farm in Oklahoma that the Kansas customers need to pay for. Please listen to the Evergy Customers and deny this rate increase. Thank you.

I DO NOT THINK THAT EVERGY SHOULD BE GRANTED THE AMOUNT OF INCREASE THAT THEY ARE ASKING FOR, FOR THE ELECTRICAL INPUTS THAT THEY GIVE TO THE COMMUNITY.

IT'S TIME FOR ALL ENTITIES TO RESPECT HOME OWNERS AND TAX PAYERS

Narrative

08/03/2023

I AM A 'CENTRAL AREA' CUSTOMER, WHO WOULD BE IMPACTED BY THE INCREASE REQUEST FROM EVERGY OF WHICH I AM OPPOSED AS DEEMING NOT NECESSARY AND INEQUALIABLE. I LIVE IN JEFFERSON COUNTY, KS. I OWN 2 PROPERTIES WITHIN 5 MILES OF EACH OTHER, BUT ONE IS A 'FREE STATE' CUSTOMER ACCOUNT AND IT HAS HAD 2 INCREASES THIS YEAR 2023 MAKING A METER ONLY WITH NO ELECTRICAL USE COST 40.00 MONTHLY AND IS A 12.00 INCREASE. ADDRESSING MY EVERGY ACCOUNT HAS SEEN AN INCREASE OF 25.00 MONTHLY AVERAGE FOR FUEL AND STORAGE COSTS FROM THE 2021 FEBRUARY WINTER WEATHER CRISIS AND HAVING TO PAY FOR IT'S DEBT FOR RATES TO KANSAS AND MISSOURI CUSTOMERS THAT BEGAN IN 2022. I DO NOT RESIDE IN A CITY ,VILLAGE, HAMLET, COOP, INCORPORATED, OR TOWN AND I HAVE NO AMENITIES THAT WOULD BE AVAILABLE IF LIVED IN ONE OF THESE ENVIRONMENTS. I HAVE NO NATURAL GAS ACCESS, SO BUY PROPANE GAS FOR ENERGY SUPPLEMENT. I MUST MAINTAIN MY OWN SAFETY LIGHTING FOR ACCESS TO AND ON MY PROPERTY. I AM A RURAL WATER DISTRICT CUSTOMER THOUGH HAVE WELL WATER AND PONDS THAT WAS PRIMARY WHEN MOVED TO PROPERTY IN 1960 AND WATER DISTRICT CREATED YEARS LATER. THE KC METRO AREA MAY NOT BE HAS HEAVILY POPULATED, BUT ENERGY USE IS MORE FACTORING IN A NEW BATTERY PRODUCTION PLANT AND POPULATION INCREASE DUE TO EMPLOYEES MOVING TO AREA THAT HAS NOT BEEN CALCULATED AND THEIR COST IS MUCH LESS THAN WOULD BE POTENTIALLY CHARGED TO ME. I MAKE EFFORTS TO BE MORE ENERGY EFFICIENT, THOUGH MY HOME WAS BUILT OVER 125 YEARS AGO, WITH BETTER WINDOWS, INSULATING, SUN BLOCKING SHADES, TREES, THERMOSTAT LEVELS, 80 DEGREES FOR WARM SEASONS AND 60-70 DEGREES FOR COLD SEASONS, ENERGY SAVING AIR CONDITIONERS, AND GRAVITY HEATING FLOW NOT FORCED AIR. I AM 74 YEARS OLD AND PLANNED FOR RETIREMENT, LIVED THROUGH EARLY 1980'S INFLATION AND CURRENT INFLATION SINCE END OF 2020. CORPORATE MANAGEMENT IS GOOD CONCEPT BUT OUT OF CONTROL AND LOST SITE TO CUSTOMERS FOR PROFIT AND POWER. CUSTOMERS NEED TO OWN IT NOT JUST ELITE SHARE HOLDERS AND SOME CAN BE

08/03/2023

SAID OF COOP OWNED ENERGY COMPANIES TO IMPROVE MANAGEMENT. PLEASE CONSIDER THE RURAL INDEPENDENT PERSON WHO IS STRUGGLING TO MAINTAIN A STYLE OF LIFE THAT CONTRIBUTES TO SURVIVAL OF FELLOW MAN KIND AT HOME AND TO THE WORLD. ENERGY IS A BLESSING ,BUT SHOULD NOT BE BURDEN TO HAVE ACCESS. WHEN THE POWER GOES OUT 5 DAYS WAS MY WORST ADJUSTMENTS BACKUP PLANS ARE IMPLEMENTED, BUT WORST IS NO WATER, LIVING REALLY COMES TO A HALT. THE PUBLIC IS NO WHERE TO ABLE TO SUPPORT ITSELF EXCEPT FOR THOSE WHO KNOW WHAT IT WAS TO BE WITHOUT , AND HELP SHARE WITH OTHERS AS LONG AS THEY DON'T JUST COME AND TAKE FROM THEM. THAN YOU.

A COUPLE THINGS I DO NOT UNDERSTAND. WHY SHOULD THEY BE GRANTED THEIR REQUESTED RATE INCREASE WHEN THEY HAVE MADE RECORD PROFITS. WHY DO THEY THINK THEY NEED A 10 PLUS PERCENT RATE OF RETURN. NO OTHER BUSINESS IS GUARANTEED A RATE OF RETURN. GRANTING THEM AN INCREASE OF MAYBE 3 WOULD BE REASONABLE. GRANTING THE INCREASE THEY ARE WANTING WOULD NOT REQUIRE THEM TO RUN AN EFFICIENT OPERATION. WHATEVER INCREASE IS ALLOWED JUST COMPOUNDS ON TO THE NEXT INCREASE THEY ASK FOR. ALSO I DO NOT UNDERSTAND WHY THEY ARE CONTINUING TO INVEST IN POWER GENERATION LIKE THE WIND FARM THEY ARE BUYING WHEN THEY NEED TO BE INVESTING IN RELIABLE POWER NOT SOMETHING THAT DEPENDS ON THE WIND BLOWING. WE SAW HOW WELL THAT WORKED A COUPLE OF YEARS AGO. I HAVE NO TRUST IN EVERGY AS A COMPANY. THANKS FOR YOUR TIME

MY NAME IS KYLE SKAGGS, I'M A LIFE LONG RESIDENT OF KANSAS AND CURRENTLY LIVE IN OVERLAND PARK. I'M WRITING IN REGARDS TO EVERGY'S PROPOSED RATE HIKE DUE TO THE PANASONIC PLANT. I AM STRONGLY OPPOSED TO THE PEOPLE SUBSIDIZING THE COST OF A CORPORATION'S ELECTRICITY BILL JUST SO EVERGY CAN CONTINUE TO PROVIDE RECORD DIVIDENDS TO SHAREHOLDERS. PANASONIC CAN PAY FOR ITS OWN ELECTRICITY. AND EVERGY SHOULD NOT BE ABLE TO EXPLOIT ITS MONOPOLY IN THE INDUSTRY TO EXTRACT MONEY FROM ITS CUSTOMERS JUST TO TURN AROUND AND GIVE IT TO SHAREHOLDERS.

THANK YOU AND HAVE A GOOD DAY.

Narrative

08/03/2023

I AM A RESIDENT, HOMEOWNER, AND CUSTOMER OF EVERGY LIVING IN SHAWNEE, KS. I JUST READ THIS MORNING FROM THE SHAWNEE MISSION POST THAT EVERGY IS PLANNING AN ENORMOUS RATE INCREASE BECAUSE THEY NEED TO EXPAND INFRASTRUCTURE TO ACCOMMODATE THE NEEDS OF A NEW PANASONIC FACTORY. WHILE I AM A PROPONENT OF ADDRESSING CLIMATE CHANGE, INCLUDING INVESTMENT IN ELECTRIFYING MANY ASPECTS OF OUR LIVES, THIS PROPOSAL IS NOTHING LESS THAN CORPORATE THEFT.

EVERGY REPORTED RECORD PROFITS LAST YEAR AND Q1 OF 2023 (\$136 MILLION) AND PANASONIC ALSO REPORTED RECORD PROFITS OF OVER \$2.7 BILLION LAST YEAR AND ANOTHER \$2 BILLION SO FAR THIS YEAR. THE PURPOSE OF ALLOWING ANY COMPANY TO WALK AWAY WITH A PROFIT (MEANING THEY UNDERPAID THEIR WORKERS AND/OR OVERCHARGED THEIR CUSTOMERS) IS IF THEY RE-INVEST THOSE PROFITS BACK INTO INFRASTRUCTURE THAT BENEFITS OUR COMMUNITIES. NOW EVERGY IS ASKING RESIDENTS, WHO THEY ALREADY STOLE RECORD PROFITS FROM, TO PAY MORE. ON TOP OF THIS, WE ALL KNOW UTILITIES ARE MONOPOLIES, WE HAVE NO CHOICE AS CUSTOMERS TO SEARCH ELSEWHERE FOR AN ALTERNATIVE UTILITY PROVIDER. IN ADDITION, PANASONIC WILL WALK AWAY WITH BEING ABLE TO RAKE IN MORE PROFITS WITHOUT PAYING A DIME TOWARDS THE INFRASTRUCTURE START-UP COSTS AND EVERGY CAN EXPAND THEIR MONOPOLY WITHOUT TAKING ANY FINANCIAL RISK WHATSOEVER. ONCE PANASONIC AND EVERGY HAVE EXHAUSTED ALL OF THEIR PROFITS TO BUILD THE INFRASTRUCTURE NECESSARY FOR THIS NEW FACTORY, THEN AND ONLY THEN SHOULD INDIVIDUALS BE ASKED TO PAY MORE.

08/03/2023

FINALLY, THIS PROPOSAL WILL ONLY REDUCE SUPPORT FOR CLEAN ENERGY AS THE PUBLIC WILL FIND OUT THAT IN ORDER TO HAVE MORE ELECTRIC CAR BATTERIES WE ALL NEED TO PAY EVEN MORE TO OUR UTILITIES. UNFORTUNATELY, MOST PEOPLE WEIGH THEIR OWN IMMEDIATE PERSONAL FINANCES MORE THAN THE HEALTH OF THE PLANET IN THE LONG-TERM. THE LACK OF PUBLIC SUPPORT FOR CLEAN ENERGY INITIATIVES IS ONE OF THE MAJOR HURDLES WE HAVE TO OVERCOME IF OUR CHILDREN ARE GOING TO HAVE A HABITABLE PLANET TO LIVE ON. MAKE EVERGY AND PANASONIC PAY FOR THE COST OF THE EXTRA INFRASTRUCTURE. IT'S THE ONLY MORALLY DEFENSIBLE POSITION ON THIS MATTER AND IT AVOIDS A MAJOR SETBACK IN ACHIEVING THE PUBLIC SUPPORT WE NEED TO SOLVE CLIMATE CHANGE BEFORE IT'S TOO LATE FOR OUR CHILDREN.

THANK YOU,
KYLE

I OPPOSE AN INCREASE RELATED TO THE FUTURE PURCHASE OF A WIND FARM. WOULDNT THIS BE AKIN TO THE KCC SHIFTING TO A WORK-IN-PROGRESS RATE STRUCTURE? WHEN WOLF CREEK WAS BUILT IN THE MID AND LATE 1970S THE THREE PARTNERS HAD TO FINANCE THE PROJECT. IT WASNT PART OF THE RATE STRUCTURE UNTIL IT WAS ONLINE. IF THE PURPOSE OF EVERGYS PLANNED PURCHASE IS TO ADDRESS SUPPLY LOST/DECREASED FROM COAL POWER PLANTS SUCH AS LACYGNE AND/OR ST. MARYS, THEN DOESNT IT SEEM THOSE PRODUCTION EXPENSES WOULD BE LOWER? SURELY THE LABOR COSTS ARE LOWER AS NO ONE IS UNLOADING COAL, OPERATING THE EQUIPMENT, SUPERVISING, ETC. AT A WINDMILL. IN THE 80S THE KCC STAFF HEARD A PRESENTATION BY A COUPLE OF EXPERTS FROM COLORADO ON ENERGY CONSERVATION. YES, 30 YEARS AGO; AVERY OR AMORY I THINK WAS THE GUYS NAME. I REALIZE FINDING A KCC STAFFER STILL WORKING FROM THAT PERIOD WOULD BE RARE, BUT THE MESSAGE WAS STEAD OF BUILDING MORE PRODUCTION FACILITIES, THERE WAS AN ECONOMIC BENEFIT TO THE CONSUMER IF APPLIANCES AND HOME WERE MORE ENERGY EFFICIENT. IF EVERGY NEEDS MORE SUPPLY PERHAPS INVESTING IN METHODS TO REDUCE USAGE IS THE ANSWER. BRING BACK ENERGY AUDITS EVEN ON A SLIDING SCALE. REWARD CUSTOMERS USING ENERGY STAR APPLIANCES AND/OR INSULATION, ETC IN CONJUNCTION WITH OFF PEAK RATES BY A REDUCED RATE. YOUR APPROVAL OF FUNDING EVERGYS PLANNED PURCHASE IS AKIN TO REWARDING A CHILD WITH A MILK SHAKE WHEN THE PROMISE TO IMPROVE THEIR GRADES. NO IMPROVEMENTS MADE, BUT YOU ALREADY PAID FOR THE MILK SHAKE.

08/04/2023 I STRONGLY OPPOSE THE EVERGY RATE INCREASES.

08/04/2023 MERGING COMMENTS

STRONGLY URGE THE KCC TO OPPOSE THE PROJECTED RATE INCREASES FOR KANSAS CITIZENS ELECTRIC BILLS. EVERGY HAS FAILED TO RESPOND QUICKLY TO THE CITIZENS OF KS WHEN THEY HAVE LOST POWER AND NOW WANT TO INCREASE THE RATES THAT WE PAY FOR POWER - YET WE HAVE NO OTHER OPTIONS FOR ELECTRIC PROVIDERS. THEY HAVE A MONOPOLY ON ELECTRICAL POWER AND THE ONLY WAY FOR US TO ADVOCATE FOR OURSELVES AND THE MEMBERS OF OUR COMMUNITY IS THROUGH THIS COMMISSION. I PERSONALLY HAD MY POWER CUT ON 8BY EVERGY AND THEY HAVE YET TO 8123 AND HAVE YET TO HEAR WHEN THEY WILL BE SENDING A PLANNER TO DETERMINE WHAT WORK NEEDS TO BE DONE TO RESTORE POWER. I HAVE 3 ELECTRICIANS WAITING TO DO THE WORK AT THE DROP OF A HAT BUT WE HAVEN'T HEARD A SINGLE WORD FROM EVERGY. THEY ARE NOW TRYING TO INCREASE THE AMOUNT OF MONEY THEY CHARGE - WHILE NOT PROVIDING THE NECESSARY RESOURCES TO THE CUSTOMERS SO THEY CAN HAVE POWER IN THEIR HOME. PLEASE! DO NOT SUPPORT THE PROPOSAL AND PLEASE ENCOURAGE EVERGY TO IMPROVE THEIR SERVICE. THEY MADE 750M IN 2022, 800M IN 2021 AND HAVE PRIORITIZED THEIR STOCK HOLDERS OVER THE RESIDENTS OF KANSAS. WE HAVE TO FIGHT FOR THE RESIDENTS NOT THE SHAREHOLDERS AND EVERGY'S PROFIT MARGINS. THANK YOU FOR YOUR TIME AND CONSIDERATION.

EVERGY IS A MONOPOLY. I NOTICED THAT LAST COUPLE OF MONTHS THEY CHANGED THEIR ADVERTISING TO A UTILITY COMPANY. MONOPOLIES SHOULD NOT BE ABLE TO ADVERTISE. IT SERVES NO PURPOSE OTHER THAN A TAX WRITE OFF.

EVERGY PARK IS SURPLUS MONEY, THAT SHOULD BE CALLED RATE PAYERS PARK, BECAUSE WE THE CUSTOMER ARE THE ONES PAYING FOR IT.

IF YOU WANT EXTARA MONEY, TAKE IT FROM THE HIGHER UPS AND THE CEO'S AND FROM THEIR STOCK OPTIONS TO PAY FOR THE RATE INCREASE.

TWO MONTHS AGO THEY WERE TALKING ABOUT HOW CUSTOMERS HELPED REDUCE THE USAGE, BUT THEY'RE ASKING FOR A RATE INCREASE.

THEY ARE ONE OF THE HIGHEST PAID SALARIES IN THE STATE OF KS IN STARTING WAGES. MAYBE THEY NEED TO CONSIDER WHAT THEY'RE PAYING THEIR EMPLOYEES AND PROFITS THEIR CEO'S ARE RECEIVING.

THE KCC HAS ALREADY MADE A DECISION. CALL IT A CONSPIRACY THEORY, IF YOU WILL. WHAT THE KCC NEEDS TO DO IS HAVE A SENIOR CITIZEN, A SINGLE PARENT WITH ONE OR MORE CHILDREN ON A LOWER INCOME AND A GOVERNOR APPOINTED PERSON ON THEIR BOARD. THEY NEED TO HAVE A DIVERSE SET OF COMMISSIONERS THAT UNDERSTAND THE COMMUNITY AND THEIR NEEDS THAT SHOULD BE TAKEN INTO CONSIDERATION.

I'M A UNION PERSON AND HAVE BEEN IN LABOR NEGOTIATIONS. JUST GIVE THEM A \$1.00 INCREASE, AS WE KNOW THEY'RE ASKING FOR MORE THAN THEY NEED AND THEY KNOW THEY'RE GOING TO RECEIVE AN INCREASE.

I DON'T THINK EVERGY DESERVES THE RATE INCREASE THAT WILL IMPACT AND AFFECT EVERYONE, ESPECIALLY THOSE WITH LOWER INCOMES.

GOOD MORNING CURBKCC.KS: HOW ARE YOU? HOW ARE YOU DOING?
ECURBCURB.KANSAS.GOV- I EMAILED THIS ADDRESS JANUARY 2022 CAME BACK AS A 'FAILURE NOTICE' IN REGARDS TO MY KS GAS SERVICE KGS BILLS, I'VE SENT QUITE A BIT OF INFORMATION TO THE GOVERNOR'S OFFICE, NOT SURE OF WHATEVER HAPPENED TO ANY OF THAT SINCE THERE IS NO FURTHER CONTACT WITH ME. I ALSO MADE CONTACT WITH YOU CURBKCC PUBLICAFFAIRS AT EMAIL ADDRESS ABOUT THE SAME THING. GUESS I'M NOT ALLOWED TO ACCESS CURB EMAIL FOR SOME UNKNOWN APPARENT REASON. I AM VERY GRATEFUL I SAT DOWN TO READ THE POST CARD RECEIVED PERTAINING TO THE DOCKET PUBLIC HEARING. I DO APOLOGIZE I LEFT THE ZOOM PART EARLY-I WANTED TO CRY AFTER HEARING THE FIRST 30 MINUTES OF EVERGY'S EXPLANATION OF THIS RATE INCREASE OTHER THAN WHAT I'M READING IN MY MONTHLY BILLING STATEMENTS. APRIL 2023 STATEMENT READS: FOR APRIL TO JUNE. THE COST OF FUEL PER KWH IS 0.021381 MAY 2023 STATEMENT READS: FROM APRIL TO MARCH 2025, RECOVERY OF COSTS FROM WINTER STORM URI IN FEBRUARY 2021 WILL BE INCLUDED IN YOUR BILL. THE AVERAGE MONTHLY COST PER RESIDENTIAL CUSTOMER IS APPROXIMATELY 2.82, WHICH WILL BE REFLECTED AS PART OF THE FUEL USED IN POWER GENERATION LINE ITEM. OF THE 3.32 I'M CHARGED; THEY HAVE ALREADY STARTED TO CHARGE ME FOR THE WEATHER WITHOUT APPROVAL FROM KCC? I'M NOT IN CONTROL OF THE WEATHER THE APARTMENT USES KS GAS SERVICE KGS FOR HEATING THAT OF WHICH KGS IS ALREADY COLLECTING FROM ME I'M NOT SURE IF THEY EITHER HAVE KCC APPROVAL FOR THAT.I'M ON SSDI VERY LOW LIMITED INCOME BOTH KS UTILITY COMPANIES ARE WELL AWARE I APPLY FOR THE LIHEAP ASSISTANCE WITH THAT APPROVAL KS DCF FEDERAL FUNDING ASSISTS ME WITH BOTH UTILITIES. THE LIHEAP APPLICATION DOES ASK: 'WHAT IS THE MAIN SOURCE FOR HEATING?' MY ANSWER IS NATURAL GAS-KGS. I PAY MORE IN FEES, TAXES THAT METER READING 'ELECTRONICALLY' WITH NO EMPLOYEE TO ACTUALLY COME OUT TO READ THE METERS-THATS FAR TOO MUCH TO BE PAYING FOR SUCH AN EVENT VIA A COMPUTER. I PAY MORE IN THOSE FEES TAXES THAN

08/04/2023

I PAY IN THE KWH I USE THAT MAY INCREASE A BIT MORE DURING THE HEAT INDEX OF THE SUMMER SEASON HERE. I'M USED TO THE 118 DEGREE HEAT ITS DRY HEAT NOT LIKE A HOT SAUNA HERE. THERE ARE NO 'CREDITS' ON MY EVERGY STATEMENTS. JULY 2023 STATEMENT READS: FOR JULY TO SEPTEMBER, THE COST OF FUEL PER KWH IS 0.025034. EVERGY IS AGAIN INCREASING RATES WITHOUT KCC APPROVAL? HOW CAN THEY DO THAT, WHY ARE THEY DOING THAT, WHERE IS THE INTEGRITY HONESTY IN ANY OF THIS? WHY DO I NO LONGER FEEL WITH THIS INFORMATION VIA MY MONTHLY BILL THEY CAN NO LONGER PULL THEIR WOOL OVER MY EYES WHEN THEIR REQUEST FOR RATE INCREASE INCLUDES SO MUCH MORE? PANASONIC IS BUILDING IN JOHNSON COUNTY, KS; I AM IN BUTLER COUNTY-I'M NOT GOING TO BENEFIT FROM ANY OF THAT THOSE JAPANESE ARE WELL SUITED IN THEIR FIANCIAL WEALTH TO PAY FOR THEIR POWER GRID. I'M SURE AROUND THERE WILL MORE THAN LIKELY BE ANOTHER POWER GRID THAT NEEDS TO BE BUILT FOR PANASONIC EMPLOYEES TO LIVE IN THE SAME AREA-THEIR BENEFITS MY COST. I RIDE MY BIKE ON THE SIDEWALK, VEHICLE DRIVER HAS 2 STATE ISSUED

LICENSES DRIVER VEHICLE, THEY GET TO CLOSE TO HIT ME, I STOP TO KEEP MYSELF SAFE THEY THINK I ALLOWED THEM TO BE FIRST, I PAY THE TAXES THEY OWN THE SIDEWALK. THEY DON'T NEED MONEY TO BE AN IDIOT TO PAY ATTENTION TO TAKE FOR GRANTED A BIKE

PEDALING HIT A HUMAN BEING IN THEIR GREED SELFISHNESS. MY FAMILY DATING BACK TO THE EARLY 1900'S ARE STAKEHOLDERS IN KCPL, THE LAST OF THEM PAST AWAY IN 2015 OVER 100 YEARS WHAT DO THEY GET IN RETURN? THE NEXT GENERATION IS NOW STAKEHOLDERS IN THE MERGED KCPL TO EVERGY ARE STILL STAKEHOLDERS; WHAT IS THEIR BENEFIT IN ANY OF THIS. OOPS! THERE IS STILL ONE MORE OF THEM OUT THERE IN HIS 90'S THE HOUSE IS ALL HIS. I'VE BECOME A STAKEHOLDER IN WESTAR NOW MERGED EVERGY IN LATE 2019 TO GET OFF THE STREETS DISABLED; WHAT IS MY BENEFIT? I DO NOT LIKE THIS! ANOTHER ONE 75 YEARS OF AGE FORCED OUT OF HOUSE HOME INTO SOME SORT OF RESIDENTIAL HOME KCPL GETS THE FUNDS FROM THE FORCED TO HOMELESS

08/04/2023

RESIDENTIAL HOME FAMILY MEMBER IS REMOVED FROM BEING A STAKEHOLDER. IN HEARING THE EVERGY PRESENTATION VIA ZOOM WHILE THEY ARE IN WICHITA; I'M IN SHOCK, AMAZED IN READING MY MONTHLY BILLS TO ALL THE UTUBE CAUGHT SOME OF THAT AFTER THE FIRST FEW QUESTIONS FROM A FEMALE ABOUT 'DEPRECIATION' THEIR ACCOUNTING AS WELL AS PANASONIC PAYING FOR THEIR ELECTRICAL GRID, I HAD TO LEAVE AGAIN. I DO NOT LIKE OR APPRECIATE BEING LIED TO, BEING DECEIVED FROM CORPORATE AMERICA, HAVING TO ENDURE MORE HARDSHIP THAN WHAT I AM ALREADY GOING THROUGH STILL IN HEALING RECOVERY FROM THE HOSPITAL STRESS, PRESSURE, EXHAUSTION, TRAUMA, SHOCK, CHAOS, PLENTY MORE TO HAVE TO LEARN TO WALK AGAIN REGAIN BODY STRENGTH TO HAVE TO DEAL WITH CORPORATE AMERICA ITS 'UNFORTUNATELY' ORDEALS OF DECEPTION, UNFAIR PRACTICES, FRAUD,THEY EVERGY CAN FILE BANKRUPTCY TO MAINTAIN THEIR DEPRECIATION ASPECTS OF BOOK KEEPING OR WHATEVER TO KEEP THINGS CONSISTANT FOR ALL STAKEHOLDERS; NOT JUST THOSE WHO GET QUARTELY DIVIDENDS.. THEY STATE THINGS ARE DEPRECIATING-WHY ARE THEY NOT KEEPING UP WITH MAINTENANCE, PREVENTATIVE MEASURES, PROTECTION, REPAIR, REBUILD, BUY USED/REFURBISHED, EVENTUALLY PURCHASE NEW 'THINGS' WHICH WILL ALWAYS DEPRECIATE AS SOON AS YOU BUY IT NORMAL WEAR TEAR. SHOULD YOU NEED ANY OF MY INFORMATION OR HAVE ANY QUESTIONS; PLEASE FEEL FREE TO CONTACT ME VIA MY EMAIL ADDRESS. EVERGY IS OUT HERE TODAY 8-1-2023: SOMETHING TO DO WITH A VISUAL HE LOOKED AT ON A TREE TOWERPOLE WITH TRANSFORMER ON IT WITH THEIR ELECTRICAL WIRING EQUIPMENT; WHICH REMINDS ME OF AN ARTICLE I READ WHERE EVERGY BUILT OR PUT UP LARGE METALSTEEL GIANT POLES SOMEWHERE IN WICHITA AS THOUGH THE NEIGHBORHOOD NEEDED TO LOOK ANY WORSE THAN IT ALREADY DOES. SHOULD I VOICE MY ADVOCACY SUPPORT WITH THIS DOCKET NOT HAVE TO COVER THOSE TYPES OF COST WITH THEIR RATE INCREASE FOR THOSE GIANT ELECTRICAL POLES IN WICHITA. I'M SENDING THIS OUT TODAY, I'M SURE I'M MISSING SOMETHING AS A STAKEHOLDER OF ONE 1 IN AN APARTMENT ON DISABILITY

08/04/2023

INCOME, MY VOICE OF SUPPORT ADVOCACY IS A MAJORITY WITH NO ELDERLY OR DISABLED DISCOUNTS OR OTHER APPLICABLE DISCOUNTS LIKE MILITARY FACILITIES, CITY, COUNTY STATE BUILDINGS, HOSPITALS, SCHOOLS, NURSING HOMES, ETC ETC. OR A DISCOUNTED RATE IN THE SAME ASPECT. THANK YOU KCC SO VERY MUCH-I SURE DO GREATLY

I KNOW THEY'RE WANTING AN INCREASE OF \$14.24 AND I'M NOT HAPPY ABOUT THAT.

I HAVE A JOURNAL OF ALL THE POWER OUTAGES WE HAVE AND THERE ARE MANY. THEY ARE BUILDING AN APT COMPLEX IN OUR NEIGHBORHOOD, WHICH I BELIEVE IS CAUSING SOME OF OUR OUTAGES AND AFFECTING OUR ELECTRICITY.

I DON'T AGREE THAT THEY'RE ASKING US TO HELP COVER THE PANASONIC PLANT TO PAY FOR THEIR ELECTIRICTY. ITS JUST NOT RIGHT

I AM OPPOSED TO THE EVERGY RATE INCREASE. BECAUSE THEY HAVE NO COMPETITION, WE ARE AT THEIR MERCY WHEN IT COMES TO PAYING THEIR COSTS. WE HAD AN ISSUE WITH A MERCURY VAPOR LIGHT ON A POLE NEAR OUR BACK YARD WHEN WE MOVED TO OUR CURRENT HOME ABOUT 23 YEARS AGO. THE LIGHT WENT OUT WITHIN THE FIRST COUPLE OF YEARS THAT WE LIVED THERE. EARLIER THIS YEAR WE REALIZED THAT WE HAVE BEEN CHARGED FOR THIS LIGHT, INCLUDING A MONTHLY CONSUMPTION AMOUNT, FOR ALL OF THIS TIME. I FEEL THAT THEIR FOLLOW-UP AND QUESTIONABLE BILLING PRACTICES ARE SUBJECT TO REVIEW. THEY MAKE IT WIDELY KNOWN HOW PROFITABLE THEY ARE CURRENTLY AND THIS RATE REQUEST IN DRIVEN BY GREED IN A MONOPOLY POSITION.

WITH FAMILIES STRUGGLING TO PAY THEIR BILLS. EVERGY WANTS TO INCREASE THE AMOUNT OF THE ELECTRICITY WE USE. HOW MANY RAISES CAN YOU DO IN SUCH A SHORT PERIOD? THEN TO CONSIDER SELLING A PORTION OF THE COMPANY SO THAT EVERGY CAN BUY IT BACK AT A MARKED UP PRICE IS ROBBERY. MAY BE YOU HAVE GOTTEN SO BIG AND GREEDY YOU FORGOT WHO YOU SERVE. IT'S TIME THE PEOPLE LEARN OF ALL THE UNDER HANDED TACTICS EVERGY WILL DO TO MAKE MORE PROFIT. SO DOESN'T MATTER WHAT WE SAY. BUT RAISING THE RATES AT ALL IS UNTHINKABLE. PLEASE CHANGE YOUR TV AND RADIO ADDS THAT REPRESENT THIS COMPANY AS CARING. THE 14.24 IS JUST A STARTING POINT BUT FROM THE PAST THAT IS JUST FOR THE MINIMUM AMOUNT USED. INO A RAISE IS NOT IN THE BEST INTEREST OF THE PEOPLE

WHY WOULD YOU RAISE ELECTRIC BILLS WHILE THE ECONOMY IS THE WAY IT IS RIGHT NOW?
SO MANY KANSANS NEED ELECTRICITY TO LIVE, SUPPORT BUSINESSES, FAMILIES AND OTHERS
AND YOU ARE DRIVING THEM OUT WITH HIGHER RATES. KANSANS WILL HAVE NO OTHER OPTION
BUT TO PAY YOUR GREEDY INCREASED FEES RATHER THAN PUTTING FOOD ON THE TABLE FOR
THEIR FAMILIES.

OUR FAMILY OPPOSES THE RATE INCREASES THE SHOULD BE ASSUMED BY PANASONIC ITSELF. THE CONSUMER HAD NO SAY IN PANASONICS CHOICE. PANASONIC HAS ASSETS EVALUATED AT OVER 57 BILLION DOLLARS. IT IS UNETHICAL TO INCREASE THE RATES ON ALREADY STRUGGLING CONSUMERS TO PAY FOR A CORPORATION WHO CAME; AT WILL, WITH ASSETTS ENOUGH TO COVER THE EXPANSION REQUIRED TO SUSTAIN THEIR OWN FOR PROFIT BUSINESS. THIS IS NOT A PROGRAM MEANT TO BENEFIT EVERYGY CONSUMERS, RATHER ONE TO BENEFIT CORPORATIONS. CONSUMERS HAVE LIMITED CHOICES WHEN IT COMES TO THEIR ELECTRICITY, AND HANDCUFFING PEOPLE WHO STRUGGLE TO PAY FOR A FOR PROFIT COMPANY THAT WILL MAKE MORE MONEY AS A RESULT IS ABHORRENT. AS OF TWO YEARS AGO, EVERYGY WAS ROLLING POWER FROM US TO TEXAS. UNTIL THEY ARE PREPARED TO MANAGE THEIR OWN EXISTING INFRASTRUCTURE, IT SHOULD NOT BE ON THE BACKS OF HARDWORKING CONSUMERS TO BE FORCED WITHOUT ALTERNATIVE PROVIDERS TO PAY MORE FOR A UTILITY IN ORDER TO BENEFIT CORPORATE INTERESTS.

WITH RECORD PROFITS, THERE'S NO NEED TO RAISE RATES. THEIR MARGINS ARE SECURED ENOUGH WITHOUT COMPETITION. IT IS LUDICROUS THAT EVERGY HAS THE GALL TO ASK FOR A RAISE AFTER RECORD-BREAKING PROFITS. EVERGY INVESTS INTO THINGS THEN YEARS LATER, THEY INITIATE A RATE HIKE TO HELP RECOVER THOSE. EVERGY CUSTOMERS HAVE NO SAY IN THE APPROVAL OF THESE INVESTMENTS, WHICH WE SHOULD IF OUR MONEY GOES TOWARD 'RECOVERING' THOSE INVESTMENTS. THEY HAVE NO BREAKDOWN OF THESE 'INFRASTRUCTURE INVESTMENTS' -- THEY COULD BE VERY SLIPPERY WITH THEIR SPENDING, KNOWING THAT EVERGY CUSTOMERS WILL BE THE ONES 'RECOVERING' THEIR INVESTMENTS DOWN THE LINE. THIS IS UNACCEPTABLE. EVERGY EXECUTIVES ARE OVERPAID. COLLECTIVELY, THE E-SUIT MAKES 16 MILLION! CUT EXECUTIVE SALARIES BEFORE RAISING RATES!

I BELIEVE THERE ARE ALTERNATIVES TO THIS INCREASE WHICH WILL IMPACT LOW INCOME FAMILIES AND SENIORS ON A FIXED INCOME THE MOST SIGNIFICANTLY. IF THERE WAS PAYBACK FOR OVER PRODUCTION OF ENERGY BY THOSE WILLING TO INVEST IN SOLAR, ETC. THERE WOULD BE DECREASED NEED FOR EXPANSION OR BUILDING OF POWER PLANTS. IF WHEN AN INCREASE BECOME INEVITABLE, THIS SHOULD BE PHASED IN OVER TIME TO ALLOW CUSTOMERS TO PLAN FOR THE INCREASE. THIS WOULD BE MOST VALUABLE IF THERE WOULD BE A TIERED PLAN AS LAWRENCE HAS FOR WATER USAGE SO FOLKS COULD ADJUST THEIR USAGE FOR THE LEAST IMPACT ON THEIR BILL AND BY DEFAULT A LOWERED DEMAND ON THE SYSTEM. PLEASE CONSIDER ALTERNATIVES BEFORE ALLOWING THIS INCREASE.

WHY WOULD EVERGY CONSIDER RAISING CENTRAL RESIDENTS BILLS BY 14.24 PER MONTH AND METRO RESIDENTS BY 3.47? THIS DOESN'T MAKE SENSE AND IS CERTAINLY NOT EQUITABLE. SINCE THEY ARE A MONOPOLY CONSUMERS ARE VULNERABLE. EVERGY DECOMMISSIONED SUBSTATIONS SEVERAL YEARS AGO TOUTING A MORE EFFICIENT AND RESILIENT POWER GRID. EVERGY JUST ANNOUNCED A 186M PROFIT FOR SECOND QUARTER.

I AM OPPOSED TO ANY RATE INCREASE UNLESS EVERGY ALSO AGREES TO SIGNIFICANTLY CURTAIL ITS SPENDING ON ADVERTISING AND MARKETING. EVERGY HAS A MONOPOLY ON SUPPLYING ELECTRICITY, UNLESS CUSTOMERS ARE WILLING AND ABLE TO SWITCH TO ALL SOLAR OR WIND, SO THERE IS NO NEED FOR EVERGY TO SPEND ON TV ADS, SPONSORSHIPS FOR ENTERTAINMENT AND SPORTING EVENTS, OR OTHER ADVERTISING TO BUY GOODWILL. I RECENTLY ATTENDED TWO MEETINGS WHERE EVERGY EMPLOYEES WERE TRYING TO GARNER SUPPORT AMONG LOCAL CITIZENS FOR ATTENDING A COUNTY COMMISSION MEETING AND CONTACTING COUNTY COMMISSIONERS TO SUPPORT A NEW SOLAR FARM. FOOD AND BEVERAGES WERE PAID FOR BY EVERGY. I SUPPORT SOLAR ENERGY BUT DO NOT SUPPORT EVERGY SPENDING PART OF WHAT I PAY EVERY MONTH TO BUY GOODWILL FROM CITIZENS. BETTER TO USE THAT MONEY TO CONTROL COSTS TO CUSTOMERS AND TO IMPROVE INFRASTRUCTURE.

WE SHOULD NOT BE SUBJECTED TO THE INCREASE FOR PANASONIC. WE DIDN'T GET TO VOTE AS TO WHETHER THEY WOULD COME HERE OR NOT. ALTHOUGH THEIR PLANT WILL HELP THE STATE AND ALSO THE UNITED STATES, WE KANSAS CUSTOMERS SHOULD NOT HAVE TO PAY FOR THE UPGRADE FOR THEIR PLANT. WE DO NOT GET ANY FINANCIAL GAIN FOR IT AND THEY PANASONIC WILL. THEY SHOULD HAVE TO PAY FOR THIS ENHANCEMENT. THE PAYMENT SHOULD BE PLACED WHERE THE REWARD WILL BE - NOT WITH THE LOCAL CONSTITUENTS. THANKS.

RAISING THE ELECTRIC BILL ON SCHOOLS AND CHURCHES ITS JUST ANOTHER TAX ON EACH ONE OF US. I AM ESPECIALLY CONCERNED WITH RAISING CHURCHES ELECTRIC BILL BY 25. THEY DO SO MUCH GOOD FOR OUR COMMUNITY THAT IT WILL HAMPER THEIR ABILITY TO SERVE, ESPECIALLY THE SMALLER CHURCHES. THEYRE ALREADY HELPING SOME PEOPLE IN DIFFICULT SITUATIONS PAY THEIR ELECTRIC BILL. THEY HELP ALL KINDS OF PEOPLE GET BACK ON THEIR FEET SO THEY CAN BE VALUABLE MEMBERS OF OUR COMMUNITY. THEY ENCOURAGE PEOPLE TO BE HONEST, HARD-WORKING CITIZENS WHO PAY THEIR BILLS. THEY DISCOURAGE LYING, DRUG AND ALCOHOL ADDICTIONS AND PROMOTE MARRIAGE AND FAMILY. DONT UNDERESTIMATE THE VALUE OF CHURCHES IN OUR COMMUNITY AND CERTAINLY DONT DISCOURAGED THEM BY RAISING THEIR ELECTRIC BILLS 25.

I AM OPPOSED TO ANY RATE CHANGES PROPOSED BY EVERGY, AND ANY OF ITS SUBSIDIARIES. CUSTOMERS ARE STRUGGLING TO PAY BILLS AND EXPENSES TO SURVIVE DUE TO THE INFLATION AND ECONOMY. NOT ONLY HAS EVERGY BEEN POSTING RECORD HIGH PROFITS, BUT NOT INVESTING IN ITS' AGING INFRASTRUCTURE...EVER SINCE IT MERGED WITH KCPL. EVERGY CUSTOMERS HAVE PAID THEIR BILLS IN GOOD FAITH, RELYING ON THE BUSINESS TO MAINTAIN AND MODERNIZE THEIR INFRASTRUCTURE AND EQUIPMENT AS PART OF NORMAL OPERATING PROCEDURES. THIS IS A BURDEN ON CUSTOMERS, BOTH EXISTING AND FUTURE, TO RAISE RATES AND FEES TO BOOST THEIR PROFITS AND PAY FOR MAINTENANCE THEY HAVE FAILED TO COMPLETE. ANY INCREASE IN RATES IS DETRIMENTAL TO CUSTOMERS IN THE CURRENT STATE OF THIS ECONOMY. PLEASE DO NOT SUPPORT THIS REQUEST. AMY BARENKLAU

I AM WRITING YOU TO ASK THAT YOU PLEASE RECONSIDER A RATE HIKE AT THIS TIME. WITH GROCERIES, UTILITIES, HOME PRICES, CAR PRICES, GAS, EVERYTHING SEEMS TO BE AT AN ALL-TIME HIGH AND EVERYONE IS FEELING THE PRESSURE. MY FAMILY MAKES GOOD MONEY AND WE ARE FEELING THE PRESSURE OF THE INCREASE OF COST OF LIVING, SO I CAN ONLY IMAGINE PEOPLE ON SET BUDGETS OR RETIRED. WE ARE ALL SEARCHING FOR FINANCIAL RELIEF AND A RATE INCREASE WILL ONLY MAKE THINGS WORSE FOR WHAT I CAN ONLY ASSUME WOULD BE THOUSANDS AND THOUSANDS OF PEOPLE. THANK YOU FOR YOUR CONSIDERATION.

I'M NOT IN FAVOR OF THE RATE INCREASE. I JUST WANT TO COMPLAIN ABOUT THE INCREASE. THE WINDMILLS WERE SUPPOSED TO SAVE US MONEY. ALSO THE SOLAR PANELS ARE SUPPOSED TO SAVE MONEY. HOW DO THEY GET TO THE JUSTIFICATION OF THE \$14 INCREASE? FIRST IT WAS THE WIND MILLS TO HELP DECREASE OUR ELECTRIC, THEN THE SOLAR PANELS WILL HELP OUR ENERGY COST. SO, WHAT IS IT?

NOW, OUR RATES ARE GOING UP \$14.24 PLUS TAXES AND HIDDEN COST WHICH WILL BE ADDED TO THE \$14.24 COST.

I SAY "NO" TO THE RATE INCREASE!

BESIDES, IT SHOULD BE VOTED ON BY THE PUBLIC

THANKS

THEY WANT A 14 PER MONTH RATE INCREASE??? WHAT IF WE GAVE THEM A 14 PAY DECREASE. THEIR 6 HIGHEST-PAID EMPLOYEES HAUL IN MORE THAN 18 MILLION A YEAR. THAT IS A CRIME! YET THEY WANT POOR PEOPLE WHO CAN'T EVEN AFFORD GAS AND GROCERIES TO PAY MORE. WHERE THE HELL IS THE REGULATION????????? THIS IS SUPPOSED TO BE A REGULATED UTILITY. WE ARE ALL CAPTIVE AND CAN'T SHOP AROUND FOR A BETTER DEAL. IF THOSE PEOPLE WANT TO MAKE THAT MUCH MONEY LET THEM GO INTO SOME NON-REGULATED INDUSTRY. AND WHY IN THE HELL ARE THEY WASTING MORE OF OUR MONEY ON THIS STUPID ADVERTISING CAMPAIGN THAT SHOWS PEOPLE IN RESTAURANTS SUPPOSEDLY TAKING ORDERS FROM CUSTOMERS? THEIR CUSTOMER BASE IS FIXED, SO ANY ADVERTISING THEY DO IS A TOTAL WASTE OF MONEY, WHICH COULD BE USED TO COVER COSTS INSTEAD OF INCREASING OUR RATES. GET A CLUE PEOPLE AND DO YOU JOB!

Narrative

08/09/2023

I BECAME A CUSTOMER OF EVERGY WHEN WESTAR MERGED WITH KCPL, APPROXIMATELY 5 YEARS AGO. PRIOR TO THE MERGER, KCPL PERFORMED ROUTINE TREE MAINTENANCE EVERY 2 YEARS, LIKE CLOCKWORK FOR TREES THAT WERE NEAR POWER LINES IN MY NEIGHBORHOOD. THIS ROUTINE MAINTENANCE DECREASED THE NUMBER OF OUTAGES IN MY AREA. SINCE I LIVE IN AN ESTABLISHED NEIGHBORHOOD WITH ABOVE-GROUND POWER LINES BOTH THE MAIN LINES AND LINES TO EACH HOUSE, ALONG WITH 50 YEAR-OLD-TREES, THIS MAINTENANCE IS CRUCIAL. IN THE TIME THAT EVERGY HAS EXISTED, THEY HAVE NOT PERFORMED ROUTINE TREE-TRIMMING MAINTENANCE IN MY NEIGHBORHOOD. IF KCPL COULD PERFORM THE MAINTENANCE AND BUDGET FOR IT, WHY DOES EVERGY NEED AN INCREASE IN THEIR FEES, SINCE THEY CLEARLY HAVE REMOVED A MAINTENANCE SERVICE THAT KCPL USED TO PERFORM? WHAT ARE THEY DOING WITH THAT MONEY? ALSO DURING THE SUMMER STORM ON JULY 14, I WAS ONE WHO DID NOT HAVE POWER RESTORED UNTIL JULY 18. I LOST POWER ON JULY 14TH AT 4:00PM, AND IT WAS RESTORED ON JULY 18 AT 1:41 PM. THE CAUSE FOR OUR POWER OUTAGE IN MY NEIGHBORHOOD? A LIMB FROM A TREE ON THE MAIN POWER LINE. I REALIZE THE SEVERITY OF THE STORM CAUGHT EVERYONE OFF GUARD. AND I APPRECIATE ALL THE LINEMEN WHO CAME IN TO WORK LONG HOURS AND RESTORE POWER. HOWEVER, EVERGY WAS CAUGHT IN MISREPORTING, WHEN THEY ORIGINALLY STATED PEOPLE WERE WORKING AROUND THE CLOCK. TOO MANY PEOPLE POSTED ON SOCIAL MEDIA EXACT EXAMPLES THAT PEOPLE WERE NOT WORKING AROUND THE CLOCK, AND EVERGY HAD TO BACKTRACK ON THEIR STATEMENTS. THIS HAS LED TO SEVERE LACK OF TRUST IN THIS COMPANY. THEY SAY THERE WERE 'EFFICIENCIES' AND 'COST REDUCTIONS' FOR THE MERGER. IF THAT'S SO, WHY DO THEY NEED A RATE INCREASE? SINCERELY, I REQUEST YOU TO ASK THE PROBING QUESTIONS OF THIS COMPANY FOR THEIR RATE INCREASE. FROM MY PERSPECTIVE, IT'S SIMPLY TO PAD THE POCKETS OF THE EXECUTIVES. ALONG THOSE LINES, ONE COMMENT I READ INDICATED THAT A NEIGHBORHOOD WHERE AN EVERGY EXEC LIVED HAD POWER RESTORED WITHIN A FEW HOURS OF THE STORM. I'D

08/09/2023

APPRECIATE YOU ASKING ABOUT THAT, ALSO. INTERESTING THE THE REST OF US HAD TO WAIT FOR DAYS. THANK YOU FOR YOUR CONSIDERATION.

EVERGY IS ASKING FOR AN INCREASE WHEN THEY AREN'T DOING WELL THE BASIC JOB OF PROVIDING A SECURE GRID AND ACCEPTABLE RESPONSE TO CUSTOMERS. SINCE THEY BOUGHT KCPL KEEPING LINES CLEAR OF OVERHANGING TREE BRANCHES HAS NOT BEEN DONE. HAD THAT MAINTENANCE OCCURRED DAMAGE TO THE LINES AND POWER OUTAGES PROBABLY WOULD NOT HAVE BEEN AS DRASTIC. BEFORE THE STORMS IT TOOK US ABOUT 6 MONTHS TO GET A CREW OUT TO TRIM AN OVER HANGING BRANCH SO THAT WE COULD HAVE A HAZARDOUS TREE REMOVED. AT THAT TIME WERE TOLD LAST WINTER THAT OUR 'REGULAR 4 YEAR TRIMMING' WOULD BE DONE THIS PAST SPRING. NOW WE ARE TOLD THE REMAINING TREES WILL BE DONE DURING 'OUR REGULAR 4 YEAR TRIMMING'; AN EVER MOVING DATE APPARENTLY. SINCE THE STORMS WE ARE WAITING FOR HAZARDOUS BRANCHES TO BE REMOVED. A PORTION OF OUR PROPERTY IS NOT SAFE RIGHT NOW BECAUSE OF THEIR LACK OF RESPONSE. AS A POWER COMPANY I BELIEVE THAT THEY HAVE AN OBLIGATION TO SERVE THE COMMUNITY FIRST; SHAREHOLDERS SECOND. ASKING FOR MORE FROM CUSTOMERS THAT HAVE NO ALTERNATIVE WHEN THE SERVICE IS SUBPAR IS UNACCEPTABLE. . ADDITIONALLY, ASKING CUSTOMERS TO FOOT THE BILL FOR THE NEW PANASONIC PLANT IS ENTIRELY UNACCEPTABLE. CORPORATE WELFARE. DO THE RIGHT THING PLEASE.

REGARDING YOUR ELECTRIC RATE PROPOSAL OF 25 ON CHURCHES SCHOOLS. AS A TAXPAYER, I FEEL I PAY ENOUGH TO FUND THE SCHOOLS.. THIS PROPOSAL OF 25 TO CHURCHES IS RIDICULOUS. THIS INFLATION IS MAKING IT HARD FOR CHURCHES AND MEMBERS TO KEEP UP NOW, THIS ADDITIONAL WILL CERTAINLY BE A HARDSHIP. THE 14.24 A MONTH TO CENTRAL RESIDENTIAL CUSTOMERS IS TOO MUCH FOR SENIORS ON A FIXED INCOME AS I AM. SURELY THIS CAN BE LOWERED. I FEEL THIS IS VERY UNFAIR! ADDING A RATE IN INCREMENTS WOULD BE MUCH MORE TOLERABLE.. PLEASE SERIOUSLY RECONSIDER THIS INCREASE RATE FOR BOTH RESIDENTIAL CUSTOMERS AND OUR CHURCHES. AS YOU KNOW CHURCHES ARE NOT SUPPORTED BY TAX DOLLARS AS WITH SCHOOLS. PLEASE DON'T LUMP SCHOOLS AND CHURCHES TOGETHER. THANK YOU.

LATELY WE CONTINUE TO SEE ADS ON NETWORK TV IN THE KANSAS CITY AREA THAT PROMOTE THE VARIOUS SERVICES PROVIDED BY EVERGY, AND NOW WE ARE LEARNING THAT THEY HAVE PETITIONED TO RAISE RATES FOR THEIR KS CUSTOMERS. HERE'S AN IDEA ¿.. TELL EVERGY TO ELIMINATE THE COSTLY TV ADS AND DELEGATE THOSE SAME FUNDS TOWARDS THEIR NEEDED RATE INCREASE !!

NOBODY HAS A CHOICE OF UTILITY PROVIDERS - WHY WOULD A UTILITY HAVE ANY NEED TO SPEND MONEY ON TV ADVERTISING ??

THIS PROPOSED RATE HIKE IS EXCESSIVE. THE COST OF GOODS AND SERVICES HAS CONTINUED TO RISE, HOWEVER MY INCOME HAS NOT. AT WHAT POINT IS ENOUGH, ENOUGH? SENIOR CITIZENS ON FIXED INCOMES CANNOT AFFORD TO CONTINUE PAYING FOR THESE HIKES. EVERGY HAD A 186 MILLION PROFIT FOR 2ND QUARTER OF 2023. USING THAT SAME NUMBER, THEY WOULD SHOW A PROFIT OF OVER 740 MILLION DOLLARS FOR 2023. THAT IS A SUBSTANTIAL PROFIT FOR A SERVICE THAT HAS A MONOPOLY IN MY AREA. WE DON'T GET TO CHOOSE A UTILITY COMPANY BUT ARE REQUIRED TO USE EVERGY IF WE WANT ELECTRICITY IN OUR HOMES. I RESPECTFULLY OPPOSE ADDITIONAL RATE HIKES, TO AFFECT MY MONTHLY BILL BY AN AVERAGE OF OVER 14MONTH. PLEASE RECONSIDER THEIR PROPOSAL. THANK YOU, SHEILA WRIGHT

HELLO, I'M A RESIDENT OF WICHITA, KS AND I LIVE IN A HOUSE AND WORK FULL TIME AND STILL IT IS HARD TO MAKE ENDS MEET EACH MONTH WITH RISING COST OF PRICES AT GROCERY STORE, GAS STATION, AND NOW ELECTRICITY WHICH WE ALL NEED YET EVERGY WANTS TO RAISE PRICES AT THE WORST TIME IMAGINABLE. IT'S SUMMER, IT'S HOT AND WE HAVE AT LEAST ONE MORE MONTH OD STIFLING WEATHER IN KANSAS BEFORE FALL TEMPS START CREEPING IN. I DON'T UNDERSTAND WHY CUSTOMERS HAVE TO BE PUNISHED FOR INFRASTRUCTURE UPDATES AND WEATHER MISHAPS. . INCREASING FEES BY 14.24 IS GOING TO HURT EVERYONE, PEOPLE ARE ALREADY STRUGGLING TO PAY THE CURRENT RATE. NOW YOU WANT TO RAISE IT? WOULDN'T IT BE BETTER TO DO A GRADUAL INCREASE OVER TIME? MIGHT MAKE IT LESS PAINFUL. AND WHY IS CLEAN ENERGY SO EXPENSIVE? TRYING TO HELP THE PLANET BUT BE GREEDY TOO. WITH FALL COMING I CAN TURN MY AC OFF BUT WINTER'S GOING TO BE COMING EVENTUALLY AND THERE'S GOING TO BE A LOT OF PEOPLE WHO WON'T BE ABLE TO PAY THEIR BILL. I OPPOSE THIS RATE HIKE, IT'S GOING TO HURT EVERYONE ESPECIALLY LOWER INCOME FOLKS , SENIOR CITIZENS AND PEOPLE WHO DON'T QUALIFY FOR ASSISTANCE BECAUSE THEY MAKE A MINISCULE AMOUNT OF MONEY OVER THE CUT OFF TO QUALIFY. I'M VERY UPSET AND IM VERY WORRIED WHAT MY ELECTRIC BILL IS GOING TO LOOK LIKE. HOW CAN I OFFSET THE COST? WHAT CAN I UNPLUG AND TURN OFF? I'LL HAVE TO CHANNEL MY GREAT GRANDMOTHER'S INTUITION MAYBE. BEING FUNNY BUT NOT REALLY. SHAME ON EVERGY!

JUL 24 2023

a personal note...

2038 Key Rd
Enterprise, Kansas
67441

July 17, 2023

To: Kansas ^{PUBLIC} CORPORATION Commission,
^{AND}
^{CONSUMER PROTECTION} No. 23-EKCE-775-RTS

I strongly protest Evergy being allowed to increase prices for its electric customers. They are already making a nice profit & paying dividends to their stockholders. Evergy is NOT in need of a price increase.

Their customers, on the other hand, are caught between constantly inflating prices of everything & the devaluation of the dollar. Plus, (according to my local newspaper) the largest section of Kansas' population is people in their retirement years & living on fixed incomes - like me. The buying power

of our Social Security & any other money
we were able to save for retirement is
going down, down, down.

Evergy is going to force us to live in
hotter houses this summer & colder homes
next winter so we will be able to pay the
electric bill - which keeps going up, up, up.
Shame on Evergy for being so greedy &
uncaring of their customers. A real shame on
the Commission if you allow it.

Also, how uncaring & uninformed it is of
the Commission to hold public hearings only in Topeka
Overland Park & Wichita. There is a whole lot more
of Kansas out there. We also pay for electricity.
We also have to put up with your wind

Have a great day!

farm machines that kill the birds,
annoy our livestock, use up our land, &
cost more in "pollution" energy to build
than they will ever make up in "clean"
energy produced.

Please do not raise our
electricity costs,

Linda Barker

To Whom It May Concern:

What amount that
Energy is asking
will produce a hardship
on my fixed income.
I know in the
past you have approved
their proposals but
don't just rubberstamp
this. Take a look
at the company's
expense account and
see that such a large
company could afford
to swallow this hike.
Whereas the people,
like me that are on a
fixed income could not
afford the hike.
Please make a
thoughtful decision

on this side of
Energy.

Sincerely
Jan Ramez

Docket No. 23-EKCE-775-RTS

July 10-2023

After just losing my husband, I am having a lot of difficulty meeting the bills I have each month. Electric bills are already so high, such a large part of my income from Social Security. I do not see how I can afford another increase in the bill from Every. A \$14 + increase every month would be a great problem for me. I know other seniors and people on a very limited income who will also be greatly impacted by this. Increases in prices at the grocery store, gas stations, heating bills, and insurance have all been a great hardship on us. I ask that you reconsider this increase for the sake of the customers of Every -

Sincerely,
Mary Stanley

Dear Commissioner Duffy,

I think it is unlikely that anything I write will make a difference in the commission policies, however I need to say what I think is the truth and in the best interests of the citizens.

I will be brief. Concerning the recent docket filing (Sorry, I can't find the number) by Evergy to increase customer rates – I am opposed to this plan. I would gladly pay more for nuclear and coal but not to retire coal plants and add wind and solar. I think that these managers at the power company are violating the law by not looking out for the citizens. They are cashing in on govt subsidies and short term gain at our expense. The way that power is priced is also part of it. It is a mess. Base load generators are being driven out of business by wind and solar. If you do not know about this (I am sure you do) talk to Senator Mike Thompson. You probably know him also.

Catastrophic global warming, caused by man, is fiction. A hoax to benefit politicians and political entrepreneurs. Since you are appointed by a Democrat you probably are going to go along with it regardless of the data.

Please, Ms. Duffy, do not buy into this. Give us nuclear and coal. Maybe give us a different power company too.

Thanks.

Jim Mansfield

Heritage Foundation: RTOs Don't Work // German Utility Quashes Swedish Nuclear // EIA: US Renewables Subsidies Have Doubled

Welcome to Grid Brief! Here's what we're looking at today: former power market boosters raise doubts about RTOs, Germany's Uniper opts out of Swedish nuclear, the EIA reports large growth in renewable energy subsidies, and more.

Heritage Foundation: **RTOs Don't Work**

Once the vanguard of electricity restructuring in America, the Heritage Foundation has deep reservation about the success of America's power markets.

In its most recent *Mandate for Leadership*, Heritage's lengthy policy guide for Republican leaders, former commissioner of the Federal Energy Regulatory Commission Bernard McNamee calls for the President to have FERC "re-examine the premise of RTOs."

"RTOs no longer seem to work for the benefit of the American people," McNamee writes. "Marginal price auctions for energy are not ensuring the reliability of the grid and are not passing the full economic benefits of subsidized renewables on to customers. FERC needs to re-examine the RTOs under its jurisdiction to make sure that they procure reliable and affordable electricity for the benefit of the American people."

McNamee argues that FERC should direct Regional Transmission Organizations (i.e., power market operators) to establish reliability pricing that for firm, dispatchable generators or "require intermittent resources to procure backup power for times when they are not available to operate." He also argued for slashing green subsidies.

While his recommendations are in line with recent comments made by current commissioners Mark Christie and James Danly, McNamee's position represents a remarkable historical about face for the organization. Along with Enron and environmental organizations like the Natural Resources Defense Council, Heritage was a major power market booster. Often, its vision was more radical than what circumstances had on tap.

It appears the results of restructuring have proven less salutary than its former advocates imagined.

German Utility Quashes Swedish Nuclear

Sweden hoped to build out its nuclear capacity, but German utility Uniper has ended that dream.

"Uniper currently operates Sweden's largest nuclear power reactor Oskarshamn-3, and has partial stakes in Ringhals and Forsmark," reports Oilprice.com. "But Uniper isn't interested in spending on additional nuclear power beyond its existing plants. It instead intends to focus on natural gas and renewables, according to Bloomberg, in line with its home country's recent mothballing of its last remaining nuclear reactor."

Uniper CEO Michael Lewis said the company's nuclear reactors are "a key part in making Uniper sustainable, both financially and environmentally. We intend to keep those plants." But, he added, they "will not invest in any further nuclear power."

Vattenfall AB, Sweden's state-owned utility, is considering small modular reactors. But the country hoped for larger, traditional plants as well.

True to its word, Uniper is sinking more money into its green, non-nuclear energy commitments. The recently nationalized utility announced that it will invest \$8.8 billion in green energy projects by 2030.

Re: Docket No. 23-EKCE-775-RTS

August 4, 2023

#124513

To whom it may concern:

There are a number of behavioral reasons I believe it's time for a court of law to consider anti-trust/anti-monopoly legislation regarding Evergy. I'm listing them below:

1. Evergy is a privately owned corporation backed by government-provided monopoly powers over its customers.
2. Evergy stated at the July 27 meeting that investor dividends are running around 10%, which would be an acceptable return on investment for a corporation in the private sector that has the risk of bankruptcy. Evergy has a government-backed monopoly that limits that risk and more importantly consumers' ability to obtain a different provider. The advantages of its economy of scale are being passed on to investors and top end managers rather than to consumers. I was told at one meeting that Evergy's CEO is the highest paid electric company manager in the US. If true, it lends support to the need for major change to protect Evergy's consumers.
3. During the July 27 meeting Evergy officials focused on the rate increase for energy, while leaving out all the recent increases allowed in billing for extraneous items that weren't in the billing statements of the past. The Evergy employee addressing the crowd stated that the 9.77% raise would be less than 2% a year over the five years if was approved. His statement is dishonest. If the whole 9.77% goes into effect as soon as it's approved (even if it goes up 2% a year) that's far more than 2% a year in the course of five years.
4. Evergy has actively pursued legislation to limit consumers' ability to generate their own electric power and/or adding additional charges to their bills if they do.
5. Evergy policies of locating eyesore power poles through disadvantaged neighborhoods, rather than in existing right of ways, suggests a Marie Antoinette attitude towards minority groups and a willingness to hide behind public domain policies provided by being a government-backed monopoly.
6. Our country is arriving at the need for drastic climate change policies in the hands of a private corporation whose focus is on rewarding investors and its CEO with exceptional wealth. The federal government is intent on convincing the biggest part of the domestic population that power companies are going to provide electricity at a bargain rate for their government mandated electric vehicles. A lot of consumers like their current vehicles, and allowing power companies to charge the maximum rate legislation will allow, isn't going to help the transition take place.
7. Evergy is identified as having an anti-solar/wind/renewable energy policy and pro-coal/natural gas long term procurement policy in a recent Wichita Eagle article by Jane Byrnes(8-1-2023). This is a 180 degree opposite policy of what climate change policy calls for. Evergy did not mention any federal

funds they will be receiving from the federal government's infrastructure plan, and if they are, if those savings will be passed on to consumers rather than investors.

8. A part of the new rate proposal is to provide "life" insurance for "key" employees. Aren't the best paid Evergy employees in a financial situation to look after their own golden parachute?

9. The KCC's response to Winter Storm Uri and their failure to hold gas future speculators to the going gas rate at the time and fines they were due to be charged, suggests that the commission can't be counted on to perform due diligence with Evergy's rate requests.

10. I believe that both Evergy and the KCC could probably find a better method of providence by studying examples of how some of the Scandinavia countries have structured public utility relationships with consumers. Some of their solutions are eloquent in being both consumer focused and the best plan for ethical corporation growth.

11. Often times when big corporations have public relation issues created by their greed, they spend money for projects popular with their consumers (such as Naftzger Park or green projects) however, their real intent is revealed by the amount spent on advertising their good deed.

12. See Dion Lefler's editorial of 8-6-2023.

As a student of the evolving climate crisis, I hope you too stop and consider the worth of not only doing all you can to promote clean air and water, but insisting that public utilities like Evergy and their watch dog (KCC) rise to the need for inexpensive housing and bargain utilities for their poorest consumers through innovative application of their power/expertise.

Sincerely,

Randy Rogers

Docket # 23-EKCEo-775-RTS

Dear Kansas Corporation Commission:

In the last several years we have heard much about inflation. Now we are hearing that inflation is starting to go down.

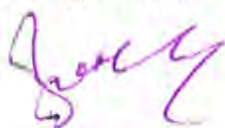

The HUGE problem with a rate hike for a company like Evergy is that will never go down.

Persons like myself who are on a fixed income can little afford all the increasing prices. If I don't like the prices at Dillons at least I can go to a different store. We have no choice about which electric company we use.

I know for a corporation like Evergy profitability is all they care about. Why does the least populated part of Kansas have to shoulder the biggest part of this increase?

I am asking you to deny Evergy's request.

Joyce Schartz

To whom it may concern,

This communication is in regards to the Evergy rate increase request. Obviously cost of providing service changes over time. Any number of variations; material costs, labor, fuel, insurance, etc. Understandable.

My concern is of the quality of service provided. I believe this rate increase request should be aired at the same time as a discussion about what is being done to provide more dependable service. At our residence we experience, on average, twelve power outages a year. As of this date, we have had ten outages so far for 2023. (I do log them and will provide the dates if needed.)

What is being done to provide a more dependable service? Should this not be tied with consumer payment increases?

Respectfully,

John Niccum

I COULD GO WITH THE \$3.47 MO INCREASE IF THAT INCREASE WOULD BE THE SAME FOR EVERYONE.

BUT, MY INCREASE OF \$14.24 MO, I CAN NOT AGREE TO. IT STRAIGHT COMES DOWN TO NOT BEING ABLE TO AFFORD THE INCREASE, ESPECIALLY BEING ON A FIXED INCOME.

\$14.24 IS TOO BIG OF A JUMP AND THAT IS ADDING TOO MUCH FUEL TO THE FIRE. I'M OPPOSED TO THE \$14.24 RATE INCREASE.

I WOULD LIKE TO EXPRESS MY CONCERNS REGARDING THE RATE INCREASE EVERGY IS CONSIDERING. I AM A SENIOR CITIZEN, LIVING ON A FIXED INCOME. THE 9 TO 10% INCREASE THEY ARE PROPOSING IS MUCH MORE THAN ANY INCREASE I RECEIVE IN MY RETIREMENT INCOME. WITH THE INCREASE IN GROCERIES AND OTHER BASIC LIVING EXPENSES, THE LAST FEW YEARS AND ADDITIONAL 9 TO 10% INCREASE IN MY ELECTRIC BILL WOULD BE VERY HARD. PLEASE CONSIDER HOW DEVASTATING THIS LARGE INCREASE COULD/ WOULD BE TO CITIZENS. THANK YOU. LINDA WOLFE, WICHITA KANSAS.

I AM STRONGLY OPPOSED TO THE RATE INCREASE THAT MAY RESULT FROM THE PANASONIC PLANT UNDER CONSTRUCTION IN DESOTO, KANSAS. I AM SHOCKED THAT INDIVIDUAL KANSANS MIGHT HAVE TO PAY FOR THE ELECTRIC SERVICE UPGRADES FOR A PRIVATE COMPANY.

I AM NOT GOING TO COMMENT ON THE LACK OF FORESIGHT BY OUR LAWMAKERS AND GOVERNOR, BUT I DO WANT TO BEG THE KCC TO PROTECT THE INDIVIDUAL HOUSEHOLDS WHO ARE ALREADY PAYING MORE FOR ELECTRICITY ON AVERAGE THAN OKLAHOMA, MISSOURI, AND NEBRASKA.

PANASONIC SHOULD BE PAYING FOR WHAT IT IS BENEFITTING FROM!

THANK YOU FOR YOUR CONSIDERATION.

To Whom It Concerns

Please direct this Reply to Docket No.
23-ERCE-775-RTS.

We consider the Rule proposed by
Energy to be "atrocious".

We live on Social Security fix income.
A \$14.24 across the board fee increase has
no consideration for the population in our
income status. We do all we can to conserve
Energy while surrounding business (Walmart
and Bell, ALDEES) have utilities on 24/7
What happened to a protected utilization
billing principle other than one flat excessive
fee.

Thank you

#124539

RE: Docket No. 23-EKCE-775-RTS

As a retired utility user on a fixed income, I vehemently oppose Evergy's proposal to raise monthly electric bills by \$14 on average. This outrageously high rate hike amounts to corporate price gouging, much like what happened in 2021 when higher corporate prices amounted to 60% of inflation, according to the Federal Reserve Bank in Kansas City. As a monopoly, Evergy should not have the power to place shareholder profits over the financial limits of its ordinary utility users who have *no other choice* but to rely on Evergy's infrastructure for their electricity. Its over-paid corporate executives and shareholders should pay for the costs of their 2018 merger with Westar and KC Power & Light—their decision not ours.

Climate change is already wreaking havoc in Kansas and across the nation. All utility companies, as well as individual consumers, have a responsibility to conserve energy and to rely less on fossil fuels. Although Evergy claims to support renewable energy, this corporation has already broken its 2021 promise to shut down its coal-powered plant in Lawrence by the end of 2023. Instead, it plans to operate 80% of its coal plants through 2030—a year far too late for ongoing climate impacts. Environmentally conscious consumers should not have to bear the brunt of their irresponsible and reckless decisions by paying for coal pollution for seven more years.

Over 95,000 people in Lawrence are already dealing with city utility hikes for water usage, as well as higher sewer and stormwater charges to repair and maintain respective underground lines—all of which makes Lawrence a far less affordable place to live.

Rather than charge *all* electric users an extra \$14 per month, Evergy should use "individual inclining block rates" by dividing each household's monthly consumption of electricity into blocks and charging less for initial units of consumption and more for additional units of consumption. This method would incentivize households to conserve electricity by repairing weatherstripping around doors and windows, raising AC temperatures during summers and lowering heating temperatures during winter, replacing air filters more frequently, and turning off lights, fans, and other electrical equipment when not in use, among many other measures.

Likewise, Evergy needs to do its part by shutting down its coal plants and switching to solar and wind power in Kansas much sooner than 2030. I urge the KCC to reject its proposed rate hike and stop believing its "promises" until solar and wind power plants comprise 80% of energy use in the nearest future.

Sincerely,
Jeanne Klein

Dear Kansas Commissioners-

I am writing to oppose Evergy's rate increase. I am a 72 year old retired woman living alone in a small home on a pension and Social Security, I feed birds, take care of 2 rescue dogs, have a yard full of good pollinators that soothes my soul to tend. I don't travel, except to do Meals on Wheels, my car is a 2016 Hyndai that I hoped would see me to death, but despite not having a ticket since 1979-80 and no accidents my insurance, that I just paid this morning, rises each 6 months. I am very frugal, have antenna tv due to the ridiculous cost of catv or satellite, have a cell phone that is pay as you go, gave up my landline that was a subsidized benefit of my telecommunications retirement (and cheap) to lower expenses. I conserve water inside the home to water flowers outside lowering my water bill, I use fans to aid my 20 year old AC central air conditioner. I could go on but the point is I am thrifty and content being a concerned user of the wondrous gifts of our earth but I don't know where to cut back more. A goal has always been to leave my daughter and family a little money when I kick off, that is why I'm so frugal!

As it is I need a massive tree trimmed, some plumbing work done, a bit of carpentry work on my carport, my house trim scraped and painted...things I usually try to accomplish myself but recently I irreparably broke my right shoulder, so now I'm in a real fix! Why does Evergy need more of my money that I don't even have enough of? I used to get on my bicycle and ride the perimeter of town as a stress reliever but now, with my shoulder, can't do that delightful activity.

I read Evergy paid out over \$500 MILLION to shareholders, that is very nice for shareholders but maybe shareholders should understand that not all

expenses can be placed on the back of consumers as it always has been, these are extraordinary times, businesses may have to get creative. I know I am one of the more fortunate less financially endowed old people just because I am healthy but as the world is...who the hell wants to live a long time??

Please help Evergy find a more equitable and sustaining solution for their million dollar issues.

Thank you-

Debra Smalley

HAVE LIVED ALL OVER THE WORLD TO INCLUDE THIRD WORLD COUNTRIES AND TO THIS DAY HAVE NOT HAD THE HORRIBLE RELIABILITY EXPERIENCE PROVIDED BY FIRST WESTAR AND NOW EVERGY. IN THE 21 YEARS I HAVE BEEN A CUSTOMER THE RELIABILITY HAS BEEN GETTING WORSE NOT BETTER. FLORIDA'S ELECTRIC COMPANIES ROUTINELY PROVIDE BETTER RELIABILITY DURING A HURRICANE THAN EVERGY DOES DURING A LIGHT RAIN OR ON A COLD DAY. HOW CAN THEY ASK FOR MORE MONEY WHEN THEY CANNOT APPROPRIATELY ALLOCATE THE MONEY THEY COLLECT NOW? TRANSITIONING TO RENEWABLES THAT COST MORE PER KILOWATT AND HAVE MORE DOWN TIME THAN THEIR CURRENT RELIABLE BASE POWER PLANTS MAKES ZERO SENSE AND SHOULD NOT BE APPROVED BY THE KANSAS CORPORATION COMMISSION. THEIR STATED GOALS TO REDUCE THE POWER UTILIZED BY THEIR CUSTOMERS WHILE SIMULTANEOUSLY MAKING THE COSTS OF THE POWER THEY PROVIDE AND THEIR CUSTOMERS USE MORE EXPENSIVE SEEM IN VIOLATION TO THEIR DUTY AS A UTILITY. THAT BEING TO BE PROVIDER OF AN EFFICIENT COST EFFECTIVE ELECTRICITY TO ITS THE CUSTOMERS IN KANSAS. YOU THE MEMBERS OF THE KANSAS CORPORATION COMMISSION CANNOT FAIL IN YOUR RESPONSIBILITY TO DENY EVERGY THIS REQUESTED RATE INCREASE IN ITS ENTIRETY. ADDITIONALLY FORCE THEM TO EFFECTIVELY USE THE RESOURCES THEY CURRENTLY POSSESS TO THE FULL EXTENT OF THEIR LIFE SPANS. WESTAR'S CUSTOMERS SHOULD NOT BE PAYING TO REPLACE POWER GENERATION SYSTEMS WITH DECADES OF EFFECTIVE, EFFICIENT AND SAFE OPERATIONS REMAINING WITH EXPENSIVE UNRELIABLE RENEWABLE POWER GENERATION. CA THE LEADER OF THE PUSH TOWARDS EXPENSIVE RENEWABLES HAS TAKEN NUCLEAR, GAS POWER PLANTS OUT OF SCHEDULED AND ACTUAL RETIREMENT TO MEET THEIR NEEDS FOR RELIABLE BASE POWER SOURCES. ADDITIONALLY UTILITIES OUTSIDE OF CA HAVE BEEN FORCED TO TAKE COAL FIRED PLANTS OUT OF STANDBY RETIREMENT TO MEET CA NEEDS. KANSANS SHOULD NOT BE FORCED TO PAY FOR POWER GENERATION THAT WE HAVE ALREADY FUNDED FOR WESTAR.

EVERGY'S PROPOSED RATE INCREASE SHOULD NOT BE APPROVED. A RATE INCREASE OF OVER 170 PER YEAR IS EXCESSIVE, ESPECIALLY IN A TIME WHEN THE COST OF MOST GOODS AND SERVICES HAS RISEN. CAPITAL IMPROVEMENTS SHOULD BE FUNDED WITH THE COMPANY'S PROFITS, THE CUSTOMER SHOULDN'T BEAR THESE COSTS IN RATE INCREASES.

I DO NOT FEEL THAT EVERGY SHOULD BE ALLOWED TO INCREASE THEIR RATES WHEN THEY ARE NOT FULFILLING THEIR DUTIES AS A UTILITY PROVIDER. WE HAVE CONTACTED THEM MANY TIMES ABOUT TREE BRANCHES THAT ARE GROWING NEAR THE TRANSFORMER ON THE ENERGY POLE AT THE BACK CORNER OF OUR PROPERTY. ALTHOUGH EVERGY HAS SENT PEOPLE OUT 2-3 TIMES TO 'EVALUATE' THE SITUATION, AND HAVE AGREED THAT OUR TREES ARE DUE FOR TRIMMING AND THAT THEY MUST BE THE ONES TO DO IT BECAUSE IT IS TOO CLOSE TO THE TRANSFORMER FOR IT TO BE SAFE FOR AN OUTSIDE COMPANY TO DO IT, THEY STILL HAVE NOT DONE THE WORK. THEY CLAIM THAT TREES ARE ON A 7-YEAR TRIMMING CYCLE ALONG THEIR ABOVE-GROUND SERVICES LINES, BUT WE CAN TELL THAT THE AGE OF THE BRANCHES ALONG THE POWER LINE IN OUR AND OUR NEIGHBORS' BACKYARDS HAVE NOT BEEN MAINTAINED IN LONGER THAN THAT AMOUNT OF TIME. FURTHERMORE, THEY CLAIM THAT THEY WILL DO TREE MAINTENANCE SOONER THAN THE 7-YEAR CYCLE IF NECESSARY AND HAVE ADMITTED THAT IT IS NECESSARY IN OUR CASE, YET THEY STILL HAVE NOT COMPLETED THE WORK. THIS DESPITE THE FACT THAT WE HAVE BEEN IN TOUCH WITH THEM ABOUT THIS PERIODICALLY SINCE WE MOVED INTO THIS ADDRESS 2 YEARS AGO. I WOULD NOT BE OPPOSED TO A RATE INCREASE IF THEY WERE FULFILLING THEIR DUTIES AND OBLIGATIONS AS A UTILITY PROVIDER, BUT SO FAR THEY HAVE NOT FOR US. I HAVE ALSO SEEN OTHER COMMENTS RELATED TO THE SAME PROBLEM WITH TREE MAINTENANCE FROM OTHER CUSTOMERS, ESPECIALLY ON EVERGY'S OWN FACEBOOK POSTS AFTER THE RECENT BIG STORM JULY 2023. MANY CUSTOMERS WERE COMPLAINING THAT THEY WOULD NOT HAVE HAD A POWER OUTAGE IF EVERGY HAD SIMPLY MAINTAINED TREES ALONG THEIR ABOVE-GROUND SERVICE LINES. SO, I KNOW I CANNOT BE THE ONLY ONE WITH THIS COMPLAINT OR OPPOSITION TO THE RATE INCREASE.

WE ARE HAVING A HARD ENOUGH TIME MAKING ENDS MEET WITHOUT A RATE INCREASE. ADDITIONALLY,IF YOU GET A SHUT OFF NOTICE, OR GET YOUR UTILITIES SHUT OFF, IT IS NEARLY IMPOSSIBLE TO KEEP THEM FROM SHUTTING YOU OFF OR TURN YOU BACK ON WITHOUT THEM REQUIRING NEARLY THE FULL AMOUNT DUE. THEY WILL NOT WORK WITH YOU AT ALL. THEY STONEWALL YOU AND EVEN HANG UP WHEN YOU TRY TO NEGOTIATE EVEN JUST A FEW DOLLARS. THEY WILL NOT LET YOU SPEAK TO A SUPERVISOR. YOU FEEL AS IF THEY DON'T CARE ABOUT YOU OR YOU'RE FAMILY. PEOPLE ARE LEFT IN DESPERATION HAVING FAMILIES THAT ARE LEFT TO SUFFER BECAUSE OF THIS. WHEN YOU GET HELP FROM PUBLIC RESOURCES IT TAKES MORE THAN ONE OF THOSE RESOURCES TO EVEN MEET THEIR REQUIREMENT TO KEEP YOUR UTILITIES ON. AND YOU CAN'T MISS YOUR LEVEL PAYMENT PLAN BY EVEN ONE DAY OR A FEW DOLLARS OR THEY SHUT YOU OFF AND EVERYTHING BECOMES DUE. THEY LEAVE NO ROOM TO BUDGE. MOST PEOPLE ARE PAYCHECK TO PAYCHECK AND THEIR PAY DATES LAND ON DIFFERENT DATES THEREFORE IT DOESN'T ALWAYS LAND PERFECTLY IN TIME WITH THE DUE DATE. THANK YOUR TIME.

HELLO.

WE LIVE IN RURAL OZAWKIE, KS. WE JUST READ ABOUT THE RATE INCREASE PLANNED BY
EVERGY AND WONDER WHY RURAL CONSUMERS MAY BE IMPACTED NEARLY 5X AS MUCH AS
URBAN CONSUMERS

WE ARE INCENSED BY THE IDEA THAT RESIDENTIAL AND COMMERCIAL CONSUMERS WILL BE
FORCED TO PAY FOR INFRASTRUCTURE REQUIRED TO POWER A FOR PROFIT BATTERY PLANT
BEING BUILT BY PANASONIC NEAR HWY K-10 AND DESOTO, KS.

WHY WOULDN'T THEY BE REQUIRED TO BEAR THE ENTIRE COST OF THEIR INFRASTRUCTURE
INCLUDING POWER SUPPLIED TO THEIR PRODUCTION PLANT?

THANK YOU.

THE RECENT CURRENTLY PENDING EVERGY RATE INCREASE APPLICATION REQUEST, FILED APRIL 29, 2023 CITES INCREASED COSTS FOR FUEL PURCHASE COSTS, MOST SPECIFICALLY NATURAL GAS. THE KCC SHOULD INVESTIGATE/SEARCH WHAT HAPPENED IN THE BRIEF PERIOD POST MAY 1, 2023 AS TO DECREASES IN COSTS OF NATURAL GAS, AND ALSO CONSIDER THAT THE ACCOUNTING EVIDENCE PROVIDED BY EVERGY IS THE YEAR PRIOR APRIL 1, 2022 TO APRIL 1, 2023 A TIME WHEN NATURAL GAS PRICES SPIKED TO UNPRECEDENTED, LEVELS WHICH WERE PRIMARILY A RESULT OF NOT NATURAL GAS SUPPLIES, BUT FROM STOCK/COMMODITY MARKET SPECULATION AS A RESULT OF RUSSIA'S AGGRESSION/INVASION OF UKRAINE. AND AS PRIOR MENTIONED BY THE TIME THE RATE INCREASE WAS SUBMITTED TO THE KCC NATURAL GAS PRICES HAD DECREASED SIGNIFICANTLY FROM THEIR HISTORICAL HIGHS, AND HAVE CONTINUED TO DO SO EVER SINCE UP TO THE CURRENT DATE. MY PRESSING QUESTION/CONCERN IS WHY WOULD THE KCC NOT EASILY RECOGNIZE THIS VERY RELEVANT FACTOR TO ANY RATE INCREASE REQUEST? AND USING A HIGHLY QUESTIONABLE BASIS NG COSTS UNLIKELY TO EVER EVEN OCCUR AGAIN, AND HAVING PROVED ITSELF IN FACT TO BE TRANSIENT RATHER THAN STRUCTURAL FOR SUBSTANTIATING AND/OR GRANTING OF SUCH AN UNFOUNDED BASIS FOR GRANTING OF SAID RATE INCREASE? I UNDERSTAND THAT EVERYTHING IS MORE EXPENSIVE AND THAT THERE WOULD BE A NATURAL RATE INCREASE DUE TO INFLATION. AT THE SAME TIME, THAT IS MY MAIN REASON FOR OPPOSING THE INCREASE AT THE CURRENT PROPOSED RATE. EVERYTHING IS MORE EXPENSIVE THESE DAYS AND A LOT OF PEOPLE ARE RAISING THEIR PRICES. I DON'T MAKE A LOT OF MONEY AND A RATE OF THAT MUCH A MONTH, ON TOP OF THE RATE INCREASES OF OTHER COMPANIES AND GENERAL PRICES, WOULD BE A SUBSTANTIAL FINANCIAL BURDEN. I COULD SEE A LESSER RATE INCREASE, BUT ALMOST 15 A MONTH IS TOO MUCH NOT JUST FOR ME, BUT I'M SURE MANY PEOPLE. I WOULD ASK EVERGY AND THE COMMISSION TO CONSIDER ALTERNATIVES THAT WOULD BE MORE REASONABLE.

I BELIEVE THE BUDGET FOR EVERGY SHOULD BE REVIEWED FOR ANY NON-ESSENTIAL ITEMS AND THESE ITEMS BE HIGHLY SCRUTINIZED IF THEY ARE REALLY REQUIRED TO RUN THE UTILITY. I SUBMIT THAT AS THE ONLY ELECTRIC UTILITY FOR KANSAS METRO AREAS, THEIR MARKETING AND ADVERTISING EXPENDITURES BE REVIEWED AS TO THE BENEFIT TO THE CUSTOMER. WHAT BENEFIT DO THESE EXPENSES PROVIDE THE CUSTOMER IF THERE IS NO COMPETITION OR ALTERNATIVES FOR ELECTRICAL SERVICE? FOR EXAMPLE, WHY IS EVERGY FUNDING VARIOUS COMMUNITY EVENTS, ADVERTISING ON WICHITA CITY BUSES, AND SENDING UNNECESSARY MAILINGS TO RESIDENTIAL CUSTOMERS. OTHER EXAMPLES IN THE AREA OF MARKETING EXIST AND SHOULD BE QUESTIONED AS TO THE REAL CUSTOMER BENEFIT. A UTILITY, SUCH AS EVERGY, IS NOT A TRUE OPEN MARKET COMMERCIAL ENTITY AND DOES NOT HAVE ANY COMPETITION. THEREFORE, THEY DO NOT NEED TO HAVE MARKETING, ADVERTISING OR BRANDING EXPENSES. I AM SURE THERE ARE OTHER EXPENSES IN THE EVERGY BUDGET, THAT HAVE SIMILAR CHARACTERISTICS TO THAT OF A COMMERCIAL, FOR PROFIT, ENTITY WHICH CAN BE ELIMINATED AND THUS SAVING THE NEED FOR SUCH AN EXCESSIVE RATE INCREASE.

AUG 21 2023
CONSERVATION DIVISION
WICHITA, KS

August 17, 2023

124597

TO: The Kansas Corporation Commission
From: Edwin & Shirley Hodge
318 SW 12th Street Newton, Ks. 67114
316-333-1886

RE: EVERGY'S proposed rate increase

We are concerned about Evergy's proposed rate increase for the following reasons:

1) We are senior citizens and see many in our age group who cannot afford higher electric and utility bills. Sometimes it is a choice between food or medicine or our utility bill. "A difficult choice". As retired "educators" we are members/recipients of KPERS retirement funds. KPERS does not provide an annual COL(cost of living) benefit for educators. It is now 2023 and we continue to receive the same pension funds we received in 1999. How does that sound to you? Yesterday's dollars (1999) don't buy near as much today as they did then. People like us "undoubtedly" do not own EVERGY stock.

2) Unfortunately, there are many people in our community, and the state of Kansas, who work very hard but have trouble making ends meet. A rate hike will just make things more difficult for them. Especially when EVERGY is reporting "record" profits.

3) Like it or not, EVERGY is a monopoly. Yet, we see large amounts of money being spent on ADVERTISEMENTS! WHY?? What choices do we have whether we live in cities, in the suburbs, or in rural areas? Our county even opposes "wind farms" (an important source of energy).

We understand that times have changed, and certainly electricity demands must be huge. But, we are still paying for the extremely cold winter several years ago(a BAD decision by a state official). Now, a rate hike? What about the next record-setting heat cycle or cold winter??

Sincerely,

Edwin Hodge

Dear Sirs:

I do not understand how a "for profit" company can gouge its customers. We already pay a fee monthly just to have a meter, about $\frac{1}{6}$ of my total is to pay for fuel, and an $\frac{1}{8}$ for transmission. Where are your profits going if not investing in the company?

We cannot pick and choose our electric companies.

I am an 84 year old widow. Just this month I had to make the decision to not renew my newspaper after 40 some years. I always felt living alone I needed it but I can no longer afford the newspaper, electricity and food. I live in the country and go to town about

every two weeks² to save gas. I
do not think I can handle
another rate hike. Especially
that large.

Sincerely,

Jean Stuchlik

To the Commission:

So Energy needs an additional \$204 million to get by? Their need for more money seems to be an annual event.

Unfortunately, their customers cannot demand more money from Social Security or their employers just because they need a new roof, dental work, or child care.

That is my opinion. I trust the Commission will take a good look at Energy's request.

Sincerely

Larsene Thompson

#124600

DATE: August 3, 2023

TO: Kansas Corporation Commission, Office of Public Affairs and Consumer Protection

FROM: Cheryl Kipp, Johnson County Kansas resident

RE: Evergy request for increase to its base electricity rates in Kansas
Docket No. 23-EKCE-775-RTS

My statement: *

NO on Evergy's request for significant increase to its base electricity rates in Kansas.

Please request that Evergy go back to the drawing board to engage in a sweeping re-think, re-management of the company's internal efficiencies and spending priorities, removing cost waste and extravagance throughout organization.

One would assume, after conducting a thorough revisit of the cost-of-doing business and how business gets done, Evergy could submit a more reasonable and significantly modified rate request to the KCC.

Thank you to the Kansas Corporation Commission for seeking public feedback on this matter. I appreciate the work you are doing.

Regards,
Cheryl Kipp

 Prairie Village

Dear KCC/Evergy,

Regarding your electric rate proposal of 25% on schools/churches.

As a taxpayer, I feel we pay enough in our property taxes to fund the schools adequately. But to propose a 25% increase on Churches is ridiculous!! With inflation making for hard times for churches and their members to keep up on everything else that is needed, this additional hardship is NOT acceptable!

Please reconsider this rate increase and how much it will impact our places of worship and the members of these churches. Revenue from property tax levies for USD 385 was up 11.39%..... churches are supported by their members, who don't have these additional taxpayer dollars handed to them! Lumping schools, who get tax monies, with churches is not fair!! I hope you will seriously reconsider this proposal!!

Thank you.

Sonnie S. Marshall

RE: Rate Increase

We love having electricity! The problem is everything is rising in cost, but our retirement income.

I realize that as a provider you have a set cost amount in order to conduct your business successfully. My concern is how the increase will be used. I personally find it difficult to understand the amount that will be going to shareholders, as well as the projected cost in case we have to face a "disaster." I understand that there has to be a cushion there, what I don't understand is how you can justify the amount of increase you are asking for.

I read where Evergy paid out \$675 million over the last five years. Now you are asking for \$218 million in annual revenue, of which part will go to shareholders. Spreading out the \$675 million over 5 years around \$135 million, and now you are asking for \$218 million.

We live very conservatively, have dual pane windows, good door seals and appropriate insulation. We've done what we can do. Its groceries, taxes, increase insurance rates, increase in doctor bills, high auto gas cost, etc. I'm sure you get the picture.

We live in the greatest country in the world. We've worked many years to just keep ourselves in the medium income bracket. I see illegals gobbling up big bucks which mostly comes from the middle class income. How is it fair that a certain element in our society has things handed to them, which they did not labor to get, while we seniors are forced to do without.

The other day I received a nice letter from another vendor touting much the same thing as you are asking for. In one section of their brilliantly laid out brochure they seemed to be bragging how much they were able to donate to other entities. Wow! what about lowering your rate and putting back that money in the pockets from whence it came.

I sincerely pray that you can revamp your plans and find a more efficient way to conduct your business so that it doesn't become cost inhibitive to your customers.

Yes, I know, I don't have all the raw data, and almost anyone can prove anything with throwing around figures, I get it. Try to scale down please.

I BELIEVE THAT EVERGY DOES NOT NEED SUCH A LARGE INCREASE. I ALSO DO NOT BELIEVE THAT THEIR POLITICAL PAC, LOBBING AND THEIR CHARITY CONTRIBUTIONS SHOULD BE PAID FOR BY THE CUSTOMERS. THE EXECUTIVES, OF WHICH THERE ARE MANY, MAKE MILLIONS AND MILLIONS, WHILE THE FRONT-LINE WORKERS GET A PITTANCE IN PAY. JUST LOOK AT HOW THEY HAVE LIVED LARGE ON THE CUSTOMERS MONIES. WHY SHOULD THE SHAREHOLDERS GET QUARTERLY DIVIDENDS THAT ARE IN EXCESS OF 6 PERCENT? MY FACTS ARE HERE LISTED: ANNUAL LOBBYING BY EVERGY INC 2022: 200,000 ANNUAL LOBBYING BY EVERGY INC 2023: 100,000 DURATION: JANUARY 1, 2018 TO PRESENT: SPENDING: ABOUT 980,000 IN Q1, HUSCH BLACKWELL STRATEGIES LOBBIED FOR EVERGY FORMERLY KANSAS CITY POWER AND LIGHT COMPANY, EARNING 50,000. THE REPORT WAS FILED ON APRIL 19. ORIGINAL FILING: 301457405.XML IN Q2, HUSCH BLACKWELL STRATEGIES LOBBIED FOR EVERGY FORMERLY KANSAS CITY POWER AND LIGHT COMPANY, EARNING 50,000. THE REPORT WAS FILED ON JULY 18. ORIGINAL FILING: 301479895.XML IN Q3, HUSCH BLACKWELL STRATEGIES LOBBIED FOR EVERGY FORMERLY KANSAS CITY POWER AND LIGHT COMPANY, EARNING 50,000. THE REPORT WAS FILED ON OCT. 14, 2022. ORIGINAL FILING: 301404437.XML IN Q4, HUSCH BLACKWELL STRATEGIES LOBBIED FOR EVERGY FORMERLY KANSAS CITY POWER AND LIGHT COMPANY, EARNING 50,000. THE REPORT WAS FILED ON JAN. 18. ORIGINAL FILING: 301431294.XML POLITICAL SPENDING IN A REPORT MADE TO ITS SHAREHOLDERS, EVERGY DETAILED ABOUT 445,000 IN POLITICAL SPENDING FOR KANSAS WITHIN THE LAST YEAR 2020, SOME OF WHICH HAS ALREADY BEEN PUBLIC PREVIOUSLY. THE COMPANYS REPORT COVERS ABOUT 573,000 IN TOTAL POLITICAL SPENDING IN MISSOURI AND KANSAS FOR 2020. ABOUT 445,000 WAS SPENT IN KANSAS. THE COMPANY, FOR INSTANCE, PUT 200,000 INTO TWO NONPROFIT SOCIAL WELFARE GROUPS, WITH 100,000 EACH GOING TO THE KANSAS TRUTH CAUCUS INC. AND FUTURE VISION. THE ENERGY COMPANY ALSO GAVE 50,000 TO ALLIANCE FOR A SECURE KANSAS, WHICH ALSO WAS INVOLVED ON BEHALF OF MODERATE REPUBLICANS IN SEVERAL

Narrative

CHARIES A. CAISIEY SENIOR VICE PRESIDENT, PUBLIC AFFAIRS AND CHIEF CUSTOMER OFFICER 901,405 719,171 67,698 1,688,274 I DO NOT BELIEVE THAT CUSTOMERS SHOULD PAY FOR THE MONIES SPENT ON LOBBING BY EVERGY. IF THE EXECUTIVES WANT TO PAY FOR LOBBING, THEN

THEY SHOULD USE THEIR OWN MONIES SINCE THEY MAKE MORE AND HAVE MORE TO GIVE THAN MOST OF THE CUSTOMERS. LET THEM ALSO REDUCE THE DIVIDENDS AND HAVE THEIR SHAREHOLDERS MAKE A SMALLER PERCENTAGE OF WHAT THEY GET EVERY QUARTER. THIS IS THE SAME OLD CORPORATE GREED OF THE PAST WHERE THE RICH GET RICHER, AND THEY TAKE FROM THE CUSTOMERS. THAT IS A CRIME THESE DAYS. ANOTHER QUESTION I WOULD LIKE TO KNOW IS HOW MUCH MONIES DID THEY GET FROM THE FEDERAL GOVERNMENT DURING COVID.

08/25/2023

ENERGY AND POLICY INSTITUTE EXECUTIVE DIRECTOR DAVID POMERANTZ WROTE IN THE TIMES THAT UTILITY COMPANIES COULD BE TACKLING LOBBYING COSTS, PUBLIC RELATIONS FEES, AND TRADE ASSOCIATION DUES ONTO BILLS. THOSE LINE ITEMS ARE NOW PROHIBITED BY LAW FROM BEING BILLED TO CUSTOMERS IN AT LEAST COLORADO, CONNECTICUT, AND MAINE, AND POMERANTZ ENCOURAGED MORE STATES TO FOLLOW SUIT. ELECTRIC UTILITIES SHOULD BE PROHIBITED FROM USING RATEPAYER MONEY TO BANKROLL THEIR POLITICAL SLUSH FUNDS, FLORIDA U.S. REP. KATHY CASTOR SAID IN THE INSTITUTES REPORT. LAWMAKERS SHOULD INTRODUCE MORE LEGISLATION DESIGNED TO CRACK DOWN ON UTILITY COMPANIES RECOVERING POLITICAL EXPENSES FROM CUSTOMERS. ADDITIONALLY, EVERGY WAS COLLECTING IN 2022 PROPERTY TAX ON THEIR BILLS. I WAS TOLD BY AN OFFICIAL WHEN I CALLED THAT THEY WERE REQUIRED TO BUT WERE UNABLE TO TELL ME WHERE AND WHO THIS OFFICIAL WAS. SEVERAL MONTHS LATTER THIS CHARGE WAS CALLED SOMETHING ELSE. EVERGY ADDITIONALLY, NEEDS TO ANSWER THE BILLING OF CHARGES FOR THE STATE OF TEXAS WHEN TEXAS IS NOT A PART OF THE NATIONAL POWER GRID. ONE OF MY NEIGHBORS TOLD ME JUST TODAY THAT HIS 98-YEAR-OLD GRANDMOTHER WAS CHARGED HUNDREDS OF DOLLARS FOR ELECTRICAL SERVICE IN TEXAS. IF EVERGY SHAREOWNERS ARE GETTING INCREASED DIVIDENDS OR STOCK SPLITS, THEN THEY YOU DO NOT NEED TO HAVE AN INCREASE OF RATES. MY ELECTRIC BILL HAS GONE UP CONSIDERABLY SINCE THE HAVE PURCHASED WESTSTAR ELECTRIC. EVERGY IS JUST ANOTHER GREEDY CORPORATION THAT WANTS TO GET ALL THEY CAN OUT OF THE CUSTOMERS AND LIVE THE HIGH LIFE THAT THEY FEEL THEY ARE ENTITLED TO.

MERGED DUPLICATE COMMENTS.

AS A 73 YEAR OLD, MARRIED RETIREE, I WISH TO EXPRESS MY DISAPPROVAL OF THE PROPOSED RATE HIKE. I, LIKE A LOT OF OTHER PEOPLE, AM ON A FIXED INCOME AND DO NOT HAVE THE RESOURCES TO ACCOMMODATE CHANGES IN MY BUDGET FOR ADDITIONAL EXPENSES. ALSO, FROM WHAT I HAVE BEEN READING, PART OF THE NEED FOR THE INCREASE SEEMS TO BE BASED ON THE PROJECTED NEEDS OF THE PANASONIC BATTERY PLANT THAT WILL THEN BE PUT ON EKC. I REALIZE THAT EKC MUST BE CONCERNED WITH THE RATE OF RETURN FOR THE EXTRA EXPENSE AND DEMANDS OF THE BATTERY PLANT, AS FAR AS ITS RATE CLASS WHICH IS EITHER COMMERCIAL AND INDUSTRIAL. THIS IS NOT TO MENTION THE EXTRA NEEDS AND DEMANDS OF THE BATTERY PLANTS' EMPLOYEES AND THEIR FAMILIES WHO MOVE INTO EKC'S SERVICE AREA. LOOKING TO THE FUTURE I WOULD LIKE TO ALSO COMMENT ON THE ENVIRONMENTAL CONSIDERATIONS THAT MUST BE ACCOUNTED FOR. CHIEF AMONG THESE ARE SHIFTS TO RENEWABLE SOURCES OF ENERGY PRODUCTION, LESS RELIANCE ON FOSSIL FUELS AND THEIR PROPER DISPOSAL WHEN THEY HAVE BEEN USED. I WOULD LIKE TO ECHO SUCH ENVIRONMENTAL GROUPS SUCH AS THE CLIMATE ENERGY PROJECT, SIERRA CLUB AND WHATEVER OTHER LIKE MINDED GROUPS HAVE EXPRESSED CONCERN.

I AM OPPOSED TO EVERGY'S ATTEMPTS TO CAPITALIZE ON THE STATE'S DEAL TO BRING JOBS AND INDUSTRY TO KANSAS VIA THE PANASONIC BATTERY PLANT IN DE SOTO, USING IT AS AN EXCUSE FOR THEIR LARGEST RATE HIKE IN HISTORY. KANSANS SHOULD NOT BE FORCED TO INCREASE THE PROFITS OF A PRIVATE COMPANY IN ORDER TO STIMULATE BUSINESS DEVELOPMENT THAT WILL BENEFIT ONLY A SMALL NUMBER OF PRIMARILY OUT-OF-STATE ENTITIES. IF ANYTHING, PANASONIC SHOULD PAY FAIR MARKET RATE FOR THE ENERGY THEY NEED TO OPERATE THEIR PLANT. ALLOWING EVERGY TO SUBSIDIZE THE COSTS OF PANASONIC'S FACILITY WHILE INCREASING PROFITS BY PASSING ON A RATE HIKE TO REGULAR KANSAS CITIZENS IS UNACCEPTABLE. THIS REQUEST SHOULD BE DENIED. FURTHER, THE KCC SHOULD PUSH EVERGY TO ALLOW ACTUAL MARKET COMPETITION IN THE CLEAN ENERGY SPACE, INVESTING MORE IN SOLAR AND WIND POWER. THEIR HEMMING AND HAWING ABOUT CLOSING THE POLLUTING COAL PLANT NEAR LAWRENCE IS ONLY MADE ALL THE MORE UNACCEPTABLE AS WE SIT THROUGH AN UNSEASONABLY HOT KANSAS SUMMER, WEATHER WHICH WILL ONLY BECOME WORSE YEAR AFTER YEAR IF EVERGY DOES NOT BEGIN TO INVEST IN MORE SUSTAINABLE AND LESS ENVIRONMENTALLY DESTRUCTIVE ENERGY GENERATION PRACTICES.

I IMPLORE YOU TO DENY EVERGY'S APPLICATION FOR APPROVAL OF A RATE INCREASE. EVERY IS KANSAS' LARGEST UTILITY MONOPOLY WITH NEARLY 1 MILLION KANSAS CUSTOMERS. THE PROPOSED RATE INCREASE WOULD BE ONE OF THE LARGEST IN THE COMPANY'S HISTORY AND WOULD DISPROPORTIONATELY IMPACT LOW AND MODERATE INCOME KANSANS. EVERGY WANTS TO INCREASE RATES WHILE PULLING BACK ON THEIR COMMITMENTS TO CLOSE THE COAL PLANT IN LAWRENCE, OPPOSING EVERY EFFORT TO ALLOW THEIR CUSTOMERS MORE ACCESS TO SOLAR POWER, AND HAVING NO MEANINGFUL EFFICIENCY POLICIES IN KANSAS. WHY SHOULD KANSAS CUSTOMERS PAY MORE SO EVERGY CAN POLLUTE MORE? THE INCREASED POLLUTION CAUSES MORE RESPIRATORY HARM AND MORE CLIMATE DISRUPTION, AND USES MORE WATER. I OPPOSE EVERGY'S INCREASE IN RATES JUST TO KEEP ITS OLD POLLUTING PLANTS ONLINE EVEN LONGER. IN ADDITION, ACCORDING TO SALARY.COM, THE EVERGY CEO MAKES 6.89 MILLION PER YEAR IN TOTAL COMPENSATION. ACCORDING TO THIS SAME SITE, THE EXECUTIVE STAFF ALL TOGETHER MAKES 18.1 MILLION PER YEAR IN TOTAL COMPENSATION. PLEASE DON'T APPROVE RATE HIKES JUST SO THE EVERGY EXECUTIVES CAN MAKE MORE MONEY. PLEASE SAY NO TO EVERGY'S RATE HIKE AND YES TO CLEAN ENERGY EFFICIENCY AND THE PROTECTION OF KANSAS RATE PAYERS.

PLEASE NOTE THIS DOUGLAS COUNTY RESIDENT AND EVERGY CUSTOMER OPPOSES THE PROPOSED RATE HIKE THAT WILL AFFECT THE ENTIRE STATE OF KANSAS, AND AN EVEN HIGHER RATE FOR THOSE LIVING OUTSIDE CITIES, WITH A PROBABLE 14MONTH INCREASE. THIS IS HURTFUL FOR THOSE ON FIXED INCOME SUCH AS MYSELF. PREVIOUSLY EVERGY HAD COMMITTED TO ENDING GETTING ENERGY FROM THE COAL PLANT IN LAWRENCE, BUT THAT HAS CHANGED. AS A ROOFTOP SOLAR CUSTOMER, WE NEED INCREASED DEVELOPMENT OF RENEWABLE ENERGY SOURCES TO ADDRESS THE ONGOING AND PERSISTENT CLIMATE CRISIS. DO THE RIGHT THING AND OPPOSE ANY SERVICE RATE INCREASE. EVERGY HAS BEEN DISHONEST WITH CUSTOMERS AND CANNOT BE TRUSTED. BARBARA JOHNSTON

EKCE	23-EKCE-775-RTS	O	0

Narrative

08/23/2023

I WOULD BE WILLING TO PAY HIGHER ELECTRICITY RATES IF THAT WAS NEEDED TO IMPROVE THE GRID INFRASTRUCTURE, IMPLEMENT SMART GRID TECHNOLOGIES ALL THE WAY TO THE HOME LEVEL, INVEST COMPLETELY IN SOLAR AND WIND GENERATION OR OTHER SUSTAINABLE GENERATION, BUILD MASSIVE ENERGY STORAGE FACILITIES, SUPPORT HOME SOLAR INSTALLATIONS, AND CLOSE ALL COAL GENERATION PLANTS. IF EVERGY WAS LEADING THE TRANSITION TO SUSTAINABLE ENERGY GENERATION AND DISTRIBUTION, I WOULD SUPPORT INVESTMENT EVEN IF RATES NEEDED TO BE HIGHER RIGHT NOW. THE EVIDENCE IS THAT BOTH SOLAR AND WIND GENERATION PRODUCE ELECTRICITY AT A SIGNIFICANTLY LOWER COST THAN ANY FOSSIL FUEL SOURCE CAN. AND THAT IS NOT COUNTING THE MASSIVE COST OF BURNING FOSSIL FUELS TO OUR HEALTH AND THE ENVIRONMENT. THE KCC SHOULD BE REPRESENTING THE PEOPLE OF KANSAS WITH THEIR HEALTH AS ONE OF ITS HIGHEST PRIORITIES. IT ALSO HAS A DUTY TO ACT ON THE SCIENTIFIC EVIDENCE OF THE EXISTENTIAL THREAT THAT BURNING FOSSIL FUELS HOLDS OVER THE HUMAN RACE AND OUR HUMAN-FRIENDLY ENVIRONMENT. PLEASE CONSIDER THESE ISSUES ABOVE ALL ELSE IN YOUR DECISION-MAKING. DON'T REWARD EVERGY FOR THEIR LACK OF COMMITMENT.

Narrative

08/23/2023

I OPPOSE THE EVERGY APPLICATION FOR RATE HIKES. EVERGY SHOULD BE MAKING EVERY EFFORT TO CLOSE FOSSIL FUEL PLANTS AND CONVERT TO CLEAN SOLAR AND WIND ENERGY WHICH IF FAR MORE ECONOMICAL. EVERGY SHOULD ALSO BE ENCOURAGING AND ASSISTING CUSTOMERS INSTALL AND UTILIZE HOME SOLAR POWER. IT IS UNACCEPTABLE THAT THIS MONOPOLY CHOOSES TO OVER-CHARGE CUSTOMERS WHILE POLLUTING THE AIR THOSE CUSTOMERS BREATH.

09/29/2023

DEAR KANSAS CORPORATION COMMISSION, AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. SINCERELY, RONI SCHWARTZ 4901 141ST TER BASEHOR, KS 66007 RMSCHWARTZ55GMAIL.COM 785 250-8097

OUR STATES LARGEST UTILITY MONOPOLY, EVERGY, IS PROPOSING A RATE INCREASE FOR NEARLY 1 MILLION KANSAS CUSTOMERS. THE PROPOSED RATE INCREASE WOULD BE ONE OF THE LARGEST IN THE COMPANYS HISTORY, HIKING KANSAS CENTRAL CUSTOMERS BILLS BY MORE THAN 170 PER YEAR. KANSAS CITY AREA METRO CUSTOMERS WILL SEE AN ADDITIONAL 42 PER YEAR ON THEIR BILLS. AT THE SAME TIME, EVERGY IS PULLING BACK ON ITS COMMITMENTS TO CLOSE THE COAL PLANT IN LAWRENCE; OPPOSES EVERY EFFORT TO ALLOW ITS CUSTOMERS MORE ACCESS TO SOLAR POWER; AND HAS NO MEANINGFUL EFFICIENCY POLICIES IN KANSAS. IN SHORT, EVERGY WANTS KANSAS CUSTOMERS TO PAY MORE SO IT CAN POLLUTE MORE, CAUSE MORE RESPIRATORY HARM AND MORE CLIMATE DISRUPTION, AND USE MORE WATER, JUST TO KEEP ITS OLD POLLUTING PLANTS ONLINE EVEN LONGER. IM ASKING THE KANSAS CORPORATION COMMISSION TO SAY NO TO EVERGYS DIRTY RATE HIKES AND YES TO CLEAN ENERGY EFFICIENCY. PLEASE ENCOURAGE KANSAS LEGISLATURE TO ADOPT A STATE ENERGY PLAN EMPHASIZING CLEAN ENERGY. THAT MIGHT BE WORTH A RATE HIKE IF NECESSARY.

TO WHOM IT MAY CONCERN, I OPPOSE THE RATE INCREASE REQUESTED BY EVERGY. WHILE OF COURSE I WOULD LIKE TO PAY LESS, THEY ARE GETTING A 9.77 REVENUE INCREASE WHICH IS UNJUSTIFIED. I LIVE IN LAWRENCE, KANSAS AND EARLIER EVERGY PLANS TO SHUTTER THE COAL PLANT WERE SCRAPPED AND YET THIS PLANT IS COSTING ME AS A CUSTOMER MORE TO RUN. THIS PLANT IS ALSO POLLUTING MY AIR, CAUSING HEALTH ISSUES AND CLIMATE DISRUPTION. WE HAVE ALREADY BEEN PAYING TO ACCELERATE EVERGY'S INCLUSION OF RENEWABLE ENERGY SOURCES, BUT THIS LATEST REQUEST SEEMS TO BACKTRACK ON PREVIOUS PROMISES TO MOVE TO THE CHEAPER RENEWABLE RESOURCES. KEEPING THE MORE COSTLY COAL PLANTS ONLINE AND USING MORE WATER FOR THESE PLANTS IS NOT FORWARD THINKING. EVERGY IS ALSO IMPEDING OTHERS FROM FINDING CLEANER AND CHEAPER SOURCES OF ELECTRICITY WHILE ASSURING THAT THEIR BOTTOM LINE CONTINUES TO GROW. IT IS ALSO CLEAR THAT PEOPLE WITH FIXED INCOMES WILL HAVE TROUBLES WITH THIS PLAN. IF THE PLAN ACTUALLY INCLUDED HELPING KANSANS IMPROVE ENERGY EFFICIENCY AS DO THE PLANS IN MISSOURI, THE RATE INCREASE COULD BE LOOKED AT DIFFERENTLY. BUT, ALAS, THERE ARE ONLY PROBLEMS WITH THIS RATE INCREASE.

Dear KCC,

I write in opposition to the rate hike proposed by Evergy, **Docket Number 23-EKE-775-RTS**. I attended the July 11 hearing in Topeka, and the audience appeared to oppose the rate hike.

Evergy proposes that Central Kansas customers pay \$14.24 more per month and Kansas City folks pay \$3.47 more. Is this increase for the front line workers? No, it is for the shareholders. At the hearing, "the stockholders" woes over rode the people of Kansas! But an examination of the APR earned by shareholders requires a closer look, which I ask you, the KCC, to do.

I am a retired teacher who taught consumer education and how the APR gives consumers a fair way to compare borrowing and savings. The Rule of 72 – if you divide the interest rate into 72, the answer is how many years it will take for your money to double.

I asked Darrin Ives during the questioning by the audience, to put the dollar paid to shareholders into an APR; all we heard and read was shareholders paid in the Millions. I said my financial planner puts everything in APR for comparison, why can't Mr. Ives tell us the stock APR? For some reason, he could/would not even ball park an APR, and the moderator asked me to sit down and let the next person ask their question

In the meantime, the July 15th storm and power outage in the Topeka area reinforced my gratitude for the workers who took action quickly to restore power. The Evergy "text" updates were amazing, so kudos for Evergy's use of technology for customer updates.

I liken Evergy's rate increase to me going to a bank, asking for a \$200,000 loan, but I can't tell you where the money to repay will come from! Where are the hard numbers for this increase? Families earn income, pay bills, review the situation, hope to have some \$ to save or invest, maybe buy a boat or a "toy". What is the budgeting process used by Evergy?

I have attached the Morningstar front page from 7-12-2023 for Evergy. I have several concerns from this report.

1. In the upper right hand corner, a 2/5 ESG rating – 40% is failing in most education settings! We are going to have to pay more to Evergy and at the same time, Evergy is going back on its promise to retire coal plant(s), to continue to pollute the air and this is quite unfair for the common everyday Kansan.

2. Ball park share price from 2013-2023 to date shows stock price about doubling, so it appears to pay 7% return. Not the best, but not the worst, and in a regulated monopoly, it is a good risk. Buy low, sell high, reinvest dividends, etc. Since Evergy is a regulated monopoly and I don't have a choice where to get my electricity, YOU, the KCC will make a big decision on if a rate increase will be allowed.
3. If you look at the left side at Growth Rates and Revenue %, Evergy has a 10 year average of 10%. Profitability Analysis five year average is 8%. Not bad!
4. On the right side, under Stock Performance, Evergy, compared to the Market greatly varies from 2013-2023, up and down, but the Industry rating shows stable, high ratings for Evergy. It is not the job of Evergy to keep up with Amazon and Apple's earnings; it is their/your job to be a good company. Regulated numbers can never be the same as the market.
5. On Profitability, a net margin % nearing the mid teens is pretty good. There is sad news on the Financial Health – look at the debt accumulation, from 3.1B\$ in 2013 to 10B\$ in 2023.

My late husband was hired by KPL in 1978 as a journeyman diesel mechanic at the Tesumseh plant with William Wall as President of KPL and times were simple. I believe Wall lived and worked in Topeka. My husband retired in 2003(?) with "the buyout" and David Wittig as President. We all know how that went! The perks for President and upper management seemed out of control at that time. WOW -- fast forward to the perks of today!!!! Could those perks be a part of the debt accumulation and the begging for a rate increase?

Evergy almost blames the rate increase request on the stockholders who suffer so much to loan money. My husband took advantage of the TRASOP and 401K match and over 25 years had a good nest egg! He didn't suffer; I'm not suffering now.

Evergy asks for this incredible rate hike despite new plans to keep its most polluting and expensive power from coal plants running longer into the future. Evergy's decision to prolong coal power, despite their power plants running less than half the time, means that Kansas customers will pay extra while enduring more pollution and respiratory harm. The KCC has the POWER for the consumer on its side. Please reject Evergy's rate proposal given its steep costs and continued coal use.

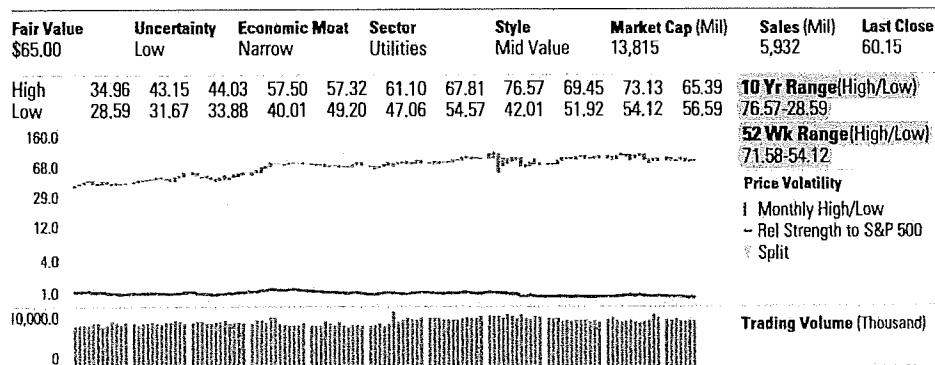

Christine Huntsman
Topeka

Evergy Inc EVRG ★★★★★

ESG Risk Rating Assessment¹

5-Jul-2023

Evergy is a regulated electric utility serving eastern Kansas and western Missouri. Major operating subsidiaries include Evergy Metro, Evergy Kansas Central, Evergy Missouri West, and Evergy Transmission Co. The utility has a combined rate base of approximately \$18 billion, about half in Kansas and the rest split between Missouri and federal jurisdiction. Evergy is one of the largest wind energy suppliers in the U.S.

IF YOU LOOK AT THE SALARIES OF THE CEO AND UPPER MANAGEMENT TELLS YOU ANOTHER. NO RAISE IS NEEDED THEY NEED TO BUDGET THEIR MONEY BETTER. THEY ARE THE ONES THAT NEED TO TIGHTEN THEIR BELT. I'M A SENIOR CITIZEN ON A FIXED INCOME. IT JUST TURNED MY AC ON 1 WEEK AGO, TODAY IS AUG 24, 2023. THE HEAT GOT TOO UNBEARABLE EVEN TO GO TO THE LIBRARY TO SIT AND READ IN AC. I WATCH EVERY PENNEY, THEY NEED TO DO BETTER WITH THE MONEY THEY HAVE. LOWERING THE CEO AND UPPER MANAGEMENT IS A START. PLEASE DON'T RAISE OUR BILLS. SENIORS ARE HAVING A HARD ENOUGH TIME JUST TRYING TO PAY RENT AND EAT PROPERLY. WE NEVER EXPECTED THAT IT WOULD BE SO EXPENSIVE WHEN WE GOT OLD. MY FIRST JOB WAS 75 CENTS A HR. WE HAVE PAID TOWARDS SOCIAL SECURITY ALL OF OUR LIVES BUT WE ARE STRUGGLING. THANK YOU FOR THE OPPORTUNITY TO SPEAK. IT'S APPRECIATED. SHERRI

KANSAS IS CLIMBING HIGHER AND HIGHER ON THE LIST OF BACKWARDS STATES BECAUSE OF PLANS LIKE THIS. I KNOW SO MANY FORMER KANSANS WHO ARE LEAVING DUE TO THE PRICE HIKES, RELIANCE ON FOSSIL FUELS, AND PLANS FOR MORE OF BOTH. PLEASE PROVE THEM WRONG. OF MY UTILITY COMPANIES, EVERGY IS MY FAVORITE DUE TO THE FAIR PRICES, GOOD CUSTOMER SERVICE, AND CLIMATE INITIATIVES. I HOPE I DON'T NEED TO RETHINK THAT.

EKCE	23-EKCE-775-RTS	O	0

Narrative

08/24/2023

PLEASE REJECT THIS PROPOSAL. KANSANS NEEDS LESS EXPENSIVE AND CLEANER ENERGY. EVERGYS INVESTMENTS SHOULD BE IN RELIABLE, CLEAN ENERGY OPTIONS, NOT COAL PLANTS THAT PUT OUR MONEY INTO THE POCKETS OF COAL COMPANIES AND SHAREHOLDERS. ENERGY HAS NOT BEEN GOOD STEWARDS OF OUR TRUST IN THEM. THEY HAVE PRIORITIZED EXECUTIVE SALARIES AND INVESTORS DIVIDENDS OVER THE NEEDS OF KANSANS. THEIR SEVEN TOP EXECUTIVE SALARIES RANGE FROM 1.6 MILLION UP TO 7.8 MILLION, WHICH IS VERY HIGH WHEN COMPARED TO SALARIES PAID BY OTHER PUBLIC MONOPOLIES. AND, WHAT OTHER BUSINESS IS GUARANTEED A 9 ROI? NOW, EVERGY WANTS TO RAISE RATES AGAIN AND USE THE MONEY TO INCREASE ITS DIVIDENDS. PLEASE MAKE SURE EVERGY PUTS ITS CUSTOMERS FIRST AND PRIORITIZES KANSANS NEEDS OVER EVERGYS PROFITS. EVERGYS PROPOSED RATE INCREASE IS HAPPENING AT ABOUT THE SAME TIME THAT IT RELEASED A NEW 20-YEAR INTEGRATED RESOURCE PLAN, WHICH SLASHES INVESTMENTS IN RENEWABLES, ASKS PERMISSION TO BUILD TWO EXPENSIVE GAS PLANTS, AND DELAYS EVERGYS 2021 PROMISE TO RETIRE ITS LAWRENCE COAL PLANT. ENERGY STILL GETS 43 OF ITS ENERGY FROM ITS COAL-FIRED POWER PLANTS - AND PASSES ALONG THE COST OF HIGHER COAL ENERGY TO ITS CUSTOMERS. EVERGY NOW SPENDS ABOUT 500 MILLION EACH YEAR PURCHASING COAL FROM WYOMING FOR ITS COAL-BURNING POWER PLANTS. THAT MONEY COULD BE SPENT ON RENEWABLE ENERGY INVESTMENTS IN KANSAS, INSTALLED BY GOOD KANSAS LABOR. NEW GAS PLANTS ARE A BAD IDEA AS BUILDING THEM IS EXPENSIVE AND GAS PRICES CAN SPIKE WILDLY IN AN UNREGULATED MARKET, AS IN THE WINTER STORM URI CATASTROPHE. ONE OF THE BIGGEST FUTURE COSTS TO EVERGY WOULD BE BUILDING ADDITIONAL POWER PLANTS, SO EVERGY SHOULD ENCOURAGE ENERGY CONSERVATION. EVERGYS WEBSITE ONCE SAID IT WOULD SUPPORT PUBLIC POLICIES AND INITIATIVES TO ACCELERATE THE DEVELOPMENT AND USE OF ENVIRONMENTALLY BENEFICIAL AND COST EFFECTIVE STRATEGIES FOR ENERGY EFFICIENCY PROGRAMS FOR BOTH CUSTOMERS AND EVERGYS OWN OPERATIONS, ZERO OR LOW EMISSIONS GENERATION TECHNOLOGIES, AND

08/24/2023

RENEWABLE ENERGY RESOURCES. THAT IS A GOOD POLICY, BUT THIS PROPOSAL IS INCONSISTENT WITH IT. RESIDENTIAL CUSTOMERS ALREADY PAY A CUSTOMER FEE, AN ELECTRICITY FEE, A FUEL CHARGE, A DISTRIBUTION FEE, AN ENVIRONMENTAL FEE, AN ENERGY EFFICIENCY CHARGE, AND EVEN EVERGYS PROPERTY TAXES. LAST YEAR, ONE OF MY BILLS WAS 24.95 FOR ELECTRICITY, BUT MY TOTAL BILL CAME OUT TO BE 53.27 AFTER THE FEES WERE ADDED. ITS HIGH CUSTOMER CHARGE HURTS CUSTOMERS ON FIXED INCOME AND MAY DISCOURAGE INVESTMENTS IN ENERGY CONSERVATION. PUTTING EVERGY IN CHARGE OF CONSERVING ENERGY AT THE SAME TIME IT IS MAKING PROFIT BY SELLING ENERGY IS A HUGE CONFLICT OF INTEREST AND NEEDS TO BE CHANGED. EVERGY COULD HAVE ENCOURAGED ROOFTOP SOLAR AND BOUGHT BACK ENERGY FROM ITS NEM CUSTOMERS - RATHER THAN RUNNING THE EXPENSIVE COAL-FIRED AND POLLUTING POWER PLANTS AND CHARGING MORE FOR IT. ENERGY HAS INVESTED IN WIND ENERGY, BUT IT HAS INVESTED VERY LITTLE IN SOLAR ENERGY, AND IT HAS ACTIVELY DISCOURAGED ITS CUSTOMERS FROM INSTALLING SOLAR

Narrative

ENERGY, RECENTLY ENDING THAT POLICY ONLY WHEN IT WAS FORCED TO BY A LAWSUIT. ENERGY SHOULD SEE DISTRIBUTIVE GENERATION AS A RESOURCE. A STUDY BY CROSSBORDER ENERGY IN 2014 FOUND NEM ALLOWS UTILITIES TO AVOID COSTS OF GENERATION AND FUEL, MAINTENANCE AND UPGRADE OF TRANSMISSION AND DISTRIBUTION INFRASTRUCTURE, TRANSMISSION LOSSES WHICH ACCOUNT FOR 7 OF LOSSES, CAPACITY PURCHASES, AND COMPLIANCE WITH RENEWABLE ENERGY STANDARDS. THE STUDY CONCLUDED, THE COST WHICH UTILITIES AVOID WHEN THEY ACCEPT NEM POWER EXPORTED TO THEIR GRID SHOWS THAT NEM DOES NOT PRODUCE A COST TO NONPARTICIPATING RATEPAYERS; INSTEAD IT CREATES A NET BENEFIT ACROSS RESIDENTIAL MARKETS. IN CALIFORNIA, THE STUDY FOUND NEM DELIVERS MORE THAN 92 MILLION IN ANNUAL BENEFITS TO NON-SOLAR CUSTOMERS. SIMILAR RESEARCH STUDIES IN VERMONT, NEW YORK, CALIFORNIA, TEXAS, AND NEVADA ALSO CONCLUDED THAT NET METERING PROVIDED A NET POSITIVE BENEFIT FOR UTILITY COMPANIES AND THEIR CUSTOMERS. A 2015 COST-BENEFIT

08/24/2023 STUDY OF NET METERING IN MISSOURI ARRIVED AT THE SAME CONCLUSION AS THE OTHER STUDIES, NET METERING PROVIDES A NET BENEFIT. MISSOURI HAD 6000 NET METERING CUSTOMERS AT THE TIME OF THE STUDY WHILE EVERGY THEN HAD APPROXIMATELY 300. EVERGY CERTAINLY SHOULD ENCOURAGE ROOFTOP SOLAR, AS IT WOULD EVENTUALLY HELP THEIR BOTTOM LINE. THIS PROPOSAL TO RAISE RATES IS THE RESULT OF SHORT-TERM THINKING. INVESTING IN CLEAN ENERGY PROTECTS THE ENVIRONMENT, REDUCES AIR POLLUTION, AND CREATES GOOD, LOCAL JOBS. EVERGY MUST DEVELOP POLICIES TO ENCOURAGE THE DEVELOPMENT OF RENEWABLE ENERGY INVESTMENTS AND ENERGY CONSERVATION. EVERGY MUST BE PROACTIVE IN DEVELOPING RENEWABLE ENERGY RESOURCES AS QUICKLY AS POSSIBLE. SOLAR CUSTOMERS CAN HELP THEM DO THAT AND EVERGY CAN THEN BUY ENERGY FROM NEM CUSTOMERS JUST AS IT DOES FROM THE SOUTHWEST POWER POOL. ONE OF MY CONCERNS IS THAT EVERGY IS ASKING FOR MUCH MORE THAN IT EXPECTS TO GET AND WOULD BE HAPPY TO SETTLE FOR HALF OF THE REQUEST. THE KANSAS CORPORATION COMMISSION SHOULD DENY ANY RATE INCREASE, TURNED DOWN PROPOSALS TO BUILD NEW GAS-FIRED POWER PLANTS, AND INSIST THAT EVERGY KEEP ITS PLAN TO PHASE OUT ITS COAL-FIRED PLANTS. BUILDING MORE NATURAL GAS PLANTS IS A BAD IDEA AS WE SHOULD REMEMBER TWO YEARS AGO WHEN STORM URI CAUSE GAS PRICES TO INCREASE BY 24,000. EVERGY NEEDS TO DO SOME LONG-RANGE PLANNING WHICH WILL PUT ITS CUSTOMERS FIRST. PLEASE DO KANSAS A FAVOR AND REJECT THIS BAD PROPOSAL.

I WANT TO EXPRESS MY CONCERN REGARDING THE PROPOSED ALMOST \$15.00 RATE INCREASE FOR RESIDENTIAL CUSTOMERS. THAT IS AN EXTREMELY BOLD INCREASE, BUT I AM CONCERNED ABOUT THE DOMINO EFFECT. THE CITY OF WICHITA WILL CHARGE MORE FOR WATER BECAUSE THEIR ELECTRIC BILL GOES UP. HOA'S WILL HAVE TO INCREASE DUES BECAUSE THEIR WATER AND ELECTRIC BILLS GO UP. BUSINESSES WILL PASS THEIR COSTS ON TO CUSTOMERS. INFLATION IS ALREADY TOO HIGH. EVERGY NEEDS TO LEARN TO LIVE WITHIN THEIR MEANS LIKE THE REST OF US DO. I SINCERELY YOU WILL DENY EVERGY'S REQUEST.

Narrative

08/25/2023

PLEASE VOTE DOWN EVERGY'S REQUEST TO INCREASE THE 14.24 A MONTH INCREASE ON EKM EKM BILLS. LET ME KEEP THROWING THAT 170.88 A YEAR INTO MY HOME TRYING TO LOWER MY 300-400 A MONTH EVERGY BILL. IT'S NOT OKAY FOR A COMPANY TO HOLD THE MONOPOLY ON THE ELECTRICITY IN MY HOME WHERE I HAVE NO OTHER COMPANIES TO CHOOSE FROM AND HAVE TO USE THEIR SERVICE, PAY THEIR FEES, OR GO WITHOUT ELECTRICITY. SO, OVER 15 YEARS IN OUR HOME MY HUSBAND AND I TRY TO LOWER OUR EVERGY BILL BY REPAIRING, REMODELING, UPGRADING, ETC. OUR HOME. WE'VE RE-INSULATED OUR HOME, WE USE ALL ENERGY SAVING APPLIANCES, WE'VE HAD ALL NEW WINDOWS INSTALLED COSTING OVER 13,000, I ASKED FOR A THERMAL CAMERA FOR CHRISTMAS ONE YEAR AND USE IT LOOKING FOR ANYTHING TO FIX TO HELP LOWER THE ELECTRICITY BILL. WE ALSO CAMP 40-60 DAYS A YEAR AT A LOCAL LAKE ALWAYS MAKING SURE THAT POWER IS TURNED OFF TO STUFF AND HVAC SYSTEM IS SET ACCORDINGLY AT OUR HOME BEFORE WE LEAVE FOR OUR CAMPING TRIP, AND WE WILL SEE A TINY I'M TALKING TINY BREAK FROM EVERGY BECAUSE WE AREN'T AT HOME. BUT THAT'S ABOUT THE EXTENT OF BREAK ON THE BILL. HERE'S A BREAKDOWN OF MY BILL LAST MONTH: 1. BASIC SERVICE FEE-14.50-A FLAT MONTHLY FEE THAT PARTIALLY COVERS FIXED COSTS ASSOCIATED WITH PROVIDING ELECTRICITY TO YOUR LOCATION. I HAVE NO CONTROL OVER THIS COST, NO MATTER WHAT I DO-FLAT FEE. 2. ENERGY USE-211.14-RECOVERS VARIABLE COSTS INHERENT IN PROVIDING ENERGY, INCLUDING PURCHASED POWER, FUEL COSTS, FUEL-RELATED OPERATIONS AND MAINTENANCE COSTS. FOR SOME RATES, IT CAN ALSO INCLUDE FACILITY AND DEMAND COSTS. THIS CHARGE IS BILLED ON A CENTS-PER-KILOWATT-HOUR KWH BASIS. I CAN AND DO EVERYTHING IN MY POWER TO BE RESPONSIBLE ON OUR USAGE. 3. FUEL USED IN POWER GENERATION-68.67-THE COST OF THE FUEL USED TO PRODUCE YOUR ELECTRICITY EACH MONTH. FUEL COSTS ARE PASSED THROUGH FROM FUEL SUPPLIERS TO CUSTOMERS WITH NO PROFIT TO EVERGY. I HAVE NO CONTROL OVER THIS OTHER THEN OUR USAGE MAYBE???? I'VE NO IDEA HOW EVERGY FIGURES THE EQUATION AND I

08/25/2023

OWE-68.67. 4. PROPERTY TAX SURCHARGE-4.64-REFLECTS CHANGES IN THE AMOUNT OF PROPERTY TAX THAT ARE OVER OR UNDER WHAT WE ESTIMATED AND INCLUDED IN OUR BASE RATES. PROPERTY TAX?? ON WHAT?? 5. TRANSMISSION-47.77-COSTS ASSOCIATED WITH BUILDING AND MAINTAINING THE TRANSMISSION SYSTEM. ANOTHER COST I HAVE NO CONTROL OVER OR HOW IT'S FIGURED TO MY ACCOUNT. 6. ENERGY EFFICIENCY-0.58-ENERGY EFFICIENCY: THE COSTS ASSOCIATED WITH OUR INVESTMENTS IN PROGRAMS TO IMPROVE ENERGY EFFICIENCY AND USAGE. WOW-REALLY? THIS IS A DECISION MADE BY THE COMPANY, PLAYED OUT BY THE COMPANY, AND THE CONSUMERS ARE FORCED TO PAY FOR IT?? AND THIS ISN'T A MONOPOLY? THAT'S 136.16 OF MY BILL IN FEE'S. PLEASE DON'T ADD ANOTHER 14.24 TO THAT LIST. THANKS, ELIZABETH JESSEPH

SUBJECTING KANSANS TO ENERGY RATE HIKES WHEN THEY HAVE NO OTHER MARKET ALTERNATIVE IS NO DIFFERENT THAN TAXATION WITHOUT REPRESENTATION. KANSANS HAVE NO CHOICE BUT TO BLINDLY ACCEPT ANY AND ALL SUBJUGATION FROM EVERGY WITH NO RECOURSE BUT TO FILE COMPLAINTS SUCH AS THE ONE I CURRENTLY WRITE, WHICH NO DOUBT WILL BE FOLLOWED WITH A GENERIC WE WILL CONSIDER YOUR COMMENT, ONLY TO BE DELETED AND NEVER THOUGHT OF AGAIN. IN AN ECONOMY WHERE KANSANS ARE STRUGGLING TO KEEP UP WITH THE COST OF GROCERIES TO KEEP FOOD ON THEIR FAMILIES TABLES, THIS.COMMISSION WILL HAVE NO SECOND THOUGHTS ABOUT ENRICHING A PRIVATE CORPORATION WITH A MONOPOLY ON A MARKET WHICH CANNOT BE OPTED OUT OF. I ASK THIS COMMISSION TO TRULY CONSIDER THE POSITIONS OF KANSAS FAMILIES AND WEIGH THOSE POSITIONS AGAINST EVERGYS DESIRE TO SIMPLY MAKE A BUCK FOR THEIR SHAREHOLDERS OFF OF THE BACKS OF HARD WORKING KANSANS.

EVERGY ISN'T COMMITTED TO THE BEST INTEREST OF THE PEOPLE OF KANSAS BUT TO THEIR NEW SHAREHOLDERS. I DO NOT SEE HOW THIS BENEFITS ANYBODY WHO LIVES IN KANSAS JUST LIKE THE RATE HIKE IN MISSOURI DIDN'T BENEFIT THEM. THEY ARE ENSURING THEY MAKE MORE MONEY AT THE EXPENSE OF EVERYBODY ELSE BECAUSE WE HAVE NOWHERE ELSE TO GO FOR ELECTRICITY. IF THIS PASSES IT ONLY DEMONSTRATES HOW IN THE POCKET OF THE ENERGY COMPANY OUR POLITICIANS ARE AND THAT THEY DO NOT TRULY REPRESENT THEIR CONSTITUENTS.

EVERGY SHOULD ONLY BE CHARGING ENOUGH TO KEEP EMPLOYEES PAID WELL, MAINTAIN THE SYSTEM, AND KEEP THE SYSTEM REASONABLY UP TO DATE, AND SHOULD BE REGULARLY AUDITED TO ENSURE THAT THAT'S WHERE THE MONEY GOES. THAT A UTILITY COMPANY IS ALLOWED TO MAKE SIGNIFICANT PROFITS IS A MOCKEY OF JUSTICE. IF THAT COMPANY IS GOING TO SHOW SUCH DISDAIN FOR KANSAS CITIZENS BY ASKING TO PRICE GOUGE THEM FURTHER, IT SHOULD BE SPLIT UP AND MUNICIPALIZED BY THE STATE OF KANSAS.

HELLO, EVERGY WAS NOT TRANSPARENT WITH AN ALLEGED REBATE THEY WERE SUPPOSED TO GIVE CUSTOMERS AFTER THE WINTER WEATHER BECAUSE THEY ANNOUNCED THAT ANY REBATE WOULD JUST BE LUMPED IN WITH THE REST OF THE BILL SO IT BECAME IMPOSSIBLE FOR CUSTOMERS TO TRACK.. SIMILARLY, EVERGY, GOR PRIOR RATE INCREASES, DOES NOT TRANSPARENTLY STATE THEM ON THE BILL AND MAKES IT DIFFICULT FOR CUSTOMERS TO TRACK THEM. MORE SIGNIFICANTLY, EVERGY HAS HAD PRIOR RATE INCREASES AND HAS NOT USED THAT MONEY WISELY NOT BENEFITING CONSUMERS BECAUSE MONEY IS SPENT ON LOBBYISTS AND IN INCREASING THE BOTTOM LINE FOR SHAREHOLDERS. THUS, A RATE INCREASE IS NOT NEEDED AS WOULD CAUSE CUSTOMERS TO SUFFER NEEDLESSLY.

I PERSONALLY THINK IT'S VERY COOL THAT A HEDGE FUND CAN BUY CONTROL OF OUR ONLY OPTION FOR ELECTRICITY, EXPLICITLY STATE THAT THEY ARE GOING TO JACK UP RATES TO APPEASE SHAREHOLDERS, AND ALSO DONATE 22 MILLION TO POLITICIANS IN THE LAST ELECTION CYCLE TO ENSURE NO LEGISLATURE GETS IN THEIR WAY. THAT 22 MILLION INCLUDES 7.5 MILLION TO THE GOP SENATE FUND WHICH IS NOT ITEMIZED SO IS HARDER TO TRACE ON A PER SENATOR BASIS, BUT IF EQUALLY DISTRIBUTED TO ALL SENATE CANDIDATES IN THAT CYCLE, IT WOULD MEAN ERIC SCHMITT TOOK A BRIBE OF APPROX. 227K FROM ELLIOTT MANAGEMENT TO PLAY BALL.

THE APPLICANT HAS NOT PROVIDED SUFFICIENT EVIDENCE SHOWING A NEED TO RAISE THE RATES. THE APPLICANT'S MOTIVES ARE VERY SUSPECT, AS THE MORATORIUM ON RATE INCREASES IS COMING TO A CLOSE, SO THEY'VE APPEALED TO RAISE THEIR RATES. THE APPLICANT APPEARS TO BE RAISING RATES BECAUSE THEY CAN, NOT BECAUSE IT IS NECESSARY. THE APPLICANT IS SUFFICIENTLY PROFITABLE, AND SHOULD CONTINUE TO HANDLE DEALING WITH THE RISKS AND COSTS OF THEIR OPERATING EXPENSES AND BUSINESS. WE SHOULD NOT ALLOW THE APPLICANT TO PASS THE COSTS OF DOING BUSINESS ONTO KANSAN CITIZENS, WHEN THE APPLICANT IS PERFECTLY CAPABLE TO HANDLE THEIR OWN CONSEQUENCES THEY INCUR IN THEIR PURSUIT OF PROFITS.

WHY SHOULD EVERGY BE ABLE TO 'RECOUP' COSTS FOR A STORM SEVERAL YEARS AGO OR CHARGE US FOR EXPANDING THEIR INFRASTRUCTURE WHEN WE THE CUSTOMERS CANNOT RECOUP OUR COSTS AFTER A STORM OR HEAT WAVE THEY'VE ALREADY TOLD ME MY BILL FOR THE END OF AUGUST WILL BE 50 HIGHER THAN LAST YEAR - YA THINK?! WITH THE TEMPS AS HIGH AS THEY'VE BEEN, OF COURSE MY COSTS WILL BE HIGHER, AND WE HAVE TO BORROW MONEY TO EXPAND OUR INFRASTRUCTURES. THEY SHOULD BE ABLE TO USE WHAT THEY ALREADY HAVE TO EXPAND SO THEY CAN'T EXPAND IF THEY DON'T HAVE THE MONEY OR BORROW IT, THAT THEY DO NOT NEED TO 'RECOUP' COSTS THAT WAS SEVERAL YEARS AGO!, AND THAT THEY SHOULD NOT BE ALLOWED TO MAKE US PAY FOR THEIR LACK OF FINANCIAL ACUMEN. AND THEY NEED TO PAY MORE ATTENTION TO THE CUSTOMER RATHER THAN LINING THE POCKETS OF THEIR EXECS OR THEIR SHAREHOLDERS!

DEAR KCC MEMBERS, PLEASE DO NOT ALLOW EVERGY TO PROCEED WITH THIS HUGE RATE INCREASE. 1 IT WILL HAVE A SERIOUS FINANCIAL IMPACT ON ELDERLY AND LOW INCOME PERSONS AS WELL AS THE DISABLED WHO LIVE ON FIXED INCOMES. 2 THE COMPANY IS BACKING OFF ITS PRIOR COMMITMENTS TO POWER DOWN THE COAL PLANT AT LAWRENCE. 3 EVERGY IS OPPOSED TO LETTING KANSANS HAVE INCREASED ACCESS TO SOLAR POWER WHICH WOULD BE HELPFUL AS DEMAND ON THE GRID INCREASES WITH INCREASED USE OF EV VEHICLES AND THE INCREASING HEAT SPELLS THAT WE ARE HAVING IN KANSAS. 4 THEY DO NOT NEED THIS LEVEL OF PROFIT. ENERGY SUPPLIED VIA A MONOPOLY SHOULD BE CONSIDERED A PUBLIC UTILITY AND THUS THERE SHOULD BE CONSIDERATIONS OF PUBLIC GOOD AND NOT JUST WHAT PROFIT THEY ARE MAKING. THANK YOU FOR CONSIDERING MY REASONS FOR OPPOSING EVERGY'S HUGE RATE INCREASE.

ENOUGH ALREADY. WHICH IS MORE IMPORTANT OVER ALL: THE TAXPAYERS, OR THE SHARE HOLDERS? EVERGY HAS ALREADY FAILED TO PROVE REASONS FOR TRYING TO PUNISH SOLAR CUSTOMERS, AND FAILED TO IMPOSE TIME FRAMES FOR ENERGY USE. THEIR STOCK HOLDERS CAN GO ELSEWHERE OR A BETTER INVESTMENT IF THEY WANT. THE MAJORITY OF KANSANS WHO ARE NOT STOCKHOLDERS DESERVE TO BE SERVED FAIRLY. THAT MEANS NO INCREASE IN FEES.

BEFORE BEING FORCED TO SWITCH TO EVERGY, MY BILL WAS ALREADY CHEAPER. HOWEVER, NOW ON TOP OF NOT HAVING ANY OTHER CHOICES FOR ELECTRICITY, WE ARE ALSO EXPECTED TO PAY MORE. SUMMERS ARE EXPECTED TO GET HOTTER AND HOTTER. THIS WILL ESPECIALLY DIFFICULT TO KEEP LARGE HOUSES AND UPPER FLOOR APARTMENTS COOL. RAISING THESE PRICES PUTS STRAIN ON COMMUNITY MEMBERS WHO ARE TRYING TO KEEP THEMSELVES AND FAMILY SAFE. PEOPLE WILL ALREADY BE SEEING ASTROMICALLY HIGH BILLS DUE TO RECORD HEAT AND IF THIS IS APPROVED, THEY WILL BE EXPECTED TO PAY MORE. THE HEAT INDEXES THIS YEAR WERE SO HIGH THAT THEY INTRODUCED 'FATAL HEAT.' THE APPROVAL OF THIS INCREASE COULD MEAN PEOPLE ARE FORCED TO CHOOSE BETWEEN A COOL SHELTER FROM THE HEAT AND FOOD FOR THEIR FAMILY. EVERGY SUPPLIES THE ELECTRICITY FOR MOST OF THE STATE AND I SEE NO LOGICAL ECONOMIC REASON WHY THEY NEED MORE MONEY THAN THEY ALREADY MAKE.

Narrative

08/28/2023 PLEASE DENY EVERGY THIS RATE INCREASE. WE LIVE ON LIMITED INCOMES AND THIS INCREASE WILL ONLY ADD TO THE ECONOMIC BURDEN THE USERS ALREADY HAVE. IT IS NOT OUR FAULT THAT EVERGY HAS NOT UPDATED INFRASTRUCTURE; THAT SHOULD TAKE PRIORITY OVER LARGE EMPLOYEE AND MANAGEMENT SALARIES. AGAIN, PLEASE DO NOT CAVE-IN TO THE PRESSURES FROM BIG ENERGY.

09/28/2023 COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, MARK MCDONALD 3009 CARRINGTON LN, LAWRENCE, KS 66049-1732 LAWRENCE KS, 66049-1732

EKCE	23-EKCE-775-RTS	O	0

Narrative

08/29/2023

THE PRIMARY REASON EVERGY WANTS TO INCREASE RATES IS TO THE RETURN ON EQUITY AKA DIVIDENDS TO SHAREHOLDERS. OTHER THAN BENEFITTING THE SHAREHOLDERS, THERE IS NEARLY NO BENEFIT TO THE GENERAL CUSTOMERS FOR THE INCREASE IN COSTS. REWARDING SHAREHOLDERS WITH HIGHER DIVIDENDS IS UNNECESSARY AND EXTREMELY SHORT-SIGHTED ON EVERGY'S BEHALF. WE ARE LIVING IN A WORLD WITH MORE EXTREME WEATHER, AND WE WANT OUR ELECTRICITY UTILITY TO BE SOLELY FOCUSED ON GENERATING RELIABLE, CLEAN AND SUSTAINABLE RENEWABLE ENERGY. THAT'S IT. I DO NOT WANT THEM SPENDING TIME TRYING TO ALLOCATE THEIR PROFITS TO INVESTORS. DO WE REALLY NEED TO RETURN ELECTRIC GENERATION TO A PUBLICLY HELD SERVICE? AT THE CURRENT COST TRAJECTORY, THE COST OF ELECTRICITY IN ITS CURRENT STRUCTURE LOOKS TO BE UNLIVABLE IN THE NEAR FUTURE.

Narrative

08/29/2023

TO WHOM IT MAY CONCERN,

AS A RESIDENT OF TOPEKA, I WANT TO STATE THAT I STRONGLY DISAGREE WITH ALLOWING EVERGY TO INCREASE THEIR RATES FOR THE FOLLOWING REASONS:

- 1.) EVERGY DID NOT PAY FEDERAL INCOME TAX IN 2018, 2019 OR 2020
- 2.) EVERGY'S CEO MAKES 11.1 MILLION A YEAR
- 3.) EVERGY PLAZA PROMISED TO MAKE CHANGED THAT WOULD SUPPORT A MORE ENVIRONMENTALLY FRIENDLY PRODUCTION OF ENERGY. THEY HAVE SINCE CANCELLED THOSE PLANS.

THIS IS A CLEAR EXAMPLE OF A CORPORATION WHO TAKES ADVANTAGE OF TAX CUTS AND WHOSE CEO IS MORE CONCERNED ABOUT PROFITS AND THEIR OWN MONEY IN THEIR POCKET THAN THE FUTURE OF THE RESIDENTS IT SERVES OR THE EARTH THAT WE ALL HAVE A PART IN TRYING TO SUSTAIN. UTILITY COMPANIES SHOULD NOT BE IN A BUSINESS THAT IS THERE TO SERVE THE PUBLIC IF THEY ARE CONCERNED ABOUT MAKING PROFITS YEAR OVER YEAR. WHAT KIND OF SOCIETY IS THAT? AS THE KANSAS CORPORATION COMMISSION IT IS YOUR JOB TO PROTECT THE PEOPLE OF KANSAS, NOT BIG CORPORATIONS. PLEASE DENY EVERGY ITS RATE INCREASES.

--

THANK YOU,
JESSICA PORTER

DEAR COMMISSIONERS, AS A RESIDENTIAL CUSTOMER OF EVERGY AND A RESIDENT OF THE STATE OF KANSAS I STRONGLY OPPOSE THE ABSURD RATE INCREASES PROPOSED BY EVERGY. WHAT MATTERS MOST TO ME AS A CONSUMER IS CHEAP, RELIABLE ENERGY. THE PAST DECADE HAS SEEN EVERGY AND THE COMPANIES THAT FORMED EVERGY INCREASE INVESTMENT IN 'RENEWABLE' WIND AND SOLAR PROJECTS THAT STRUGGLE ECONOMICALLY. THE COMPANIES THAT EMPLOY THIS TECHNOLOGY ALREADY ENJOY GOVERNMENT SUBSIDIES THAT ARE GENERATED BY THE TAX DOLLARS I PAY. I DO NOT SUPPORT FURTHER BOLSTERING AN ENERGY GENERATING COMPANY'S PROFIT THAT IS MAKING POOR ECONOMIC DECISIONS. ACCORDING TO EVERGY'S OWN ANNUAL REPORT, EVERGY POSTED RECORD PROFITS LAST YEAR. THE COMPANY'S ADJUSTED NON-GAAP EARNINGS TOTALED 853.8 MILLION IN 2022, UP FROM 680.9 MILLION IN 2018. AGAIN, AS A RESIDENTIAL CUSTOMER OF EVERGY AND A RESIDENT OF THE STATE OF KANSAS I ASK THE KCC TO DISMISS THIS REQUEST WITH PREJUDICE. EVERGY IS IN A LEGAL MONOPOLY WHERE YOU, THE KCC, ALLOWS THEM TO OPERATE IN A COMPETITION FREE ENVIRONMENT. TELL EVERGY TO MAKE ECONOMICALLY SMART DECISIONS AND STOP RELYING ON ITS CUSTOMERS TO SUPPORT ITS BAD HABITS. RESPECTFULLY SUBMITTED.

Narrative

08/29/2023

I ADAMANTLY OPPOSE EVERGY'S RATE HIKE. IT'S A HUGE INCREASE BASED ON A PERSON'S ABILITY TO PAY WITH LOW WAGES, WHICH DON'T INCREASE RELATIVE TO THE PERCENTAGE EVERGY IS REQUESTING AND FIXED INCOME PEOPLE. I KNOW A COUPLE WHO LIVE ON SOCIAL SECURITY ALONE AND CAN BARELY MAKE IT NOW! WE HELP THEM OUT WITH OUR GARDEN PRODUCE, BUT SOMETHING LIKE THIS - THERE'S NO RELIEF! EVERGY DOES NOT NEED TO MAINTAIN A HIGH RATE OF DIVIDENDS. COMPANIES AND INDIVIDUALS HAVE BEEN SUFFERING THROUGH THIS INFLATION AND IT'S NOT COMING TO AN END. ONCE EVERGY GETS A RATE HIKE, THEY NEVER ASK FOR A DECREASE! AND IF IT'S FOR DEVELOPING 'GREEN ENERGY' - THAT SHOULD NOT BE ON US TAXPAYERS. THE SOURCES BY WIND NOT RELIABLE - IF THE WIND DOESN'T BLOW - THERE'S NOTHING GETTING PRODUCED, SUN IF THE SUN DOESN'T SHINE -NO ENERGY BEING PRODUCED - BUT IF THEY WOULD FIGHT TO CONTINUE TO USE RELIABLE SOURCES OF ENERGY OIL, COAL, NATURAL GAS, THE RATE INCREASE WOULDN'T BE NECESSARY. AND OIL IS NOT A FOSSIL FUEL. IT'S CONSTANTLY BEING PRODUCED. THE CURRENT ADMINISTRATION IS MOST LIKELY AT FAULT FOR TRIGGERING EVERGY INTO BELIEVING THEY NEED TO PLAY ALONG WITH FINDING DEVELOPING GREEN ENERGY SOURCES. BUT THEY ARE NOT RELIABLE. WE DON'T WANT TO END UP WITH BROWN OUTS AND BLACK OUTS BECAUSE EVERGY MANAGEMENT DIDN'T HAVE THE FORESIGHT TO SEE THAT WIND SUN DON'T WORK ON A STAND ALONE BASIS. I DON'T WANT TO PAY FOR ANY OF THIS NONSENSE SINCE THERE IS ALREADY AVAILABLE RESOURCES. IS MANAGEMENT OF EVERGY WILLING TO TAKE PAY CUTS? LAY OFF UNNECESSARY OVERHEAD? COMPANIES HAVE HAD TO. INDIVIDUALS HAVE HAD TO MAKE CUTS. THOSE CUTS WERE NOT MEANT TO HELP EVERGY GUARANTEE DIVIDENDS TO SHAREHOLDERS AND BONUSES TO EVERGY MGMT. KCC REALLY NEEDS TO KICK THIS TO THE CURB SINCE IT'S AN EXTREMELY HIGH RATE INCREASE REQUEST. GUESSING EVERGY SHOT FOR THE MOON HOPING TO GET HALF THAT MUCH. EVEN THAT IS TOO MUCH. EVERGY NEEDS TO MAKE THEIR FINANCIALS PUBLIC - SEE WHAT IS SPENT ON WAGES PER PERSON; WHAT BENEFITS DO THEY

08/29/2023

PROVIDE THAT OTHER COMPANIES CAN'T AFFORD; DOES MANAGEMENT GET TO DRIVE COMPANY CARS TO AND FROM HOME TO WORK? BETTER NOT! HOW MANY COMPANY PROVIDED PICNICS MEALS DO THEY PROVIDE THAT OTHER COMPANIES CAN'T AFFORD? THEY NEED TO COME CLEAN AND PARE DOWN THEIR DIVIDENDS. I TRULY OPPOSE THIS RATE INCREASE.

AS A LONGTIME CUSTOMER OF EVERGY AND RESIDENT OF KANSAS, I STRONGLY OPPOSE THIS DOCKET TO INCREASE ENERGY RATES. IT IS CLEAR EVERGY IS SEEKING TO MAKE RECORD PROFITS AND TO PLEASE THEIR STOCKHOLDERS BY ENACTING A RATE INCREASE AS THEY HAVE BEEN RESTRICTED FROM CHANGING OUR RATES FOR THE LAST 5 YEARS. EVERGY NEEDS TO OPERATE LIKE ANY OTHER BUSINESS BY OPERATING UNDER A BUDGET THAT PLANS FOR INFRASTRUCTURE AND MAINTENANCE. EVERGY SHOULDN'T FORCE THE POPULATION TO PAY FOR THEIR NEEDED UPGRADES BY RAISING THEIR RATES, ESPECIALLY SINCE THEIR CUSTOMERS HAVE NO OTHER OPTION FOR ACCESSING THE ELECTRIC GRID. THERE IS NO MARKET FOR ELECTRICITY ACCESS, ONLY A MONOPOLY THAT HAS A WIDE CUSTOMER BASE. SINCE EVERGY HAS CONTROL OVER THE ENTIRE REGION, THERE NEEDS TO BE BALANCE ON THAT CONTROL AND THAT BALANCE SHOULD BE A CAPPED RATE. LASTLY, EVERGY RECENTLY BACKED OFF ITS PLAN TO ADD MORE SOLAR AND WIND POWER IN THE COMING YEARS WHICH MEANS THEY WILL CONTINUE EMITTING CARBON INTO OUR ENVIRONMENT WHICH IS A PROVEN CONTRIBUTOR TO HUMAN CAUSED CLIMATE CHANGE. EVERGY HAS NO INTENTION TO ADEQUATELY SERVE THEIR CUSTOMERS, RATHER THEY STRIVE TO MAKE EXTREME PROFITS OFF THEIR CUSTOMERS WHO HAVE NO OTHER CHOICE. RATE RESTRICTIONS SHOULD BE PERMANENTLY IN PLACE ON THE EVERGY MONOPOLY AND THIS CURRENT RATE INCREASE PROPOSAL MUST BE REJECTED. THANK YOU.

I HAVE BEEN AN EVERGY CUSTOMER IN BOTH SALINA AND OLATHE, KANSAS. I STRONGLY OPPOSE THE PROPOSED RATE HIKES. AT THE SAME TIME THAT EVEGY IS ASKING FOR THESE RATE HIKES, THEY ARE PULLING BACK ON THEIR COMMITMENTS TO CLOSE THE COAL PLANT IN LAWRENCE. IN THIS TIME OF CLIMATE CHANGE CAUSED BY USE OF FOSSIL FUELS, THIS IS LUDICROUS! EVERGY OPPOSES EVERY EFFORT TO ALLOW ITS CUSTOMERS MORE ACCESS TO SOLAR POWER, INCLUDING THE USE OF PPA'S. IN ADDITION, EVERGY HAS NO MEANINGFUL EFFICIENCY POLICIES IN KANSAS. OTHER STATES AND OTHER UTILITY COMPANIES ARE FAR AHEAD OF US IN THESE AREAS. EVERGY WANTS KANSAS CUSTOMERS TO PAY MORE SO THEY CAN POLLUTE MORE, CAUSE MORE RESPIRATORY HARM AND MORE CLIMATE DISRUPTION, AND USE MORE WATER, JUST TO KEEP THEIR OLD POLLUTING PLANTS ONLINE EVEN LONGER. THIS IS WRONG FOR KANSANS!!

WE ALL NEED TO MAKE MONEY BUT JUST BECAUSE WAGES INCREASE BY 4-7 EACH YEAR FOR THE AVERAGE AMERICAN, DOESN'T MEAN EVERY AND MANY OTHER BUSINESSES NEED TO 'STEAL' IT JUST BECAUSE THEIR SHAREHOLDERS WANT AN EXTRA MEDITERRANEAN CRUISE OR NEW HUMMER FOR CHRISTMAS.ID BE WILLING TO BET A LOT OF EVERY EMPLOYEES AND EXECS VOTED FOR BRANDON AND ITS HIS POLICIES THAT ARE ALREADY WREACKING HAVOC ON MOST FAMILIES' POOR ECONOMIC STANDING AT THIS TIME. SO MY ADVICE IS THE SAME YOU ALL WOULD TELL US,GO FIND A PART TIME JOB TO FEED YOUR BANK ACCOUNT .

I DO NOT BELIEVE THEY DESERVE AN INCREASE. EVERY YEAR WE HAVE TORNADOES AND LINES COME DOWN. THEN THEY PUT THEM BACK UP. THEN THEY COME BACK DOWN. WOULDN'T IT BE BETTER TO BURY THEM IN THE GROUND? THEN THEY WOULD NOT COME DOWN. IT MIGHT BE A LITTLE MORE IN THE BEGINNING BUT IN THE LONG RUN IT SHOULD BE CHEAPER. NO POLES TO REPLACE OR LINES TO REPLACE. IT IS CALLED A BUSINESS EXPENSE THAT THEY WANT SOCIETY TO FOOT. WELL MY FOOT IS BROKEN.

EVERGY DOES NOT NEED TO INCREASE THEIR RATES BY SO MUCH TO THE CENTRAL SERVICE REGION TO MAINTAIN THEIR PROFIT MARGIN. THE COMPANY, NO MATTER WHAT IT'S NAME HAS BEEN IN THE PAST OR IS NOW, HAS HAD A LONG HISTORY OF MAKING THE CUSTOMERS OUTSIDE OF THE KANSAS CITY METRO AREA OVER PAY FOR THEIR PROJECTS WHETHER IT BE A NUCLEAR POWER PLANT OR GREEN ENERGY. EVERYTIME WESTAR NOW EVERGY INCREASES THEIR RATES THE CENTRAL REGION GETS HAMMERED

I CONCEDE JUST FROM A BASIC STANDPOINT THAT I'M OPPOSED TO ANY RAISE IN RATES BECAUSE IT COSTS ME MORE MONEY BUT AM RATIONAL ENOUGH TO KNOW THAT SOME INCREASES ARE NECESSARY OVER TIME. THIS ONE HOWEVER, IS NOT NECESSARY. THEIR REVENUE HAS INCREASED YOY SINCE 2020 AS HAS FREE CASH FLOW. THE BASIC ECONOMIC TRUTH IS THAT EVERGY IS DOING FINE AS A COMPANY AND WILL CONTINUE TO DO FINE THUS ANY ARGUMENT THEY PRESENT IN FAVOR OF A PRICE BASED UPON ECONOMIC NEED IS UNFOUNDED. THEREFORE, NO PRICE INCREASE IS NECESSARY OR AT THE VERY LEAST NOTHING OVER 3.

I OPENLY OPPOSE ANY RATE INCREASE TO MY ELECTRIC BILL. MY VIEW OF THE SITUATION AND FROM MY RESEARCH IS THIS RATE INCREASE IS BASED ON PURE MISMANAGEMENT FROM EVERY. THE PROPOSED INCREASE WOULD CAUSE MY ELECTRIC BILL TO INCREASE BY OVER 15. THIS IS WELL ABOVE WHAT INFLATION IS. AVERAGE YOU CANNOT PROVIDE CONSTANT ENERGY TO THE CITY OF NEWTON SO WHY SHOULD CUSTOMERS HAVE TO PAY MORE FOR A SERVICE THAT REGULARLY HAS INTERRUPTIONS AT LEAST ONCE EVERY 3 WEEKS. MISMANAGEMENT SHOULD NOT BE REWARDED, THESE RATE INCREASES ARE SO EVERY CAN INCREASE THEIR REVENUE FOR THEIR STOCKHOLDERS. INSTEAD OF MANAGING THE COMPANY TO BE A MORE EFFICIENT SUPPLIER OF ENERGY THEY ARE TRYING TO SQUEEZE MORE MONEY OUT OF THE CONSUMERS. THE LEADERSHIP OF EVERGY SHOULD NOT EVEN BE IN PLACE THEY'RE MISMANAGEMENT FROM THE RESEARCH HAS SHOWN THAT CORPORATE INBREEDING OF EXECUTIVES HAS CAUSED CORPORATE MISMANAGEMENT THIS IS VERY COMMON AND SHOULD NOT BE REWARDED. IN ADDITION TO POOR MANAGEMENT THERE SHOULD BE ZERO REASON WHY THE CENTRAL REGION HAS A HIGHER INCREASE THAN METRO. THE CENTRAL REGION HAS MORE RULE AND AGRICULTURE IN THIS REGION AND IS MORE VITAL TO KANSAS BY A POPULATION NUMBER THAN THE METRO AREA. HAVING FARMERS PAY MORE FOR ELECTRICITY RATHER THAN CORPORATIONS IN THE METRO AREA IS DOING KANSAS A DISSERVICE.

COMMISSIONERS, I AM A COLLEGE STUDENT AT WASHBURN UNIVERSITY, AT HOME IN THE CAPITOL OF OUR STATE. I WORK FOR MY LIVING AND ATTEND CLASSES FULL TIME. WITH THE GROWING WEALTH INEQUALITY AMERICA IS EXPERIENCING, A 14 INCREASE ON MY ENERGY BILL WOULD TRULY STRAIN MY BUDGET - BUT IM ALREADY EXHAUSTING ALL OF MY TIME BETWEEN SCHOOL AND WORK. TAKING ON A SECOND JOB WOULD THREATEN MY HEALTH. IM CURRENTLY ON TRACK TO GRADUATE IN MAY OF 2024. I HOPE THAT MY DEGREE CAN PROVIDE ME WITH A MORE STABLE SOURCE OF INCOME IN THE FUTURE, HOWEVER, I KNOW THAT EVEN THIS PROVIDES ME WITH PRIVILEGE. NOT EVERYBODY HAS THE OPPORTUNITY FOR TRUE SOCIAL MOBILITY; ITS NEARLY NONEXISTENT IN THE UNITED STATES. THIS RATE HIKE ONLY SERVES TO LINE THE POCKETS OF EVERGY SHAREHOLDERS. WHILE THEY HOARD THEIR MILLIONS WORTH OF PROFITS DIVIDENDS, EVERYDAY KANSANS WILL SUFFER. ELECTRICITY IS A COMMON GOOD, A NEED, ALMOST INVALUABLE. ELECTRICITY IS THE DIFFERENCE BETWEEN LIFE AND DEATH FOR SOME. DONT LET EVERGYS AUDACIOUS GREED EXIST FOR A MOMENT LONGER.

EVERGY IS BEING GREEDY! I DONT THINK KCC SHOULD SUPPORT THIS INCREASE. ESPECIALLY WHEN THE FINDINGS INDICATE EVERGY IS WANTING TO RAISE RATES WAY MORE THAN WHAT WAS FOUND TO BE NECESSARY. HIGHWAY ROBBERY! HOW DO THEY EXPECT PEOPLE TO PAY THESE HIGHER RATES WHEN WERE STRUGGLING TO PAY THE CURRENT RATES. ITS ALL JUST CORPORATE GREED.

EVERGY ALREADY TACKS ON ENOUGH FEES. MY ELECTRIC USE COULD BE 200, BUT BY THE TIME THEY TACK ON FEES, FUEL TRANSMISSION COSTS, ETC. IT'S USUALLY RIGHT AROUND THE SAME AMOUNT AS MY USAGE. SO A 200 BILL WOULD BE 400. A 70 BILL WOULD BE 140. I EVEN HAVE SOLAR PANELS AND WAS TOLD I COULDN'T USE THEM, AND THEIR PROCESS FOR NET METERING IS HORRIBLE. THE APPLICATION FAILS TO LOAD, SO EVERGY DOES NOT MAKE IT EASY FOR PEOPLE TO SAVE MONEY. I AM.OPOSED TO THE RATE INCREASE BECAUSE MY FEES WILL THEN BE MORE THAN MY ELECTRIC USAGE. IT'S RIDICULOUS TO KEEP ASKING TO RAISE RATES, ESPECIALLY BY 14. WHY DO THE CENTRAL CUSTOMERS HAVE A BIGGER CHUNK RO PAY? WHAT ARE THEY DOING WITH ALL THE MONEY THEY HAVE ALREADY? IT'S A BIG NO FOR ME.

Narrative

08/30/2023

THE UTILITY RATES WITH ASSOCIATED FEES ARE ALREADY AN EXPENSE THAT CREATES FINANCIAL STRAIN FOR MY FAMILY WHICH IS A DUAL-INCOME HOUSEHOLD LIVING BELOW OUR MEANS. THE ADDITIONAL AMOUNT PER YEAR WILL CAUSE UNDUE HARDSHIP ON KANSAS FAMILIES. EVERGY SHOULD INSTEAD FOCUS ITS EFFORTS ON REDUCING ITS WASTEFUL SPENDING, RATHER THAN JUST INCREASING ITS REVENUE OFF THE BACKS OF THOUSANDS OF HARD-WORKING FAMILIES. I UNDERSTAND THE RISING COST OF EACH COMPONENT IN THEIR BUSINESS MODEL: EMPLOYEE WAGES, INSURANCE, VEHICLES, ELECTRICAL SUPPLIES AND TOOLS AND THE LIST GOES ON. THE MAJORITY OF FAMILIES' WAGES ARE NOT ABLE TO KEEP UP WITH OTHER RISING COSTS FOR NECESSARY ITEMS LIKE FOOD, CLOTHING AND SHELTER. FURTHER EXACERBATING THE ISSUE WITH ELECTRIC RATE INCREASES TO EXPAND PROFITS FOR EVERGY IS AN ATROCITY. PLEASE DENY THIS RATE INCREASE AND INSTEAD HOLD EVERGY ACCOUNTABLE TO MORE SENSIBLE OPERATIONS.

WE DO NOT SUPPORT A RAISE IN OUR RATES. FIRST OFF THE REQUEST INCREASE DOESNT SEEM FAIR OR BALANCED WITH EVERGY CENTRAL CLIENTS HAVING AN INCREASE OF 14.24 A MONTH AND EVERGY METROS BILLS WOULD INCREASE 3.47. LOOKS LIKE THOSE IN THE CENTRAL REGION WOULD BE CHARGED 4 TIMES THE AMOUNT EVERGY IS WANTING CHARGED THOSE IN THE METRO AREA. LOOKS LIKE THOSE IN THE CENTRAL AREA ARE BEING PENALIZED FOR FEWER OF US LIVING IN A RURAL SETTING. OUR MONTHLY BILLS HAVE DOUBLED IN THE PAST 25 YEARS AND WERE NOW RETIRED AND ON A LIMITED BUDGET AND A 14 PLUS DOLLAR INCREASE A MONTH ON OUR BILL WILL PUT ADDITIONAL STRESS ON OUR BEING ABLE TO COVER OUR MONTHLY EXPENSES. AS SENIORS WERE SLOWLY BEING SQUEEZED OUT OF OUR HOMES AS INSURANCE COMPANIES, THE COUNTY AND UTILITY COMPANIES INCREASE THEIR FEES. MY WIFE JUST RETIRED AT AGE 81 AND IM 71. SO MUCH HAS INCREASED SINCE COVID AND THE BUCK NEEDS TO STOP SOMEWHERE. THANKS FOR THE OPPORTUNITY TO PUT IN OUR TWO CENTS. WERE ANXIOUS TO SEE WHERE WE NEED UP WITH EVERGYS REQUEST.

WHEN A FORCED MONOPOLY IS ALLOWED TO PAY MASSIVE DIVIDENDS BUT THEN RAISE ITS RATES, WE HAVE AN ISSUE. WHEN THE CORPORATE WELFARE OF THE STATE TO GET A TOXIC PRODUCER LIKE PANASONIC IN THE AREA, AND THAT PLANT IS USED AS FODDER FOR THE RATE INCREASES, WE HAVE AN ISSUE. THERE IS NO REASON, AFTER YOU ALLOWED THE MERGER THAT WAS SUPPOSED TO REDUCE COSTS, THAT A COMPANY SHOULD BE ALLOWED TO PAY OUT MASSIVE DIVIDENDS AND RAISE RATES, IT IS NONSENSICAL. WHEN THE BACKS OF THE TAX PAYERS ARE ALREADY FUNDING A TOXIC PLANT, USING THAT AS AN EXCUSE TO MILK THE CITIZENS FOR MORE OF THEIR HARD EARNED MONEY, THE PURPOSE OF GOVERNMENT REGULATED MONOPOLIES BECOMES COMMUNISM. DO NOT ALLOW THIS RATE INCREASE, TELL THEM TO PAY SMALLER DIVIDENDS.

KCC, EVERGY HAS A MONOPOLY ON ELECTRICAL DELIVERY WHERE I LIVE NEAR CHAPMAN, KS. NO OTHER COMPANY CAN PROVIDE ME ELECTRICITY. WHY IS EVERGY ALLOWED TO ASK FOR RATE INCREASES WHEN THEY USE THAT MONEY TO BUY BACK STOCK TO INFLATE THEIR VALUE TO THEIR SHARE HOLDERS? THEY DON'T CARE ABOUT THE CONSUMERS BECAUSE WE'RE STUCK WITH THEIR SERVICE NO MATTER WHAT BECAUSE ELECTRICAL MONOPOLIES ARE ALLOWED TO OCCUR. THREE YEARS AGO EVERGY SPENT 3.5 BILLION DOLLARS BUYING BACK STOCK. HOW DOES THAT BENEFIT ME AS A CONSUMER? IT DOESN'T. IT ONLY BENEFITS THE SHAREHOLDERS. [HTTPS:WWW.REUTERS.COMARTICLEEVERGY-ELLIOTTELLIOTT-SENDS-LETTER-TO-EVERGY-PUSHING-FOR-IMPROVED-PERFORMANCE-OR-MERGER-IDUSL1N29Q0LL](https://www.reuters.com/article/evergy-elliottelliott-sends-letter-to-evergy-pushing-for-improved-performance-or-merger-idUSL1N29Q0LL) [HTTPS:WWW.SPGLOBAL.COMMARKETINTELLIGENCEENNEWS-INSIGHTSTRENDINGDUJ1HLTV94SP0DOF6BJ70Q2](https://www.spglobal.com/marketintelligence/en/news-insight/strendingduj1hlTV94SP0DOF6BJ70Q2) KCC YOU HAVE THE POWER TO SUPPORT THE CONSUMERS AND NOT THE SHARE HOLDERS BY FORCING A DECREASE IN RATES DUE TO EVERGY'S GREED. IF I HAD A SAY, I'D MAKE EVERGY LOWER THEIR RATES BY 10 INSTEAD OF INCREASING THEM TO PENALIZE THEM FOR THEIR STOCK BUY BACK. THANK YOU FOR YOUR TIME. NATE OBERMEYER

THE RATE HIKE IS FAR HIGHER THAN IT IS JUSTIFIED. AT THIS STAGE NOT ONLY IS A 1.95 INCREASE INAPPROPRIATE, A DECREASE AT THIS STAGE IS CLOSER TO WHAT SHOULD BE EXPECTED IN CUSTOMERS. THIS IS PURELY A MOVE TO INCREASE THE WEALTH OF SHAREHOLDERS AND INCREASE COSTS TO KANSAS CITIZENS. EVERGY MAY JUSTIFY IT BY BEING SUCH A SMALL AMOUNT BUT IT IS BY ALLOWING THESE SMALL INCREASES EVERYWHERE THAT WE FIND OURSELVES BLEEDING MONEY FROM EVERY DIRECTION UNTIL THERE IS NONE LEFT TO BLEED.

KANSAS RESIDENTS OVER THE LAST TWO YEARS HAVE BEEN HIT ON ALL ENDS BY SHARPLY RISING COSTS. HOUSING COSTS, PROPERTY TAX, GROCERIES, TRANSPORTATION, AND MANY OTHER ROUTINE EXPENDITURES KANSANS FACE EVERY MONTH HAVE INCREASED SIGNIFICANTLY. ALL WHILE WAGES HAVE CONTINUED TO STAGNATE. IT IS GETTING DIFFICULT FOR MANY OF US TO SUBSIDE, LET ALONE THRIVE. WE ARE CUTTING OUR EXPENSES WHEREVER WE CAN, AND IT'S VERY DISHEARTENING TO BE FACED WITH SUCH A DRAMATIC INCREASE IN A BILL WE HAVE VERY LITTLE CONTROL OVER. SURE, WE CAN REDUCE OUR BILLS BY USING LESS ELECTRICITY, AND MANY OF US ARE TRYING TO DO THAT AS BEST WE CAN. BUT, AT THE END OF THE DAY, WE NEED TO HEAT OR COOL OUR HOUSES, WE NEED TO RUN OUR WASHING MACHINES, WE NEED THE LIGHTS ON. EVERGY HAS A MONOPOLY ON ELECTRICITY, THERE IS NO OTHER OPTION FOR RESIDENTS TO CHOOSE, NO LOWER-TIER SUBSCRIPTION TO DOWNGRADE TO. WE ARE STUCK WITH THE COST. I UNDERSTAND THE PRACTICAL REASONS TO NOT HAVE MULTIPLE UTILITY COMPANIES SERVING THE SAME AREA, BUT THAT SHOULD NOT GIVE EVERGY THE UNRESTRICTED RIGHT TO INFLATE THEIR PROFITS AS THEY SEE FIT. ACCORDING TO THE US BUREAU OF LABOR STATISTICS, THE COST OF ENERGY HAS DECREASED BY 12.5 OVER THE LAST YEAR [HTTPS:WWW.BLS.GOV/CPI](https://www.bls.gov/cpi). WHAT JUSTIFICATION DOES EVERGY HAVE TO NOT DECREASE THEIR RATES, LET ALONE RAISE THEM? IF THE NATION AS A WHOLE HAS DECREASED ENERGY COST BY SO MUCH, WHY IS EVERGY AN OUTLIER? WHAT IS SO DIFFERENT IN KANSAS THAT MAKES OUR ELECTRICITY MORE EXPENSIVE? IT IS MY OPINION THIS REQUEST TO INCREASE RATES SHOULD NOT BE ALLOWED.

INSTEAD OF RAISING COSTS FOR THE AVERAGE AMERICAN STRUGGLING TO PAY BILLS, YOU CUT PAY FROM YOUR TOP EXECUTIVES. YOUR CEO HAD A REPORTED SALARY OF 6.8 MILLION. I AM SURE OTHER EXECUTIVES HAVE A HIGH COMPENSATION. IF YOU WANT TO IMPROVE REVENUE, TAKE ONE FOR THE TEAM AND DECREASE COMPENSATION. DID YOUR EXECUTIVES RECEIVE A MERIT OR COST OF LIVING INCREASE? STOP BEING GREEDY AND DO WHAT IS RIGHT FOR YOUR FELLOW PEOPLE.

08/30/2023	I AM NOT HAPPY WITH THE KCC. EVERGY NEEDS TO START CHARGING EVERYONE THE SAME. WE SHOULD BE CHARGE BY HOW MUCH USAGE PER METER. IT SHOULD BE THE SAME FOR EVERYONE WHETHER WE LIVE IN KC OR OSKALOOSA. AFTER MY INTERVIEW WITH THE NEWS AT THE TOPEKA PUBLIC HEARING, I GET APPROACHED BY PEOPLE ALL OF THE TIME ASKING WHO AS THE KCC IS GETTING PAID OFF. EVERYTIME EVERGY COMES FOR A RATE INCREASE, THEY GET SOMETHING. WE DO NOT NEED TO BE A PART OF PAYING FOR WOLFCREEK. THE KCC HAS LET EVERGY HAVE AMONOPOLY. THERE NEEDS TO BE ANOTHER COMPANY. THE MERGE SHOULD NOT HAVE HAPPENED.
09/27/2023	PLEASE SEE ATTACHED ADDITIONAL PUBLIC COMMENT

The Kansas Corporation Commission is accepting comments through September 29, 2023.
By completing this form you will be providing comment that will be entered into the record. Comments are reviewed and considered by the Commission prior to a final order being issued in the case.

Information provided will be made public as part of the case docket.

Comment: It's been brought to my attention by a lot of people in Kansas, that the KCC needs to wake up & get out of Evergy's bed, & tell Evergy NO MORE! Evergy has lied to KCC in the past, big time, when requesting rate hikes. They made \$853,000,000 profit in 2022. Run your business like a business and stop coming to us for rate hikes, telling us you need more money to run your business. We can see that isn't true by the amount of your profit for 2022. Use your own money! No more rate hikes!
Evergy needs to stop using wind & solar generation fields that don't produce enough electricity to pay for itself, let alone, make a profit! Go to natural gas instead of coal, like Oklahoma did, to generate your electricity. You could even use the river to turn your turbines to generate electricity.
With profits of \$853,000,000 for one year, why would they ever need another rate hike, EVER?

*Denotes a required field. Only one submission per person will be recorded.

Please note: By submitting comments to the Commission, you are authorizing the Commission to make your comments and any included information publicly available.

DEAR COMMISSIONERS, AS A RESIDENTIAL CUSTOMER OF EVERGY AND A RESIDENT OF THE STATE OF KANSAS I STRONGLY OPPOSE THE ABSURD RATE INCREASES PROPOSED BY EVERGY. WHAT MATTERS MOST TO ME AS A CONSUMER IS CHEAP, RELIABLE ENERGY. THE PAST DECADE HAS SEEN EVERGY AND THE COMPANIES THAT FORMED EVERGY INCREASE INVESTMENT IN 'RENEWABLE' WIND AND SOLAR PROJECTS THAT STRUGGLE ECONOMICALLY. THE COMPANIES THAT EMPLOY THIS TECHNOLOGY ALREADY ENJOY GOVERNMENT SUBSIDIES THAT ARE GENERATED BY THE TAX DOLLARS I PAY. I DO NOT SUPPORT FURTHER BOLSTERING AN ENERGY GENERATING COMPANY'S PROFIT THAT IS MAKING POOR ECONOMIC DECISIONS. ACCORDING TO EVERGY'S OWN ANNUAL REPORT, EVERGY POSTED RECORD PROFITS LAST YEAR. THE COMPANY'S ADJUSTED NON-GAAP EARNINGS TOTALED 853.8 MILLION IN 2022, UP FROM 680.9 MILLION IN 2018. AGAIN, AS A RESIDENTIAL CUSTOMER OF EVERGY AND A RESIDENT OF THE STATE OF KANSAS I ASK THE KCC TO DISMISS THIS REQUEST WITH PREJUDICE. EVERGY IS IN A LEGAL MONOPOLY WHERE YOU, THE KCC, ALLOWS THEM TO OPERATE IN A COMPETITION FREE ENVIRONMENT. TELL EVERGY TO MAKE ECONOMICALLY SMART DECISIONS AND STOP RELYING ON ITS CUSTOMERS TO SUPPORT ITS BAD HABITS. THANK YOU FOR YOUR TIME, MIKE MASSAGLIA

Narrative

08/30/2023

ANY INFRASTRUCTURE UPGRADES ASSOCIATED WITH 'RENEWABLES' OR ELECTRIC VEHICLES SHOULD NOT BE PASSED ON TO ALL INDIVIDUALS BY DEFAULT. IF EVERGY IS MAKING UPGRADES TO ACCOUNT FOR SOLAR AND WIND FARMS, THOSE SHOULD PRIMARILY BE PAID FOR BY THE OWNERS OF FARMS OVER A PERIOD OF TIME, AS THEY ARE THE ONES WHO STAND TO PROFIT FROM THEM. ALSO, THE VAST MAJORITY OF INDIVIDUALS IN KS DO NOT OWN, OR CARE TO OWN, EV'S AT PRESENT TIME. IF UPGRADES ARE MADE TO ACCOUNT FOR INCREASED DEMAND ASSOCIATED WITH EV CHARGERS, THEN THOSE WHO INSTALL THE CHARGERS SHOULD BARE THE BURDEN OF THE COSTS ASSOCIATED WITH THEM. BUSINESS THAT ARE ADDING CHARGERS FOR EMPLOYEES SHOULD RECEIVE INCREASED ELECTRICAL RATES PER CHARGER, SAME FOR INDIVIDUALS. I SHOULD NOT HAVE TO PAY MORE BECAUSE BUSINESSES OR OTHER INDIVIDUALS ARE ADDING DEMAND TO THE GRID. BROAD SWEEPING RATE INCREASES TO ALL CUSTOMERS MEANS THE MAJORITY OF CUSTOMERS ARE PAYING FOR UPGRADES ASSOCIATED WITH A SMALL MINORITY OF THE POPULATION. I LIKEN THE SITUATIONS WITH RENEWABLES AND EV'S WITH INSTALLATION OF NEW SEWER SYSTEMS FOR HOUSING DEVELOPMENTS. THE HOUSES THAT DIRECTLY BENEFIT FROM THE NEW SEWER SYSTEM SEE AN INCREASE IN TAXES FOR X AMOUNT OF YEARS. OTHER HOUSES DO NOT DIRECTLY PAY FOR IT. I AM NOT OPPOSED TO SOME RATE INCREASE TO KEEP UP WITH INFLATION AND MAINTAIN A RELIABLE POWER GRID, HOWEVER EXTREME SCRUTINY MUST BE APPLIED TO AVOID UNFAIR 'PASSING OF THE BUCK' TO THE CUSTOMERS TO SUPPORT VARIOUS GREEN AGENDAS. THE INITIAL INCREASE PROPOSED BY EVERGY SEEMS TO BE VERY LARGE. LASTLY, ONE THING THAT SHOULD BE CONSIDERED IN THEIR BUDGET IS UPGRADES TO CYBERSECURITY OF THE GRID. THIS IS SOMETHING EVERYONE WOULD BENEFIT FROM, AND IT IS AN AREA THAT IS USUALLY NEGLECTED UNTIL AN INCIDENT HAPPENS, AND THEN IT'S TOO LATE. THANK YOU FOR ALLOWING ME A FORUM TO VOICE MY OPINION ON THE SUBJECT.

EVERGY STANDS TO NET INVESTORS ANOTHER 6-8 INCREASE IN THEIR POCKETS WHEN WE THE PUBLIC HAVE TO DEAL WITH MULTIPLE OUTAGES ALMOST DAILY IN SOME PORTIONS OF THE STATE. WE SHOULD NOT HAVE TO PAY INCREASED RATES JUST SO INVESTORS CAN SEE A RETURN YET AGAIN A NET POSITIVE RETURN. WE SHOULD NOT PAY FOR SUBSIDIARIES TO BUILD GREEN ENERGY, THEY SHOULD TAKE THE HIT TO THEIR PROFITS AT MIDDLE TO UPPER MANAGEMENT LEVELS. THIS A LONG WITH THEIR DECISION TO CONTINUE RUNNING WITH COAL FIRE PLANTS WHILE THE WORLD CONTINUES TO SUFFER FROM GLOBAL CLIMATE CHANGE AT AN ALARMING AND DISASTEROUS RATE. WE THE PUBLIC SHOULD ALSO NOT BE THE ONES TO PONY UP EXTRA MONEY FOR THE USAGE OF A CORPORATION SUCH AS THE LIKES OF PANASONIC.

I UNDERSTAND AN INCREASE MAY BE NECESSARY BUT THIS PROPOSED RATE INCREASE IS UNREASONABLE. IT WILL LEAVE ALREADY STRUGGLING INDIVIDUALS IN A TERRIBLE SITUATION. I BELIEVE YOU KNOW THIS IS UNREASONABLE BUT YOUR PROPOSAL WOULD ALLOW YOU TO LOWER THE RATE AFTER PUBLIC COMMENT LEADING TO THE APPEARANCE OF HEARING THE PUBLIC'S DISSATISFACTION. I WOULD ALSO LIKE TO EXPRESS MY DISAPPOINTMENT WITH EVERGY'S LACK OF SUBSTANTIAL GREEN ENERGY PLANS. COAL FIRED PLANTS NEED TO BE CLOSED. SOLAR ENERGY NEEDS TO BE INCREASED. WIND ENERGY NEEDS TO BE INCREASED. THANK YOU FOR LISTENING TO THESE CONCERNS.

I AM OBJECTING TO THE AMOUNT OF INCREASE FOR WICHITA. IT IS BEYOND MY UNDERSTANDING WHY WICHITA CUSTOMERS WOULD HAVE TO PAY 4X MORE FOR ELECTRICITY THAN THE KANSAS CITY AREA. IF APPROVED IT WOULD BE A HARDSHIP FOR PEOPLE ON LIMITED INCOME. BECAUSE OTHER NECESSITIES WILL BE GOING UP NEXT YEAR, I THINK A MORE REASONABLE INCREASE SHOULD BE MADE. IF THE INCREASE FOR WICHITA WAS AROUND 4.00 OR 5.00 I WOULD NOT OPPOSE.

KCC:

EVERGY'S RATE INCREASES INVITE SOME INTERESTING QUESTIONS. I THOUGHT IT EXPEDIENT TO PUBLISH SOME OF MY COMMENTS SINCE THE PUBLIC WONT GET ANY MEANINGFUL INFORMATION FROM THE PRESS.

HOW IS IT THAT EVERGY IS SEEKING A \$218 MILLION RATE RATE INCREASE WHILE PAYING 524 MILLION IN 'DIVIDENDS' ?
EVERGY PAYS \$534 MILLION IN DIVIDENDS WHILE REQUESTING A \$218 MILLION RATE INCREASE !

SO RATE PAYERS CAN EXPECT TO PAY MORE FOR THE SIERRA CLUB'S CARBON NEUTRALITY PROGRAMS AND EVERGY'S FAILURE TO INCREASE IT'S GREEN ENERGY INVESTMENTS. THIS IS TO THE COMPANY'S CREDIT BUT PERHAPS YOU CAN EXPLAIN JUST WHAT GREEN ENERGY PROGRAM WILL PERMIT THE RAPID DEPLOYMENT OF POWER ON THE GRID? IN THE MEANTIME THE RATE PAYERS CAN PAY DIVIDENDS TO STOCKHOLDERS ! THE EVERGY CEO WAS COMPENSATED OVER \$6.8 MILLION IN 2022, BOARD OF DIRECTOR SALARIES AVERAGED OVER \$333,000, AND STOCKHOLDERS RECEIVED OVER \$534 MILLION IN TOTAL DIVIDENDS PAID?

HOW WILL THE COMMITMENT TO ELECTRIC CARS BE MET BY NEW WIND TURBINES (WIND SPEED BELOW 33 MPH) AND SOLAR POWER WHICH PRODUCES NOTHING AT NIGHT? THIS WILL SIMPLY BE EXACERBATED ONCE CHARGING STATIONS BEGIN TO PROLIFERATE THROUGH OUT THE STATE. THE LUNACY CONTINUES AS EVERGY BUYS ADDITIONAL WIND POWER FROM OKLAHOMA: "OVER THE NEXT 10 YEARS, EVERGY PLANS TO ADD MORE THAN 3,500 MW OF RENEWABLE ENERGY AND RETIRE MORE THAN 1,900 MW OF COAL-BASED FOSSIL GENERATION. EVERGY HAS SET A GOAL OF 70% CARBON REDUCTION BY 2030 (RELATIVE TO 2005 LEVELS) AND A TARGET TO REACH NET-ZERO CARBON EMISSIONS BY 2045."

AS YOU DECREASE FOSSIL FUEL BASE LOADING YOU ENTER THE RISKY ALTERNATIVE ENERGY POSSIBILITIES OF BROWNOUTS AND JUST ENERGY UNAVAILABILITY.

EQUALLY CONCERNING TO RESIDENTS SHOULD BE THE FUNDING OF POLITICAL CAMPAIGNS. LOBBYING & CAMPAIGN CONTRIBUTIONS - SHOULD A STATE-REGULATED MONOPOLY BE ALLOWED TO FINANCIALLY INFLUENCE STATE CAMPAIGNS? FUNDING THESE CAMPAIGNS ENSURES CERTAIN COMPANY ECONOMIC OBJECTIVES ARE MET. I SUBMIT THIS IS MOE AKIN TO PROFITEERING THA

I AM ALREADY LIVING PAYCHECK TO PAYCHECK IN THE ECONOMY. WE KEEP GETTING HIGHER AND HIGHER BILLS WITH NO RELIEF. HOW MUCH CAN WE KEEP GIVING FOR BASIC NEEDS. I ALREADY SET MY THERMOSTAT AT 77 ALL SUMMER AND 69 IN THE WINTER, WE UNPLUG EVERYTHING EVERYDAY AND MY BILL KEEPS GOING UP WITH MINIMAL CHANGES OVER THE PAST FOUR YEARS. MY WAGES ARE NOT GETTING HIGHER BUT EVERYTHING ELSE DOES. I JUST DON'T GET WHY THIS IS NEEDED.

I AM A SENIOR CITIZEN LIVING ON A FIXED INCOME. I AM VERY DILIGENT IN ENERGY CONSERVATION INCLUDING: --BUYING ENERGY EFFICIENT DISHWASHER, HOT WATER HEATER, HEATING AND COOLING APPLIANCES AND ENERGY EFFICIENT AUTOMOBILES --RAISING THERMOSTAT LEVEL IN SUMMER 82 DEGREES AND LOWERING THERMOSTAT LEVEL IN WINTER 68 DEGREES IN MY HOME --FORGOING USE OF DRYER IN SUMMER AND WINTER BY HANGING LAUNDRY TO DRY EXCEPT FOR QUILTS AND BEDSPREADS --COMPOSTING FOOD STUFFS IN MY BACK YARD --USE OF RAIN BARREL TO COLLECT RAIN WATER FOR GARDENING --USING LOW WATTAGE BULBS WHERE FEASIBLE --USING FLOOR FANS AND CEILING FANS TO DECREASE THE LOAD ON MY HEATING AND COOLING SYSTEM AS YOU CAN SEE I AM DOING EVERYTHING I CAN TO REDUCE THE USE AND COST OF ENERGY GIVEN THAT I HAVE TO WATCH MY FINANCES. THE PROPOSED 14 RATE INCREASE WILL PUT A STRAIN ON MY FINANCES AND MAY MAKE ME HAVE TO CONSIDER ADJUSTING THERMOSTAT TEMPERATURES EVEN MORE DRASTICALLY THAN I USUALLY DO. PLEASE KEEP IN MIND THAT THERE ARE MANY SENIOR CITIZENS THAT WOULD BE AFFECTED BY THE RATE INCREASE, NOR DOES IT APPEAR TO ME THAT THE WICHITA ECONOMY IS THAT ROBUST SUCH THAT ANY OTHER CITIZEN COULD EASILY ABSORB THAT INCREASE.

DURING THESE DIRE FINANCIAL TIMES IN OUR COUNTRY, IT IS OBSCENE TO PRICE GOUGE PEOPLE SIMPLY BECAUSE YOU - EVERGY - HAVE A MONOPOLY OVER THE POWER MARKET IN KANSAS. AS AN AUDITOR MYSELF, MY THANKS GO OUT TO THE KCC FOR THEIR EXCELLENT WORK ON THE AUDIT AND FOR PROTECTING KANSANS, TO THE EXTENT POSSIBLE. IT SICKENS ME THAT EVERGY ATTEMPTED TO PULL OFF SUCH A HUGE INCREASE. I AM NOT FAMILIAR WITH THE REGULATIONS ASSOCIATED WITH THE POWER INDUSTRY BUT MY HOPE IS THAT CRIMINAL PENALTIES ARE APPLICABLE. AT THE VERY LEAST, I HOPE THAT THOSE INVOLVED IN ATTEMPTING THESE RATE HIKES ARE FIRED. AT BEST, A COMPANY WITH INTEGRITY WILL PURCHASE EVERGY. THANK YOU, KCC FOR WHAT YOU ARE DOING TO HELP CONSUMERS.

A 24.9 RATE INCREASE IS NOT SOMETHING THAT I CAN EASILY COVER WITH MY SOCIAL SECURITY. IT HAS BEEN A TOUGH YEAR FOR EVERYBODY, BUT ESPECIALLY FOR US WHO ARE ON SOCIAL SECURITY OUR COLA INCREASE DID NOT COME CLOSE TO COVERING INFLATION THIS YEAR. THE PROJECTED COLA INCREASE FOR SOCIAL SECURITY IS CURRENTLY JUST A 3 INCREASE FOR 2024. HOW WILL THIS COVER THE 24.9 INCREASE THAT EVERYONE WANTS FOR THEIR SHARE HOLDERS? SO MANY PEOPLE ARE ALREADY HAVING TROUBLE PAYING THEIR BILLS, AND THEY SAY A 24.9 INCREASE, BUT THE AVERAGE MONTHLY BILL WOULD GO UP 14.24. THAT MAKES NO SENSE AT ALL. I HAVE NEVER HEARD OF CHARGING CUSTOMERS MORE IN ORDER TO MAKE SHAREHOLDERS HAPPY. THERE ARE A LOT MORE CUSTOMERS THAN THERE ARE SHAREHOLDERS, AND THE CUSTOMERS WILL NOT BE HAPPY. MAYBE THEY ARE JUST 'REACHING' HIGH IN HOPES OF GETTING WHATEVER THEY CAN, BUT 24.9, EVERYONE INCLUDING EVERYONE NEEDS TO 'TIGHTEN THEIR BELTS'!

ABSURD THAT CURRENT BASIC INFRASTRUCTURE MAINTENANCE ISN'T BEING ADDRESSED, AND NOW THEY'RE REQUESTING A RATE INCREASE. RECENT STORM DAMAGE RESULTED IN A POWER OUTAGE OF SEVERAL DAYS IN MY NEIGHBORHOOD. EARLY THIS SPRING WE RECEIVED NOTIFICATION THAT ROUTINE TREE TRIMMING WOULD BE OCCURRING ALONG THE EASEMENT AND SOMEONE FROM EVERGY OR A CONTRACTOR CAME ALONG AND MARKED THE VARIOUS TREES TO BE TRIMMED. IT'S BEEN MORE THAN 6 MONTHS NOW AND NOBODY HAS ACTUALLY TRIMMED THE TREES. A STORM COMES ALONG IN JULY, AND SURPRISE, UNPRUNED LIMBS ALONG THE EASEMENT COME DOWN ON EVERGY'S LINES KNOCKING OUT NEIGHBORHOOD POWER FOR DAYS...

BASED ON THE MATH MY BILL WILL RAISE WAY MORE THAN THE 14 THAT YOU SAY IT WILL PER MONTH IT WILL POTENTIALLY GO UP ABOUT 150 TO 200 BASED ON THE NEW TIME PLAN. I CANNOT ADJUST THE USAGE AS I HAVE A FAMILY OF FIVE THAT STAYS HOME WHILE I'M WORKING. ESPECIALLY DURING THE SUMMER WHENEVER IT'S OVER 100 FOR OVER A WEEK IT IS NEARLY IMPOSSIBLE TO CONSERVE ANY KIND OF ENERGY AND AT THIS RATE MY BILL DURING THE SUMMER TIME WILL BE ALMOST 600 ACCORDING TO MY MATH THAT'S NOT ONLY OUTRAGEOUS BUT UNFEASIBLE WITH THE ECONOMY THAT WE HAVE RIGHT NOW. IF IT WAS ONLY A 14 INCREASE THEN I WOULDN'T EVEN CARE BUT IT'S GOING TO BE 150 TO 200 BASED ON THE TIME RATES YOU HAVE LISTED ACROSS THE BOARD THERE IS RESEARCH OUT THERE THAT SUGGESTS THAT EVERY COULD POTENTIALLY DECREASE ITS RATE BY ALMOST 7 AND STILL BE MAKING QUITE A BIT OF MONEY I DON'T THINK IT'S FAIR TO RAISE THE RATES JUST BECAUSE YOU WANT MORE MONEY BECAUSE IT'S GOING TO AFFECT THE COMMUNITY VERY POORLY. WHEN YOU RUN A MONOPOLY ON ENERGY SERVICE NOT ONLY IS IT WRONG FOR YOU TO RAISE THE RATE WITHOUT A VOTE OF ANY KIND BUT IT'S ALSO MORALLY WRONG FOR THOSE THAT CAN'T AFFORD IT, BECAUSE YOU WANT TO CREATE MORE REVENUE.

TO BEGIN WITH THE MERGER WITH MO'S ENERGY COMPANY WAS NOT OK . THAT WAS DEFINITELY NOT IN THE BEST INTEREST OF ANY KANSAS CONSUMER, TO INCREASE RATES WHEN MANAGEMENT AND INVESTORS ARE GETTING WHOPPING PROFITS IS ACTUALLY JUST RIDICULOUS. I PAY MORE THAN 200.00 PER MONTH TO COOL MY HOUSE. THAT IS JUST OUTRAGEOUS. UTILITIES SHOULD NOT COST MORE THAN WHAT IS SPENT ON GROCERIES. THIS IS A CASE OF SIMPLE GREED AND SHOULD BE REFUSED. WE HAVE NOT HAD MANY STORMS AT ALL THIS YEAR AND THOSE WE HAVE HAD CAUSED LITTLE IN POWER OUTAGES COMPARED TO PAST YEARS. WE ARE LOSING POPULATION STATEWIDE NOT ADDING MORE PROBABLY ONE OF THE BIG REASONS THEY WANT AN INCREASE. THE SERVICE IS NOT GREAT.- NO GREEN ENERGY IS EVEN BEING ATTEMPTED THAT WOULD LOWER COSTS - WHY SHOULD THEY NO BIG PROFITS THEN. THESE ARE SIMPLY GREEDY PEOPLE WHO ARE ALREADY MILLIONAIRES MANY TIMES OVER. IF RATES GO UP I WILL BE FORCED TO JOIN AT LEAST HALF OF MY OLDER FRIENDS WHO HAVE TO GET GOVERNMENT ASSISTANCE FOR MY BILLS. THIS GROUP OF VULTURES RUNNING EVERGY HAVE SUCKED FAR MORE OUT OF THIS STATE THAN THEY HAD ANY RIGHT TO DO. THE KCC SAID NO TO THE MERGER AND THAT SHOULD HAVE BEEN ENOUGH TO PREVENT THE SALE AS WELL. AS FAR AS I AM CONCERNED THEY ARE NASTY GREEDY PEOPLE WITH NO VIRTUES AT ALL.

IT IS ABSURD THAT A UTILITY COMPANY THAT IS SUPPOSEDLY ACTING IN THE INTEREST OF PROVIDING POWER TO THE PEOPLE OF THIS STATE, IS TRYING TO RAISE RATES THAT THE KCC HAS ALREADY DETERMINED TO BE UNNECESSARY. IN FACT, THEY HAVE BEEN FOUND TO ALREADY BE CHARGING TOO MUCH! THIS IS EXPLOITATION AND COERCION PLAIN AND SIMPLE. EVERYONE SHOULD CHARGE WHAT THEY NEED TO PRODUCE THE ELECTRICITY THEY PROVIDE WHILE PROVIDING THEIR EMPLOYEES A LIVING WAGE. ANYTHING ELSE IS GOUGING, TACITLY ENDORSED BY THE GOVERNMENT. THIS MUST BE REJECTED.

I STRONGLY OPPOSE THE PROPOSED RATE HIKE. AS THE SOLE PROVIDER FOR MANY KANSANS, THE COMPANY HAS AN OBLIGATION FOR FAIR ACCESS TO AFFORDABLE ENERGY FOR ITS CUSTOMER BASE. I DO NOT BELIEVE THE CITIZENS OF THIS STATE SHOULD BE FORCED TO SUPPLEMENT THE EARNINGS AND VALUE OF THE COMPANY. THE YTD DROP IN EVERGYS STOCK IS FAR TOO CLOSE TO THEIR PROPOSED RATE HIKE TO SEEM LIKE AN ETHICAL PROPOSITION.

I AM OPPOSED TO ANY INCREASE IN RATES FOR CUSTOMERS OF EVERGY!

MY PARTICULAR ISSUE IS WITH THE FOOT DRAGGING EVERGY DOES RELATED TO ALTERNATIVE ENERGY PRODUCED BY PRIVATE HOUSEHOLDS. WESTAR, AND NOW EVERGY, HAVE BOTH GRUDGINGLY ALLOWED OUR SOLAR PANELS TO BE HOOKED UP TO NET-METERING. THE RATE THEY PAY US FOR OUR PRODUCTION IS A WHOLESALE RATE, BUT OF COURSE WE PAY FOR WHAT IS NOT CREDITED AT A RETAIL RATE. THIS IS JUST ANOTHER WAY TO MAKE INVESTMENT IN PERSONAL SOLAR AND WIND POWER GENERATION LESS WORTHWHILE.

I BELIEVE THAT EVERGY SHOULD HAVE TO OPEN THEIR BOOKS FOR ALL TO SEE.

IN ADDITION, IF THERE WERE A WAY FOR INDIVIDUAL HOMEOWNERS TO SELECT WHICH POWER COMPANY TO GET POWER FROM, IT WOULD CREATE AND ENVIRONMENT IN WHICH POWER COMPANIES WOULD HAVE TO COMPETE FOR CUSTOMERS.

THANK YOU FOR LISTENING.

IT IS WELL KNOWN THAT THIS RATE INCREASE IS UNDOUBTEDLY UNJUSTIFIED. THERE IS NO REASON FOR THIS SPIKE ASIDE FROM EVERGY WANTING TO INCREASE ITS PROFIT AT THE EXPENSE OF KANSANS. WHATS MORE SICKENING IS THAT SINCE EVERGY HAS MONOPOLIZED KANSAS, WE ARE WITHOUT A CHOICE BUT, TO KEEP USING THIS COMPANY. WE ARE BEING HELD HOSTAGE ESSENTIALLY. THIS IS SICKENING AND DISTURBING MORE SO AFTER COVID DECIMATED OUR COUNTRY AND MANY IN KANSAS ARE STILL SUFFERING THE SIDE EFFECTS. THIS COMPANY KNOWS VERY WELL THAT THEY ARE ONLY WANTING TO LINE THEIR POCKETS AND DO NOT CARE THAT SO MANY ARE STRUGGLING TO PAY THESE INSANE RATES. HOW IS IT EVEN POSSIBLE THAT THIS IS HAPPENING IN THIS DAY AND AGE? ESPECIALLY AFTER THE PANDEMIC? THIS COMPANY IS SOULLESS AND ITS DESPICABLE THAT THEY SHOW NO REMORSE AND ARE TRYING TO JUSTIFY THIS INCREASE WITH THE BS STATEMENT OF PROVIDING RELIABLE CUSTOMER SERVICE AND THEIR PREVIOUS RATES REMAINING FLAT. BS, CUSTOMER SERVICE! THERE ARE NO OTHER OPTIONS BUT, EVERGY. SERIOUSLY, YOU GUYS KNOW WHAT YOU ARE DOING IS WRONG.

THIS RATE INCREASE IS RIDICULOUS. THOSE AVERAGE RATE INCREASE PRICES ARE NOT TRUE AS IVE BEEN PAYING WAY MORE THAN 14 EXTRA DOLLARS A MONTH WHILE USING LESS ENERGY. EVERGY IS A CROOK CORPORATION THAT NEEDS TO EITHER BE INVESTING IN WAYS TO REDUCE COSTS OR INCREASE SERVICE. THEY SHOULD NOT BE USING THE WALLET OF KANSAS TAXPAYERS TO ENRICH THEIR SHAREHOLDERS!

THE RATE REQUEST IS NOT ACCEPTABLE, KANSAS CITIZEN HAVE FOR A LONG TIME BEEN IN SLAVED BY COMPANIES OVER ZEALOUS REQUEST ALONG WITH RECEIVING APPROVAL FROM OUR VOTED CONGRESS, MAY YOU ALL REST IN HELL. WE SHOULD HAVE THE RIGHT TO PICK OUR SERVICE COMPANIES OR APPROVE TO PROCEED TO A STATE OF KANSAS BASED UTILITIES OR STATE COOP. BECAUSE THEY FAILED TO BUDGET PROPERLY THAT SHOULD NOT BE OUR PROBLEM, HIGHER PRICES ARE KILLING OUR COUNTRY AND OUR STATE, THANK YOU F. JOE BIDEN FOR YOUR AMERICAN KILLING MACHINE. KANSAS SHOULD STAND TALL AND FIGHT FOR WHAT EVERY CITIZEN BELIEVE, ONE THING THEY WILL NOT STAND FOR IS BEING FORCED TO PAY MORE FOR A COMPANIES OVER SPENDING OR IN ABILITIES TO BUDGET. I SAY NO TO EVERY REQUEST FOR 10 INCREASE IN OUR ELECTRICAL SERVICE. THEY NEVER RESPOND FAVORABLY TO CUSTOMERS NEEDS. IT'S JUST BUSINESS, DON'T TAKE IT PERSONALLY WELL WE IN KANSAS DO TAKE IT PERSONALLY BECAUSE YOU WANT US TO PAY YOUR CEO AND MANAGER SALARY INCREASE. YOUR STOCK HOLDERS SHOULD KNOW THE TRUTH ABOUT YOUR INCREASE ON KANSAS CITIZEN.

I AM OPPOSED TO THIS REQUESTED RATE INCREASE. AT THE TIME OF THE 2018 MERGER, EVERGY OFFICIALS CLAIMED THEY COULD SQUEEZE OUT ENOUGH EFFICIENCIES TO SAVE RATEPAYERS BILLIONS OF DOLLARS AND STABILIZE RATES FOR 15 YEARS. NOW EVERGY WANTS CUSTOMERS TO PAY MORE. EVERGY NEEDS TO FULLY COMMIT TO PROMOTING ENERGY EFFICIENCY AND REPLACE FOSSIL FUEL BURNING FACILITIES WITH RENEWABLE SOURCES OF ENERGY. IT DOESN'T MAKE SENSE THAT CUSTOMERS SHOULD PAY MORE FOR THEIR ELECTRICITY WHEN EVERGY IS PAYING OUT MORE CASH DIVIDENDS TO INVESTORS. THIS RATE INCREASE WILL HARM CUSTOMERS WITH LIMITED OR FIXED INCOMES. PLEASE OPPOSE ANY RATE INCREASE FOR EVERGY.

Narrative

09/01/2023

I AM RETIRED AND ON A LIMITED INCOME FROM SOCIAL SECURITY. WITH INFLATION GOING RAMPANT, AND A COST OF GROCERIES AND GAS SO HIGH I CAN'T AFFORD A RATE INCREASE FROM A COMPANY THAT PROFITED MILLIONS OF DOLLARS IN 2022. THIS IS CORPORATE GREED AND IT'S WORSE AND IT'S HITTING LOW-INCOME SENIORS WHEN THEY DON'T HAVE THE EXTRA MONEY TO PAY. IF YOU APPROVE THIS RATE INCREASE IT WILL CREATE ANOTHER FINANCIAL BURDEN FOR MYSELF AND OTHER SENIORS WHO ARE ON A FIXED INCOME. THE SOCIAL SECURITY INCREASES WE GET ARE INSIGNIFICANT COMPARED TO THE RISING COSTS OF EVERYTHING WE NEED TO LIVE. UNFORTUNATELY, WE ONLY HAVE ONE CHOICE AS TO WHERE WE GET OUR ELECTRICITY FROM. THIS IS A MONOPOLY AT ITS BEST AND FORCES SENIORS UNLIMITED INCOME TO PAY WHATEVER THEY ASK FOR OR WHAT THE KCC APPROVES. PLEASE KEEP IN MIND THE SENIORS ARE LIMITED INCOME IN YOUR DECISION IN THIS VERY IMPORTANT MATTER. ASK YOURSELF THIS QUESTION, WHO NEEDS MONEY MORE? A HUGE CORPORATE COMPANY PROFITING MILLIONS, OR A RETIRED PERSON ON A FIXED INCOME? THANK YOU FOR LETTING ME PROVIDE MY INPUT, CAN YOU PLEASE TAKE VERY CAREFULLY AS TO WHO NEEDS THE MONEY MORE.

PLEASE DO NOT APPROVE THE EVERGY RATE HIKE. IT WILL BE A HARDSHIP ON MANY--NOT JUST SENIORS WHICH I AM. INFLATION IS ALREADY A HUGE PROBLEM. I FEEL THAT EVERGY SHOULD PUT MORE OF THEIR PROFITS BACK INTO THE COMPANY. THE CUSTOMER SHOULD NOT HAVE TO SHOULDER THE COSTS OF ADVERTISING AND LOBBYING OR INCREASING THE DIVIDENDS PAID TO THEIR SHAREHOLDERS AND THE SALARIES PAID TO THEIR TOP EXECS. WHEN CUSTOMERS HAVE NO CHOICE OF ENERGY PROVIDERS, THE COMPANY SHOULD MAKE EVERY EFFORT TO PROVIDE ENERGY AT A REASONABLE RATE. I ATTENDED THE HEARING IN WICHITA AND WHILE I APPRECIATED THE PRESENTATION, I DIDN'T FIND THAT EVERGY ANSWERED ANY OF THESE QUESTIONS IN A WAY THAT CONVINCED ME THEY REQUIRE A RATE HIKE. WHAT I HEARD WAS CORPORATE GREED. THANK YOU FOR YOUR CONSIDERATION IN THIS MATTER. IT'S VERY IMPORTANT TO SO MANY.

IT SEEMS LIKE EVERY YEAR EVERY IS RAISING RATES. THEY PROMISED WHEN WESTAR AND KCPL MERGED WE'D SEE LOWER RATES, I HAVE YET TO SEE ANYTHING BUT HIGHER RATED AND LARGER BILLS. MOST KANSAS ARE EITHER IN POVERTY OR LOW INCOME, AND GIVEN THE RECENT INFLATION IF THEY ARE LIKE ME THEY MUST DECIDE ON A GALLON OF GAS OR A GALLON OF MILK. 14 PERCENT IS A REAL SHOT IN THE ARM WHEN MOST OF US HAVE BILLS WELL OVER 200 DOLLARS A MONTH. ON TOP OF EXORBITANT RENT OR MORTGAGE RATES. IF YOU LET THIS PASS, I FELL BAD FOR THE ELDERLY WHO LIVE ON A FIXED INCOME, AND THE POOR WHO ARE BARELY GETTING BY.

IT IS HIGHLY INAPPROPRIATE EVERYG PAYS 66 DIVIDENDS OR OVER 500 MILLION ONLY TO TURN AROUND AND CLAIM THEY NEED A RATE HIKE FOR INVESTMENT IN INFRASTRUCTURE. BUSINESSES INVEST IN INFRASTRUCTURE BEFORE PAYING DIVIDENDS! GOVERNMENT MONOPOLIES ARE NOT EXCLUDED FROM THIS. EVERYGSS BRIBE OF E.S.G. IMPLEMENTATION BY FINANCIALLY REWARDING EXECUTIVES AND DIRECTORS BASED OFF OF IMPLEMENTING THIS GLOBAL AGENDA SHOULD BE COMPLETELY ILLEGAL AND UNETHICAL. EXECUTIVES AND BOARD MEMBERS SHOULD BE MAKING REASONABLE SALARIES THAT ARE IN ALIGNMENT WITH THE MARKET, NOT ALMOST 6.8 MILLION FOR THE CEO AFTER STOCK OPTIONS LIKE IN 2022. EVERGYS QUESTIONABLE LOBBYING AND DIRECT PAYMENTS TO ORGANIZATIONS RELATED TO SENATORS SHOULD BE ILLEGAL. AND A GOVERNMENT REGULATED MONOPOLY, THE ONES DOING THE REGULATING IN LAW MAKING, SHOULD NOT BE BOUGHT! THE CURB DOES NOT REPRESENT ME. IT ONLY REPRESENTS PEOPLE WHO BELIEVE IN THE CLIMATE AGENDA. THREE MEMBERS OF THE KANSAS CORPORATION COMMISSION CANNOT ACCURATELY REPRESENT 3 MILLION KANSANS. YOU NEED MORE MEMBERS ON THIS BOARD FOR PROPER CHECKS AND BALANCES, AND ONE OF THE MEMBERS SHOULD NOT BE ALLOWED TO SERVE ON THE SOUTHWEST POWER PULL BOARD. THIS IS A CONFLICT OF INTEREST. EVERYG IS SOLD OUT TO BLACK ROCK, NORTHERN TRUST, STATE STREET, BLUE SCAPE, AND OTHER GLOBAL AGENDA, CLIMATE ACTIVISTS. BLUE SCAPE SHOULD NOT BE ALLOWED TO HAVE A REP ON THE BOARD BECAUSE THIS IS A CONFLICT AS ONE OF THE TOP STOCKHOLDERS . I SHOULD NOT BE FORCED TO BUY ELECTRICITY FROM A MONOPOLY WHO IS INVESTING IN WASTEFUL RENEWABLE INFRASTRUCTURE THAT IS COSTING THE GRID MONEY. IF IT WAS ABOUT RENEWABLE ENERGY, THEN EVERYG SHOULD NOT BE LEGALLY ALLOWED TO CAP HOW MUCH HOME SOLAR SYSTEMS CAN PRODUCE. HOMEOWNERS SHOULD BE ALLOWED TO CREATE UNLIMITED POWER TO SELL BACK TO THE SYSTEM. DO NOT ALLOW THIS RATE HIKE. INVESTIGATE THE CONFLICTS OF INTEREST AND THE BRIBERY. THANK YOU

THE RATE INCREASE IS FOR NOTHING BUT PROFIT AND LARGE CORPORATIONS PANASONIC GETTING ADDED TO THE GRID AND EVERGYS COST TO DO IT. WHY SHOULD THE WHOLE PAY FOR THE DEALS EVERGY DOES? EVERGY WANTS TO ADD A LARGE AMOUNT OF POWER FOR A BUSINESS, IT SHOULD BE THE BUSINESS THAT PAYS. EVERGY WANTS THOSE PROFITS, WHICH THEY WILL GET, THE REST OF THEIR CUSTOMERS SHOULD NOT BE PENALIZED FOR THE NEW NEED. ITS ALL PROFIT. ITS NOT GOING TO INFRASTRUCTURE OR MAKING SURE OUR SYSTEMS ARE SAFE. THAT IS SOMETHING I THINK THE PUBLIC WOULD APPROVE. BUT JUST BECAUSE THEY ARE GREEDY COME ON. EVERGY IS MAKING PLENTY OF PROFIT. THEY CAN INCREASE THEIR EMPLOYEES WAGES OR WHATEVER THEY THEY SAY THEY ARE GOING TO BE DOING WITH THE MONEY. THE COLA IS NOT 9. THE AVERAGE PERSON IS GETTING 3-5 PAY RAISE IF THEIR COMPANY OFFERS ONE. EVERYTHING HAD GONE UP. THIS IS NOTHING BUT GREED. AND THIS IS WHAT HAPPENS WHEN THERE IS NO NO COMPETITION. WE SHALL SEE IF WHAT KCC IS SAYING NOW, THAT THERE IS ONLY A JUSTIFICATION FOR UNDER 2 ACTUALLY HAPPENS. OR IF ANOTHER GOVERNMENT FOR THE PEOPLE AGENCY BOWS TO CORPORATE PRESSURE AND THE PEOPLE IT IS SUPPOSE TO PROTECT ARE, ONCE AGAIN, THE VICTIMS. WITH OUR ELDERLY THE BIGGEST VICTIMS OF ALL.

EVERGY SHOULD NOT BE PERMITTED TO RAISE RATES ON RESIDENTIAL CUSTOMERS. KANSAS ALREADY HAS SOME OF THE HIGHEST UTILITY RATES IN THE REGION; THIS RATE HIKE WILL MOST HURT THOSE ON FIXED INCOME. EVERGY AND OUR STATE'S ENERGY PRIORITIES SHOULD BE FOCUSED ON REDUCING ENERGY DEMAND THROUGH GREATER EFFICIENCY MEASURES AND SMALL SCALE ENERGY PRODUCTION ON SITE VIA RENEWABLES, RATHER THAN PROPPING UP OLD POLLUTING COAL PLANTS.

I AM WRITING IN OPPOSITION OF THE PLANNED RATE INCREASES IN LAWRENCE, KANSAS. AS A PERSON ON DISABILITY AND MEDICARE ANY RATE HIKES WILL NEGATIVELY AFFECT ME AND MY SPOUSE AS WE ARE ON A FIXED INCOME. WE SIMPLY DONT HAVE ANY MORE DOLLARS TO SPEND ON ELECTRIC SERVICE, ESPECIALLY WHEN OUR ECONOMY IS LESS THAN STABLE AND THE COST OF LIVING CONTINUES TO RISE. PLEASE RECONSIDER THE INCREASES AND KEEP REAL PEOPLE IN MIND WHEN THESE DECISIONS ARE BEING MADE. THANK YOU.

I'VE LIVED IN TOPEKASHAWNEE COUNTY FOR OVER 25 YEARS. I HAVE BEEN FORCED TO BE AN EVERGY CUSTOMER FOR ABOUT 11 YEARS. I HAVE WATCHED AS THE RATE HAS MAINTAINED FOR SEVERAL YEARS, SURE. BUT I'VE ALSO WATCHED AS THEIR PROFITS HAVE RISEN EVERY YEAR, YEAR AFTER YEAR. ENOUGH TO JUSTIFY EXTENSIVE DIVIDENDS TO THEIR SHAREHOLDERS. THEY HAVE GAINED NOTHING BUT COST-SAVINGS FROM THEIR CONSOLIDATION OF THE KANSAS CITY POWER AND LIGHT, AND YET, THOSE COST SAVINGS WERE NOT PASSED DOWN TO THE CONSUMER. THEY HAVE MADE COMMITMENTS TO RENEWABLE ENERGY RESOURCES, BUT THEY HAVE ALSO DECIDED TO SCALE BACK THOSE PROJECTS AND COMMITMENTS. EVERGY HAS MADE COMMITMENTS TO DECOMMISSION THE COAL PLANT IN LAWRENCE, KS, THEY HAVE ALSO SCALED BACK THIS COMMITMENT. BEING THE SOLE ENERGY PROVIDER OF CENTRAL AND NORTHEAST KANSAS UNDER THEIR NATURAL MONOPOLY. THERE IS NO OTHER ENTITY THAT HAS MORE CONTROL ON FIGHTING THE DEVASTATING CONSEQUENCES OF CLIMATE CHANGE THAN EVERGY THEMSELVES FOR THE LIVES AND WELLBEING OF KANSANS. THIS IS COMPLETELY IGNORING THE HEALTH COMPLICATIONS OF BURNING THOSE FOSSIL FUELS NEAR PLACES WHERE PEOPLE LIVE. IF EVERGY IS MAKING THEIR PRIORITIES CLEAR, TO FOCUS ON SHORT TERM PROFITS, AND SHAREHOLDER DIVIDENDS, OVER THE LIVES, WELL-BEING, AND THE RESPONSIBLE CHOICE OF SAVING KANSANS FROM CLIMATE CHANGE CONSEQUENCES, THEN THERE IS ABSOLUTELY NO WAY I WOULD EVER AGREE TO A RATE INCREASE WHEN WE ARE NOT GETTING ANYTHING BACK FOR THE MONEY THAT WE ARE FORCED TO GIVE THEM. I REFUSE ANY RATE INCREASE UNTIL THEY ARE HELD ACCOUNTABLE FOR THE DEVASTATION THAT THEY ARE CAUSING TO KANSANS STATEWIDE. VOTE NO ON THE RATE INCREASE.

I wish to protest the rate hike requested by Evergy. I live in a retirement community where we do not experience pay raises. For many in my immediate vicinity, another \$14 (or anything close to that amount) is going to be quite difficult.

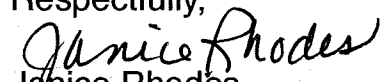

I was in the audience at the hearing in Wichita and noticed how many of those who spoke were in a similar situation and very concerned about a hike of this amount.

In addition to the hardship for so many older Kansans, there is also the problem of inflation which affects ALL of us in a negative way. This is a worse-than-usual time to increase rates.

Other facts that I learned at the hearing also make me believe there should not be such a hike. So, they need a rate hike to pay high dividends to their shareholders? It seems like they have plenty of resources to do this without asking customers to pay it. Why does Evergy spend money on advertising when they are a legal monopoly? (Not a good use of resources.) Why do their top executives make insane salaries—all 7-digits—along with benefits in the 6-digits? The profits earned each year seem very high. Couldn't those be put back into the company instead of the customers shouldering the cost? For these and a number of other reasons, I have issues with the request.

Please do not approve the rate hike requested by Evergy. It will be very negative for so many Kansans.

Respectfully,

Janice Rhodes

Docket # 23 - EKCE - 775 - RTS # 124958

The motivation for Evergy's rate increase request is revealed in their own words which is - to increase investors' profits. "We remain committed to returning capital to our shareholders," said Kirk Andrews (CFO, receiving 3.05 million in compensation from Evergy).

Evergy posted record profits last year (2022) and plans to pay out an above average of 70% of its net income in dividends to shareholders instead of improving or expanding infrastructure. "Our electricity rates are slightly higher than the national average," said Jane Dawson, Evergy's Communications Director. And yet, they want more.

"We formed Evergy with a focus of reducing costs and making rates more affordable and competitive," said David Campbell (receiving 6.89 million in compensation from Evergy). Instead of making rates more affordable, now Evergy wants to increase rates. Evergy, a monopoly, is asking for a monthly bill increase of \$14.24 for the Central Kansas service area and asking for a monthly bill increase of \$3.47 for the Kansas City area. Schools and churches are to receive a 25% increase with small businesses and industrial centers receiving a 19% increase. With record profits, how does this request advance the common good? Under Evergy's plan, customers will be paying more so shareholders get paid more.

Vulture capitalist billionaire Paul Singer, owner of hedge fund Elliot Management, joined with hedge fund Bluescape to leverage their stakes in Evergy. Elliot secured the employment of Paul Keglevic and Kirk Andrews. Bluescape secured the employment of Mary Landrieu and John Wilder (Executive Chairman of Bluescape). David Campbell was President and CDF of Bluescape in 2013 and 2014 and is now the President and CEO of Evergy. They were able to establish a five person Finance Committee designated to be the primary driver of management and investment-decision-making for the entire company and they have four of the five seats. These hedge funds are now in control of Evergy's business operations and financial strategies. And of course, they want to shoot up energy bills for ratepayers. Also, Elliott and Bluescape have agreements with competitors such as fuel supply contracts.

Elliott management said Evergy needed to perform better for shareholders. Elliott's portfolio manager Jeff Rosenbaum described Evergy as having "share price underperformance" and urges Evergy to take steps to boost stock prices. Elliott is looking for "equity value creation of up to \$5 billion, with opportunities for significant additional value creation over time.":

STATE
CORPORATION
COMMISSION

SEP 05 2023

PUBLIC AFFAIRS
AND
CONSUMER PROTECTION

Some Everygy yearly compensation packages:

David Campbell	6.89 million
Kevin Bryant	2.51 million
Heather Humphrey	1.74 million
Kirkland Andrews	3.05 million
Greg Greenwood	2.29 million
Chuck Paisley	1.69 million

Total	\$18.17 million
-------	-----------------

Board Members Wages

Mark Ruelle	\$456,870
Thomas Hyde	384,416
Sandra Lawrence	333,909
Paul Keglevic	331,222
Anthony Isaac	329,041
John Wilder	325,960
Ann Murtlow	325,960
Sandra Price	325,850
S. Carl Soderstrom	310,960
Mary Landrieu	310,960
James Scarola	233,621
Mollie Carter	102,451
J. Arthur Stall	92,339

Total	\$3,863,559 million
-------	---------------------

Combined compensations = \$22.03 million

Because these wealthy people with a combined yearly compensation from Everygy of \$22.03 million want to pick customers' pockets by extracting an unjust, uncalled for, excessive rate increase, I would like to return the favor. I ask that their compensation be cut by 25%; thereby saving Everygy \$5.51 million. It's only fair and they won't miss it.

Evergy also promised to close the coal plant in Lawrence by 2024. Now, they plan to keep it open for 5 more years, another hollow promise from these wealthy decision makers. How does this advance the common good? Remember record profits for year 2022? Record profits should go toward improving or expanding infrastructure. Enough is enough!

KCC's approval is required before Evergy can raise its rates. Please do not grant this rate increase. It's not like customers can shop around for a different energy company to provide for electrical needs. Please instruct Evergy to deliver an energy plan that works for Kansans.

Angela Schieferecke
4508 Tomahawk Road
Prairie Village, Kansas 66208

Docket No. 23-EKCE-775-RTS #124958 (Second Letter)

9.15.2023

Power to Kansans

-The Kansas City Star

4508 Tomahawk
Prairie Village, KS 66208
September 15, 2023

Evergy's wealthy managers and board members make millions in annual compensation. Its president, David Campbell, received \$6.89 million last year, according to the AFL-CIO. Along with hedge funds Bluescape and Elliott Management, the utility is seeking exorbitant rate hikes from Kansas customers and is already planning another rate hike request for next year.

Evergy's high-dollar managers awarded most of the company's record 2022 income to shareholders instead of improving customer service, wages or infrastructure. "We remain committed to returning capital to our shareholders," said CFO Kirk Andrews, who makes \$3 million a year, according to Securities and Exchange Commission filings.

Bluescape and Elliott Management leveraged their financial stake in Evergy, securing multiple members on the utility's finance committee. Jeff Rosenbaum, Elliott's portfolio manager, urged Evergy to take steps to boost stock prices. Elliott is looking for "equity value creation of up to \$5 billion." Under Evergy's plan to raise rates, customers would pay more so shareholders would get more.

Because Evergy is a monopoly, customers have no recourse to shop elsewhere for their electrical needs. The Kansas Corporation Committee's approval is required before Evergy can raise its rates. Please tell the KCC to instruct Evergy to deliver an energy plan that works for Kansans.

- Angela Schieferecke,
Prairie Village

CONSUMER PROTECTION

Dear Kansas Corporation Commission,

Here is a copy of my
"letter to the editor" which was
published September 15, 2023.
Please consider it as you decide
on the rate increase request
from Evergy.

No doubt you are aware of the
October, 2022, ruling of the
Federal Energy Regulatory Commission
which found that Evergy and
Bluescape acted in collaboration
with one another and were
"affiliated companies" and had
drawn up agreements behind
closed doors detailing how the
board would govern the actions
of the utility. Thank you.

Dear Sir/Madam,

Re.: Proposed Evergy Rate Increases for Kansas Central Area

An article from the America First Report, dated 13 August 2023, cites current inflation has increased costs to families of \$709/month for a 2023 impact of over \$8500/year going forward. Additionally, national news media are reporting the tax cuts of 2017 will expire in 2025 to increase Federal tax burdens on everyone. Butler County has published a proposed property tax increase of 15% for 2023.

Evergy's proposed rate increases average 10%/month but 19%/month for small businesses/industrial rate and 25% for schools/churches. Considering all the present and imminent impacts from inflation, income tax increases and property tax rate increases, the citizens and utility consumers will be subject to usury cost penalties largely due to maleficence in Federal governmental policy.

Small churches were especially hit hard by the forced Covid restrictions. They are just starting to recover from the forced closures. They could be devastated by the proposed electrical rate increases. Their burden is already high as their buildings are generally of older less energy-efficient construction. No doubt some churches will close with the proposed rate increases and many may not be able to sustain current levels of ministry to the needy.

I am opposed to the proposed rate increases and especially the 25% increase to churches. I encourage the Kansas Corporation Commission to not approve the rate increases requested by the electrical companies.

Sincerely,

Robert A. Coleman

Re: Energy Rate Increase Proposal

I am on a fixed income so an increase of \$14.12 per month is a big deal. I understand all things are going up in price, but I cannot understand why KC Metro gets a small increase and us in Kansas Central has such a large increase. I would think that since the metro area is heavier populated than Central that if an increase is necessary that the amount should be even across the board instead of rural Kansas footing the bigger amount. I'm saying if they increase all by maybe \$5 they'll have the amount they are working toward and no one will have their wallet bit so hard!

Sincerely

Georgia Lytle

Dear Commission:

Re: Docket No. 23-EKCE-775-RTS.

Once again Evergy is requesting millions of dollars in rate increase for all customers in the territory they serve. Included in the request to raise rates, the expenses resulting from the Westar Energy and KCP&L merger.

The territory served: EKC seventeen counties among other towns and rural areas. EKM serves Lenexa, Overland Park and other communities near the Kansas City metro area. EKC has about 736,000 customers. EKM has about 273,000 customers.

Recommendation Number One: Deny any and all requests for any type of rate increase in customer Evergy bills.

Recommendation Number Two: That a forensic audit be conducted of the merged company Kansas Gas Service and Evergy. The Forensic audit should include complete financial records, business policies and practices, and management financial decision process.

A brief view of Kansas Gas service of huge debts already on customers monthly Energy bills.

Kansas Gas Service

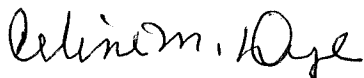

Iatan II Coal Fired Plant construction finished and started functioning in late fall 2010. Almost \$2 Billion debt for the power plant. Rate increases

specific to debt, monthly payments on customer utility bills. Thirteen years already with no end in sight! Status of debt not known but is included on Customer utility bill. Following that...

The LaCygne obsolete coal fired plant is fifty percent owned by KGS; One half BILLION dollars debt to retrofit plant. Still on energy bills. Status of debt unknown.

There are various other things that have been placed on customers' bills.

The most recent charge placed on Kansas Gas Service Monthly Utility bill is not a rate increase, it is the itemized line-item winter event securitized cost: \$5.64 plus franchise fee 0.28, plus city tax 0.12, plus county tax 0.06= \$6.10 x 648,000 customers (source Kansas Gas Service web site) = \$3,952,000 from customers each month to offset the cost (not specified) from winter storm Uri February 2021. Duration of payments not specified. The only mention of duration of payments not specified is several years. Starting date December 2022. Multiply the monthly amount of money collected by twelve to obtain the yearly payment to offset the extraordinary costs (amount not specified) from winter Storm Uri 2021, using the yearly amount of money paid the duration of the cost on utility bills can be determined.

Respectively Submitted

www.wichita.gov

RESOLUTION NO. 23-360 .

**A RESOLUTION IN OPPOSITION TO PROPOSED EVERGY
ENERGY RATE INCREASE.**

WHEREAS, on April 25, 2023, Evergy filed a joint application with the Kansas Corporation Commission, Evergy Kansas Central and Evergy Metro, Inc. to raise electric energy rates; and

WHEREAS, the net rate increase proposed is 9.77% or an increase of approximately \$14.24 per month for each residential customer; and

WHEREAS, the estimated net increase to the City of Wichita for energy for lighting and public utilities is approximately 8.3%. and

WHEREAS, the Wichita Water Utility is a significant user of electricity and would be adversely impacted by the proposed rate increases, which could impact system reliability by lowering capital available for rebuilding infrastructure; and

WHEREAS, while economic conditions have rebounded, many businesses and residents in Wichita continue to face economic challenges from the pandemic, and the rate increases proposed would present an additional and considerable hardship to many; and

WHEREAS, any such rate increase would be detrimental to economic growth in the Wichita area and reduce the competitiveness of local businesses, many of which market and sell products around the world; and

WHEREAS, even before the COVID-19 recession, energy bills strained many family budgets and in particular, lower income households that spend a greater portion of their income on energy bills than the average household; and

WHEREAS, high energy burdens are correlated with greater risk for respiratory diseases, increased stress, economic hardship and difficulty in moving out of poverty; and

WHEREAS, the City Council recognizes and opposes Evergy's efforts to increase electrical rates to residential, small business and municipal customers as these increases do not encourage economic growth or sustainability, nor do they provide revitalization to the community.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY OF WICHITA THAT:

The City Council of the City of Wichita, Kansas, firmly opposes Evergy's request to increase electric rates by 9.77% and to increase customer charges by an additional \$14.24 per month.

This proposal would impair economic growth, sustainability and the common benefit for the City of Wichita and its residents.

The increase proposed to electric rates would stagnate economic growth and increases to customer charges would stifle the sustainability and quality of life in our community.

This Resolution will be in full force and effect from its date of passage by the City Council of the City of Wichita, Kansas.

ADOPTED AND APPROVED by the Governing Body of the City of Wichita, Kansas this 22nd day of August, 2023.

(SEAL)

Brandon J. Whipple, Mayor

WE PUT SOLAR PANELS ON OUR HOME THIS YEAR BECAUSE THE MONOPOLY ON ENERGY AND CONSTANT INCREASES HAS GOTTEN OUT OF HAND. EVEN SO OUR PANELS OVER PRODUCE THE AMOUNT OF ENERGY OUR HOUSEHOLD USES 11 MONTHS OUT OF THE YEAR. EVERGY GETS TO USE THE LEFTOVER ENERGY FOR FREE WHILE WE HAVE TO PAY FOR THE SMALL AMOUNT THAT WE GO OVER THE 1 MONTH OUT OF THE YEAR. IF THEY ARE GOING TO GET YET ANOTHER RATE INCREASE, THEN THEY NEED TO BUY ENERGY BACK FROM THE INCREASING NUMBER OF CUSTOMERS WHO ARE NOW HELPING SUPPLY THEM WITH ENERGY THROUGH SOLAR PANELS.

Ref: Docket No. 23-EKCE-775-RTS (Evergy Rate Request)

Summary

- We have no fundamental objection to Evergy's request for a rate increase.
- We expect Evergy will continue to provide reliable, abundant, and affordable electrical energy for consumers within the Evergy service area.
- We expect that Evergy's program of capital investments will place an emphasis on constructing generating capacity that is reliable and readily dispatchable. That is, we don't expect Evergy to decommission reliable and dispatchable fossil-fuel and nuclear generating capacity until renewables have demonstrated the same level of reliability and dispatchability.

Discussion

We are Evergy Kansas Metro (EKM) customers and have no fundamental objection to the proposed Evergy rate increase, as presented at the public hearing on July 13th at the KU Edward Campus. We assume that Evergy will take into consideration the concerns of low-income customers when implementing this rate increase.

On July 14th we had a powerful lesson on the essential need for abundant and reliable electrical energy. We were affected by the powerful storm that swept across eastern Kansas that Friday afternoon and lost our residential power shortly before 4pm. Our power was not restored for 74 hours (at about 6pm on Monday, July 17). We had no air conditioning; no lights; no refrigeration for our food; no oven and no dishwasher; no ability of wash and dry clothing; no landline phone service; no internet or cable service; and on it goes. Our natural gas service was not interrupted, so we were able to cook on the stovetop and had hot water for bathing and washing dishes.

Electrical energy is the foundation for our quality of life. We expect our utility to meet customer demand and provide reliable service. We have concerns regarding ongoing efforts to introduce additional renewable into Evergy's mix of electrical generating capacity.

Here are some hard facts regarding renewable energy (meaning wind and solar; excluding hydropower) and our continuing reliance of fossil fuels:

- Wind and solar are intermittent (this is so obvious that it doesn't warrant any additional discussion).
- Currently there exists little or no capability to store generated wind and solar power during periods of low demand.
- Wind and solar have far less power density than coal, hydrocarbons or nuclear for electricity generation.¹
- Over four trillion dollars have been spent globally over the last 20 years building wind and solar generating facilities. Despite this, global consumption of coal, oil and natural gas continued to increase over the last 20 years; not a single railcar of coal, barrel of oil or cubic meter of natural gas was replaced by solar or wind.²
- Global carbon dioxide (CO₂) emissions in 2022 from energy use, industrial processes, flaring and methane (in CO₂ equivalent terms) rose to a new record high of 39.3 gigatons CO₂ equivalent.³
- China, India, Indonesia, Vietnam, Bangladesh and other Asian countries continue to build out new electrical generating plants fueled with thermal coal. For example, in India electric power generation fueled with coal continues to climb despite the addition of renewables to its energy mix.⁴
- There are significant challenges to be overcome in order to expand the production and adaption to EVs to scale.⁵
- It is not yet apparent that carbon capture and storage can be scaled-up to where it will make any significant contribution to the reduction of CO₂ emissions.⁶
- Minerals critical to the successful expansion of the renewable energy infrastructure, to include cobalt, lithium, natural graphite, and rare earth elements, are in short supply in the U.S. and will require massive expansion of global mining to meet demand.⁷
 - Major global producers of cobalt include Democratic Republic of the Congo (67% of global production in 2022), Indonesia, and Russia. The U.S. produced less than 0.5% of global production in 2022.⁸

- Major global producers of lithium include Australia, Chile, and China. The U.S. produced less than 1% of global output in 2022.⁹
- Major global producers of natural graphite include China, Mozambique, and Madagascar. China produced 65% of global production in 2022.¹⁰
- Major global producers of rare earth elements include China, the U.S. and Australia. China produced 70% of global production in 2022; the U.S. 15%.¹¹
- Despite heavy U.S. dependence on foreign sources of critical minerals required to build out infrastructure for the renewable energy transition, environmentalists continue to oppose virtually all efforts to open new mines in our country.
- Demographers expect the global population to increase by two to four billion people between now and the end of the century. That represents a 25 to 50 percent increase over the current population that will have to be fed, clothed, and provided with housing.
- The International Monetary Fund is projecting global economic growth of about three percent in 2023 and 2024.¹² Using this figure as an average and projecting forward, the global economic output will double in about 24 years (if the growth rate averages only two percent, economic output will double in about 36 years). More economic growth equals increased energy consumption.

So what is the point of all these facts?

Simply that the successful transition to a Green Energy Economy is going to be driven by the laws of physics, and the demands of growing economies and growing populations, not the wishful thinking of politicians, government bureaucrats, billionaires who consider themselves philosopher-kings, and environmentalists (Sierra Club and NRDC).

We don't expect the reliability and quality of our electrical service to be held hostage to unrealistic expectations and magical thinking. **Net Zero at Fifty is NOT going to happen!** Copious fossil-fuel energy will be consumed through the end of this century and beyond because growing economies and growing population will demand it. Renewable energy is not ready for prime time (and may never be unless one is willing to live in a world of acute energy poverty).

Sincerely,

Ed & Sue Lindgren

Overland Park

I AM WRITING TO URGE THE COMMISSION TO REJECT EVERGY'S REQUEST FOR A RATE HIKE. THE COMPANY ALREADY HAS HIGH RATES, AS I UNDERSTAND SOME OF THE HIGHEST IN THIS AREA. IN ADDITION, EVERGY IS FIGHTING EFFORTS TO REDUCE/ELIMINATE THE USE OF COAL, AND OTHER MEASURES, SUCH AS SOLAR POWER, WHICH WILL REDUCE HARM TO THE CLIMATE. THE RATE HIKE IS WAY TOO HIGH, AND EVERGY WANTS TO CONTINUE TO CONTRIBUTE TO CLIMATE DECAY. PLEASE VOTE NO.

Dear Sirs: # 124983 9-4-2023

re: Doc. # 23-EKCE-775-RTS

Regarding the document number referred to, I don't understand why everyone in Kansas Central Area should be charged more for the electricity than Ks. Metro. As individual consumers we use no more power than any other consumer. Senior citizens cannot afford these increases, and truthfully I know many young families who can't either.

Your shareholders would like to make money, but at whose expense?

The increase for Kansas Central area is simply too much. Many residents will have to cut down their energy use, i.e. no A.C. and could cause many deaths. They will have to cut any other areas to pay their Energy bill.

Please reconsider this increase!!

Charlene Ross White City

Docket No. 23-EKCE-775-RTS

As we understand it,
Evergy wants an increase
of almost 10%. With the
economy the way it is today,
this seems ridiculous to us.
Our social security will
probably increase 2 to 3 %.
Please don't let Evergy have
an increase more than
half of what they have
requested.

Sincerely,

Roger Pfaff

Sherman Freeman
PO Box 61
Sycamore, KS 67363

ITEM # 5000PMKT-4965A-N

Why would Evergy deserve an increase after a stunt like this! People just Can Not afford it! They are or want to buy a wind farm in Oklahoma, Arizona or some place and want us to pay for it so they can sell the electricity back East!

I can't tell social security I want a increase like that and have any hope of getting it. Seniors have worked hard all their lives to be able to retire & live comfortably, we sure won't if you pass this. Next Atmos Energy will be wanting another increase. I know for a fact our water will too! Thank You Sherman Freeman

neous)

Taken from the "Montgomery County Chronicle" on 8-31-2023

PUBLIC FORUM

If this is Not reason enough to deny them an increase I don't know what is! Sherma Freeman

When life and death matters, utility company Evergy should consider the human factor

Editor:

This is my first letter to the editor in my greater than 20 years of primary care practice in rural southeast Kansas and northeast Oklahoma.

Over the years I have seen great acts of compassion amongst people in our rural communities and local businesses large and small. Today, sadly, I am writing after one of the most disappointing and tragic conversations I have ever had with a corporate entity.

From time to time over the years, patients have contacted me to provide a letter or medical necessity on the urgency of having their electricity restored. These pleas usually concentrate on a child that cannot do without a nebulizer or feeding pump or an adult requiring continuous oxygen because of serious lung disease. In all of these previous cases the letter or phone call of my medical opinion was readily accepted and service was restored almost immediately.

Today I placed a similar call to Evergy who supplies electricity to multiple homes in our community. I explained that my patient had been disconnected from her electricity because of nonpayment as they had fallen on hard times, secondary to multiple hospital-

izations. I further explained that in very real terms that her life depended on her oxygen.

I spoke with two separate individuals, including a supervisor and was advised that they would not be restoring services, not even for a medical emergency, unless \$350 payment was made. I asked if there was someone else I could speak to, if there was charity option and here was what I was advised "If this is a medical emergency please have them call 911."

The call was shortly disconnected after this as I was advised by the supervisor that she was not going to debate this with me. I tried to call another line and received the same answer. They did say it was a recorded line so I made sure to say several times that this individual would require hospitalization or die without her oxygen.

Just so you know when I looked up Evergy's first quarter earnings for 2023, it was \$143 million. So I say this to this heartless corporate entity: Good job. I hope the \$350 bucks my patient could not afford to pay you to try and save her life breaks your next financial quarter.

Reference: Docket No. 23-EKCE-775-RTS

To Whom It May Concern:

I am strongly opposed to the massive Evergy rate increase! All of the reasoning behind this rate increase appears to be due to very poor management and poor decisions, and now we as consumers are expected to pay for them. Most people live on a budget and cannot afford to pay a huge rate increase of \$14.24 more per month. If all of our monthly bills increase by these large amounts, those of us on fixed incomes will be looking at enrolling in State assistance programs. These increases will only add to the homeless population right there in Topeka and compound the current crime rate.

Stop the craziness of increasing our Evergy rates by massive amounts.

Docket # 23-EKCE-
775-RTS

Dear KCC,

I am respectfully writing this letter in protest of Energy's request for a rate increase.

I worked as an Home Health RN for 10 years in Crawford County. I saw with my own eyes how people had to live in order to pay bills, heat & cool their homes. People closed off several rooms of their homes in order to attempt to save money on heating & cooling, only living in a few rooms of their homes. My husband & I do this in our home. We close

off 2 rooms of our house in an attempt to save on heating & cooling. My 86 year old mother does the same in her small apartment.

Inflation has hit everyone hard. People in this area don't have much cushion in their portfolios to guard against this. That's the ones fortunate enough to have a portfolio. This area of the state & country is notoriously poverty stricken, as the statistics show.

Crawford county + surrounding areas have regularly had the sad distinction of being the poorest counties in Kansas.

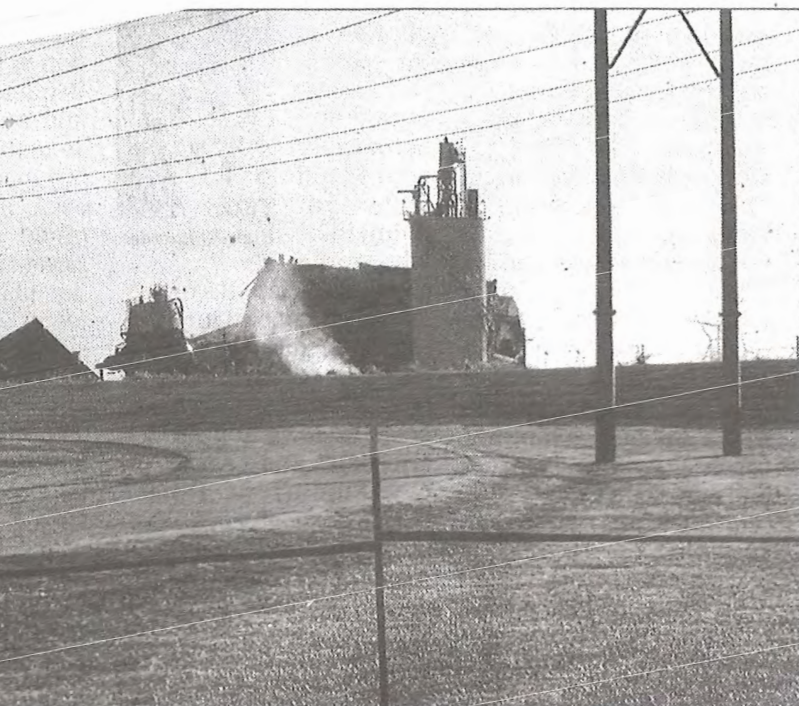

Kansas rates in the poorest states of the nation. (I'm not using percentages because one can find all sorts of numbers).

According to an article in the Pittsburg Morning Sun, on Friday, June 30, 2023, utility rates in Pittsburg, KS, are an outlier at 106% of the national average. That pretty much says it all!

485

I am a believer in competition,
& the free market system. We
have a monopoly in Energy;
we're at their mercy, & they
know it. Energy has millions
in excess, they may need to
tighten their belts like the majority
of their customers; I'm sure there
is a lot of waste & mismanagement
they could whittle away at; maybe
close off some of their doors.

Sincerely & Respectfully,
Kenneth & Jeanne Davidson
Ft. Lauderdale, FL.

on of the facility on Thursday as workers are slated to clear out the

li-
r
e
:
safest way to cut that material down when it's on the ground rather than trying to pick it apart piece by piece from top to bottom."

Crews are expected to spend the summer and fall seasons cleaning up the demolished areas.

"They'll spend the rest of the summer cutting up the steel that's on the ground," Rooney said. That'll be shipped off-site, it'll be sent to steel mills to be recycled so the Asbury Plant will live on somewhere. It may live in hundreds of places in the area, but they'll clean material up over the

renewable energy. The office building, maintenance shop, and employee facility also remain in use at the site as Liberty continues to explore future opportunities for the site and its employees.

Aside from his current duties at Liberty Utilities, Rooney served several roles at the Asbury Power Plant. From Oct. 2006 to June 2008, he served as the local projects manager. Following that role, from June 2008 to Nov. 2010, he was a plant operations supervisor. He also served as the manager of operations for three and two months between May 2015 and June 2018.

Needless to say, the demolition of the power plant served as a bittersweet moment for Rooney.

"I was just very thankful that it went the way it went, and we didn't have anyone hurt, no collateral damage," he said. "... I've spent a number of years working out there, spending a lot of time out there so a bittersweet day for me and I know a lot of people."

ECONOMIC

CONTINUED FROM 1A

economic growth. If it is dilapidated or dead, prospective employers will "run for the hills," according to Kelce's report.

Revitalization of downtown Pittsburg has been a priority for city leaders. There have been over 40 renovation projects in the city that are in-progress or completed.

"Pittsburg has long been known as a community that supports its local businesses," said Chamber of Commerce President Blake Benson. "Whether it's residents shopping at our local stores or the city stepping up to help with a business expansion, that culture of community support leads to continued job growth."

A vibrant downtown is a clue to the health of a community. Numerous festivals and events are held in downtown Pittsburg year-round, from Little Balkans Days and Paint the Town Red to Artwalk and 620, the city celebrates its heritage, culture, and history.

Efforts are not just limited to only revitalizing downtown but promoting a cleaner city overall. A priority of current Mayor Ron Seglie is a citywide initiative to beautify the city by keeping trash picked up in the neighborhoods and encourag-

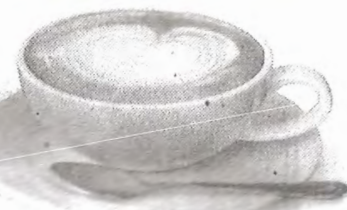

ing landlords to maintain the upkeep and outward appearances of their occupied properties.

Much of this growth is provided for through local sales taxes. Current revenues sit at nearly \$5.2 million taken in between January and May of 2023. This is a dramatic increase from the same period in 2020 which peaked at \$3.7 million. While some of the growth is due to inflation over the past two years, the current economy is not wholly responsible.

Sales tax revenues have helped finance road improvements, such as the repaving of Broadway downtown, a new bridge on 4th Street, and current improvements on Quincy Street. The tax also provides additional funding for emergency services, which has resulted in improving the city's fire safety rating and lowering insurance costs. The Economic Development Advisory Council also provides guidance to and recommendations for economic development.

Overall cost of living is still low in Pittsburg, at 83 percent of the national average. The cost of transportation, health care, and other goods and services hovers between 82 and 88 percent while housing costs are at 67.7 percent. Utilities are the outlier at 106 percent of the national average.

I OPPOSE ANY RATE HIKE. EVERY TIME I TURN AROUND, ANOTHER COMPANY IS ASKING FOR MORE MONEY AT THE EXPENSE OF ITS CUSTOMERS. THIS NEEDS TO STOP. THEY WERE GRANTED A RATE INCREASE NOT THAT LONG AGO. LIKE US CUSTOMERS, THEY NEED TO LEARN TO LOVE WITHIN THEIR MEANS. IF A RATE INCREASE IS WARRANTED, I FEEL IT'S COMPLETELY WRONG. THEY SHOULD MAKE THE INCREASE FAIR TO ALL AND NOT JACK IT UP FOR ONE AREA WHILE ANOTHER PAYS A MUCH LOWER RATE.

WHAT IS THE PURPOSE OF THE RATE INCREASE? KANSAS ALREADY HAS SOME OF THE HIGHEST RATES IN THE COUNTRY PER KILOWATT. WHEN STATES LIKE OKLAHOMA, VIRGINIA, KENTUCKY, LOUISIANA ARE NOT ONLY LOWER BUT ARE LOWER-ING THEIR COSTS PER HOUR, WE ARE WANTING TO INCREASE? WHY? THIS FEELS LIKE A CASH GRAB AT THE COST OF THE CONSUMER. 11.56 PER KILOWATT IS PLENTY HIGH. WHAT WE ARE SEEING HERE IS THE PRICE OF DEREGULATING THE MARKET. MUCH LIKE THE COST OF TRASH IN WICHITA WHERE COMPETITION WAS SUPPOSED TO LOWER THE COST DIDN'T HAPPEN, THIS IS NOTHING MORE THAN A SIMPLE 'RAISE IT BECAUSE WE CAN.' DO WE REALLY NEED TO POINT OUT THAT ARKANSAS IS 9.99 PER KWH? I RECOMMEND YOU REVIEW THE WATCHDOG SITE 'ELECTRIC CHOICE' AND SEE WHAT OUR NEIGHBORS ARE CHARGING. YOU CAN'T INCENTIVIZE BUSINESS GROWTH IN THIS STATE WITH RATES LIKE THIS. THE LINK IS BELOW WITH A 2022-2023 SIDE BY SIDE COMPARISON. SO MANY STATES ARE LOWERING THE COSTS... WHY ARE WE GOING IN THE WRONG DIRECTION? [HTTPS:WWW.ELECTRICCHOICE.COMELECTRICITY-PRICES-BY-STATE](https://www.electricchoice.com/electricity-prices-by-state)

TO WHOM IT MAY CONCERN:

I WISH TO PROTEST THE PROPOSED EVERGY RATE INCREASE. IN THESE DAYS OF INCREASING INFLATION AND THE DEVALUING OF THE DOLLAR IT IS BECOMING INCREASINGLY DIFFICULT TO MAKE ENDS MEET. PLUS I'M NOW RETIRED AND ON A FIXED INCOME. A MONTHLY INCREASE OF \$14 OR \$15 MAY NOT SEEM LIKE MUCH BUT IT HAS A SIGNIFICANT IMPACT TO ME AND TO THOSE WHO ARE IN THE SAME BOAT AS I AM.

I'M OF THE THE UNDERSTANDING THAT EVERGY IS A VERY PROFITABLE COMPANY. WHY, THEN, DOES IT NEED A RATE HIKE? ALSO, COULDN'T IT CUT BACK ON THE AMOUNT OF ADVERTISING IT DOES AND SAVE MONEY SO THAT A RATE HIKE WOULD NOT BE NEEDED? THE AVERAGE CITIZEN NEEDS A BREAK NOT A RATE INCREASE.

SINCERELY,
GARY E. CLARK

I OPPOSE EVERGY'S REQUEST FOR A RATE HIKE CITING THEIR CONTINUED INCREASE IN PROFITS AND THE PUBLIC'S INABILITY TO KEEP UP WITH RISING PRICES IN EVERY SECTOR. ADDITIONALLY, IF WE THE PUBLIC HAVE TO PAY EXTRA TO COVER 'LOSS PROFITS' THEN MAYBE AMERICA'S NATURAL RESOURCES SHOULD BELONG TO THE PEOPLE AND BE CONTROLLED BY THE PEOPLE. NATIONALIZE OUR NATURAL RESOURCES AND LET AMERICANS BENEFIT FROM AMERICA'S VAST RESOURCES. THIS IDEA OF BAILING OUT PRIVATE COMPANIES AND PRIVATIZING EVERY ASPECT OF AMERICAN GOVERNMENT IS DESTROYING THE AMERICAN MIDDLE CLASS AND AMERICA IN GENERAL. THESE COMMENTS WOULD APPLY TO KANSAS GAS SERVICE'S RATE INCREASE AS WELL. WHY IS THE PUBLIC BAILING OUT A PRIVATE COMPANY OVER LOSS PROFITS? THAT'S NOT CAPITALISM, THAT'S CORPORATISM. NO MORE CORPORATE RULE FOR FREE AMERICANS! IT'S SUPPOSED TO BE 'FOR THE PEOPLE, BY THE PEOPLE' NOT FOR CORPORATIONS, BY CORPORATIONS. THANK YOU FOR THE OPPORTUNITY TO COMMENT.

THE RATES ARE HIGH ENOUGH AND THERE IS NO OVERSIGHT ON HOW MUCH EVERGY CAN CHARGE OR WHAT THEY DO WITH THE MONEY. I KNOW THEY ARE NOT GOOD STEWARDS WITH OUR PAYMENTS AND HAVE GIVEN BONUSES WHILE THE AVERAGE CITIZEN IS STRUGGLING. STOP RAISING RATES AND QUIT WORKING FOR YOUR SHAREHOLDERS, WE HAVE NO OTHER CHOICE BUT TO USE EVERGY AND THEY KNOW IT. MAKE YOUR EMPLOYEES BE ACCOUNTABLE FOR THEIR SPENDING AND HOW THEY USE THE RESOURCES THEY ARE GIVEN.

I HAVE ALREADY MADE ONE COMMENT DEPLORING THE PROPOSED HIGH INCREASE IN FUEL BILLS SOON TO BE PASSED ON TO YOUR CUSTOMERS. I HAVE SINCE LEARNED THAT EVERGY HAS NOT INCREASED ITS RATES IN 15 YEARS. SO THIS IS JUSTIFICATION FOR THE PROPOSED INCREASE? IN ADDITION, WHY ARE CHURCHES BEING TARGETED FOR A 25 INCREASE? THIS SUGGESTION MAKES LITTLE SENSE AND SHOULD BE ELIMINATED. LASTLY, AS SENATOR ROGER MARSHALL POINTS OUT, KS SHOULD ABSOLUTELY NOT BE PAYING FOR OTHER STATES' ENERGY! WHILE I AM NOT TOTALLY FAMILIAR WITH HOW THAT WORKS, IT DOES NOT SOUND LIKE AN 'EQUITABLE' SITUATION FOR KANSANS IN ANY WAY. PLEASE ADDRESS THIS PROBLEM. THANK YOU, SINCERELY, LESLEY JOHNSON

DEAR COMMISSIONERS: I AM WRITING TO FIRMLY OPPOSE EVERGYS RATE INCREASE AND CONTINUED FUNDING OF FOSSIL FUELS IN MY COMMUNITY. EVERGY NEEDS TO CLOSE THE LAWRENCE ENERGY CENTERS COAL-FIRED POWER PLANT AS THEY PROMISED. IT IS NOT APPROPRIATE FOR EVERGY TO RAISE MY ENERGY BILLS IN ORDER TO CONTINUE TO PAY FOR THE COAL FIRED POWER PLANT THAT THEY PROMISED TO CLOSE. THERE IS FEDERAL INFLATION REDUCTION ACT FUNDING EVERGY CAN TAKE ADVANTAGE OF TO CONVERT TO CLEAN, LOW-COST RENEWABLE ENERGY, JUST LIKE PSO OKLAHOMA HAS DONE. THERE ARE PROVEN NON-FOSSIL FUEL ENERGY OPTIONS OUT THERE THAT ARE MORE EFFICIENT. PLEASE CONSIDER THESE OPTIONS! INSTEAD OF PURCHASING AND TRANSPORTING COAL FOR THESE PLANTS, EVERGY SHOULD INVEST IN RENEWABLE ENERGY. I AM THE MOTHER OF TWO CHILDREN UNDER THE AGE OF TEN. I AM VERY CONCERNED ABOUT THE ENVIRONMENTAL IMPACTS OF COAL BURNING ON MY CHILDREN, COMMUNITY, AND ENVIRONMENTS HEALTH AND WELLBEING, AS WELL AS THE COMMUNITIES THAT THE COAL COMES FROM. COAL MINING AND COAL PLANT POLLUTION ENVIRONMENTAL AND NOISE POLLUTION AND RESULTING DISEASES- ARE ALL VERY CONCERNING. CLIMATE CHANGE IS VERY REAL, AS WE HAVE SEEN WITH GLARING CLARITY IN THE INCREASE OF TEMPERATURES AND WORLDWIDE STORMS, AMONG OTHER THINGS. WITHOUT PROMPT ACTION, THESE CATASTROPHES WILL ONLY INCREASE IN FREQUENCY, CAUSING INCREASING HARM TO OUR NATURAL WORLD, INCLUDING HUMANITY. THE KCC AND EVERGY SHOULD KEEP THEIR CUSTOMERS IN MIND BY MAKING CHOICES THAT PROVIDE KANSANS WITH CHEAP, RENEWABLE ENERGY. I URGE YOU TO REDUCE COSTS, CLOSE THE LAWRENCE COAL-FIRED POWER PLANT, AND ACCELERATE YOUR TRANSITION AWAY FROM FOSSIL FUELS, TOWARD AFFORDABLE, RELIABLE, CLEAN ENERGY OPTIONS. THANK YOU FOR YOUR TIME AND CONSIDERATION. SINCERELY, ELIZABETH BONNY LAWRENCE, KS

MY HOUSEHOLD HAS BEEN A LONGTIME CUSTOMER OF KPL, WESTERN RESOURCES, WESTAR, AND NOW EVERGY, AND IN ALL OF THAT TIME, WE HAVE NEVER SEEN SUCH SENSELESS REASONS FOR A RATE INCREASE, STARTING WITH THE LAME EXCUSE BY BOTH EVERGY AND KANSAS GAS SERVICE FOR THE 2021 COLD SNAP, MUCH LIKE THE ONES THAT HAPPEN EACH WINTER. I WAS SHOCKED THAT YOU APPROVED THE RATE INCREASES FOR BOTH OF THESE ENERGY PROVIDERS, GIVEN THAT THEY EACH FAILED TO PLAN ACCORDING SHOULD THE WINTER NOT BE AS MILD AS THE YEAR BEFORE. THAT'S POOR PLANNING ON THEIR PART, AND THEY SHOULD EAT THE COST AND LEARN FROM THEIR MISTAKE. IT'S NOT THE CONSUMERS FAULT THAT THEIR FINANCE DIVISION DIDN'T RECOMMEND TO HAVE MONEY ALLOCATED FOR A POSSIBLE COLD SPELL, SHOULD THAT OCCUR. EVERGY IS REQUESTING YET ANOTHER RATE INCREASE TO HELP FINANCE A PLANT THAT MANUFACTURES EV BATTERIES. EVERGY ELECTRIC CUSTOMERS SHOULD NOT BE EXPECTED TO FOOT THE BILL FOR A BUSINESS VENTURE THAT HAS NO RELATION WHATSOEVER TO THE PRODUCT THAT WE PURCHASE FROM EVERGY ELECTRIC. THESE RATE INCREASES ARE BECOMING MORE COMMON AND MORE FREQUENT. BOTH KANSAS GAS AND EVERGY ARE QUICKLY BECOMING MONOPOLIES WHO ARE TAKING ADVANTAGE OF THEIR CUSTOMERS. I AM HOPING THAT YOU WILL DENY THEIR REQUEST AND WORK THEM TO BEGIN A TREND OF LOWERING OUR COSTS TO PURCHASE ELECTRICITY. THANK YOU- SCOTT HULSE

DEAR COMMISSIONERS, IN REFERENCE TO EVERGY RATE CASE DOCKET NO. 23-EKCE-775-RTS, I WOULD LIKE TO COMMENT. I AM APPALLED THAT EVERGY HAS THE GALL TO ASK FOR A RATE INCREASE TO PAY FOR THE COAL PLANT THAT THEY PROMISED TO CLOSE. PLEASE DO NOT APPROVE IT! THE KANSAS CORPORATE COMMISSION AND EVERGY SHOULD BE MAKING CHOICES INSTEAD THAT PROVIDE KANSANS WITH CHEAP, RENEWABLE ENERGY INSTEAD OF ASKING CUSTOMERS TO PAY MORE FOR DIRTY, CLIMATE-DEGRADING ENERGY. IN THE FACE OF INCREASING CLIMATE CHANGE, KANSAS SHOULD NOT BE SUPPORTING COAL AS A SOURCE OF ENERGY. WE'RE ALREADY SEEING THE NEGATIVE EFFECTS IN TERMS OF EXTREME WEATHER EVENTS, AND BURNING MORE COAL IS ONLY GOING TO MAKE IT WORSE. EVERGY SHOULD BE CONVERTING TO CLEAN, LOW-COST RENEWABLE ENERGY USING THE FEDERAL INFLATION REDUCTION ACT FUNDING, AS THE UTILITY PSO OKLAHOMA HAS DONE. THANK YOU FOR DOING THE RIGHT THING FOR KANSANS AND FOR THE FUTURE OF THE PLANET, AND DENYING EVERGY THEIR REQUEST FOR A PRICE HIKE. SINCERELY, THERESA MARTIN LAWRENCE, KS

09/11/2023 AN INCREASE OF OVER 14. PER MONTH IS WAY TO MUCH. I KNOW THE IMPORTANCE OF MAINTAINING INFRASTRUCTURE. BUT WHEN YOU WERE ABLE TO PAY 535 MILLION IN DIVIDENDS PLUS I BELIEVE YOU MADE A PROFIT THE INCREASE SHOULD NOT BE THAT MUCH. THERE ARE A LOT OF PEOPLE ON FIXED INCOMES THAT CAN NOT AFFORD A 14 INCREASE IN THEIR UTILITY BILLS. THE PROJECTED INCREASE IN SOCIAL SECURITY IS 3. THAT WON'T EVEN COVER THE INCREASE IN INSURANCE. JUST BECAUSE YOU COULD NOT INCREASE THE RATES FOR 5 YEARS IN THE CONTRACT WHEN YOU PURCHASED WEST STAR DOESN'T REQUIRE YOU TO MAKE UP FOR THAT 5 YEARS ALL AT ONE TIME. PLEASE CONSIDER LOWERING YOUR INCREASE. CONSIDER PEOPLE LIVING ON A FIXED INCOME. THANK YOU.

09/29/2023 COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, PATRICIA WIEDMER 114 E MYRTLE TROY KS, 66087-5258

I'M COMPLETELY OPPOSED TO ANY INCREASES, WE ALREADY PAY OVER 200 A MONTH ON A HOUSE LESS THAN 800SQ FEET. AS A RESIDENT OF KCPL NOW EVERGY FOR 20 PLUS YEARS, WE'VE SEEN ZERO IMPROVEMENTS AS FAR AS OUR ELECTRICITY IS CONCERNED. FROM LOW HANGING LINES, LINES WITH TREES OVER NEAR ON LINES. ALL OF WHICH THE ELECTRIC COMPANIES SO KINDLY SELF ELIMINATE THEMSELVES FROM ANY RESPONSIBILITIES. WHEN THE WIND GETS TO BLOWING A LITTLE TOO HARD WE LOSE POWER, IF IT RAINS A LITTLE TOO HARD WE LOSE POWER, IF IT SNOWS A LITTLE TOO MUCH WE LOSE POWER.. I'M SPEAKING IN TERMS WELL BELOW A 'STORM' STANDARD. THE AVERAGE WORKER IS STRUGGLING AND WITH EACH UTILITY BILL COMMANDING 100 PLUS IT LEAVES LITTLE ROOM FOR ANYTHING ELSE. GREED ALWAYS PLAYS A PART. YOU'LL GET NOTICES OF PRICE INCREASES DO TO FUEL GOING UP AND COSTS GOING UP, YET WHEN PRICES DROP YOU'LL NEVER SEE A LETTER TO INFORM YOU OF PRICE DROPS. ENOUGH IS ENOUGH.

I HAVE BEEN A CUSTOMER OF EVERGY EVER SINCE THEY APPEARED IN DOUGLAS COUNTY KANSAS. I AM COMPLETELY GOBSMACKED THAT NOT ONLY ARE THEY NOT CLOSING THE COAL-POWERED PLANT IN OUR COUNTY AS THEY'D PROMISED THEY WOULD DO, BUT THEY ARE ASKING FOR A RATE INCREASE TO KEEP IT OPEN. REALLY? PLANET-WIDE WE'VE GOT DROUGHT AND FLOODS, SEA-LEVELS RISING, EXTREME WEATHER, ENORMOUS FOREST FIRES, HURRICANES AND TYPHOONS LINING UP LIKE FOLKS IN A RESTAURANT WAITING FOR A TABLE AND EVERGY IS KEEPING ITS COAL-POWERED PLANT OPEN? I DON'T KNOW WHAT PLANET THEY ARE PLANNING TO LIVE ON, BUT IT'S THE CUMULATIVE EFFECT OF FOLKS NOT CHANGING THEIR CLIMATE-DAMAGING BUSINESS MODELS THAT IS DOOMING THOSE OF US HERE ON PLANET EARTH. PSO OKLAHOMA IS USING INFLATION REDUCTION ACT FUNDING TO CONVERT TO CLEAN, LOW-COST RENEWABLE ENERGY. IF OKLAHOMA CAN DO IT, EVERGY CAN AND SHOULD DO THE SAME. AND KCC SHOULD INSIST ON IT.

EVERGY BEING A PUBLIC COMPANY IS A DIRECT CONFLICT OF INTEREST FOR KANSAS CONSUMERS. IF THEY NEED ADDITIONAL RESOURCES THEY CAN SELL ADDITIONAL STOCK AND CREATE ADDITIONAL VALUE THAT WAY. CREATING A MONOPOLY WHOSE REAL PRODUCT IS THEIR STOCK VALUE IS A SLAP IN THE FACE TO KANSANS WHO ARE FORCED TO USE THEIR ELECTRICITY. WE SHOULD NOT BE ASKED TO GIVE A GREATER PAYOUT TO THEIR SHAREHOLDERS.

I CHOSE EVERGY'S 100 WIND ENERGY OPTION FOR MY ELECTRIC PLAN, SO I ALREADY WILLINGLY PAY HIGHER RATES FOR MY ELECTRICITY; I DO NOT WANT TO BE PENALIZED WITH EVEN HIGHER RATES SO EVERGY EXECUTIVES CAN KEEP THEIR POCKETS FULL AND CONTINUE TO OPERATE A COAL PLANT THAT IS SUPPOSED TO BE SHUTTING DOWN. TOO MANY PEOPLE IN KS ARE HURTING AND ARE STRUGGLING TO GET BY ALREADY, INCREASING RATES WILL ONLY HURT THEM MORE AND IS TOTALLY UNNECESSARY. I OPPOSE THIS PLAN.

HAVING RECENTLY MOVED TO A NEW SUBDIVISION WE HAVE EXPERIENCED NUMEROUS POWER OUTAGES. IN OUR 30 YEARS LIVING IN OVERLAND PARK, WE HAVE NOT HAD AS MANY POWER OUTAGES AS WHAT WE HAVE HAD WITHIN ONE YEAR IN THE NEW SUBDIVISION. WHILE EVERGY DOES HAVE AN ONLINE FEATURE FOR OUTAGE REPORTING AND OUTAGE VISIBILITY, EVERGY DOES NOT PROVIDE ITS CUSTOMERS WITH THE ABILITY TO SEE HISTORICAL OUTAGES NOR DOES IT PROVIDE PROACTIVE FEEDBACK REGARDING THE FIX TO RESOLVE FREQUENT OUTAGES. AFTER SPENDING OVER AN HOUR ON THE PHONE WITH A NICE CUSTOMER SERVICE PERSON, I WAS ABLE TO RECEIVE A CASE NUMBER FOR AN ENGINEER TO CONTACT ME TO REVIEW WHY WE HAVE HAD SO MANY OUTAGES AND WHAT EVERGY IS DOING ABOUT IT. THREE MONTHS LATER, NO FOLLOW UP. EVERGY IS PROVIDING A MONOPOLY SERVICE AND SHOULD TAKE ITS SERVICE TO ITS CUSTOMERS TO HEART. WITHOUT OPEN COMMUNICATIONS REGARDING FAILURES TO PROVIDE ELECTRICITY THEN WE HAVE TO QUESTION THE EFFECTIVENESS OF THE BUSINESS. THE COMMISSION SHOULD BE REVIEWING EVERGY'S REPEATED FAILURE TO PROVIDE CONSISTENT ELECTRICITY TO CUSTOMERS AND EXPECT EVERGY TO PROVIDE 'PERMANENT FIXES' NOT BANDAIDS TO RESOLVE REPEATED ISSUES. RATE INCREASES DO NOT PROVIDE FOR BETTER SERVICE. BETTER SERVICE IS PROVIDED TO CUSTOMERS THROUGH ACCOUNTABILITY. EVERGY NEEDS TO STOP HIDING BEHIND ITS WALLS AND STEP UP TO BETTER SERVICE AND THE COMMISSION SHOULD HOLD THEM ACCOUNTABLE TO DO SO.

THIS RATE INCREASE WILL MAKE IT EVEN HARDER FOR PEOPLE WITH LOW INCOME TO SURVIVE. THE MERGER OF WESTAR ENERGY AND GREAT PLAINS ENERGY INTO EVERGY A FEW YEARS AGO WAS ALLEGEDLY SUPPOSED TO HELP CUSTOMERS, BUT SUCH LARGE RATE INCREASES ONLY HURT US. SUCH RATE HIKES DO NOTHING TO ENCOURAGE CUSTOMERS TO MAKE ENERGY EFFICIENCY IMPROVEMENTS OR TO INCORPORATE MORE ENVIRONMENTALLY SUSTAINABLE ENERGY PRODUCING METHODS, SUCH AS INSTALLING SOLAR PANELS.

KANSAS CORPORATION COMMISSION OFFICE OF PUBLIC AFFAIRS AND CONSUMER PROTECTION 1500 SW ARROWHEAD ROAD TOPEKA, KS 66604-4027 SEPTEMBER 10, 2023 EVERGY RATE CASE DOCKET NO. EKCE-775-RTS CATHERINE BOLTON, LMSW LAWRENCE, KS EVERGY CUSTOMER SINCE 1990 FIRST AS WESTAR I AM WRITING TO STRONGLY OPPOSE THE PROPOSED EVERGY RATE INCREASE MOST ESPECIALLY WITHOUT PROVIDING ANY UNEQUIVOCAL CONFIRMATION TO CLOSE THE COAL PLANT IN LAWRENCE, KS AS PREVIOUSLY PROMISED. AS A SINGLE, RETIRED, FIXED-INCOME FAMILY, I AM DISTRESSED THAT YOU COULD CONSIDER INCREASING MY RATES AND CONTINUE TO OPERATE A PLANT THAT CAUSES REAL AND PROFOUND HEALTH AND ENVIRONMENTAL PROBLEMS FOR CITIZENS OF LAWRENCE AND SURROUNDING COMMUNITIES, NOT TO MENTION WILDLIFE ON LAND AND IN WATER. I AM ALSO DISTRESSED BY THE RATE INCREASES IMPACT ON ECONOMICALLY DISADVANTAGED CITIZENS. AS A SOCIAL WORKER, I WORKED MANY YEARS WITH MANY DISADVANTAGED FAMILIES WHO OFTEN HAVE TO CHOOSE BETWEEN FOOD-MEDICAL CARE-CHILDREN'S NEEDS AND KEEPING POWER FOR SAFETY IN THIS FOUR SEASON CLIMATE. IT IS UNTENABLE, IMMORAL EVEN, THAT YOU WOULD ASK DEMAND ANY INCREASE, MUCH LESS THE LARGEST INCREASE IN YOUR HISTORY. AS A GIANT MONOPOLY YOU EXERCISE YOUR POWER TO DOMINATE THE LOCAL ENERGY INDUSTRY WITH NO REGULATORY OVERSIGHT AND NO ACCOUNTABILITY AS TO HOW YOU SPEND OUR HARD-EARNED MONEY. YOU SPEND OUR MONEY IN WAYS THAT CAUSE US HARM: FOSSIL-FUELED DISEASE, EMISSIONS THAT CONTRIBUTE TO WATER POLLUTION AND DEPLETION, AIR POLLUTION, PREVENTABLE DISEASE, CLIMATE CHANGE AS EVIDENCED BY THE HOTTEST TEMPERATURES IN HISTORY AND A HOST OF NATURAL DISASTERS, AND HIGHER CONSUMER COSTS AS A RESULT. WHY WOULD YOU CONTINUE IN THIS DESTRUCTIVE PATTERN WHEN THERE ARE PROVEN ENERGY ALTERNATIVES? WHERE IS YOUR UNEQUIVOCAL COMMITMENT TO THESE ALTERNATIVES? YOU AND THE KCC CAN CHANGE THIS. YOU CAN USE THE POWER YOU HAVE TO CREATE CHANGE FOR THE GREATER GOOD. INSTEAD OF SPENDING 500 MILLION ANNUALLY BUYING COAL FROM WYOMING, YOU COULD USE THAT

09/12/2023

MONEY TO CREATE CLEANER ENERGY. THOUGH A RATE INCREASE WOULD BE DIFFICULT FOR ME, I'D DEAL WITH AN INCREASE IF I WAS ABSOLUTELY ASSURED THAT YOU WOULD SPEND MY LIMITED DOLLARS IN PURSUIT OF A NEW GOAL; A GOAL TO DO THE RIGHT THING; TO ACT WITH INTEGRITY. SHAME ON YOU TO CONSIDER DOING ANYTHING TO THE CONTRARY. AGAIN, IN THE STRONGEST TERMS POSSIBLE, I STRONGLY OPPOSE THIS PROPOSED RATE INCREASE. I ALSO OPPOSE ANY SUGGESTION OF INSTALLING A NATURAL GAS PLANT IN PLACE OF THE COAL-FIRED PLANT, WHICH WOULD CONTRIBUTE TO EQUAL IF NOT MORE HEALTH AND ENVIRONMENTAL RISKS. YOU HAVE ADMITTED THAT YOU COULD CHANGE FROM COAL-FIRED AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY AND REDUCE HARMFUL POLLUTION EMISSIONS BY 85 BY 2030, PROTECTING THE HEALTH OF CITIZENS AND WILDLIFE. YET THERE IS NO CONVERSION TO THIS EFFECT. PERHAPS THIS IS YOUR FORM OF GAS-LIGHTING! HERE ARE MY TERMS: RESCIND THE PROPOSED RATE INCREASE CLOSE THE COAL-POWERED PLANT AS YOU PROMISED KCC EVERGY HAVE THE POWER TO PROVIDE

Narrative

09/12/2023

I AM AGAINST THE RATE INCREASE AS PROPOSED. FIRST OF ALL, ANY INCREASE AT ALL SHOULD BE BASED ON WHETHER EVERGY MET OR PLANS TO MEET ITS PROMISED GOAL OF CONVERSION TO CLEAN ENERGY. I FEEL MANIPULATED BY THE INFLUENCE OF FOSSIL FUEL COMPANIES IN THIS COUNTY. IN MY OPINION THEY HAVE BEEN KNOWINGLY HARMING CITIZENS FOR DECADES WITH FOSSIL FUEL EMISSIONS. THERE IS EVIDENCE THAT FOSSIL FUEL COMPANIES KNEW FOR DECADES SINCE THE 1970S OF THE DANGER OF CARBON BUILD UP IN OUR ATMOSPHERE AND THAT THE USE OF FOSSIL FUEL CONTRIBUTES TO THIS BUILD UP. THEY SHOULD HAVE BEEN WORKING ON THIS ISSUE DECADES AGO. NOW WE HAVE LESS TIME TO ADDRESS THE PROBLEM. WE NEED TO MOVE QUICKLY. DURING KCC MEETINGS ON THE RATE INCREASE I KEPT HEARING THE PHRASE, INTEGRATED RESOURCES. I DO NOT BELIEVE WE SHOULD FOCUS ON INTEGRATING WITH FOSSIL FUEL. INSTEAD, WE SHOULD FOCUS ON FAZING OUT FOSSIL FUEL. OF COURSE, THIS PHASE OUT NEEDS TO BE GRADUAL AND ACCOMPLISHED IN AN ECONOMICALLY FEASIBLE MANNER, BUT IT MUST HAPPEN AND AS QUICKLY AS POSSIBLE. THE LONGER WE WAIT THE GREATER THE NEGATIVE IMPACT ON OUR ECONOMY. IF WE CONTINUE USING FOSSIL FUEL WE WILL SACRIFICE QUALITY OF LIFE OR LIFE ITSELF FOR OUR CHILDREN AND GRANDCHILDREN. THERE IS NO CHOICE INVOLVED. PROFIT IS OKAY BUT NOT ALL THAT MATTERS. COMPANIES HAVE AN OBLIGATION TO THE COMMUNITY, AND NATION FROM WHICH THEY EMERGE. THE ROADS WHICH MADE POSSIBLE TRANSPORT OF SUPPLIES TO COMPANIES, AND BUSINESSES WERE PAID FOR BY TAXPAYERS. ONCE THESE ROADS ARE ESTABLISHED THEY ARE FREE FOR USE BY LARGE CORPORATIONS. AGAIN MAINTENANCE, IS LARGELY PAID FOR BY TAXPAYERS. ANY SYSTEM BASED ON GREED ALONE I.E., MAKING THE HIGHEST PROFITS AT ANY COST TO LIFE AND PROPERTY IS MORALLY BANKRUPT. THIS IS NOT THE APPROACH TO GOVERNING THAT, IN THE PAST, MADE AMERICA GREAT. THERE ARE THOSE WHO MINIMIZE CLIMATE CHANGE AND ITS URGENCY BUT I HOPE YOU KNOW THEIR BELIEFS ARE BASED ON TOO NARROW A FOCUS, AND MISINFORMATION IN THE SERVICE OF POLITICAL GAIN. SCIENCE,

09/12/2023

IS THE SOURCE WE SHOULD TAKE SERIOUSLY. THERE WAS A TIME IN THIS COUNTRY WHEN THIS WAS SELF-EVIDENT. ITS HARD TO BELIEVE I FEEL THE NEED TO POINT THIS OUT. IF YOU WANT SCIENTIFIC KNOWLEDGE ABOUT THE PHYSICAL WORLD DO NOT ASK POLITICIANS OR EVEN ECONOMISTS. THEY HAVE RELEVANT ADVICE BUT NOT ABOUT PHYSICAL SCIENCE. AT THE RISK OF HYPERBOLE I WILL SAY WE ARE AT A CROSSROADS FOR HUMANITY. IF WE DONT DO THE RIGHT THING IN TERMS OF CLIMATE CHANGE GLOBAL WARMING OUR CHILDREN AND GRANDCHILDREN WILL PAY THE ULTIMATE PRICE. I CAN ONLY HOPE YOU CARE.

I ATTENDED A PUBIC HEARING SEVERAL MONTHS AGO ON THIS ISSUE AND HEARD MANY POOR AND ELDERLY PEOPLE SAY THEY COULD NOT AFFORD THE RATE INCREASE. MY SUGGESTION IS THIS: IF A CUSTOMER IS USING VERY LITTLE ENERGY, WHY NOT REWARD THEM BY MAKING THEM EXEMPT FROM THE INCREASE? I DOUBT THAT THESE PEOPLE ARE LIVING IN MANSIONS WHICH HAVE EXORBITANT HEATING AND COOLING COSTS, AND THEY PROBABLY CONSERVE ENERGY HOWEVER THEY CAN. SO WHY NOT DETERMINE A CERTAIN LEVEL OF MONTHLY ENERGY USAGE, AND REWARD PEOPLE BELOW IT WHO ARE CONSERVING ENERGY BY MAKING THEM EXEMPT FROM THE INCREASE?

PLEASE DENY EVERGY ITS EXCESSIVE RATE INCREASE. SINCE I AM A SENIOR CITIZEN ON A FIXED INCOME THIS WOULD NEGATIVELY IMPACT ME FINANCIALLY. DUE TO INCREASED USE OF AIR CONDITIONING BECAUSE OF HIGHER SUMMER TEMPERATURES PARTLY CAUSED BY CLIMATE CHANGE, TOTAL COSTS WILL ALREADY INCREASE SUBSTANTIALLY. ALSO, PLEASE REQUIRE EVERGY IN ITS INTEGRATED POWER PLAN TO RESTORE THE PROVISION CLOSING THE LAWRENCE ENERGY CENTER'S COAL-FIRED UNITS. ORIGINALLY, THEY PROPOSED CLOSING THEM THIS YEAR AND NOW WANT TO RENEGE ON THEIR PROMISE. THE FACT IS THOSE UNITS PRODUCE 4.2 BILLION POUNDS OF CO2 ANNUALLY, THEREBY CONTRIBUTING TO CLIMATE CHANGE. THANK YOU FOR PAYING ATTENTION TO MY COMMENTS.

WITH THE ECONOMY THE WAY IT IS, EVERYTHING COSTS SO MUCH MORE. RESIDENTIAL CONSUMERS, ESPECIALLY THOSE ON FIXED INCOMES, BEAR THE BRUNT OF THESE PROPOSED INCREASES. EVERGY EMPLOYEES MAKE BETTER THAN AVERAGE WAGES WITH EXCELLENT BENEFITS. I DON'T UNDERSTAND WHY THEY CAN'T MAKE IT ON THE PROFITS THEY MAKE NOW. LIKE ANY ORGANIZATION, THEY NEED TO TIGHTEN THEIR BELTS! MAYBE EVERGY NEEDS TO START AT THE TOP AND WORK THEIR WAY DOWN TO HELP THEIR BOTTOM LINE. THE CONSUMERS HAVE TO ADJUST TO THESE TERRIBLE ECONOMIC TIMES. EVERGY SHOULD ADJUST ALSO INSTEAD OF ASKING FOR MORE MONEY.

RAISING RATES JUST BECAUSE IT'S BEEN 5 YEARS IS NOT A GOOD REASON. SAVING A BILLION DOLLARS WAS GOOD AND I HOPE THEY ARE CONTINUING THIS. I MOVED INTO A 528 SQ. FOOT STUDIO APARTMENT IN NOVEMBER OF 2022. I HAD PREVIOUSLY LIVED IN A 3 BEDROOM RANCH STYLE HOUSE AND A FULL BASEMENT AND THE HEATING BILLS WERE LESS. 111822 - 122222 - 104.55 120822 - 011022 - 161.07 I WAS GONE FOR 11 DAYS IN THIS TIME FRAME 011023 - 020823 - 133.45 I WAS GONE FOR 7 DAYS IN THIS TIME FRAME 020823 - 030923 - 106.30 I WAS GONE FOR 11 DAYS IN THIS TIME FRAME I AM A SINGLE PERSON WHO IS TRYING TO RETIRE AND MY INCOME IS VERY LIMITED. I NEVER ANTICIPATED THE ELECTRIC BILL TO BE REMOTELY CLOSE TO THIS AMOUNT. I HAVE CALLED EVERGY TO FIND EVERY WAY POSSIBLE TO SAVE ON ELECTRIC BILL. I USE THE HEAT AND NOW AC AS LITTLE AS POSSIBLE. THERE ARE MANY APARTMENTS THAT ARE OLDER AND HAVE NO NEW SOLAR POWER. NO NEW SIDING OR SHINGLES. NOT EVEN CENTRAL AIR AND HEAT. SINCE APARTMENTS HOUSE MANY MORE PEOPLE THAN HOUSES AND IT AFFECTS MORE PEOPLE I DON'T KNOW WHAT CAN BE DONE TO HELP ALL OF US. I UNDERSTAND OUR RENT WILL BE GOING UP ANOTHER 40 DOLLARS WHEN LEASES ARE TO BE RENEWED. I HEAR THEY ARE SAYING PROPERTY TAX AND WATER ARE THE REASONS. WE ALREADY PAY 65 FOR WATER. WHERE AND WHEN DOES IT STOP. THE YOUNG ONES CAN'T GET AHEAD AND THE OLD ONES CAN'T MAKE IT. THANK YOU FOR LETTING ME COMMENT. PLEASE LET ME KNOW IF YOU HAVE ANY QUESTIONS I CAN ANSWER.

DOCKET NUMBER: ENERGY RATE CASE DOCKET No. 23-EKCE-775-RTS

DEAR COMMISSIONERS:

I LIVE NORTH OF LAWRENCE AND HAVE LEARNED OF THE HEALTH-ENDANGERING ASPECTS OF COAL-FIRED PLANTS. MERCURY ESPECIALLY WORRIES ME, AS WELL AS FINE PARTICULATE MATTER THAT AFFECT EVERY LIVING THING IN OUR PRECIOUS, GOD-CREATED WORLD.

ENERGY ONCE PROMISED TO CLOSE THE LAWRENCE PLANT, AND ADMITTED IT COULD SWITCH TO RENEWABLES WITHOUT INCREASING RATES. PLEASE ENFORCE THIS PROMISE! INSTEAD OF BUYING COAL FROM WYOMING, PUT KANSANS TO WORK ON SOLAR AND WIND TECHNOLOGY. SET A GOOD EXAMPLE. WE WANT AND NEED CLEAN ENERGY FOR OUR FUTURE.

I OPPOSE THE RATE INCREASE.

THANK YOU FOR YOUR REGULATORY WORK.

SINCERELY,

TIM O'BRIEN

COMMISSION
SEP 21 2023
PUBLIC AFFAIRS
AND
CONSUMER PROTECTION

Dear Commissioners:

As a long-term Laurence resident and Energy customer, I am gravely concerned that our power utility is using its monopoly status for short-term gain at the cost of its customers, our health, and the climate conditions we all must share. I oppose the anticipated rate increase, which I understand would be the largest in Energy's history. I further ask the Commission to use regulatory authority to compel Energy to deliver on the promise to close the coal-powered Laurence Energy Center.

As customers of a monopoly, we do not have the option of using market choices to affect how we get our power. But Energy does have choices in how they provide our utility services. Investing in the future use of the coal plant means committing to purchasing and importing coal from out of state and doubling down on energy sources that are known to contribute to destructive climate change.

Instead, Energy could make choices more aligned with the example of Oklahoma Public Service Company, for instance. Our southern neighbors have shown that federal funds are available to help reduce dependency on fossil fuels. Now is the time. Energy has the option of developing the renewable energy capacity of Kansas and converting from coal to cleaner, more sustainable sources. They need to do so to continue

to enjoy the privilege of being our utility monopoly. They will not be acting in the interest of customers if they raise rates and send those funds off to coal fields out of state.

Again, I oppose the rate increase and support the coal plant closure.

Sincerely,

Ben Chappell

Docket Number: Evergy Rate Case Docket # 23-EKCE-77S-RTS

Dear Commissioners,

I am writing today to express my concern for the delayed closing of the coal-powered Lawrence Energy Center as promised. I oppose the rate hike and urge you to enforce Evergy's promise to close the plant. Coal not only contributes to climate change, it is also a major source of pollution. As Kansas residents who live downwind of the power plant, our health and that of our neighbors, children, and livestock is harmed by emissions from this plant.

With so many cheap & available renewable resources available, there is no excuse for continuing to maintain this harmful source.

Our neighboring utility, PSO Oklahoma, has already chosen clean, low-cost, renewable energy conversion through using Inflation Reduction Act Funding. Kansas needs to follow suit for the future of our state, our health, and our

precious world.

Sincerely,

Jennifer O'Brien

Re: ^{Rate} Energy Case Docket No. 23-EKCE-775-RTS

Dear Commissioners -

I write in opposition to Energy's rate increase and to encourage the closure of the coal-powered Lawrence Energy Center.

I lived in Lawrence for nearly 30 years and now live in a rural area of Douglas County. Our power comes from Free State Electric Co-op, which purchases part of its power from Energy, with a significant portion of that power coming from coal.

I also have worked in Lawrence on KU's West Campus for 27 years and do all my shopping in Lawrence so am affected by the cost of power here every day.

Kansas, with its enormous resources in sun and wind, can and should be a leader in renewable energy. We must prioritize our health and our surroundings and the legacy we leave.

Evergy Rate Case Docket
No. 23-EKCE-775-RTS

Dear Commissioner,

I have been a customer with Evergy since it was called Westar in 2007.

It is 2023; the alternative and clean energy options are too numerous to count these days.

Why Evergy persists in using industrial revolution, Victorian age technology boggles the mind.

I oppose Evergy's proposed rate hike personally both because money is always tight but also

>> THE PLANET <<

Energy promised to close the
Lawrence Coal plant - how
could such a significant
decision be reversed?

Our children have grown up
with the death of the planet
weighing down on their
slender shoulders - leading to
significant dread, pessimism,
depression and a reduction
in quality of life. This
all before the actual physical
suffering, mass animal
endangerment and rising
waters.

* You have some power
in the big picture -
Please use it. Facilitate
transition to clean energy*
Now.

Sincerely
Liza Mackinnon

Re: Docket#23-EKCE-775-RTS

Kansas Corporation Commission,

This is a letter of Protest regarding Evergy's Proposal for an absorbent rate increase for Kansas customers like myself who are living on fixed incomes. Evergy already has a string of fees & surcharges on their monthly billing & then they add Franchise Fees & Sales Taxes on top of that. A rate increase will also add more sales tax & fee charges in addition to the rate increase. Many of us here in Hesston, KS live in Showalter Villa, a retirement village, we own NO property!! Why is Evergy collecting a Property Tax Surcharge each month from customers who DO NOT Own property??

It is well known that these rate filings are always inflated for more than they expect to receive after a hearing & in this case Evergy is also trying to satisfy stockholders & promote sales of their stock.

Please Deny this absorbent rate increase & explore the real needs of Evergy!! If some rate increase is granted, then some of these fees & surcharges should be eliminated or reduced!!

Thank You for being Fair & Honest in your decision,

Merwin & Lenna Frye

PUBLIC AFFAIRS
AND
CONSUMER PROTECTION

This letter is written to beg if necessary, to not raise our energy bill any higher.

I understand you are providing a much needed service and I pay whatever bill I receive. But at times it is a cost that comes from my grocery budget. Take it from entertainment or eating out you may be thinking but there is no such items in my tight budget already. With this summer's heat wave the cost is at max limit now.

Living with in our means is being responsible. All I ask is for others to do the same. I can't add on to my small home to accommodate a large family to someday live in it. I don't have the means. In the same spirit Kansans shouldn't be asked to foot the bill for your expansion now so future patrons I can benefit long after I'm gone. Let them pay for what they'll have use of.

I'm a retired senior citizen and I don't think it's in my, or my generation's responsibility to front you money for your future collections. I hope you take my position into consideration

Cheney, KS

a Lawrence Kansas Resident.

Date: Sept. 10, 2023

Re: Energy Rate Case Docket No. 23-EKCE-775-RTS

Dear Commissioners and Madame Chairwoman Duffy,

I am an enrolled member of the Kickapoo Tribe in Kansas
and affiliated with the Prairie Band Potawatomi Tribe in Kansas.
I am a licensed social worker in Kansas and a USD 497
Board of Education member. I am privileged to have
matriculated my public education in Lawrence, KS.

I ask this board to NOT increase Energy's rate ~~increase~~,
Our communities will face even greater disparities
and further budget challenges to come from

rate increases. The USD 497 school district and our community members who face daily disparate living challenges will continue to pay for basic needs for basic survival. Our communities of color and low-income already choose between food and medicine.

The proposed rate increase will have fundamental and significant impacts as winters get colder and summers are getting significantly hotter. I am a proud sixth-generation Kansan and am greatly worried about the impacts of a rate increase.

I am a Board of Education member for Lawrence public schools. Our district is facing further budget shortfalls and consequences of inflation. Our district closed two schools and may be facing re-designing how we deliver a quality education.

Please consider your customers and our struggling families, businesses, schools, and those on fixed incomes in your decision making.

Respectfully,

Carole Cadue-Blackwood, LMSM

Ref: Energy Rate Case Docket No. 23-EKCE-775-RTS

Dear Commissioners,

My name is Jane Robinson. I am a 30 year resident of Lawrence so have been a customer of Energy as a homeowner for many years.

I write today to voice my opposition to Energy's proposed rate increase. In addition, I am disappointed that the coal-powered Lawrence Energy Center is still in operation. I ask that it be closed as had been promised and that bill increases certainly not be used in any way to fund ongoing coal powered energy. A much better approach would be investment in renewable energy sources.

As a nurse, I raise my voice about the significant negative health effects from burning coal - chronic asthma & lung disease, heart

disease and birth defects. These risks are significantly greater for people living near these plants, according to numerous studies as noted by the Clean Air Task Force.

Please consider these concerns with care.

Sincerely,

Jane Robmson

Lawrence, Kansas.

Dear Commissioners,

Rate Case Docket # 23-EXCE-
775-RTS

I am writing to encourage you to make sure that Energy doesn't increase its rate. Energy promised to close the coal plants years ago and now it is saying they will keep it open. I was enraged as we continue to experience more intense consequences of climate change. In the long run, renewable energy sources (not coal plants) will save residents money and save the planet.

Thank you for your consideration.

Sincerely,

Linda Watts
Lawrence

Re: Energy Rate Case Docket No. 23- EK CE - 775 - RTS

I have been customer of Energy since 1991. I immediately became aware of the Energy Coal Plant as one of the "dirtyest" in U.S. I am therefore beyond words in asking that the Lawrence Energy Center be closed!

I am amazed how slow Energy is in advocating for renewable ~~energy~~ energy. The expense increase is especially deneging to low income citizens.

Your response would be appreciated.

Re: Energy Rate Case Docket No. 23-EKCE-775-RTS

Dear Commissioners,

Sep 10, 2023

Please accept my concerns of Energy's Monopoly. Specifically, Energy Rate Case Docket No. 23-EKCE-775-RTS. I am opposed to Energy's rate hike. And encourage closing the coal-powered center in Lawrence, KS. Additionally, please do not allow Energy to increase my rates -- especially not for the coal plant that needs to close. Instead of coal, Energy may convert ~~it~~ to renewable and affordable energy sources and use Federal Inflation Reduction Act funding.

My gratitude for your good efforts on behalf of myself and fellow Kansans and Lawrence residents.

Sincerely,

Shirley E. Braunlich

EVERGY'S PROPOSED RATE INCREASE FOR EVERGY CENTRAL RESIDENTIAL CUSTOMERS IS ABOUT 10. THAT'S TOO MUCH, BY FAR. I CAN SUPPORT INFRASTRUCTURE IMPROVEMENTS, IF THE MONEY WILL BE SPENT ON INCREASING GREEN ENERGY SOURCES, BUT 10 IS STILL TOO MUCH. ALSO, I UNDERSTAND EVERGY HAS RECENTLY EARNED RECORD PROFITS AND EVERGY EXECUTIVES HAVE BEEN AWARDED EXORBITANT SALARIES. EVERGY IS ALLOWED A MONOPOLY ON PROVIDING ENERGY IN RETURN FOR RUNNING THE COMPANY PRIMARILY FOR THE PUBLIC GOOD. THE PUBLIC GOOD DOES NOT INCLUDE EXCESSIVELY LARGE RATE INCREASES.
SINCERELY, MARGARET H. CHILDS

I WAS PRIVILEGED TO WORK AT WESTAR AS A TEMPORARY PROGRAMMER IN THE FALL OF 2010, FOR A MATHEMATICAL GENIUS WHO MANAGED THE DIVISION RESPONSIBLE FOR ENSURING THAT WESTAR HAD ENOUGH EXCESS CAPACITY TO DEAL WITH UNPLANNED OUTAGES. HE TAUGHT ME A GREAT DEAL ABOUT GENERATION AND BUYING AND SELLING WITHIN THE POWER POOL. HE EXPLAINED THAT THERE ARE TWO PERIODS OF PEAK DEMAND, ONE IN THE MORNING WHEN WINDS ARE CALM, AND THE SECOND LATER IN THE LATE AFTERNOON OR EARLY EVENING. HE WAS VIGOROUSLY OPPOSED TO PUTTING UP TOO MANY WINDMILLS, AND THE COST OF SOLAR PHOTOVOLTAICS WAS PROHIBITIVE AT THAT TIME. NEVERTHELESS, THESE RENEWABLE SOURCES ARE INTERMITTENT. THEY CANNOT BE RELIED UPON TO PROVIDE POWER UNDER PEAK DEMAND CONDITIONS. IT IS UTTER FOLLY TO SHUTTER COAL-POWERED PLANTS, GIVEN THAT THE PRICE OF COAL KEEPS DROPPING, AND THE TECHNOLOGIES FOR LIMITING POLLUTION ARE IMPROVING. HE WAS ALSO OPPOSED TO THE MERGER WITH KCPL. PERHAPS THAT IS WHY HE LEFT WESTAR, BUT I DIGRESS. THE PROPOSED RATE INCREASE FOR EVERGY CENTRAL IS NOT JUSTIFIED BY INCREASED GENERATING COSTS. PERIOD. FULL DISCLOSURE: I HAVE A FEW SHARES OF EVERGY STOCK. I SEE THE VALUE IS DECLINING, AND I UNDERSTAND WHY. THAT DOESN'T CHANGE WHAT IS CLEARLY THE RIGHT THING TO DO.

AS A LOW INCOME SENIOR, LIVING IN LAWRENCE KS, I CAN'T AFFORD A HIKE IN ELECTRIC RATE, WITH MY LIVING OFF \$979 A MONTH, MY ONLY SOURCE OF INCOME. I KNOW THERE ARE OTHERS LIKE ME, HERE IN LAWRENCE, AND I REQUEST YOU NOT ALLOW EVERGY TO RAISE ELECTRIC RATES. I HONESTLY BELIEVE THEY WANT TO RAISE RATES TO PAY THEIR EMPLOYEES MORE MONEY. THIS IS WHAT I BELIEVE.

OVERLAND PARK (JOHNSON COUNTY) IS PROBABLY THE RICHEST COUNTY IN KANSAS, AND THEY CAN AFFORD A RATE HIKE, I BELIEVE, MUCH BETTER THAN LAWRENCE RESIDENTS -- WITH LAWRENCE HAVING MUCH MORE POOR THAN JOHNSON COUNTY HAS.

PLEASE DON'T APPROVE A 9% ELECTRIC HIKE FROM EVERGY FOR LAWRENCE.

I LIKE HOW THE MEETING REGARDING THIS WAS IN JOHNSON COUNTY, WHERE A LOT OF LAWRENCE RESIDENTS WOULDN'T GO, THIS FAR (JUST FOR THIS MEETING). IF THIS MEETING WAS IN LAWRENCE, WHICH IT WASN'T, I BELIEVE A LOT OF LAWRENCE RESIDENTS WOULD HAVE ATTENDED THIS MEETING AND WOULD HAVE OBJECTED TO A 9% ELECTRIC HIKE.

I STRONGLY OPPOSE THE PORPOSED RATE INCREASE. THE SIZE OF THE PROPOSED INCREASE IS POTENTIALLY DEVASTATING TO LOW INCOME FAMILIES, WHO ARE ALREADY STRUGGLING WITH HIGHER PRICES ON GASOLINE AND GROCERIES. ONE OF THE LEAD NEWS STORIES OF THE WEEK HAS BEEN THE DRAMATIC INCREASE IN THE NUMBER OF CHILDREN LIVING IN POVERTY SINCE THE US CONGRESS FAILED TO RENEW THE CHILDCARE TAX CREDIT LAW, AND THIS HIGH RATE INCREASE WILL ONLY ADD TO THE ECONOMIC PAIN. THE PROPOSED RATE INCREASE IS TOO HIGH, AND I URGE THE KANSAS CORPORATION COMMISSION TO DENY OR AT THE LEAST SIGNIFICANTLY DECREASE THE PROPOSED RATE HIKE. THANK YOU.

I LIVE IN THE JOHNSON COUNTY AREA WHICH IS SERVICED BY EVERGY. ITS MY UNDERSTANDING THAT EVERGY IS ASKING FOR AN EXORBITANT RATE HIKE IN THE NEAR FUTURE THAT THE KANSAS CORPORATION COMMITTEE WILL HAVE A CHANCE TO REVIEW AND DECIDE IF THE RATE HIKE IS WARRANTED. IM HOPING THAT THE COMMITTEE TAKES A LONG HARD LOOK AT THIS RATE HIKE. ACCESS TO ENERGY IS A BASIC NEED OF ALL HUMANS AND WITHOUT IT WE CANNOT THRIVE OR MAYBE EVEN SURVIVE. IF THIS RATE HIKE GOES INTO EFFECT, I BELIEVE IT WILL DO GREAT HARM AND DAMAGE TO THE HEALTH AND WELLBEING OF OUR POPULACE. EVEN IN THIS RICHEST COUNTY OF JOHNSON COUNTY, KANSAS WE HAVE PEOPLE THAT ARE JUST BARELY GETTING BY, STRUGGLING TO KEEP A ROOF OVER THEIR HEADS, AND BASIC FOOD NEEDS ON THEIR TABLE FOR THEMSELVES AND THEIR CHILDREN. RAISING RATES FOR ENERGY COULD CREATE AN ADDED CRISES FOR THESE PEOPLE THAT MIGHT PUT THESE PEOPLE OVER THE TOP AND POSSIBLY OUT ONTO OUR STREETS. ID LIKE YOU TO ASK YOURSELVES THIS ONE QUESTION: IS THIS RATE HIKE REALLY NECESSARY TO KEEP THE LIGHTS ON?, OR IS IT JUST TO LINE THE POCKETBOOKS OF CURRENT BOARD MEMBERS, SHAREHOLDERS, ENERGY CORPORATIONS, AND OTHER WEALTHY STAKEHOLDERS WHO COULD CARE LESS ABOUT THE IMPACT THEIR RATE INCREASE MIGHT HAVE ON THEIR FELLOW CITIZENS? THANKS FOR YOUR TIME AND CONSIDERATION.

KANSAS ALREADY HAS SOME OF THE HIGHEST RATES IN THE REGION. EVERGY IS A PUBLIC MONOPOLY, AND SHOULD BE RESPONSIBLE FOR THE PUBLIC BENEFIT. YET THEY TAKE MILLIONS OF DOLLARS IN PROFITS EACH YEAR FOR THE SOLE BENEFIT OF STOCK HOLDERS. THE RATE HIKE IS TO KEEP OLD, POLLUTING PLANTS ONLINE THAT CAUSE ENVIRONMENTAL HARM AND ADVERSE HEALTH CONDITIONS. EVERGY HAS CONTINUALLY STOOD IN THE WAY OF CLEAN ENERGY INITIATIVES. WE ALREADY HAVE CLEANER, CHEAPER WAYS TO PRODUCE ENERGY, YET EVERGY CONTINUES TO BREAK PROMISES TO CLOSE THE COAL PLANT IN LAWRENCE. THE KCC SHOULD SAY NO TO EVERGY'S DIRTY POWER RATE HIKES, AND YES TO ENERGY EFFICIENCY AND CHEAPER, CLEANER ELECTRICITY.

IT IS MY OPINION THAT EVERYGY HAS DONE LITTLE TO NOTHING TO ENCOURAGE OR INCENTIVIZE THE CONSERVATION OF ELECTRIC USAGE. I WOULD LIKE THE KCC TO REVISIT INCENTIVES FOR ENERGY-EFFICIENT APPLIANCES AND WEATHERIZATION OF HOMES. I UNDERSTAND THAT MISSOURI WILL HAVE NEW TIME-BASED RATE PLANS ADJUSTING ELECTRICITY PRICES BASED ON THE TIME OF DAY IT IS USED FOR. MOST CUSTOMERS WILL SEE SAVINGS RATHER THAN A RATE HIKE FROM EVERYGY. EVERYGY PLANS TO DELAY THE CLOSING OF COAL PLANTS. EVERYGY SHOULD BE EXPLORING HOW TO USE SOLAR TO SUPPLEMENT OUR ENERGY. KANSAS HAS PLENTY OF SUNSHINE. COAL AND NATURAL GAS ARE FINITE. IT IS RATHER IRONIC THAT IT IS PREDICTED THAT ANOTHER RATE HIKE PROPOSAL COULD BE ON THE HORIZON, DRIVEN BY THE ENERGY DEMANDS OF THE UPCOMING PANASONIC PLANT IN DE SOTO. THE PRODUCTION OF BATTERIES FOR ELECTRIC VEHICLES WILL REQUIRE AN AMOUNT OF ENERGY EVERYGY HAS LIKENED TO A SMALL CITY. GIVEN THAT KANSAS IS RANKED 49TH OUT OF THE 50 STATES AND WASHINGTON, D.C., IN ENERGY EFFICIENCY AS RATED BY THE AMERICAN COUNCIL FOR AN ENERGY-EFFICIENT ECONOMY, KANSAS HAS WIDE ROOM TO IMPROVE. GOOD HEAVENS, OKLAHOMA IS BETTER RATED THAN US. HOW EMBARRASSING. KANSAS CAN AND SHOULD DO BETTER IN BECOMING MORE ENERGY EFFICIENT.

WE BUILT THE HOUSE WE LIVE IN 38 YEARS AGO, A TOTAL ELECTRIC STRUCTURE. THE HOUSE IS EARTH-SHELTERED, AND WELL-INSULATED. ONE PRIORITY WE'VE HELD ONTO SINCE IT WAS BUILT IS TO MINIMIZE OUR IMPACT ON THE EARTH. WE'VE BEEN CUSTOMERS OF EVERGY SINCE IT BECAME A COMPANY IN JUNE 2018, AND BEFORE THAT WESTAR, AND BEFORE THAT KGE. ALL THESE ARE ONE AND THE SAME UTILITY, JUST DIFFERENT NAMES. WE HAVE NEVER MOVED. TWELVE YEARS AGO WHILE UNDER WESTAR'S SERVICE, WE UPGRADED OUR AIR-BASED HEAT PUMP TO A GEOTHERMAL MODEL AND INSTALLED GRID-COMPATIBLE HOME ALTERNATIVE GENERATING SYSTEMS, A SMALL WIND TURBINE AND A SET OF SOLAR PANELS. TO DATE, THOSE WIND AND SOLAR SYSTEMS PROVIDE A QUARTER OF THE ELECTRICITY WE USE ANNUALLY. WHAT HAPPENED TO OUR ELECTRIC BILLS? THE AMOUNT DUE TO THE UTILITY COMPANY? THAT'S THE INTERESTING THING. FOR A COUPLE YEARS FOLLOWING OUR HOME SYSTEM INSTALLATIONS, OUR BILLS TO THE UTILITY COMPANY DROPPED TO HALF OR LESS OF WHAT THEY PREVIOUSLY WERE. AFTER WESTAR COMBINED WITH KCPL IN JUNE 2018 TO FORM EVERGY, THE REQUESTS FOR RATE HIKE ESCALATED. OUR MONTHLY BILL IS BROKEN DOWN INTO SIX PARTS, ANY ONE OF WHICH MIGHT BE THE FOCUS OF A RATE INCREASE PROPOSAL, AT THE LEAST CONFUSING TO RATE PAYERS. BUT FOR US, IT BOILS DOWN TO OUR COST. WHAT WE HAVE NO CHOICE TO PAY FOR A UNIT OF ELECTRICITY, THE KILOWATT HOUR KWH. SINCE OUR RECORDS STARTED, THE COST WE PAY PER KWH HAS INCREASED MORE THAN 100, WITH A 60 INCREASE SINCE OUR SYSTEMS WERE INSTALLED. AND THE REAL KICKER? LAST YEAR, WE PAID TWICE AS MUCH TO EVERGY FOR THE SAME KWH WE USED IN 1990 AND WE WERE GENERATING 25% OF OUR ELECTRICITY WITH HOME PRODUCTION SYSTEMS. ARE WE IN FAVOR OF THE LARGE RATE HIKE REQUESTED BY EVERGY? OF COURSE NOT. IF IT WERE TAGGED TO RAMP UP ALTERNATIVE PRODUCTION, WITH EFFORTS TO REDUCE HEAT-TRAPPING EMISSIONS, MAYBE. BUT TO REMODEL OUTDATED COAL BURNING FACILITIES? NO. AND I THINK THE 75% OF KANSAS RESIDENTS WHO TAGGED CLIMATE CHANGE A SIGNIFICANT CONCERN IN 2022 WOULD AGREE. 2022

09/17/2023

KANSAS SPEAKS PUBLIC OPINION SURVEY DISTRIBUTED BY THE DOCKING INSTITUTE OF PUBLIC AFFAIRS AT FT. HAYS STATE UNIVERSITY THE KCC SHOULD SEND EVERGY BACK TO THE DRAWING BOARD. UNLIKE OTHER CONSUMER PRODUCTS, WE RATE PAYERS DON'T HAVE THE FREEDOM TO VOTE WITH OUR DOLLARS. WE CAN'T JUST GO CHOOSE ANOTHER UTILITY COMPANY, SO WE'RE STUCK WITH WHATEVER THE COMMISSION DECIDES. WITH ONLY A TOKEN OPPORTUNITY TO REGISTER DISSENT, THE SYSTEM IS HARDLY FAIR TO CONSUMERS. PLEASE REJECT THE RATE HIKE REQUEST FROM EVERGY.

DEAR COMMISSIONERS, I APPRECIATE THIS OPPORTUNITY TO SHARE MY THOUGHTS REGARDING EVERGY'S RATE HIKE REQUEST. IT IS MY HOPE THAT YOU WILL DENY THAT REQUEST. EVERGY'S PROPOSED RATE HIKE WILL INCREASE UTILITY BILLS TO CUSTOMERS WHO ARE ALREADY PAYING SOME OF THE HIGHEST UTILITY RATES IN THE REGION. WHAT'S WORSE IS THAT THOSE INCREASES WILL MOST HURT CUSTOMERS ON FIXED INCOMES. I BELIEVE THE REQUESTED RATE INCREASE WILL HELP EVERGY KEEP ITS COAL FIRED PLANTS ONLINE, CAUSING ADDITIONAL RESPIRATORY HARM, ENVIRONMENTAL DISRUPTION AND WATER DEPLETION. IT IS TIME TO CLOSE THE COAL FIRED PLANTS. EVERGY HAS, I BELIEVE, ALSO ACTED IN WAYS THAT HAVE SLOWED OR EVEN PREVENTED ITS CUSTOMERS FROM TRANSITIONING TO SOLAR. ALMOST UNBELIEVABLY, EVERGY ALSO LACKS A MEANINGFUL PLAN OF ENERGY EFFICIENCY. WE HAVE CLEANER, LESS EXPENSIVE, ENERGY OPTIONS AND ITS TIME TO USE THEM. PLEASE SAY NO TO THE EVERGY DIRTY RATE HIKE AND SAY YES TO CLEANER ELECTRICITY. THANK YOU, MARC GALBRAITH

I OPPOSE THE PROPOSED EVERGY RATE HIKE ON THE GROUNDS THAT EVERGY IS ATTEMPTING TO BACK OUT ON THE PROMISE IT MADE TO US TO INVEST IN RENEWABLE CLEAN ENERGY AND CLOSE THE LAWRENCE COAL-FIRED PLANT. INSTEAD EVERGY WANTS TO PUT PROFIT ABOVE PEOPLE BY KEEPING THE COAL-FIRE PLANT GOING AND RAISING ENERGY RATES. I AM GREATLY CONCERNED ABOUT MY HEALTH AND THE HEALTH OF MY CHILDREN AND GRANDCHILDREN WHO LIVE IN LAWRENCE. PROVIDING A SUSTAINABLE FUTURE FOR US SHOULD BE MORE IMPORTANT THAN SUPPORTING SHORT-TERM THINKING FUELED BY CORPORATE GREED, I ENCOURAGE YOU TO PUT THE CITIZENS OF KANSA FIRST.

Narrative

09/18/2023

CITY OF NEWON RESOLUTION NO. G-1320 A RESOLUTION IN OPPOSITION TO PROPOSED EVERGY RATE INCREASE WHEREAS, ON APRIL 25, 2023, EVERGY FILED A JOINT APPLICATION WITH THE KANSAS CORPORATION COMMISSION, EVERGY KANSAS CENTRAL AND EVERGY METRO, INC. TO RAISE ELECTRIC ENERGY RATES; AND WHEREAS, THE NET RATE INCREASE PROPOSED IS 9.77 OR AN INCREASE OF APPROXIMATELY 14.24 PER MONTH FOR EACH RESIDENTIAL CUSTOMER; AND WHEREAS, THE ESTIMATED NET INCREASE TO THE CITY OF NEWTON FOR ENERGY FOR LIGHTING AND PUBLIC UTILITIES IS APPROXIMATELY 8.3; AND WHEREAS, THE CITY OF NEWTON FACILITIES AND UTILITIES ARE A SIGNIFICANT USER OF ELECTRICITY AND WOULD BE ADVERSELY IMPACTED BY THE PROPOSED RATE INCREASE, WHICH COULD IMPACT SYSTEM RELIABILITY BY LOWERING CAPITAL AVAILABLE FOR REBUILDING INFRASTRUCTURE; AND WHEREAS, WHILE ECONOMIC CONDITIONS HAVE REBOUNDED, MANY BUSINESSES AND RESIDENTS IN NEWTON CONTINUE TO FACE ECONOMIC CHALLENGES FROM THE PANDEMIC, AND THE RATE INCREASE PROPOSED WOULD PRESENT AN ADDITIONAL AND CONSIDERABLE HARDSHIP TO MANY OF NEWTONS RESIDENTS AND BUSINESSES; AND WHEREAS, ANY SUCH RATE INCREASE WOULD BE DETRIMENTAL TO ECONOMIC GROWTH IN THE NEWTON AND HARVEY COUNTY AREA AND REDUCE THE COMPETITIVENESS OF LOCAL BUSINESSES, MANY OF WHICH MARKET AND SELL PRODUCTS AROUND THE WORLD; AND WHEREAS, EVEN BEFORE THE COVID-19 RECESSION, ENERGY BILLS STRAINED MANY FAMILY BUDGETS AND IN PARTICULAR, LOWER INCOME HOUSEHOLDS THAT SPEND A GREATER PORTION OF THEIR INCOME ON ENERGY BILLS THAN THE AVERAGE HOUSEHOLD; AND WHEREAS, HIGH ENERGY BURDENS ARE CORRELATED WITH GREATER ECONOMIC HARDSHIP AND DIFFICULTY IN MOVING OUT OF POVERTY; AND WHEREAS, THE CITY COMMISSION RECOGNIZES AND OPPOSES EVERGYS EFFORTS TO INCREASE ELECTRICAL RATES TO CUSTOMERS IN THE SOUTH CENTRAL KANSAS REGION, AS THESE INCREASES DO NOT ENCOURAGE ECONOMIC GROWTH OR SUSTAINABILITY, NOR DO THEY PROVIDE REVITALIZATION TO THE COMMUNITY. NOW, THEREFORE, BE IT RESOLVED BY THE CITY OF NEWON THAT: THE CITY OF NEWTON

09/18/2023

OPPOSES EVERGYS REQUEST TO INCREASE ELECTRIC RATES BY 9.77 AND TO INCREASE CUSTOMER CHARGES BY AN ADDITIONAL 14.24 PER MONTH. THIS PROPOSAL WILL IMPAIR ECONOMIC GROWTH, SUSTAINABILITY AND THE COMMON BENEFIT FOR CITY OF NEWTON RESIDENTS, BUSINESSES, AND INDUSTRIES. THE INCREASE PROPOSED TO ELECTRIC RATES WOULD STAGNATE ECONOMIC GROWTH AND INCREASES TO CUSTOMER CHARGES WILL STIFLE THE SUSTAINABILITY AND QUALITY OF LIFE IN OUR COMMUNITY. ADOPTED AND APPROVED BY THE GOVERNING BODY OF THE CITY OF NEWTON, KANSAS ON SEPTEMBER 12, 2023. LEROY KOEHN, MAYOR CITY OF NEWTON, KS

I DID NOT RECEIVE ANY NOTIFICATION FROM EVERGY REGARDING THE RECENT PUBLIC HEARINGS. I HAVE A SOLAR PANEL SYSTEM ON MY MY HOUSE THAT HAS CONSISTENTLY PRODUCED MORE POWER EVERY MONTH THAN WE USE SINCE IT WAS INSTALLED 3 YEARS AGO. SUDDENLY WE ARE GETTING CHARGED FOR OUR ELECTRICITY USE BUT ARE NOT RECEIVING PROPER CREDIT FOR THE OVERAGE OF POWER WE ARE PRODUCING. THIS IS CORPORATE ROBBERY AND NEEDS TO BE ADDRESSED IN ANY RATE INCREASE THAT EVERGY IS ALLOWED TO MAKE. THEY ARE PROFITING FROM OUR POWER PRODUCTION BUT MAKING IT IMPOSSIBLE FOR MY FAMILY TO EVER REACH A BREAK EVEN POINT AND GET OUR SOLAR SYSTEM PAID FOR. THANKS FOR YOUR CONSIDERATION. ANY ADDITIONAL EXPENSE FOR ME IS AN ADDITIONAL BURDEN. EVERGY NEEDS TO TIGHTEN THEIR OWN FINANCIALS. IF THIS RATE INCREASE IS TO GO TOWARD BUILDING A BATTERY FACTORY, OR ANY FACTORY, WE AS MERE CITIZENS SHOULD NOT HAVE THE BURDEN OF PAYING FOR IT. THE DECISION TO BUILD SUCH WAS NOT ONE WE DECIDED NOR WILL BENEFIT FROM. THE COMPANY OWNING THE FACTORY SURELY WILL PAY FOR THEIR OWN ELECTRICITY. I CAN BARELY PAY FOR MINE. CERTAINLY CAN NOT AFFORD TO PAY FOR A MULTI BILLION DOLLAR CORPORATIONS ELECTRICITY. RATE INCREASES ARE UNFAIR TO US MERE CITIZENS ALREADY STRUGGLING.

I OPPOSE EVERGY'S PROPOSED RATE INCREASE. FIRST, THE COMPANY CONTINUES TO USE COAL, WHEN ALL INDICATORS DEMONSTRATE THAT COAL IS NOT HEALTHY FOR CONSUMERS OR MINERS. SECOND, COAL POLLUTES THE AIR AND CONTRIBUTES TO CLIMATE CHANGE. THIRD, EVERGY'S CONTINUED USE OF COAL DELAYS THE TRANSITION TO OTHER SOURCES, AND IT IS NOT IN KEEPING WITH EVERGY'S PROMISE TO SEEK CLEANER FORMS OF ENERGY. . FOR THE SAKE OF PRESENT AND FUTURE GENERATIONS, EVERGY SHOULD FOCUS ON ACQUIRING FUNDS FROM THE FEDERAL INFLATION REDUCTION ACT TO TRANSITION TO CLEANER FORMS OF ENERGY, AND NOT ON INCREASING CONSUMERS' PRICES TO CONTINUE THE STATUS QUO. I FIRMLY OPPOSE THE PROPOSED RATE INCREASE. THANK YOU, JO T. ROSA-MOLINAR

I DON'T UNDERSTAND WHY THEY WANT TO RAISE THE PRICES EVERY YEAR? HAVING THE AVAILABILITY TO RAISE THE RATES OF THOSE ON FIXED INCOMES IS NOT RIGHT. THEY SHOULD BE ABLE TO ABSORB THE INCREASE AND NOT PASS ONTO THE CUSTOMER ALL THE TIME. I THINK THIS IS OUT OF REASON.

THE INCREASE THEY ARE ASKING FOR IS TOTALLY OUT OF REASON FOR THOSE ON FIXED INCOMES AND OUT IN RURAL AMERICA WHO CAN'T AFFORD AN INCREASE. THINK ABOUT WHAT YOU'RE DOING TO THE SENIOR CITIZENS YOU SERVE.

I VOTE AGAINST EACH AND EVERY PROPOSAL THAT EVERGY WOULD LIKE US TO SUPPORT A RATE INCREASE ON.

I DON'T BELIEVE THAT WE SHOULD SUPPORT HELPING PAY FOR THEM TO DEMOLISH THE POWER PLANT, THAT SHOULD COME AT THEIR EXPENSE.

LIFE INSURANCE POLICY FOR CORPORATE AND COMPANY EXECS SHOULD COME OUT OF THEIR PROFITS.

I'M ON A FIXED SS INCOME. I MAY BE GETTING A 5% INCREASE IN MY CD AND THEY'RE WANTING 9% FOR COMPANY AND STAFF HOLDERS. I SHOULD NOT HAVE TO PAY FOR STOCKHOLDERS PROFITS, I DON'T BELIEVE I SHOULD BE RESPONSIBLE FOR THAT.

ACCORDING TO BLOOMBERG REPORTS, THEY PREDICT THE KCC TO PUT THE COMPANY BACK ON TRACK FOR MISSING THEIR TARGET OVER THE LAST TWO YEARS. PROFIT IS UP TO THEM, NOT ME. EVERGY PAID 535 MILLION TO STOCK HOLDERS. WALL STREET PREDICTS THIS FIGURE WILL GROW 6% ANNUALLY OVER THE NEXT 3 YEARS. WHICH REMINDS ME OF GOING TO THE CANDY STORE WITH YOUR PARENTS AND BEING ABLE TO PICK OUT WHATEVER YOU WANT AS LONG AS SOMEONE ELSE IS PAYING FOR IT.

I'M NOT AGAINST PROFITS, I'M AGAINST GAUGING. THIS IS A BAIT AND SWITCH TO ME.

LEAGUE OF WOMEN VOTERS OF LAWRENCE-DOUGLAS COUNTY LWVL-DC POSITION STATEMENT ON EVERGY RATE CASE, SEPTEMBER 2023 SUBMITTED BY CAROL WILLIAMSON, LWVL-DC PRESIDENT, ON BEHALF OF LWVL-DC. THE LEAGUE OF WOMEN VOTERS OF LAWRENCE-DOUGLAS COUNTY LWV L-DC OPPOSES EVERGY'S PROPOSED RATE CASE RECENTLY FILED WITH THE KANSAS CORPORATION COMMISSION KCC UNDER DOCKET 23-EKCE-775-RTS. THE REQUESTED RATE INCREASE IS INEQUITABLE. -LWV L-DC EXPECTS THAT A REASONABLE AND EQUITABLE RATE OF SERVICE SHOULD BE CHARGED TO ENSURE EVERGY IS ABLE TO PROVIDE AND MAINTAIN RELIABLE ELECTRICITY SERVICES AND A RESILIENT ELECTRICAL GRID FOR ITS CUSTOMERS, HOWEVER, THE HIGHEST PROPOSED RATE INCREASE IN ITS HISTORY AND WOULD HIKE KANSAS CENTRAL RESIDENTIAL CUSTOMERS BILLS, INCLUDING LAWRENCE, MORE THAN 170 PER YEAR. THIS IS NOT AN EQUITABLE RATE INCREASE AS RESIDENTIAL CUSTOMERS ARE SEEING A HIGHER RATE INCREASE THAN COMMERCIAL CUSTOMERS. -THE INCREASE WOULD BE A LARGE INCREASE IN THE SERVICE CHARGES FOR ALL CUSTOMERS AND, HENCE, IS A REGRESSIVE BURDEN ON LOW-INCOME CUSTOMERS. THE AVERAGE ENERGY BURDEN FOR LOW-INCOME FAMILIES IN LAWRENCE IS ALREADY UP TO 10 OF INCOME WHILE THE STATEWIDE AVERAGE ENERGY BURDEN IS 3. SOURCE: [HTTPS:WWW.ENERGY.GOV/EERS/LSCMAPS/LEAD-TOOL](https://www.energy.gov/eers/lscmaps/lead-tool) THE REQUESTED RATE INCREASE IS UNJUSTIFIED. -THE RATE OF EQUITY ROE FROM 9.30 CURRENT TO 10.25 PROPOSED APPEARS TO BE UNJUSTIFIED. THE ROE FOR REGULATED ENTITIES SUCH AS EVERGY AN INVESTOR-OWNED UTILITY IS REALLY THE RATE OF PROFIT. THE KANSAS CORPORATION COMMISSION KCC IS RESPONSIBLE FOR DETERMINING WHAT EVERGY IS ALLOWED TO RECOVER OR KEEP FROM THE REVENUES IT COLLECTS FROM CUSTOMERS. LOOKING AT EXPERT TESTIMONY ALREADY FILED IN THIS CASE AND WHAT WE KNOW AS CUSTOMERS THAT OUR INCOME DIDNT RISE 10.25, THE PROPOSED ROE IS JUST TOO HIGH. THE REQUESTED RATE INCREASE DOES NOT ADDRESS TIMELY AND NECESSARY CHANGES FROM FOSSIL FUEL GENERATED ELECTRICITY TO RENEWABLE ENERGY RESOURCES. -EVERGY SHOULD REDUCE ITS DEPENDENCE ON EXPENSIVE

09/19/2023

POLLUTING FOSSIL FUELS INCLUDING COAL, AND SHIFT TO CLEANER RENEWABLE FUELS TO REDUCE OPERATING EXPENSES. -THE LARGE, REQUESTED INCREASE IN SERVICE CHARGES FOR ALL CUSTOMERS WOULD IMPEDE THOSE USING RENEWABLE ENERGY SUCH AS ROOFTOP SOLAR FROM RECOUPING THEIR COST OF SOLAR ON THEIR EVERGY BILL BECAUSE OF THE FLAT INCREASE IN SERVICE CHARGES FOR ALL CUSTOMERS. -THE LARGE, REQUESTED INCREASE IN SERVICE CHARGES WILL BE BORNE BY RESIDENTIAL CUSTOMERS WHO WILL BE FORCED TO HELP PAY TO KEEP THE LAWRENCE COAL-FIRED PLANT OPEN AND KEEP EVERGY POLLUTING. -EVERGY SHOULD MAKE THE MOST COST-EFFECTIVE INVESTMENTS IN PRODUCING RENEWABLE ENERGY. -EVERGY SHOULD ACCELERATE THE MOVE TO COST EFFECTIVE CLEAN ENERGY AND SHOULD WELCOME AND ENABLE KANSAS CUSTOMERS TO GENERATE THEIR OWN ENERGY. THE KCC HAS APPROVED AND EVERGY SHOULD IMPLEMENT AN ENERGY EFFICIENCY PROGRAM FOR CUSTOMERS TO REDUCE THE DEMAND FOR ELECTRICITY IN ITS TERRITORY. THIS WOULD CREATE SIGNIFICANT SAVINGS FOR CUSTOMERS AND EVERGY.

TIMES ARE HARD FOR EVERYONE RIGHT NOW AND THIS INCREASE IS WAY OUT OF LINE, THEY INCREASED AT THE 1ST OF THE YEAR AS EVERYONE ELSE DID IN ALL UTILITY COMPANIES. THE ELDERLY AND EVERYONE NEEDS YOU TO STOP BEING YES PEOPLE AND START SAYING NO TO ALL THESE INCREASES. IF YOU SAY YES TO THIS LARGE INCREASE, NEXT YEAR THE OTHER UTILITY COMPANIES WILL ASK FOR THE SAME LARGE INCREASE AND SOON NO ONE WILL BE ABLE TO AFFORD ANYTHING. I BEG YOU TO STOP THIS INCREASE AND SAY NO. WHEN MY MOTHER WAS ALIVE SHE COULD BARELY AFFORD UTILITIES EVEN WITH THE STATE HELP AND WAS WONDERING WHAT SHE WOULD HAVE TO CUT IN ORDER TO KEEP THE ELECTRIC AND HEAT ON, I KNOW SEVERAL OLDER PEOPLE ARE STILL WONDERING THIS.

Re: Docket No. 23-EKCE-775-RTS

Commissioners, I respectfully request that Evergy's proposal to be granted a rate increase for Kansas Central and Kansas Metro customers be denied.

By their own very public statements, Evergy's number one goal is the maximum return of profit to their investors, millionaire managers and 13 wealthy board members, period.

Evergy has demonstrated they are not sincere actors, they are not acting in good faith (dismantling the coal power plant in Lawrence), they continuously gaslight their customer base (TOU program being an example of overcharging when exactly the demand for electricity is highest for the majority of working families.). Evergy is not spending windfall profits on sustainability and reliability (one only needs to look at the power outages of this summer alone).

Does Kansas really want to continue this endless circle of corporate power and excessive greed? Even a regulated monopoly is entitled to reasonable profit for its shareholders, I agree. But how much is "reasonable profit" when only profit is the top and bottom line. Meaningful reinvestment and responsibility to its customers is such a public necessity. Evergy does not aggressively capture safety and security both now and for our future.

This Commission has gathered and examined the data provided by Staff, multiple agency representatives, businesses and the public's voice. Accept my gratitude for your efforts to hear as many voices as possible on this complex issue.

Sincerely,

Liliane Pintar

Kimberly McCormick, MMC
City Clerk

Encl. Resolution 223

STATE
CORPORATION
COMMISSION

SEP 18 2023

PUBLIC AFFAIRS
AND
CONSUMER PROTECTION

RESOLUTION 223

A RESOLUTION OPPOSING EVERGY ENERGY RATE INCREASE PROPOSAL

WHEREAS, on April 25, 2023, Evergy filed a joint application with the Kansas Corporation Commission, Evergy Kansas Central and Evergy Metro, Inc., to raise electric energy rates; and

WHEREAS, the estimated net rate increase proposed is 9.77% or an increase of approximately \$14.24 per month for each residential customer; and

WHEREAS, the estimated net increase to the City of Garden Plain, Kansas for energy for lighting and public utilities is approximately 8.3%; and

WHEREAS, the City of Garden Plain, Kansas is a significant user of electricity and would be adversely impacted by the proposed rate increases, which could impact system reliability by lowering capital available for rebuilding infrastructure; and

WHEREAS, while economic conditions have rebounded, many businesses and residents in Garden Plain, Kansas continue to face economic challenges from the pandemic, and the rate increases proposed would present an additional and considerable hardship to many; and

WHEREAS, any such rate increase would be detrimental to economic growth in the Garden Plain, Kansas area and reduce the competitiveness of local businesses, many of which market and sell products around the world; and

WHEREAS, even before the COVID-19 recession, energy bills strained many family budgets and in particular, lower income households that spend a greater portion of their income on energy bills than the average household; and

WHEREAS, high energy burdens are correlated with greater risk for respiratory diseases, increased stress, economic hardship and difficulty in moving out of poverty; and

WHEREAS, the City Council recognizes and opposes Evergy's efforts to increase electrical rates to residential, small business and municipal customers as these increases do not encourage economic growth or sustainability, nor do they provide revitalization to the community.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF GARDEN PLAIN, KANSAS:

The City Council of the City of Garden Plain, Kansas, firmly opposes Evergy's request to increase electric rates by 9.77% and to increase customer charges by an additional \$14.24 per

month.

This proposal would impair economic growth, sustainability and the common benefit for the City of Garden Plain, Kansas and its residents.

The increase proposed to electric rates would stagnate economic growth and increases to customer charges would stifle the sustainability and quality of life in our community. This Resolution will be in full force and effect from its date of passage by the City Council of the City of Garden Plain, Kansas.

ADOPTED: By the Governing Body this 6th day of September 2023.

PUBLIC AFFAIRS
AND
CONSUMER PROTECTION

Dear Commissioners,

My name is Marike Janzen, and I live in Lawrence, Kansas. I have been a customer of Evergy for sixteen years.

I am strongly opposed to Evergy's rate increase, the largest in the utility's history.

Moreover, I would request that you make Evergy close the coal-powered Lawrence Energy Center, as promised! It has been shown that all aspects of coal production and use have significant environmental and health impacts, including water and air pollution and the creation of chronic diseases

Such as asthma and lung disease.

I am urging you to prevent Evergy from increasing my bills to pay for a coal plant they promised to close. Instead, Evergy can save customers money by converting to clean, low-cost renewable energy using federal Inflation Reduction Act funding, as our neighbor utility PSO Oklahoma has done.

It only makes sense that the KCC and Evergy should make choices that provide Kansans with cheap, renewable, energy.

Sincerely,
Marika Janzen
Lawrence, KS

RE: 23-EKCE-775-RTS
Evergy Application for Rate Increase

Dear Commissioners:

Since 2012, according to CURB, here are some quick financial facts related to Evergy Central consumers:

	<u>2012</u>	<u>2022</u>	<u>% Increase</u>
Ave Monthly Charge (900 kWh)	\$95.76	\$128.77	34 %
Transmission Charge	\$9.08	\$17.29	90%
Cost of fuel	\$19.02	\$30.18	58%

<u>Kansas Electric Grid Mix</u>			<u>Todays % of Total</u>	<u>% Chg</u>
Wind	2,713 MW	3,895 MW	47.13%	+43%
Coal	5,473 MW	2,668 MW	32.38%	-49%
Nuclear	1,185 MW	1,185 MW	14.38%	~0
Natural Gas	<u>N/A</u>	<u>446 MW</u>	5.42%	
Totals	9,371 MW	8,194 MW		

US EIA FACTS

2021 Electricity Production Capacity In Kansas: 18,432 MW
2021 Electricity Consumption in KS: ~ 10,945 MW

I will cut right to the chase.

In my opinion, one of the worst pieces of legislation ever passed by the Kansas Legislature, in 2009, was what you still term on your website as the "Kansas Renewable Energy Standard (RES)". You can readily see the impact these 'Standards' have wrought upon ratepayers, especially in the 90% increase in Transmission Charge, and the 58% increase in the Cost of Fuel, for the average monthly ratepayer.

We were told that these renewable sources of energy would serve to drive down costs, deliver 'cleaner' power, and in so doing, save the planet from dangerous pollutants, particularly focused on CO₂. We now recognize that all of those assumptions have proven to be false, and quite frankly, misleading at best.

And yet, Evergy maintains that because they have, by statute, the legal right to recover costs associated with the massive expansion of wind energy, at the expense of reliable electricity generated by coal-fired power plants. I strongly disagree with the assertion that wind power is ever going to be superior in reliability or deliverability of Kansas, or for that manner, in any jurisdiction in which it is promoted.

In point of fact, what we are seeing is that significant ill-health effects are now being recorded and documented whenever these industrial scale wind projects are implemented. Of course, the Evergy's of the world, along with very powerful lobby's will continue to deny these facts, as well as the damage to property values wherever these unsightful installations occur near even lightly populated areas.

I bring these FACTS to your attention for very good reasons. Do any of you live anywhere near one of these monstrosities? I am certain that you do not. If you did, you would be delivering a very different message to the incessant requests for rate increases that are very debilitating to thousands of Kansans who are now being subjected to, exclusively as a result of Renewable Energy massively invading our state.

I submit to you that it is now time to begin to reverse and significantly modify this, literally, highly negative flow of necessary electrons. We do not need more wind-derived electrons. We need more electrons that are derived from reliable, dispatchable sources, and we can and should emphasize these resources.....more natural gas, and absolutely more, not less, coal-fired power. I realize that each of you on the Commission probably disagree with the reference to coal.

However, it is NOT a myth that **clean coal** power should be viewed as a very valuable piece of our overall mix in our power portfolio. Instead of moving Jeffrey Unit 3 to premature retirement in 2030, Evergy should redirect that errant policy, forced upon them by seriously misguided federal pressure, and take the full extent of Unit 3 lifetime to 2039, if not even beyond.

If you carefully and objectively observe the landscape of Kansas' power future, you will gain the sense that the onslaught of wind power in this state is going to be met with ever increasing resistance in every county where wind development is being attempted-- in counties that want to have absolutely nothing to do with that power source.

More and more Kansas counties are formulating policies that are serving to place Moratoriums on any such future power. And the same sort of resistance is building against Industrial Solar. **The people of Kansas DO NOT WANT this option to be foisted upon them.**

If I were in your shoes, I would pay much closer attention to what you have recently heard in virtually all of the Hearings that have been held--with deep resistance to Evergy's application, now applications, for more of the same intense rate increases.

It is not right, and the people of Kansas deserve better.

With massive inflation, due in significant part to severe mismanagement of Energy Policy in America, and significant market uncertainties, due to that reality, now is not the time to give Evergy a new free pass to ever more expensive pass-throughs to desperate consumers.

The people have had enough, including the massive Panasonic battery plant in Douglas county. Trust me, the VAST MAJORITY of citizens there do not want to have anything to do with that either.

It is high time to send a very strong message to Evergy.

Sincerely,

Dennis Hedke

THE DECISION BY EVERGY TO SCALE BACK PLANS TO ADD RENEWABLE ENERGY AND CLOSE ITS OLDEST COAL PLANT IS NOT AN ETHICAL DECISION. IT IS NOT AN UNETHICAL DECISION. IT IS A NONETHICAL DECISION. EVERGY PERSONNEL ARE GOOD PEOPLE WHO CARE ABOUT CLIMATE CHANGE, BUT, AS WITH ALL COMMERCIAL ENTERPRISES, THEIR PRIMARY OBLIGATION IS PROVIDE PROFIT TO THEIR OWNERS AND THEY WORK TO FULFILL THEIR OBLIGATION. AS A SOCIETY, WE DO NOT EXERCISE ETHICS THROUGH OUR BUSINESSES, WE DO IT THROUGH OUR GOVERNMENTAL INSTITUTIONS. WHETHER OR NOT EVERGY OPERATES IN AN ETHICAL MANNER IS NOT THE RESPONSIBILITY OF EVERGY, IT IS THE RESPONSIBILITY OF THE KANSAS CORPORATION COMMISSION. IF EVERY KCC COMMISSIONER STATES IN A PUBLIC HEARING THAT THEY KNOW, WITH ALL REASONABLE CERTAINTY, THAT OUR HUMAN GREENHOUSE GAS EMISSIONS HAVE NO HARMFUL EFFECTS, THEN THE REST OF MY COMMENTS WILL HAVE NO MEANING FOR THE KCC. BUT I SUSPECT NO COMMISSIONER WILL MAKE SUCH A STATEMENT BECAUSE NO COMMISSIONER HOLDS THIS BELIEF. ALLOWING EVERGY TO REDUCE OR REVERSE ITS SWITCH TO RENEWABLE ENERGY WOULD BE UNETHICAL. JULY WAS THE HOTTEST MONTH IN THE PLANETS RECORDED HISTORY. EVEN IN THE U.S., THE WORLDS RICHEST NATION, WITH SPECIAL PRECAUTIONS TO SAFEGUARD AGAINST HEAT, PEOPLE ARE BECOMING SICK AND DYING. KANSAS IS IN A PROLONGED DROUGHT. TENS OF THOUSANDS ARE DYING FROM DROUGHT IN AFRICA. PEOPLE ACROSS THE WORLD ARE INCREASING EFFORTS TO LIMIT GREENHOUSE GAS EMISSIONS, BUT EVERGY SEES DOING JUST THE OPPOSITE GIVES THEM A BETTER OPPORTUNITY TO TWEAK UP PROFITS. THE REASON IT IS A BETTER OPPORTUNITY FOR EVERGY IS BECAUSE IT SEPARATES THE PHYSICAL DEVICE OF EVERGYS GENERATION, TRANSMISSION, AND DISTRIBUTION SYSTEM FROM THE FINANCIAL DEVICE OF ITS RATE STRUCTURE. ITS PROPOSED RATE CASE INCREASES THE PROBABLY PHYSICAL HARM AND COST OF GREENHOUSE GAS EMISSIONS WITH ZERO FINANCIAL COST IN ITS RATE STRUCTURE. EVERGY WOULD NEVER HAVE MADE ITS PROPOSED RATE FILING IF IT HAD TO POST A BOND TO COVER THE PROBABLE COST OF THE

09/20/2023

RESULTING GREENHOUSE GAS EMISSIONS OVER THE 20- OR 30-YEAR LIFE OF ITS PROPOSED NEW FACILITIES. IT IS ONLY BECAUSE IT CAN GET FREE LIABILITY THAT IT IS MAKING THIS FILING. THE PROBABLY HARM IS PAID FOR BY EVERGY CUSTOMERS, KANSAS RESIDENTS AND THE WORLDS POPULATION IN GENERAL. BUT EVERGYS PROFITS ARE MAINTAINED. PLEASE DO NOT ALLOW EVERGY TO REDUCE OR REVERSE ITS SWITCH TO RENEWABLE ENERGY. IT WOULD BE UNETHICAL. SINCERELY, JOHN STURN 117 POHLMAN ST. DEAR COMMISSIONERS, WE HAVE BEEN LIVING IN LAWRENCE FOR THE PAST 10 YEARS, AND WE HAVE BEEN EVERGY CUSTOMERS DURING THAT TIME. WE ARE OPPOSED TO EVERGY'S RATE INCREASE, AND WE WOULD LIKE YOU TO REQUIRE EVERGY TO CLOSE THE COAL POWERED LAWRENCE ENERGY CENTER, AS WAS PROMISED. WITH RECENT DAYS OF UNHEALTHY AIR QUALITY IT IS INCREASINGLY IMPORTANT TO DO EVERYTHING POSSIBLE TO LIMIT AIR POLLUTION. INSTEAD OF SPENDING CUSTOMER MONEY PURCHASING COAL OR GAS EVERGY SHOULD BE INVESTING IN RENEWABLES AND ENERGY EFFICIENCY PROGRAMS. IN THE PAST EVERGY HAS ACKNOWLEDGED THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WHILE PROVIDING RELIABLE POWER AND NOT INCREASING RATES. THIS COULD REDUCE HARMFUL EMISSIONS 85 BY 2030! PLEASE REQUIRE EVERGY TO HONOR THEIR PROMISE TO TRANSITION AWAY FROM FOSSIL FUELS, AND DO NOT LET THEM RAISE CUSTOMER RATES. THANK YOU, ANDREW AND JUDA LEWIS LAWRENCE

I DO NOT AGREE WITH THE RATE INCREASE. STOP PUTTING UP WIND TURBINES AND TRANSMISSION LINES IN KANSAS. KEEP THE CHEAPER, RELIABLE COAL AND NUCLEAR ENERGY HERE IN KANSAS. IF YOU REALLY CARED ABOUT RENEWABLE ENERGY IN KANSAS, YOU WOULD PUT SOLAR PANELS ON HOMEOWNERS HOMES WITH NEW ROOFS AS WELL AS GARAGES WITH METAL ROOFS, FOR FREE. IT WOULD SAVE MONEY BY NOT PUTTING UP TRANSMISSION LINES. YOU WOULDN'T BE LOSING ENERGY AS IT TRAVELS. LOCK THOSE CUSTOMERS IN AT A FIXED RATE FOR 10 TO 15 YEARS WHILE THE POWER GOES TO THEM FIRST AND YOU GET ANY SURPLUS. BUT, THERE'S NO SUBSIDIES FOR THAT IS THERE?

AS A SINGLE FEMALE HOME OWNER, I AM OPPOSED TO THE PROPOSED RATE HIKE FOR THE EVERGY CENTRAL AREA. MY INCOME, AND I IMAGINE MANY OTHERS WHO LIVE WHERE I DO, DOES NOT ALLOW FOR SUCH A STEEP RATE INCREASE. IF MY SALARY IS INCREASED BY THE STATE FOR AN EQUIVALENT PERCENTAGE, THEN I COULD AFFORD THE RATE INCREASE - HOW ABOUT IT?

I STRONGLY OPPOSE THE APPLICATION FOR RATE INCREASES BY EVERGY. EVERGY IS ALREADY FINANCIALLY STABLE UNDER THE CURRENT RATES AS INDICATED BY THEIR STOCK PRICE MAINTAINING ITS VALUE DESPITE THE TURBULENT MARKET WE ARE CURRENTLY IN. WHEN EVERGY WAS FORMED IN 2018 THROUGH THE MERGER THEY CLAIMED THEY WOULD SAVE THEIR RATE PAYERS 2 BILLION DOLLARS OVER 10 YEARS AND STABILIZE RATES FOR 15 YEARS. THIS WAS INFORMATION PROVIDED BY WESTAR AND KCPL SPOKESPERSONS WHEN THEY WERE SEEKING APPROVAL FOR THE MERGER IN 2018. THE MERGER WAS SUPPOSED TO BE THE SOLUTION TO 60 RATE INCREASES THAT WERE SEEN BY RATE PAYERS OVER THE 8 YEAR PERIOD PRECEDING THE MERGER TO CREATE EVERGY. NOW IMMEDIATELY AFTER THE CONCLUSION OF THE 5 YEAR MORATORIUM ON RATE INCREASES WE SEE RENEGING ON THOSE PROMISES. I WOULD ASK THE COMMISSION TO HOLD EVERGY TO THE PROMISES THAT THEY MADE AND DENY THESE UNNEEDED RATE INCREASES.

DEAR KANSAS CORPORATION COMMISSION, EVERGY'S BUSINESS DECISIONS HAVE WASTED MONEY ON COAL, LEADING TO HIGHER RATES OF HEALTH COMPLICATIONS AND PREMATURE DEATH. EVERGY SHOULDN'T BE SEEKING A RATE INCREASE THAT RESULTS IN HIGHER ENERGY BILLS FOR ORDINARY KANSANS WHILE DOUBLING DOWN ON COSTLY, DIRTY COAL AND ASKING KANSANS TO FOOT THE BILL. IT'S UP TO THE KCC TO REVERSE COURSE AND PUT EVERGY ON THE RIGHT TRACK TOWARD A CLEAN ENERGY FUTURE! THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND PUTTING GARBAGE INTO THEIR INTEGRATED RESOURCE PLAN MODELS TO MAXIMIZE PROFITS. EVERGY'S REGULATORS MUST REQUIRE EVERGY TO INVEST IN AFFORDABLE TRANSMISSION AND CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN

09/21/2023

KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. SINCERELY, GEOFF PRATT ROELAND PARK, KS

THIS COMMENT IS AGAINST THE PROPOSED RATE INCREASE. THE REASON I AM AGAINST IS THAT A REVIEW BY KCC STAFF SAID THAT THE RATE INCREASE IS NOT JUSTIFIED. FROM KWCH: KANSAS CORPORATION COMMISSION STAFF HAS WEIGHED IN ON EVERGYS REQUEST FOR A RATE INCREASE IN BOTH OF ITS KANSAS SERVICE AREAS, THE REGULATOR SAID. IN TESTIMONY FILED WITH THE COMMISSION THIS AFTERNOON, STAFFS DETAILED FINANCIAL AUDIT OF THE COMPANYS INCOME AND EXPENSES DETERMINED THAT AN INCREASE OF 1.66 PERCENT OR 34,706,527 WAS ALL THAT COULD BE JUSTIFIED AT THIS TIME TO PROVIDE SERVICE TO EVERGY CENTRAL CUSTOMERS. STAFFS POSITION IS IN CONTRAST TO EVERGYS REQUEST FOR A NET REVENUE INCREASE OF 204,152,629 OR 9.77 PERCENT. I AM NOT AGAINST ALL RATE INCREASES AND WOULD SUPPORT AN INCREASE THAT WAS NEEDED TO SUPPORT THE TRANSITION TO CLEAN ENERGY. IN PARTICULAR, I WANT TO SEE THE LAWRENCE COAL PLANT SHUT DOWN. I DO SUPPORT LARGE WIND AND SOLAR INSTALLATIONS AND THE NEEDED INFRASTRUCTURE. SINCERELY, DANIEL SWENSON

DEAR KANSAS CORPORATION COMMISSIONERS, I UNDERSTAND THAT THE KANSAS CORPORATION COMMISSION WILL BE HOLDING A VOTE IN DECEMBER 2023 REGARDING THE PROPOSED EVERGY RATE INCREASE. IM WRITING TODAY TO ASK THAT YOU VOTE AGAINST THE PROPOSED RATE INCREASE, BECAUSE BECAUSE RAISING RATES WOULD MAKE THE COST OF ENERGY UNREASONABLY HIGH FOR KANSANS AND HURT THOSE ON FIXED INCOMES. WHILE THE AVERAGE ENERGY BURDEN IN KANSAS IS JUST 3, MANY KANSANS EXPERIENCE AN ENERGY BURDEN OF MORE THAN TWICE AND UP TO FOUR TIMES THAT AVERAGE. SOME KANSANS HAVE AN ENERGY BURDEN OF 9 WICHITA, KS OR EVEN 12 KANSAS CITY, KANSAS OF THEIR ANNUAL INCOME. SOURCE: [HTTPS:WWW.ENERGY.GOV/SCEPSLSCLEAD-TOOL](https://www.energy.gov/scepslsclead-tool) LOW-INCOME HOUSEHOLDS IN HISTORICALLY DISADVANTAGED COMMUNITIES IN KANSAS ARE NOT ONLY STRUGGLING WITH HIGH ENERGY BURDEN, THEY ARE ALSO EXPERIENCING POOR HEALTH OUTCOMES AND HOUSING INSECURITY. THESE HEALTH OUTCOMES ARE EXACERBATED IN HOUSEHOLDS FORGOING FOOD ANDOR MEDICATION TO PAY THEIR ENERGY BILLS, IN ADDITION TO THE COSTS OF LETHAL AND ENERGY-EXPENSIVE HEAT WAVES AND COLD SNAPS. AN INCREASE IN RATES BY EVERGY WILL MAKE SOME KANSANS ENERGY BURDENS EVEN HIGHER, MEANING THAT EVEN MORE KANSANS WILL BE MAKING DIFFICULT CHOICES BETWEEN FOOD, MEDICATION, AND ENERGY BILLS. WE APPRECIATE YOUR PAST SUPPORT IN BRINGING DOWN KANSAS ELECTRICITY RATES BY 2.29 OVER THE LAST FOUR YEARS. WE HOPE YOU AGREE THAT VOTING AGAINST THE PROPOSED RATE INCREASE IS THE BEST THING FOR KANSAS, BECAUSE RAISING RATES WOULD MAKE THE COST OF ENERGY UNREASONABLY HIGH FOR KANSANS. INSTEAD OF ALLOWING EVERGY TO RAISE RATES, WE HOPE THAT YOU CONTINUE TO KEEP KANSANS ELECTRICITY RATES LOW AND SUPPORT ENERGY EFFICIENCY PROGRAMMING FOR ALL KANSANS. MY WIFE AND I, AS WELL AS MANY OF MY ELDERLY NEIGHBORS ARE ON FIXED INCOMES, AND RAISING THE COST OF ELECTRICITY TO THE PROPOSED RATES WOULD MAKE IT MORE DIFFICULT FOR THEM TO AFFORD OTHER BASIC NECESSITIES. I HOPE THAT YOU WILL KEEP THEM IN MIND WHEN YOURE MAKING YOUR DECISION

Narrative

09/21/2023

THE KANSAS CORPORATION COMMISSION WILL BE HOLDING A VOTE IN DECEMBER 2023 REGARDING THE PROPOSED EVERGY RATE INCREASE. I ASK THAT YOU OPPOSE THIS BECAUSE EVERGYS DECISION TO PROLONG COAL POWER, DESPITE THEIR POWER PLANTS RUNNING LESS THAN HALF THE TIME, MEANS THAT KANSAS CUSTOMERS WILL PAY EXTRA, WHILE ENDURING MORE POLLUTION AND RESPIRATORY HARM. LOW-INCOME HOUSEHOLDS IN HISTORICALLY DISADVANTAGED COMMUNITIES IN KANSAS ARE NOT ONLY STRUGGLING WITH HIGH ENERGY BURDEN, THEY ARE ALSO EXPERIENCING POOR HEALTH OUTCOMES AND HOUSING INSECURITY. AN INCREASE IN RATES BY EVERGY WILL MAKE SOME KANSANS ENERGY BURDENS EVEN HIGHER, MEANING THAT EVEN MORE KANSANS WILL BE MAKING DIFFICULT CHOICES BETWEEN FOOD, MEDICATION, AND ENERGY BILLS. YOUR PAST SUPPORT IN BRINGING DOWN KANSAS ELECTRICITY RATES BY 2.29 OVER THE LAST FOUR YEARS IS ACKNOWLEDGED AND APPRECIATED. OPPOSING THIS RATE HIKE IS THE BEST THING FOR KANSAS BECAUSE RAISING RATES WOULD MAKE THE COST OF ENERGY UNREASONABLY HIGH FOR KANSANS. INSTEAD OF ALLOWING EVERGY TO RAISE RATES, PLEASE CONTINUE TO KEEP KANSANS ELECTRICITY RATES LOW AND SUPPORT ENERGY EFFICIENCY PROGRAMMING FOR ALL KANSANS. .

09/28/2023

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, ETHEL EDWARDS 3634 SW SPRING CREEK CT TOPEKA KS, 66614-3969

Docket No. 23-EKCE-775-RTS

Dear Kansas Corporation Commission,

Please do not award Evergy's rate request increase. My homestead includes a house, and 2 barns. We take care of animals. Our electric bills are already sky high. I could understand if these increased funds were necessary for improved customer service, wages, or infrastructure. Instead, the 13 wealthy board members and multi-millionaires in management are focused on paying more to shareholders just as they did with the record 2022 profit from last year. It's not like we can go and shop around for another electricity source. Please do NOT give them this increase. Thank you.

Sincerely,

Ms. & Mr. Derks

Docket No. 23-EKCE-775-RTS

To Whom It May Concern:

Thank you so much for accepting input into this very important issue. I am asking that you deny a rate increase to Evergy.

It appears they are more concerned with their shareholders than their customers. Last year showed record profits, however, it is my understanding that 70% of that profit went into large salaries for management/shareholders. Evergy is not spending windfall profits on sustainability and reliability - one only needs to look at the power outages of this summer alone.

As it is a monopoly, households cannot go elsewhere for services. We need to see a lot more action and lower rates for customers without electricity constantly raising.

Sincerely,

A handwritten signature in cursive script, reading "Lynne Beachner".

RE: Docket # 23-EKCE-775-RTS

Dear Commissioners,

I have been an Evergy customer since the Westar Energy/KCPL merger. I am writing to tell you that I am against Evergy's proposed rate increase. It is the largest rate increase in the utility's history. I believe it will create enormous stress on many households throughout our community that are already struggling financially. Renewable energy options would be cheaper and healthier for the entire service area. I want Evergy to close the coal-powered Lawrence Energy Center, as promised, and convert to clean, low-cost renewable energy using federal Inflation Reduction Act funding. KCC and Evergy have the opportunity to choose the health of the planet, the people of KS, and the next generation by choosing clean, affordable, renewable energy instead of raising rates and burning more coal or methane.

Sincerely,

A handwritten signature in black ink, appearing to read "MariaAna Garza", with a long horizontal flourish extending to the right.

Ks. Corporation Commission

This letter is in reference to the proposed rate hike by Energy.

My wife & I are retired school teachers in Pittsburg, Ks. We are on a fixed budget & everything around us with inflation is dramatically increasing except for our income. The SS increase is small & barely covers the increase in Medicare premiums.

Our property tax & insurance on our house & cars is increasing dramatically. The price of food is over the top. At some point in the near future we won't be able to keep up. Adding Energy to the list of increases may be the "straw that broke the camel's back". Please vote No to this requested increase. Respectfully, Bryson & Kathy Clark - Pittsburg

Narrative

09/21/2023

I AM WRITING TO ASK THAT YOU VOTE AGAINST THE PROPOSED EVERGY RATE INCREASE NOW BEFORE YOU. RAISING RATES WOULD MAKE THE COST OF ENERGY UNREASONABLY HIGH FOR MANY KANSANS. THE PROPOSED INCREASES OF 3.47 TO 14.24 MONTHLY WILL NEGATIVELY IMPACT LOW TO MODERATE INCOME FAMILIES AND INDIVIDUALS AND THOSE ON LIMITED INCOMES, FORCING THESE CITIZENS TO CHOOSE BETWEEN OR AMONG MEDICATIONS, HEALTHY FOOD, AND A HEALTHY HOME ENVIRONMENT. EVERGY IS A MONOPOLY WITH NO COMPETITION IN EXCHANGE FOR REGULATORY OVERSIGHT IN THE PUBLIC INTEREST. SHAREHOLDERS WILL NEED TO ACCEPT LESS. EXECUTIVES WILL NEED TO ACCEPT LESS. NEW ENERGY EFFICIENCY PROGRAMS SHOULD BE ALLOWED TIME FOR IMPLEMENTATION AT THE RESIDENTIAL LEVEL TO CURB USE AND THUS REDUCE COSTS. DO YOUR JOB AND VOTE AGAINST THIS RATE INCREASE TO PROTECT THE CITIZENS OF KANSAS, WHO ARE BEING HELD HOSTAGE BECAUSE THEY HAVE NO CHOICES IN WHERE THEY GET THEIR ENERGY. I AM NOT A DIRECT CUSTOMER BUT PART OF A RURAL ELECTRIC COOPERATIVE BUT HAVE FAMILY AND FRIENDS IN YOUR WIDE SERVICE AREAS, AND HAVE WORKED ACROSS THE STATE. THANK YOU. MARY FUND

Narrative

09/21/2023

MY NAME IS MAIA CUELLAR SERAFINI AND IM AN EVERGY CUSTOMER IN WICHITA. I OPPOSE EVERGYS RATE INCREASE BECAUSE: EVERGY IS REQUESTING THE LARGEST RATE INCREASE IN ITS HISTORY BUT ISNT KEEPING ITS COMMITMENTS WITH OUR MONEY. AN INCREASE IN RATES BY EVERGY WILL MAKE MANY KANSANS ENERGY BURDENS EVEN HIGHER, MEANING THAT EVEN MORE KANSANS WILL BE MAKING DIFFICULT CHOICES BETWEEN FOOD, MEDICATION, AND ENERGY BILLS. EVERGY IS A MONOPOLY WITH NO COMPETITION IN EXCHANGE FOR REGULATORY OVERSIGHT IN THE PUBLIC INTEREST. EVERGY HAS SPENT OUR MONEY ON THINGS THAT HARM US FOSSIL FUEL EMISSIONS THAT CONTRIBUTE TO WATER AND AIR POLLUTION, PREVENTABLE DISEASE, CLIMATE CHANGE, AND HIGHER CONSUMER COSTS. EVERGY HAS RELIABLE, CLEANER AND CHEAPER ALTERNATIVES TO FOSSIL FUELS. THIS IS AN ENERGY JUSTICE ISSUE AND A CREATION CARE ISSUE. ALL THE BEST, MAIA CUELLAR SERAFINI

Narrative

09/21/2023

SEPTEMBER 21, 2023 KANSAS CORPORATION COMMISSIONERS KANSAS CORPORATION COMMISSION 1500 SW ARROWHEAD ROAD TOPEKA, KANSAS 66604-4027 DEAR KANSAS CORPORATION COMMISSIONERS; DEAR CHAIRWOMAN DUFFY; DEAR COMMISSIONER FRENCH; DEAR COMMISSIONER KEEN I UNDERSTAND THAT THE KANSAS CORPORATION COMMISSION WILL BE HOLDING A VOTE IN DECEMBER 2023 REGARDING THE PROPOSED EVERGY RATE INCREASE. IM WRITING TODAY TO ASK THAT YOU VOTE AGAINST THE PROPOSED RATE INCREASE, BECAUSE RAISING RATES WOULD MAKE THE COST OF ENERGY UNREASONABLY HIGH FOR KANSANS. WHILE THE AVERAGE ENERGY BURDEN IN KANSAS IS JUST 3, MANY KANSANS EXPERIENCE AN ENERGY BURDEN OF MORE THAN TWICE AND UP TO FOUR TIMES THAT AVERAGE. SOME KANSANS HAVE AN ENERGY BURDEN OF 9 WICHITA, KS OR EVEN 12 KANSAS CITY, KANSAS OF THEIR ANNUAL INCOME. SOURCE: [HTTPS:WWW.ENERGY.GOV/SCEPS/LEAD-TOOL](https://www.energy.gov/sceps/slead-tool) LOW-INCOME HOUSEHOLDS IN HISTORICALLY DISADVANTAGED COMMUNITIES IN KANSAS ARE NOT ONLY STRUGGLING WITH HIGH ENERGY BURDEN, THEY ARE ALSO EXPERIENCING POOR HEALTH OUTCOMES AND HOUSING INSECURITY. THESE HEALTH OUTCOMES ARE EXACERBATED IN HOUSEHOLDS FORGOING FOOD AND/OR MEDICATION TO PAY THEIR ENERGY BILLS, IN ADDITION TO THE COSTS OF LETHAL AND ENERGY-EXPENSIVE HEAT WAVES AND COLD SNAPS. AN INCREASE IN RATES BY EVERGY WILL MAKE SOME KANSANS ENERGY BURDENS EVEN HIGHER, MEANING THAT EVEN MORE KANSANS WILL BE MAKING DIFFICULT CHOICES BETWEEN FOOD, MEDICATION, AND ENERGY BILLS. WE APPRECIATE YOUR PAST SUPPORT IN BRINGING DOWN KANSAS ELECTRICITY RATES BY 2.29 OVER THE LAST FOUR YEARS. WE HOPE YOU AGREE THAT VOTING AGAINST THE PROPOSED RATE INCREASE IS THE BEST THING FOR KANSAS, BECAUSE RAISING RATES WOULD MAKE THE COST OF ENERGY UNREASONABLY HIGH FOR KANSANS. INSTEAD OF ALLOWING EVERGY TO RAISE RATES, WE HOPE THAT YOU CONTINUE TO KEEP KANSANS ELECTRICITY RATES LOW AND SUPPORT ENERGY EFFICIENCY PROGRAMMING FOR ALL KANSANS. I AM A NEW FATHER AND EVERY PENNY COUNTS RIGHT NOW. WE ALREADY STRUGGLE TO PAY OUR EVERGY BILL, ESPECIALLY IN THE SUMMER

09/21/2023

MONTHS. FURTHER INCREASES ARE TOUGH FOR MYSELF, AND DEVASTATING FOR OTHER KANSANS. SINCERELY, GAVIN SERAFINI

PLEASE DENY EVERGY'S REQUEST TO RAISE THE RATES AN AVERAGE OF 14.24 PER KANSAS HOUSEHOLD OR ROUGHLY 10. MOST PEOPLE ESPECIALLY OLDER PEOPLE LIKE US ON LIMITED INCOMES ARE ALREADY STRUGGLING TO PAY FOR FOOD MEDICINES AND HOUSING. AND WHY SHOULD KANSANS BE FORCED TO PAY FOR EVERGY TO RECOVER THE COST OF INVESTMENTS FOR THE PANASONIC ELECTRONIC VEHICLE BATTERY PLANT. SEVERAL PEOPLE HAVE ALSO REPORTED HOW LONG THEIR ELECTRICITY WAS OFF AFTER THE RECENT STORM UP TO 72 HOURS. THAT IS FURTHER EVIDENCE THAT YOU SHOULD NOT ALLOW EVERGY TO RAISE THEIR RATES

PLEASE DENY THE REQUEST FROM EVERGY TO RAISE THEIR RATES. INCREASING RATES WOULD PRESUMABLY BE IN THE SHORT-TERM INTEREST OF SHAREHOLDERS. BUT IT'S NOT IN THE LONG-TERM INTEREST OF KANSAS CITIZENS. MANY KANSANS STRUGGLE TO MAKE ENDS MEET AS IT IS. ADDING TO ALREADY-HIGH ENERGY COSTS WILL ONLY MAKE THIS STRUGGLE HARDER. AS HOT AS IT WAS THIS SUMMER, AIR-CONDITIONING WAS LITERALLY KEEPING MANY OF US ALIVE. IF PEOPLE HAVE TO CUT BACK ON AC USE TO SAVE MONEY, WE'LL SEE MORE ILLNESS AND EVEN DEATH FROM OVER-HEATING. EVERGY KNOWS IT HAS RELIABLE, COST- SAVING, AND CLEANER ALTERNATIVES TO BURNING FOSSIL FUEL. YOU CAN ENCOURAGE THEM TO USE MORE OF THOSE TO STRENGTHEN THEIR FINANCIAL PICTURE. THANK YOU FOR WHAT YOU HAVE BEEN DOING TO HELP KANSAS HAVE REASONABLY ENERGY COSTS. PLEASE DENY THIS LARGE RATE INCREASE.

I AM WRITING TO ASK THAT YOU VOTE AGAINST THE PROPOSED RATE INCREASE BECAUSE OF UNDUE BURDEN THIS WILL BRING TO FOR MANY OF THE MOST VULNERABLE KANSAS CITIZENS. CITIZENS THAT ALREADY ARE EXPERIENCING FOOD AND HEALTH INSECURITY COULD FACE PAYING 9 TO 12 OF THEIR INCOME IN THE INNER CITIES OF WICHITA OR KANSAS CITY, KS. I APPRECIATE YOUR SUPPORT IN BRINGING DOWN KANSAS ELECTRICITY RATES BY 2.29 OVER THE LAST FOUR YEARS, SO I HOPE YOU AGREE THAT VOTING AGAINST THE PROPOSED RATE IS THE BEST THING FOR KANSAS. INSTEAD OF ALLOWING EVERGY TO RAISE RATES, WE HOPE THAT YOU CONTINUE TO KEEP KANSANS' ELECTRICITY RATES LOW AND CONTINUE TO SUPPORT ENERGY EFFICIENCY PROGRAMING FOR ALL OF KANSAS. I UNDERSTAND THAT EVERGY IS BASING THEIR REQUEST ON THE NEW DEMANDS BROUGHT BY THE PANASONIC BATTERY PLANT. WHILE I WELCOME THE JOBS AND THE CLEAN ENERGY PROVIDED BY BATTERY OPERATED VEHICLES THAT THE NEW PANASONIC BATTERY PLANT WILL BRING, IT WOULD SEEM THAT PANASONIC SHOULD SHARE IN THE COST OF ENERGY RATES RATHER THAN OUR MOST VULNERABLE KANSANS. AS A RETIED PASTOR WHO ATTENDS A CONGREGATION THAT SERVES MANY OF THE MOST VULNERABLE PEOPLE IN KANSAS, I URGE YOU TO VOTE AGAINST THE PROPOSED EXCESSIVE INCREASE REQUESTED BY EVERGY.

DEAR KANSAS CORPORATION COMMISSION, AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. DEAR KANSAS CORPORATION COMMISSION, WE WANT TO KEEP OUR MONEY IN KANSAS! WE ARE PRIME WIND TERRITORY. THE PEOPLE WHO LIVE HERE ARE TOO POOR FOR RATE INCREASES. REINVEST THE MONEY NOW IN KANSAS RENEWABLES. AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME

DEAR KANSAS CORPORATION COMMISSION, I UNDERSTAND THAT THE COST OF PROVIDING ENERGY CAN BE COSTLY. HOWEVER RENEWABLE ENERGY IS DOWN ALMOST 90 IN FIXED COSTS IN THE LAST DECADE ALONE. INSTEAD OF PROPPING UP DYING FOSSIL FUEL PLANTS, INVEST IN SOLAR, WIND AND OTHER RENEWABLE SOURCES. THEY ARE ALREADY MORE THAN 60 CHEAPER TO OPERATE AFTER YOUR STARTUP THEN RUNNING A FOSSIL FUEL PLANT. AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. STORY, HIKING KANSAS CUSTOMERS BILLS BETWEEN 42 AND 170 PER YEAR. KANSAS UTILITY RATES ARE ALREADY THE HIGHEST IN THE REGION, EVEN BEFORE THESE INCREASES. TELL THE KANSAS CORPORATION COMMISSION TO SAY NO TO EVERGYS RATE HIKES AND YES TO CHEAPER AND CLEANER FORMS OF ENERGY.

DEAR COMMISSIONERS, PLEASE OPPOSE THE REQUESTED RATE HIKE BY EVERGY. I RECENTLY GOOGLED 'EVERGY PROFITS,' AND THE RESULTS WERE DOZENS OF ARTICLES AND REPORTS THAT EVERGY PROFITS HAVE BEEN SKYROCKETING THE PAST FEW YEARS, WHILE THEIR AVERAGE CUSTOMER IS STILL WORKING TO CLAW OUT OF THE ECONOMIC DEVASTATION OF RECENT YEARS. EVERGY PROVIDES A PUBLIC GOOD, BUT OPERATES AS A PRIVATE CORPORATION - PRIORITIZING PROFIT OVER CUSTOMER. THAT'S WHY YOUR ROLE IS CRUCIAL. THE KANSAS CORPORATION COMMISSION MUST ADVOCATE FOR ALL KANSANS BY REGULATING RATES IN LINE WITH THE PRODUCT WE ARE RECEIVING, IN THIS CASE, A BASIC HUMAN NECESSITY. WE DON'T CHOOSE WHETHER OR NOT WE WANT ELECTRICITY TO HEAT AND COOL OUR HOMES, COOK FOOD FOR OUR FAMILIES, AND RUN LIFE-SAVING MEDICAL EQUIPMENT. AND WE DON'T CHOOSE EVERGY. IT ISN'T A CHOICE FOR US; THERE IS NO COMPETITOR. BUT YOU DO HAVE A CHOICE, AND I URGE YOU TO CHOOSE THE SIDE OF HARD-WORKING KANSANS BY OPPOSING THIS RATE HIKE. THANK YOU. 'EVERGY TOUTS FINANCIAL EARNINGS TO INVESTORS WHILE SEEKING RATE HIKES FROM KANSAS CUSTOMERS,' TOPEKA CAPITAL JOURNAL, MAY 8, 2023 [HTTPS:WWW.CJONLINE.COM/STORY/BUSINESS/ENERGY-RESOURCE/2023/05/08/EVERGY-CEO-TALKS-FINANCIAL-RESULTS-RATE-INCREASE-IN-INVESTOR-CALL/70175227007](https://www.cjonline.com/story/business/energy-resource/2023/05/08/evergy-ceo-talks-financial-results-rate-increase-in-investor-call/70175227007)

DEAR KANSAS CORPORATION COMMISSION, I AM RETIRED AND ON A FIXED INCOME AND CANNOT AFFORD INCREASED RATES AND EVEN AT THAT BETTER OFF THAN SOME SO SPEAKING FOR THEM ALSO?.SALLY HAYES AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR

DEAR KANSAS CORPORATION COMMISSION, OUR CLIMATE IS SENDING CLEAR SIGNALS THAT WE SHOULD NOT BE GOING BACKWARD IN OUR GOALS, IN OUR PRACTICES, IN OUR INVESTMENTS TOWARD CLEAN ENERGY SOLUTIONS. CLEARLY COAL-BURNING POWER PLANTS SHOULD NOT BE IN OUR ENERGY MIX. AS AN EVERGY CUSTOMER I AM NOT ALONE IN PAYING ATTENTION TO THE SOURCE OF OUR ENERGY MIX AND I WHOLE HEARTEDLY AGREE WITH THE CONTENTS OF THIS MESSAGE. AS A LONG-TIME SUPPORTER AND FAN OF SIERRA CLUB I DEARLY HOPE THAT EVERGY SEES HOW URGENT THESE SEVERAL ISSUES HAVE BECOME, AFFECTING CUSTOMER COSTS, CUSTOMER HEALTH AND THE HEALTH OF OUR REGION AND FAR BEYOND. THESE 'DETAILS' HERE IN THE MIDWEST HAVE RAMIFICATIONS WAY BEYOND OUR HORIZONS. AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND

09/22/2023

HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. COMMISSIONERS,

ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS-FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING.

I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGY'S PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS' RATES BY \$304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS \$171 MORE ANNUALLY.

EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME.

PLEASE REJECT EVERGY'S PROPOSAL TO RAISE MY ELECTRIC RATES.

THANK YOU,

JOHNNY NOVAK

DEAR KANSAS CORPORATION COMMISSION, AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. DEAR KANSAS CORPORATION COMMISSION,

I DEFINITELY WOULD LIKE TO HAVE EVERGY USE CLEAN ENERGY FOR THE CUSTOMERS HERE WHERE I LIVE. WHY ENCOURAGE THE CUSTOMERS TO GO SOLAR IF THE COMPANY IS PAYING FOR COAL TO BURN?? THINK IT THROUGH, PLEASE, WON'T YOU LOOK AT WHAT YOU ARE DOING?

AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER \$170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE.

COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT.

EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT \$500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS.

THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING.

09/22/2023

EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS.

THANK YOU FOR YOUR TIME.

DEAR KANSAS CORPORATION COMMISSION, AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. COMMISSIONERS,

ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS-FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING.

I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGY'S PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS' RATES BY \$304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS \$171 MORE ANNUALLY.

EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME.

PLEASE REJECT EVERGY'S PROPOSAL TO RAISE MY ELECTRIC RATES.

THANK YOU,

BRIAN INLOES

I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE.

COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT.

EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT \$500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS.

THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS.

THANK YOU FOR YOUR TIME.

SINCERELY,

KATHRYN ERB

COMMISSIONERS,

ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS-FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING.

I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGY'S PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS' RATES BY \$304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS \$171 MORE ANNUALLY.

EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME.

PLEASE REJECT EVERGY'S PROPOSAL TO RAISE MY ELECTRIC RATES.

THANK YOU,

MARSHA SCHNIEDERS

09/22/2023

DEAR KANSAS CORPORATION COMMISSION,

THIS ISSUE MATTERS TO ME BECAUSE THE USE OF COAL IMPACTS FRONT LINE COMMUNITIES AND WORSENS AIR QUALITY FOR THOSE LIVING NEAR PROCESSING FACILITIES, AND EVERYBODY SHOULD HAVE A RIGHT TO CLEAN AIR. WE ALSO NEED TO FOCUS ON LONG TERM HEALTH OF THIS PLANET AND USING ENERGY PRODUCTION SYSTEMS THAT ARE AS LEAST DETRIMENTAL TO THAT LONG TERM HEALTH AS POSSIBLE.

AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER \$170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE.

Narrative

09/22/2023

DEAR KANSAS CORPORATION COMMISSION, EVERGY USED TO FOCUS ON PRODUCING CLEAN ENERGY IN KANSAS BUT SINCE THEY MERGED THE PRICES ARE RISING BECAUSE THEY ARE USING FOSSIL FUELS. THIS IS NOT GOOD BUSINESS WHEN EVERGY COULD BE INVESTING IN KANSAS AND KEEPING COSTS LOWERED WITH AN EYE FOR FUTURE INDEPENDENCE FROM EXPENSIVE COAL IN OTHER STATES. WE PAY FOR OUR ENERGY TO BE SUPPLIED AND THE BEST WAY FOR IT TO BE SELF SUSTAINING IS FOR EVERGY TO INVEST IN CLEAN ENERGY PRODUCTION IN KANSAS, NOT PAYING SOME OTHER STATE FOR THEIR DIRTY COAL. AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR

09/22/2023

HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. SINCERELY, MELISSA GETTINGER

I AM A PUBLIC SCHOOL TEACHER IN WICHITA AND WHEN I HEARD ABOUT THE 25% INCREASE FOR SCHOOLS AND CHURCHES AND WHILE I UNDERSTAND INCREASES ARE NECESSARY I THINK 25% IS A OUTRAGOUS NUMBER. I UNDERSTAND THIS WILL AFFECT SMALLER DISTRICTS THAN MINE AND SMALLER CHURCHES.

I'M REALLY AFRAID THIS WILL SHUT DOWN SMALLER CHURCHES OR SCHOOLS, AND WILL HURT THEIR BUDGET. I BELIEVE EVERYONE IS ENTITLED TO A FREE PUBLIC EDUCATION AND THIS INCREASE WILL JEOPERDIZE THAT.

OUR GOVERNMENT AFFECT PROTECTS RELIGIOUS GATHERINGS SO SCHOOLS AND CHURCHES ARE PROPOSED TO TAKE THE BIGGEST HIT.

KANSAS CORPORATION COMMISSIONERS; I UNDERSTAND THAT THE KANSAS CORPORATION COMMISSION WILL BE HOLDING A VOTE IN DECEMBER 2023 REGARDING THE PROPOSED EVERYGY RATE INCREASE. IM WRITING TODAY TO ASK THAT YOU VOTE AGAINST THE PROPOSED RATE INCREASE. THE CAPITAL-JOURNAL SEPTEMBER 22, 2023 STATES THAT: 'THIS PROPOSED INCREASE, NEARLY 301 MILLION ACROSS THE STATE OF KANSAS IN 2024, WILL INCREASE CENTRAL KANSAS CUSTOMERS ELECTRIC BILLS BY 14 A MONTH...' THIS SEEMS EXTREME AND UNREASONABLY HARSH. PLEASE VOTE AGAINST THIS!

I UNDERSTAND THAT TIMES ARE TOUGH ALL OVER, BUT COMPARE, IF YOU WILL, THE SALARIES OF THE FOLKS ASKING FOR THIS RAISE, AND THOSE WHO MUST SOMETIMES BE PAINFULLY OR DANGEROUSLY WITHOUT ELECTRICITY, BECAUSE LOWEST ON THE MONEY SCALE - THE POOR, THE DISADVANTAGED, THE HANDICAPPED - ARE ALWAYS HIT THE HARDEST. I BELIEVE THERE ARE OTHER WAYS TO REDUCE THE COST OF ELECTRICITY BY PARTNERING WITH KANSAS. IF FOLKS HAD AN INCENTIVE SUCH AS FREE SOLAR PANELS WITH A LOW MONTHLY PAYBACK OVER TIME. EVERYONE COULD WIN. THE PRICE FOR ELECTRICITY WOULD BE LESS, AND THE SURPLUS MONEY FROM THE STATE WOULD BE USED FOR THE CITIZENS INSTEAD OF MORE KRIS KOBACH LAWSUITS. DO THE NEXT BEST THING FOR THE CITIZENS AND FOR THIS PLANET. PLEASE.

I OPPOSE EVERGYS RATE INCREASE BECAUSE: EVERGY IS REQUESTING THE LARGEST RATE INCREASE IN ITS HISTORY BUT ISNT KEEPING ITS COMMITMENTS WITH OUR MONEY. AN INCREASE IN RATES BY EVERGY WILL MAKE MANY KANSANS ENERGY BURDENS EVEN HIGHER, MEANING THAT EVEN MORE KANSANS WILL BE MAKING DIFFICULT CHOICES BETWEEN FOOD, MEDICATION, AND ENERGY BILLS. EVERGY IS A MONOPOLY WITH NO COMPETITION IN EXCHANGE FOR REGULATORY OVERSIGHT IN THE PUBLIC INTEREST. EVERGY HAS SPENT OUR MONEY ON THINGS THAT HARM US FOSSIL FUEL EMISSIONS THAT CONTRIBUTE TO WATER AND AIR POLLUTION, PREVENTABLE DISEASE, CLIMATE CHANGE, AND HIGHER CONSUMER COSTS. EVERGY HAS RELIABLE, CLEANER AND CHEAPER ALTERNATIVES TO FOSSIL FUELS. THIS IS AN ENERGY JUSTICE ISSUE AND AN ECOSYSTEM INCLUDING HUMANS CARE ISSUE.

Narrative

09/23/2023

DEAR KANSAS CORPORATION COMMISSIONERS: I AM WRITING TO YOU TO EXPRESS MY STRONG OPPOSITION TO THE RATE HIKES PROPOSED BY EVERGY IN THE EVERGY RATE CASE DOCKET 23-EKCE-775-RTS. THE UNIQUE MONOPOLY POSITION OF EVERGY MAKES IT IMPERATIVE THAT PROPER OVERSIGHT IS GIVEN TO ANY PROPOSED INCREASES, WHICH WILL ADVERSELY AFFECT KANSAS CUSTOMERS, BY THE KCC. WE HAVE NO CHOICE BUT TO BUY ENERGY FROM THEM. MY UNDERSTANDING IS THAT THE PROPOSED INCREASE WILL RAISE CUSTOMER'S BILLS BY OVER 14 PER MONTH. THIS IS AN OUTRAGEOUSLY HIGH AMOUNT. I GUESS THE PEOPLE AT EVERGY WANT TO PLAY A GAME OF BAIT AND SWITCH: PROPOSE A VERY HIGH INCREASE AND THEN SETTLE FOR LESS, BUT THE FINAL AMOUNT WOULD BE MORE THAN WHAT THEY WOULD GET IF THEY MADE A REASONABLE PROPOSAL. IN THIS CASE, A MIDDLE-OF-THE-ROAD STRATEGY WOULD BE A MISTAKE. THIS COMPANY HAS FURTHER ERODED CUSTOMER'S OPTIONS BY LIMITING THE NUMBER OF ROOF-TOP SOLAR INSTALLATIONS TO ONLY 1 OF ITS CUSTOMERS. THEREFORE, EVERGY, WHO HAS THIS SPECIAL NONCOMPETITIVE ARRANGEMENT WITH THE STATE, IS NOT LIVING UP TO ITS OBLIGATIONS TO BALANCE THE INTERESTS OF THE PUBLIC WITH THEIR OWN CORPORATE INTERESTS. MAYBE IT IS TIME TO RE-EVALUATE THIS ARRANGEMENT. HANK J. GUARISCO 929 CONNECTICUT ST. LAWRENCE, KS 66044

OLDER VOTING FEMALE HERE! WE JUST HAD A 3 INCREASE IN OUR UTILITIES DURING THE PANDEMIC HERE IN LAWRENCE. 9 OR 14 IS JUST WAY TOO MUCH FOR MY FIXED INCOME. ISN'T IT BAD ENOUGH THAT EVERGY HAD KANSAS EXCEPT THE KC AREA HELP PAY FOR TEXAS'S WINTER GRID PROBLEM FROM A FEW YEARS AGO? NO ONE ASKED US IF WE WOULD HELP PAY, THEY MADE US. SO THIS TIME I WANT IT KNOWN I'M TIRED OF EVERGY GETTING WHAT THEY WANT. THAT 9 ISN'T GOING TO KEEP THE LIGHTS ON DURING A STORM ANY BETTER THAN BEFORE HERE, I'M SURE THE MONEY WOULD GO TO SERVICE THE RICHER COMMUNITIES IN THE METRO AREAS. THERE ARE SOME PROGRAMS THAT SOME PEOPLE CAN APPLY FOR HELP TO PAY THE ELECTRIC BILL BUT THEY TAKE TIME TO RECEIVE THOSE FUNDS IF YOU QUALIFY AT ALL. EVERGY HAS THAT PARTIAL PAYMENTS PROGRAM BUT IF YOU MISS A PAYMENT OR DON'T PAY THE FULL AMOUNT, YOUR ELECTRICITY IS CUT OFF. PLEASE DO WHAT YOU CAN TO STOP THEM AT THIS PRICE HIKE. THEIR STOCKHOLDERS DON'T NEED TO BE PAID 150 PROFIT, DO THEY? THANK YOU, JOSIE SCHMIDT

I AM OPPOSED TO THE RATE INCREASE. THE 14.24 RATE INCREASE IS LIKE PAYING FOR AN EXTRA MONTH OF SERVICE IF YOU ARE REFERENCING ONE OF THE HOTTEST SUMMER MONTHS. I AM ON A FIXED INCOME. I GO TO THE WEBSITE SEVERAL TIMES A WEEK TO CHECK MY USAGE. IF IT IS HIGH, I HOLD OFF WASHING CLOTHES AND I ENDURE A WARMER HOUSE THAN IS COMFORTABLE. NOW YOU WANT TO MAKE ALL THOSE SACRIFICES NOT EVEN ENOUGH BY INCREASING MY MONTHLY RATE. I AM NOT SURE HOW I CAN CUT ANY MORE USAGE THAT I ALREADY HAVE. THIS RATE INCREASE WILL CAUSE AN UNDUE HARDSHIP ON ME.

AS A CUSTOMER, I AM OPPOSED TO EVERGY'S PROPOSED RATE HIKE BECAUSE OUR ENERGY COSTS ARE ALREADY AMONG THE HIGHEST THE COUNTRY, AND ADDITIONAL COSTS WILL HIT WORKING FAMILIES AND THOSE ALREADY EXPERIENCING FINANCIAL STRAIN DUE TO HIGH CHILDCARE AND HOUSING COSTS ESPECIALLY HARD. AS A MOM, I'M MOST CONCERNED ABOUT WHAT EVERGY IS NOT DOING WITH THIS REQUEST--KEEPING THEIR PROMISES TO MOVE TO CLEANER ENERGY SOURCES, CLOSE POLLUTING COAL PLANTS, AND IMPLEMENT THE SUSTAINABLE OPTIONS THEY ALREADY HAVE AT THEIR DISPOSAL. AT THIS POINT, WE ABSOLUTELY KNOW WHAT WE NEED TO DO TO MEET THE CLIMATE CHALLENGE--AND WE EVEN KNOW HOW. WHAT WE NEED IS LEADERSHIP, TO MAKE THE CHOICES THAT WILL PLACE A LIVABLE CLIMATE FUTURE WITHIN REACH. I HOPE YOU WILL SHOW THAT LEADERSHIP--FOR KANSAS' FUTURE, AND MY KIDS'.

DON'T WE HAVE GREENER AND CHEAPER WAYS TO PROVIDE OUR ELECTRICITY? DO WE REALLY HAVE TO KEEP THESE COAL FIRED PLANTS GOING? I UNDERSTAND PRACTICALITY AND PERHAPS THE NEED TO TRASITION BUT WE HAVE TO KEEP THIS MOVING FORWARD. WE NEED CLEANER AIR, GREENHOUSE GAS POLLUTION IS DIRECTLY RELATED TO PREMATURE DEATHS AND ASTHMA ATTACKS, ESPECIALLY IN ALREADY-VULNERABLE POPULATIONS. IT IS WARMING THE WORLD AT AN UNBELIEVABLE RATE. . THE ELECTRIC SECTOR IS RESPONSIBLE FOR ABOUT A THIRD OF THE U.S. GREENHOUSE GAS EMISSIONS THAT ARE CAUSING THE CLIMATE CRISIS. LETS KEEP MOVING IN THE GREENER, HEALTHIER, AND CHEAPER DIRECTION, FOR THE SAKE OF OUR KIDS. THANKS FOR LISTENING! JENNIFER BROWN, MOTHER OF TWO

YEARS AGO, EVERGY PROMISED SAVINGS, YET ARE ALWAYS ASKING TO RAISE RATES. ENOUGH IS ENOUGH. WE ARE ALREADY PAYING EXTRA EACH MONTH TO COVER PAST 'SUPER STORMS.' EVERGY WANTS CUSTOMERS TO PAY FOR ENERGY USED IN THE PAST, FOR TODAY, AND TOMORROW. IS INFLATION HITTING THEM HARD? INFLATION IS HITTING CUSTOMERS HARD. THIS IS NOT THE TIME TO RAISE RATES. POWER OUTAGES IN LEAVENWORTH HAPPEN ALL THE TIME, EVEN ON SUNNY DAYS, NOT JUST DURING BAD WEATHER. EVERGY HAS DONE NOTHING TO ADDRESS THIS. THE PAST RATE INCREASES THEY HAVE ALREADY BEEN GIVEN HAVE NOT IMOROVED SERVICE. DO NOT ALLOW THEM TO COLLECT HIGHER RATES. I DO MY BEST TO KEEP MY BILL DOWN, BUT EVERGY'S RATE INCREASES ARE TOO OFTEN TOO HIGH.

I AM ON A FIXED INCOME SO IF THIS PASSES IT WILL MEAN THAT IT WILL MEAN THAT IT WILL MAKE IT HARDER TO BE ABLE TO PAY THIS AND MY OTHER EXPENSES THAT I HAVE. IT WILL MEAN THAT I WILL HAVE TO CUT BACK ON OTHER THINGS THAT I WILL BE ABLE TO BUY OR NEED. I ALSO FEEL THAT IT'S ALREADY BAD ENOUGH THAT WE ARE HAVING TO PAY AN EXTRA 2.82 UNTIL MARCH OF 2025 BECAUSE OF WINTER STORM URI IN FEB. OF 2021, AND ALSO WHEN THE PANASONIC PLANT IS BUILT AND COMPLETED THAT WE WILL POSSIBLY HAVE TO PAY EXTRA FOR THE ELECTRICITY IT WILL USE TO BE OPERATIONAL. I FEEL IF PANASONIC WANTS TO BUILD THEIR PLANT THAT THEY SHOULD PAY FOR THE ELECTRIC CHARGES NOT HAVE EVERYONE'S BILLS BE INCREASED BECAUSE OF IT. PEOPLE LIKE MYSELF WHO ARE ON FIXED INCOMES CAN ABSOLUTELY NOT AFFORD ALL OF THESE INCREASES, ESPECIALLY WITH INFLATION BEING WHERE IT IS RIGHT NOW. WE DO NEED THE ELECTRIC SERVICE, BUT WE ALSO DO NOT NEED ALL OF THESE INCREASE ON OUR MONTHLY BILLS.HOPEFULLY THIS WILL HELP KEEP AT LEAST THE RATE INCREASE FROM HAPPENING. THANK YOU FOR GIVING ME A CHANCE TO VOICE MY OPINION.

SEPTEMBER 24, 2023 KANSAS CORPORATION COMMISSIONERS 1500 SW ARROWHEAD ROAD TOPEKA, KANSAS 66604-4027 DEAR KANSAS CORPORATION COMMISSIONERS, I HAVE RECENTLY LEARNED ABOUT THE PROPOSED EVERGY RATE INCREASE, WHICH THE KANSAS CORPORATION COMMISSIONERS WILL BE VOTING ON. I OPPOSE THIS RATE INCREASE AND AM WRITING TO ENCOURAGE YOU TO VOTE AGAINST IT. EVERGY IS REQUESTING A SIGNIFICANTLY LARGE RATE INCREASE AT A TIME WHEN IT IS EARNING RECORD PROFITS FOR ITS INVESTORS. AT THE SAME TIME, IT HAS GONE BACK ON ITS COMMITMENT TO CLOSE THE LAWRENCE COAL PLANT BY 2023 AND NOW INDICATES IT WILL CONTINUE TO USE IT AT LEAST ANOTHER FIVE YEARS. AT THIS POINT, WIND AND SOLAR ARE LESS EXPENSIVE THAN COAL, AS WELL AS FAR BETTER FOR THE HEALTH OF THE SURROUNDING COMMUNITY AND FOR ADDRESSING THE CLIMATE CRISIS SINCE THEY PRODUCE NO POLLUTION OR CARBON EMISSIONS. EVERGY SHOULD NOT BE ALLOWED TO RAISE RATES WHILE CONTINUING TO USE THIS DIRTY MORE EXPENSIVE FORM OF ENERGY. SUCH A RATE INCREASE WILL ALSO BE A HARDSHIP FOR MANY KANSANS DURING A TIME WHEN INFLATION HAS MADE IT MORE DIFFICULT TO MAKE ENDS MEET. I AM VERY CONCERNED ABOUT THE CHANGING CLIMATE, WHICH IS BEING CAUSED IN LARGE PART BY THE USE OF FOSSIL FUELS, WITH COAL BEING THE MOST POLLUTING. I URGE YOU TO REQUIRE EVERGY TO INVEST THEIR RECORD EARNINGS IN RENEWABLE ENERGY SOURCES, CLOSE DOWN THEIR COAL PLANTS, AND PROVIDE INCENTIVES FOR ROOFTOP AND COMMUNITY SOLAR AND ENERGY EFFICIENCY BEFORE BEING ELIGIBLE FOR A RATE INCREASE. THANK YOU FOR YOUR WORK AND FOR YOUR CONSIDERATION OF THIS MATTER. SINCERELY, RUTH ROSELL

09/24/2023 I AM 83-YEARS OLD ON A VERY FIXED INCOME. THIS APPLIED-FOR INCREASE BY EVERGY WILL CREATE INCREASED STRESS ON MY LIMITED BUDGET. AT NIGHT, WHEN TRYING TO GO TO SLEEP, WORRY ABOUT ANY FURTHER FINANCIAL STRAIN, CAUSES SLEEPLESS NIGHTS. I KNOW THIS IS HOW MANY OLDER ADULTS ARE AFFECTED. PLEASE DONT FORGET US AS YOU PONDER YOUR DECISION ON EVERGYS APPLICATION.

09/28/2023 COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, MARILYN HARTMAN 2529 AMHURST ROAD TOPEKA KS, 66614-1640

EVERGY IS A FINE COMPANY THAT DOES IT'S BEST FOR THEIR CUSTOMERS - THAT'S WHY THIS MUCH OF AN INCREASE IS DISAPPOINTING. I OPPOSE SUCH AN EXCESSIVE INCREASE IN THEIR RATES SINCE WE'RE ON A FIXED INCOME. WITH THE PRICES OF EVERYTHING ELSE GOING UP, SUCH A DRAMATIC INCREASE WILL SQUEEZE US. I UNDERSTAND THEY NEED AN INCREASE IN ORDER TO KEEP IN BUSINESS, BUT IT SHOULD BE LESS THAN WHAT THEY'RE ASKING FOR.

Narrative

09/24/2023

I AM A RETIRED SENIOR CITIZEN, 78 YEARS OF AGE, LIVING ON A FIXED INCOME. COST OF LIVING CONTINUES TO RISE DISPROPORTIONATELY HIGH IN RELATION TO INCOME. EVERGY ISA PROFITABLE COMPANY, WITH RECORD PROFITS LAST YEAR. THEIR PLANS TO USE THE PROFITS DO NOT TAKE INTO ACCOUNT THE NEEDS AND SITUATIONS OF THE MAJORITY OF CUSTOMERS FOR WHOM THEY PROVIDE SERVICES. HOW CAN CUSTOMERS CONTINUE TO USE THE SERVICES OF EVERGY IF EVERGY PRICES THE SERVICES SO HIGH THAT MANY CUSTOMERS CAN NO LONGER AFFORD THEM? WITH THE RECORD PROFITS THEY MADE, THEY CAN IMPROVE THE INFRASTRUCTURE THEY DESIRE TO IMPROVE AND PROVIDE A SUFFICIENT DIVIDEND TO SHAREHOLDERS AS WELL. TO FACILITATE THIS, THEY NEED TO EXAMINE CAREFULLY THE EXORBITANTLY HIGH SALARIES THEY ARE PAYING THEIR TOP EXECUTIVES, TRIM THEM TO BE IN LINE WITH WHAT THEY SHOULD BE, AND BE IN BALANCE WITH SALARIES PAID TO OTHERS WORKING FOR THEM, WITH NEEDS FOR INFRASTRUCTURE, AND WITH AFFORDABLE SERVICES FOR ALL EVERGY CUSTOMERS.

I OPPOSE EVERGY'S RATE INCREASE BECAUSE: EVERGY IS REQUESTING THE LARGEST RATE INCREASE IN ITS HISTORY BUT ISN'T KEEPING ITS COMMITMENTS WITH OUR MONEY. AN INCREASE IN RATES BY EVERGY WILL MAKE MANY KANSANS' ENERGY BURDENS EVEN HIGHER, MEANING THAT EVEN MORE KANSANS WILL BE MAKING DIFFICULT CHOICES BETWEEN FOOD, MEDICATION, AND ENERGY BILLS. EVERGY IS A MONOPOLY WITH NO COMPETITION IN EXCHANGE FOR REGULATORY OVERSIGHT IN THE PUBLIC INTEREST. EVERGY HAS SPENT OUR MONEY ON THINGS THAT HARM US: FOSSIL FUEL EMISSIONS THAT CONTRIBUTE TO WATER AND AIR POLLUTION, PREVENTABLE DISEASE, CLIMATE CHANGE, AND HIGHER CONSUMER COSTS. EVERGY HAS RELIABLE, CLEANER AND CHEAPER ALTERNATIVES TO FOSSIL FUELS. WE HAVE SOLAR PANELS AND EVERGY HAS ALREADY TRIED TO RAISE OUR RATES EFFECTIVELY ATTEMPTING TO DOUBLE WHAT WE PAY. THIS IS WRONG. THANK YOU

Narrative

09/24/2023

DEAR COMMISSIONERS, I HAVE BEEN A RESIDENT OF LAWRENCE, KANSAS AND A CUSTOMER OF EVERGY OR ITS PREDECESSOR COMPANIES SINCE AUGUST 1996. I GREW UP ON A FARM ON THE PLAINS OF NEBRASKA, AND MY ANCESTORS GO BACK 150 YEARS IN THAT STATE. MY WIFE HAS KANSAS FARMING ROOTS GOING BACK 150 YEARS, TOO. HER ANCESTORS AND MINE THRIVED ON THE PLAINS BY ENGAGING IN RESPONSIBLE STEWARDSHIP OF THE LAND, AIR AND WATER, AND BY LIVING FRUGALLY AND FINANCIALLY RESPONSIBLY. I RESPECTFULLY ASK YOU, THE MEMBERS OF THE CORPORATION COMMISSION, TO DO THE SAME, AND TO DIRECT EVERGY TO REPLACE ITS FLEET OF IRRESPONSIBLE, FINANCIALLY UNCOMPETITIVE COAL-FIRED POWER PLANTS WITH RENEWABLE WIND AND SOLAR POWER AND ENERGY EFFICIENCY PROGRAMS. I OBJECT TO A LARGE RATE INCREASE FOR EVERGY WHEN THE COMPANY IS FAILING TO ACT AS A STEWARD OF ITS CUSTOMERS FINANCIAL RESOURCES AND OF OUR CHILDRENS FUTURE. EVERGY COULD AND SHOULD FOLLOW THE MODEL OF THE OKLAHOMA PUBLIC SERVICE COMPANY THAT IS SHUTTING DOWN ITS COAL PLANTS, INVESTING IN RENEWABLE ENERGY, AND TAKING ADVANTAGE OF FEDERAL SUPPORT FOR THESE STEPS AND IN DOING THESE THINGS IS SAVING ITS CUSTOMERS MONEY. I URGE YOU TO USE THE FULLEST EXTENT OF YOUR LAWFUL AUTHORITY TO DIRECT OR GIVE EVERGY INCENTIVES TO CLOSE ITS COAL PLANTS AND SHIFT ITS ELECTRIC GENERATION TO WIND AND SOLAR POWER. FOUR REASONS SUPPORT THIS COURSE OF ACTION. FIRST, COAL-FIRED POWER PLANTS, INCLUDING EVERGYS FLEET OF COAL PLANTS, HAVE BECOME FINANCIALLY UNCOMPETITIVE AGAINST WIND AND SOLAR POWER. CONTINUING TO OPERATE THESE COAL PLANTS IS FINANCIALLY IRRESPONSIBLE TO EVERGYS CUSTOMERS. CAREFUL RESEARCH PUBLISHED THIS YEAR BY ENERGY INNOVATION POLICY TECHNOLOGY, LLC SHOWS THAT WIND AND SOLAR POWER IS LESS COSTLY TO INSTALL AND OPERATE THAN CONTINUING TO OPERATE COAL-FIRED POWER PLANTS NATIONWIDE AND THAT INCLUDES EVERGYS COAL-FIRED POWER PLANTS. ONLY ONE COAL-FIRED POWER PLANT IN THE COUNTRY A PLANT IN WYOMING REMAINS FINANCIALLY COMPETITIVE WITH WIND AND SOLAR POWER. ENERGY

09/24/2023

INNOVATIONS RESEARCH SHOWS THAT 99 PERCENT OF ALL COAL-FIRED POWER PLANTS IN THE U.S. ARE MORE EXPENSIVE TO OPERATE ON A FORWARD-LOOKING BASIS THAN THE ALL-IN COST OF REPLACEMENT RENEWABLE ENERGY PROJECTS, AND 97 PERCENT ARE MORE EXPENSIVE THAN RENEWABLE ENERGY PROJECTS SITED WITHIN 45 KILOMETERS APPROXIMATELY 30 MILES. GOING FORWARD, AS THE COST OF WIND AND SOLAR POWER CONTINUES TO DECLINE, COAL-FIRED POWER WILL ONLY BECOME INCREASINGLY FINANCIALLY IRRESPONSIBLE TO EVERGYS CUSTOMERS. I OBJECT TO GRANTING EVERGY A RATE INCREASE THAT PUTS THE FINANCIAL BURDEN OF EVERGYS COAL-BASED FINANCIAL IRRESPONSIBILITY ON ITS CUSTOMERS. I URGE YOU TO DENY ANY RATE INCREASE AS LONG AS EVERGY CONTINUES TO OPERATE FINANCIALLY IRRESPONSIBLE COAL PLANTS. SECOND, CONTINUING TO OPERATE COAL-FIRED POWER PLANTS REPRESENTS AN IRRESPONSIBLE DECISION TO EXPORT 500 MILLION OF KANSAS RATEPAYERS MONEY EACH YEAR TO OUT-OF-STATE COAL COMPANIES RATHER THAN INVESTING THAT MONEY IN KANSAS JOBS FOR KANSAS WORKERS INSTALLING

Narrative

AND OPERATING WIND AND SOLAR PROJECTS IN OUR OWN STATE. I OBJECT TO EVERGYS SENDING 500 MILLION DOLLARS OF RATEPAYERS MONEY EACH YEAR TO OUT-OF-STATE COAL COMPANIES. THIS ONGOING EXPORT BY EVERGY OF OUR FINANCIAL RESOURCES IS

IRRESPONSIBLE TO THE WORKERS OF KANSAS. I URGE YOU TO ACT TO THE FULLEST EXTENT OF YOUR LAWFUL POWERS TO DIRECT OR ENCOURAGE EVERGY TO INVEST THOSE DOLLARS-- 500 MILLION EACH YEAR INSTEAD IN KANSAS RENEWABLE ENERGY PROJECTS THAT EMPLOY KANSAS WORKERS. THIRD, CLIMATE CHANGE IS ALREADY IMPOSING REAL COSTS ON KANSANS, AND THESE COSTS WILL ONLY INCREASE OVER THE NEAR AND LONG TERM. THE MULTI-YEAR DROUGHT ON THE WESTERN PLAINS DECIMATED THE KANSAS WHEAT CROP THIS YEAR, AND THEN UNUSUALLY HEAVY SUMMER RAINSTHE ANNUAL RAINFALL CAME IN ONLY A FEW WEEKS IN SOME AREASBOGGED DOWN THE WHEAT HARVEST IN MUD. SUMMER HEAT AND DROUGHT, PUNCTUATED BY ESPECIALLY DISRUPTIVE STORMS, ARE LIKELY TO INCREASE IN COMING DECADES, FURTHER HARMING KANSAS AGRICULTURE. EVERGYS

09/24/2023 FOSSIL FUEL POLLUTION CONTRIBUTES DIRECTLY TO THE PROBLEM, BUT EVERGY IS NOT INTERNALIZING THESE AND OTHER COSTS OF CLIMATE CHANGE IN ITS FINANCIAL MODELS. BY FAILING TO MOVE TOWARD RENEWABLE ENERGY, EVERGY IS IMPOSING COSTS ON THE REST OF US AND THEN THEY ARE ASKING US TO PAY THEM FOR IT WITH A RATE INCREASE. I URGE YOU TO TAKE INTO CONSIDERATION THE PROJECTED COSTS OF CLIMATE CHANGE ON THE PEOPLE OF KANSAS AS ONE BASIS FOR DECLINING EVERGYS REQUEST FOR A RATE INCREASE. I ALSO URGE YOU TO TAKE INTO CONSIDERATION THE COSTS OF CLIMATE CHANGE AS A BASIS FOR DIRECTING EVERGY TO TRANSITION IMMEDIATELY AWAY FROM COAL-FIRED POWER AND TOWARD RENEWABLE ENERGY. FOURTH, IN THE PAST EVERGY ADMITTED THAT IT COULD SWITCH FROM COAL AND NATURAL GAS TO RENEWABLE ENERGY WITHOUT RAISING RATES. EVERGY SHOULD BE REQUIRED TO HONOR ITS PROMISE. IN SUM, I AM WRITING TO RESPECTFULLY ASK YOU, MEMBERS OF THE CORPORATION COMMISSION, TO BE RESPONSIBLE STEWARDS OF OUR LAND, PEOPLE, AND FINANCIAL RESOURCES, AND TO DECLINE TO AUTHORIZE THIS RATE INCREASE. I URGE YOU TO REQUIRE EVERGY TO CLOSE ITS COAL PLANTS, BUILD NO MORE GAS PLANTS, AND INVEST INSTEAD IN RENEWABLE ENERGY JOBS FOR KANSANS. SINCERELY, CHARLES R. EPP, LAWRENCE, KANSAS

I DON'T PAY FOR ELECTRICITY WHERE I CURRENTLY LIVE, BUT I HAVE HAD TO PAY BEFORE. I HAVE BEEN ON A FIXED INCOME SINCE 2018 BECAUSE OF MY PHYSICAL DISABILITIES. I ALREADY PAY NEARLY 40 OF MY INCOME FOR RENT. I'M LUCKY THAT I CURRENTLY DON'T HAVE TO PAY AN ELECTRIC BILL, BUT OTHERS SIMILARLY FINANCIALLY SITUATED ARE NOT AS LUCKY. RATE INCREASES OF THIS TYPE FORCE POOR PEOPLE TO MAKE CHOICES ABOUT WHAT BILLS GET PAID AND SOMETIMES THOSE POOR PEOPLE, BECAUSE OF PHYSICAL DISABILITIES, HAVE TO HAVE ELECTRICITY FOR THE OPERATION OF MEDICAL EQUIPMENT. DON'T MAKE PEOPLE ALREADY PUT UPON MAKE THOSE CHOICES. DENY THE RATE INCREASE REQUEST.

I AM OPPOSED TO THE RATE INCREASE. FIRST, THERE IS A HUGE DISPARITY BETWEEN THE INCREASE FOR EVERGY CENTRAL RESIDENTS AND EVERGY METRO. I DON'T THINK THIS IS FAIR. THIS RATE INCREASE ALSO AFFECTS POOR REGIONS OF KANSAS, SUCH AS SOUTHEAST KANSAS, WHERE RESIDENTS ARE ALREADY SUBJECTED TO HIGH PROPERTY TAXES AND INSURANCE RATES COMPARED TO OTHER AREAS OF THE STATE AND COUNTRY. THIS YEAR, CITY AND COUNTY OFFICIALS ARE PROPOSING YET ANOTHER PROPERTY TAX INCREASE TO TAKE EFFECT IN 2024. AN ENERGY RATE INCREASE WOULD ONLY PLACE ANOTHER FINANCIAL BURDEN ON BUSINESSES AND RESIDENTS IN THIS AREA. THIS PROPOSED RATE INCREASE ALSO WOULD IMPACT NON-PROFIT ORGANIZATIONS THAT ARE STRUGGLING FINANCIALLY TO MAKE ENDS MEET. FOR EXAMPLE, UTILITY COSTS ARE A MONTHLY CONCERN AT MEETINGS AT THE VFW IN PARSONS, KS. I THINK KCC SHOULD STUDY THE POOR AREAS OF KANSAS TO SEE HOW THESE RATE INCREASES WOULD ADVERSELY AFFECT BOTH BUSINESSES AND RESIDENTS AND DISAPPROVE THE PROPOSED RATE INCREASE.

EVERGY'S PROPOSED RATE INCREASES ARE UNACCEPTABLE AND I SUPPORT THE ESTIMATES OF THE KCC STAFF THAT RATES SHOULD DECLINE OR BE MAINTAINED AT THE CURRENT LEVEL. I AM ALSO DISMAYED AT EVERGY'S RECENT ANNOUNCEMENT TO SCALE BACK IT'S INVESTMENTS IN RENEWABLE ENERGY AND TO KEEP OUTDATED FOSSIL FUEL PRODUCING PLANTS OPERATING FOR LONGER. CLIMATE CHANGE IS AN EXISTENTIAL THREAT TO OUR COMMUNITIES AND THE EXTREME WEATHER WE ARE ALREADY EXPERIENCING CREATES EVEN MORE URGENCY TO TRANSITION TO ZERO CARBON EMISSIONS ELECTRICITY PRODUCTION.

DEAR KANSAS CORPORATION COMMISSION, AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. DEAR KANSAS CORPORATION COMMISSION, IT'S TIME FOR THE CORPORATION COMMISSION TO REIGN IN THE MONOPOLISTIC ACTIONS OF THE EVERGY GROUP. NOT ONLY HAS EVERGY BROKEN ITS PROMISE TO CLOSE THE LAWRENCE COAL PLANT ON SCHEDULE, IT'S NOW PLANNING TO RAISE UTILITY RATES ON HARDWORKING FOLKS AND RETIRED CITIZENS ON A FIXED INCOME LIKE ME. IN A TIME OF BOTH INFLATION AND CLIMATE CHANGE, HOW CAN YOU POSSIBLY ALLOW THEM TO INFLICT THE DOUBLE WHAMMY OF HIGHER ELECTRICITY COSTS AS WELL AS CONTINUING TO DAMAGE OUR PLANET BY DOUBLING DOWN ON EXPENSIVE AND DESTRUCTIVE FOSSIL FUELS? AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR

09/25/2023

STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. DEAR KANSAS CORPORATION COMMISSION, AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. DEAR KANSAS CORPORATION COMMISSION, I HAVE SOLAR PANELS ON MY ROOF TO HELP USE CLEAN ENERGY. IT WAS AN INVEST THAT I THOUGHT WAS IMPORTANT. I URGE YOU TO GET OFF THE COOL AND USE CLEAN ENERGY. AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK

09/25/2023

YOU FOR YOUR TIME. SINCERELY, EILEEN MILLSPAUGH 4248 W 127TH TER LEAWOOD, KS 66209

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, JOHN MARIETTA 760 S SANTA FE SALINA KS, 67401-4945

I AM FUNDAMENTALLY OPPOSED TO ALL INCREASES IN UTILITY RATES BECAUSE EVERGY HAS BEEN ARROGANTLY AND BELLIGERENTLY OPPOSED TO INCREASING THE RESILIENCE OF THE ELECTRICAL UTILITY SYSTEM FOR KANSANS. I AM AWARE OF THE EFFORTS TO RELY MORE ON WIND ENERGY, BUT I AM ALSO AWARE THAT EVERGY HAS CHARGED US MORE FOR WIND ENERGY THAT WAS ALREADY HEAVILY FEDERALLY SUBSIDIZED. I AM FURTHER AWARE OF THE TAKINGS OF PRIVATE PROPERTY UNDER THREAT OF CONDEMNATION TO SEND THE POWER GENERATED BY THE WIND FARMS OUT OF KANSAS. WHAT EVERGY DOES IN NO WAY IMPROVES SYSTEM RESILIENCE OR RELIABILITY FOR KANSAS, AND I WILL REMAIN OPPOSED TO ANY RATE INCREASES AS LONG AS THIS IS THE CASE.

ANOTHER BEHIND THE BACKS OF CONSUMERS WITHOUT OPTIONS FOR OTHER SERVICE. IF THE MONEY IS FOR IMPROVEMENT AND MODERIZATION OF THE PHYSICAL PLANT, I'M ALL FOR IT BUT THIS IS ABOUT INCREASED PROFITABILITY. THERE IS A REAL ARGUMENT ABOUT THE NEED TO ATTRACT CAPITAL. IT NEEDS TO BE BALANCED BY INSURING THE PROPOSED INVESTMENT IS WORTH IT. HIGH DIVIDENDS FROM PROFITS EXTRACED FROM A DECAYING SYSTEM WILL NOT BE ATTRACTIVE FOR LONG. AS AN OLOGOLOPY EVERYGY MUST BE FORCED TO IMPROVE IT'S INFRASTRUCTURE TO BE PREPARED FOR INCREASED DEMAND AND DETERIORATING ENVIRONMENTAL CONDITIONS. OTHERWISE WHEN PUSH COMES TO SHOVE THEY WILL TAKE THE MONEY AND RUN.

DEAR KANSAS CORPORATION COMMISSION, AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. I BELIEVE IN PROFITS. IF A BUSINESS IS NOT PROFITABLE IT WILL NOT BE USEFUL TO THE SHAREHOLDERS OR THE COMMUNITY. PROFITS CASCADE THROUGH EMPLOYEES, VENDORS, AND COMMUNITIES MAKING ALL STRONGER. HOWEVER, HOW MUCH PROFIT IS GOOD PROFIT? SOME WILL SAY THE MARKET WILL TELL WHEN PRICE IS TOO HIGH WHICH IS TRUE IF THERE IS COMPETITION. WHO IS EVERGYS COMPETITOR? HOW DO CUSTOMERS NOTIFY EVERGY THAT PRICE IS TO HIGH WHEN THERE IS NO OTHER PROVIDER TO SWITCH TO? ELECTRIC POWER IS BEING DELIVERED THE SAME WAY SINCE THE BEGINNING OF THE INDUSTRY. A POLE WITH A WIRE RUN THROUGH THE CITY. SERVICE IS INTERRUPTED BY WEATHER, CAR WRECKS, AND SQUIRRELS. A BILLION DOLLAR INDUSTRY CANNOT PROTECT MY SERVICE FROM A SQUIRREL BUT THEY STILL WANT MORE MONEY. MONEY FOR SHAREHOLDERS NOT FOR IMPROVING THE RELIABILITY OF THE GRID. DO NOT ASK ME FOR MORE MONEY.

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, MARILYN THOMAS 2630 SW PRAIRIE RD TOPEKA KS, 66614-1468

I HAVE NO PROBLEM WITH A REASONABLE PRICE INCREASE. HOWEVER, WHAT EVERGY IS PROPOSING IS UNREASONABLE. ALSO, HAVING ONE AREA SO EXTREMELY HIGHER THAN THE OTHER IS DEFINITELY UNFAIR! UNLESS THESE ITEMS ARE ADJUSTED I WILL CONTINUE TO OBJECT TO THE OVERALL UNFAIRNESS EVERGY IS SHOWING ITS CUSTOMERS

EVERGY ASKS FOR PRICE HIKES ALMOST EVERY YEAR. MY BILL HAS GONE FROM AN AVERAGE OF 150 A MONTH TO OVER 200 AND SINCE I HAVE NOW RETIRED, I NEED TO CONSERVE MY MONEY AND NOT NECESSARILY MY ELECTRICITY. WE'VE GONE THROUGH COVID WHERE MANY LOST THEIR JOBS AND HAVE HAD TO TAKE A REDUCED SALARY JUST TO HAVE A JOB. OR ONLY GET 1 OR 2 RAISE WHICH DOESN'T EVEN COVER THE COST OF LIVING THESE DAYS. PRICES FOR EVERYTHING HAS GONE UP AND WE'RE ALL TRYING TO MAKE ENDS MEET. MAYBE THE HIGHER UPS IN EVERGY COULD TAKE A SALARY CUT. WOULDN'T HURT ALL BUSINESSES TO CUT THE SALARIES OF THEIR EXECUTIVES TO HELP BRING COSTS DOWN, RATHER THAN CONTINUING TO RAISE PRICES OF THEIR PRODUCTS SO THEY CAN KEEP THEIR MILLION DOLLAR SALARIES AND THEIR MULTI MILLION DOLLAR HOUSES.

I AM ON A FIXED INCOME AND MY MONEY DON'T SUPPORT A INCREASE OF ANYTHING.. I STRUGGLE TO PAY MY BILLS AND KEEP FOOD AND GAS FOR MY CAR TO GO TO DOCTOR APPOINTMENTS. SO THIS WOULD REALLY MAKE THINGS EVEN MORE COMPLICATED. SO I AM AGAINST THE INCREASE.

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, GLORIA STEVENSON 4781 SW 70TH ST EL DORADO KS, 67042-8954

MY NAME IS LAURA KEMP AND I AM AN EVERGY CUSTOMER IN LAWRENCE, KANSAS. I OPPOSE EVERGY'S RATE INCREASE BECAUSE EVERGY HAS RELIABLE, CLEANER AND CHEAPER ALTERNATIVES TO FOSSIL FUELS, BUT HAS DECLINED TO INVEST IN THOSE. THEY PREFER TO INCREASE THE RATES THAT KANSANS PAY FOR FOSSIL FUEL-BASED ENERGY, WHILE FAILING TO BE PROACTIVE IN THEIR CLEAN ENERGY INVESTMENT. I OPPOSE THIS MONOPOLY'S REQUEST TO INCREASE RATES.

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, DAN LAMOTT 4037 SW WANAMAKER RD TOPEKA KS, 66610-1347

09/25/2023 HOW CAN YOU LOOK YOURSELF IN THE FACE AND INCREASE THESE RATES FOR PEOPLE ON A FIXED INCOME. THIS WILL POSSIBLY KEEP SOME INDIVIDUALS FROM BEING ABLE TO RETIRE WHEN THEY PLANNED. MAYBE UPPER MANAGEMENT SHOULD TAKE A FREEZE ON THEIR PAY OR BONUSES. I'M SURE THERE ARE CUTS THAT CAN BE MADE IN OTHER PLACES, BUT PADDING THE POCKETS OF MANAGEMENT ALWAYS WINS. YOU KNOW YOU HAVE PEOPLE BY THE NECK AS THERE ARE NO OTHER OPTIONS. HOPEFULLY YOU HAVE NO CONSCIENCE IF THIS IS ALLOWED TO HAPPEN.

09/29/2023 COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. I AM A RETIREE AND A VETERAN AND RELY TOTALLY ON FIXED INCOME. BETWEEN INFLATION, THE RISE IN EVERY DAY PRICES AND A SET INCOME, WE WILL BE SEVERELY IMPACTED BY THE PROPOSED INCREASE IN ELECTRIC RATES. THE CHOICES WE WILL NEED TO MAKE ON WHERE TO DIRECT INCOME TO MEET EXPENSES, INCLUDING RISING MEDICAL AND PRESCRIPTION COSTS, WILL BE NEXT TO IMPOSSIBLE. I STRONGLY URGE YOU TO RECONSIDER THE PROPOSED RATE INCREASE.

COMMISSIONERS,

ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS-FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING.

I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGY'S PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS' RATES BY \$304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS \$171 MORE ANNUALLY.

EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME.

PLEASE REJECT EVERGY'S PROPOSAL TO RAISE MY ELECTRIC RATES.

THANK YOU,

BARB KATHRINEBERG

I HAVE LIVED IN MY HOME FOR OVER 20 YEARS. DURING THAT TIME WHEN KANSAS POWER AND LIGHT BECAME WESTAR, I HAD EXPERIENCED SOME POWER OUTAGES. HOWEVER WITH WESTARS RELIABILITREE PROGRAM, THEY KEPT THE VEGETATION AFFECTING POWERLINES TO A MINIMUM AND I HADNT EXPERIENCED AN OUTAGE UNTIL LAST SPRING WHICH OCCURRED UNDER THE CURRENT REGIME OF EVERGY. THE MAIN REASON THESE MERGERS HAVE BEEN TAKING PLACE IS TO ENHANCE ECONOMIES OF SCALE SO THAT RATE INCREASES DONT NEED TO OCCUR. HOWEVER, IN THIS INSTANCE THAT APPARENTLY IS NOT THE CASE. IF THE ONLY REASON FOR THE MERGER IS TO INCREASE SHAREHOLDER EQUITY AND I AM IN EVERGY SHAREHOLDER, THEN BY ALL MEANS RAISE THE RATES FOR NO REASON AND GIVE THE MONEY RAISED TO THE STOCKHOLDERS. HOWEVER EVERGY IS A REGULATED MONOPOLY FOR A REASON, AND THAT REASON IS SO THAT IT CANT GOUGE THE RATEPAYERS EXCESSIVELY. EVERGY MANAGEMENT SHOULD BE ASTUTE ENOUGH TO DETERMINE HOW MUCH MONEY THEY NEED FOR OPERATIONS AND HOW MUCH MONEY WOULD PROVIDE A REASONABLE RETURN ON INVESTMENT FOR THE SHAREHOLDERS. SPLITTING UP THEIR CONSTITUENCIES AND HAVING RATES DIFFERENT DEPENDING ON WHERE YOU LIVE DOES NOT SEEM TO ME TO MEET THE NEEDS OF THE GENERAL PUBLIC. I FURTHERMORE BELIEVE THAT THIS UTILITY SHOULD BE ACTIVELY INVOLVED IN THE DEVELOPMENT OF RENEWABLE ENERGY, AND POLICIES SHOULD BE SUCH TO ENCOURAGE HOME SOLAR AND WIND DEVELOPMENT. I IMPORE THE KCC TO USE THEIR POWER TO ENCOURAGE EVERLY TO BE THE POWER GENERATOR OF LAST RESORT, WITH REASONABLE RATES TO THE PUBLIC.

09/25/2023 I BELIEVE THE RAISE IN RATES THAT EVERGY IS ASKING FOR IS FAR TOO MUCH. THOSE ON A FIXED INCOME WILL BE MOST AFFECTED. A SMALLER RAISE, OVER TIME, COULD BE BETTER ABSORBED.

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, JEAN HALL

Narrative

09/25/2023

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, JOHN BRIESTENSKY 1220 MILLER DR JUNCTION CITY KS, 66441-3312

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU,

KANSAS CORPORATION COMMISSION

Narrative

09/25/2023 I AM 80 YEARS OLD TAKING CARE OF MY 81 YEAR OLD HUSBAND WITH SUBSTANTIAL HEALTH CONDITIONS AS WELL OF MY OWN. WE LIVE PAYCHECK TO PAYCHECK DUE TO THE INCREASE IN BASIC SERVICES SUCH AS ALREADY HIGH UTILITY BILLS, GROCERIES, MEDICAL INSURANCE, PRESCRIPTIONS, AND DOCTORS. THE REAL ESTATE APPRAISALS RAISING THE TAXES WILL CAUSE LOW INCOME FAMILIES INTO FORECLOSURES AND BANKRUPTCY. THE MAIN MESSAGE HERE IS THAT ANOTHER INCREASE BY EVERGY IS UNREASONABLE AND WILL PUT AGAIN ANOTHER BURDEN ON PATRONS' BUDGETS. THE COMBINATION OF INCREASES NOTED ABOVE WILL CAUSE US TO PICK AND CHOOSE WHICH PAYMENTS NEED TO BE PAID TO SURVIVE. I AM REQUESTING THAT YOU OPPOSE DOCKET 23-EKCE-775-RTS. THANK YOU FOR YOUR CONSIDERATION.

09/27/2023 COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. Narrative

09/25/2023

I OPPOSE THE RATE INCREASE BY EVERGY. PRIOR TO THE MERGER IN 2018, I WAS PREVIOUSLY A CUSTOMER OF KCPL FOR 30 YEARS. WE ARE IN A RECESSION AND NEARING ECONOMIC FAILURE WITH THIS ADMINISTRATION.. I AM NEARING RETIREMENT AND WILL BE ON A FIXED INCOME. I LIVE ON A BUDGET AND THESE BIG CORPORATIONS NEED TO BUDGET ALSO. EVERGY IS A MONOPOLY, WHICH MEANS THAT THERE ARE NO OTHER OPTIONS FOR CUSTOMERS IN THE AREA. THIS LACK OF COMPETITION PUTS CONSUMERS AT A SIGNIFICANT DISADVANTAGE, ESPECIALLY WHEN COMPANIES LIKE EVERGY PRIORITIZE PROFITS OVER THE NEEDS OF THEIR CUSTOMERS. THE DECISION TO INCREASE BY 14.24 PER RESIDENTIAL CUSTOMER IS NOT ONLY UNFAIR BUT ALSO DEMONSTRATES THE LACK OF ACCOUNTABILITY THAT PRIVATE, FOR-PROFIT UTILITY COMPANIES HAVE TO THEIR CUSTOMERS. INSTEAD OF ALLOWING PRIVATE, FOR-PROFIT COMPANIES TO CONTROL OUR ELECTRICITY SYSTEM AND RAISE RATES ANYTIME THEY WANT TO, THE KANSAS CORPORATION COMMISSION SHOULD BE ADVOCATING FOR A PUBLIC UTILITY THAT IS NOT CONTROLLED BY INVESTORS AND IS NOT FOR PROFIT, PUTTING THE NEEDS OF CUSTOMERS FIRST. THIS WOULD ENSURE THAT OUR ELECTRICITY SYSTEM IS OWNED AND OPERATED IN THE PUBLIC INTEREST, WITH STRONG REGULATION AND OVERSIGHT TO ENSURE THAT THE NEEDS OF CUSTOMERS ARE MET. THE KANSAS CORPORATIONS COMMISSION NEEDS TO DENY EVERGY REQUEST.

DEAR KANSAS CORPORATION COMMISSION, AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. SINCERELY, PAULA QUELL

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU,

Narrative

09/25/2023

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, MICHAEL FLOYD

Narrative

09/25/2023 IT SEEMS THAT EVERY YEAR, THE ENERGY SUPPLIERS WANT TO RAISE RATES FOR ONE REASON OR ANOTHER. I AM A SENIOR LIVING ON A FIXED INCOME AND THEIR PROPOSED 14 MONTHLY INCREASE WOULD IMPOSE A SUBSTANTIAL BURDEN ON ME, NOT TO MENTION ON MOST OF THE SENIORS LIKE ME. I FEEL THAT THIS IS GROSSLY UNFAIR. I THINK EVERGY CAN FIND OTHER MORE APPROPRIATE WAYS TO DEAL WITH THEIR NEED FOR MORE MONEY.

09/28/2023 COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. Narrative

09/25/2023

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU,

KANSAS CORPORATION COMMISSION

09/25/2023 I FEEL THE RATES NEED TO REMAIN THE SAME. I AM RETIRED AND ON A FIXED INCOME, WHEN THE SUMMER MONTHS ARE HERE I STRUGGLE TO COOL I KEEP MY THERMOSTAT AT 78 BECAUSE MY ELECTRIC BILL IS GONNA BE SO HIGH THAT I WILL HAVE TO CUT BACK ON SOMETHING ELSE JUST TO BE ABLE TO PAY IT. I DON'T KNOW HOW MUCH PROFIT YOU MAKE OVER A YEARS PERIOD OF TIME BUT I DO KNOW ALOT OF RETIRED PEOPLE THAT STRUGGLE DURING SUMMER MONTHS JUST TO TRY AND STAY HALF WAY COOL.

09/28/2023 COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. Narrative

09/25/2023

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU,

KANSAS CORPORATION COMMISSION

WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU,

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, PERRY PERKINS 418 S ERIE ST WICHITA KS, 67211-2123

2412 E FAIRCHILD ST PARK CITY, KS 67219 HELLO, COMMISSIONERS... I'M LETTING YOU KNOW NOW IS NOT THE TIME FOR AN UNEQUAL RATE HIKE BY EVERGY. I APPRECIATE THE COSTS TO MAKE THE POWER BUT AS A PENSIONER I CAN HARDLY AFFORD ANOTHER INCREASE IN RATES. STUDY CLOSELY AND CONSIDER THE IMPACT TO THE RESIDENTS OF OUR STATE AND DISALLOW THIS MISDIRECTED RATE HIKE. UNTIL THE UTILITY BIFURCATES THE COSTS EQUALLY, AMONGST ALL THE CUSTOMERS IN THE SERVICE AREA, REJECT ANYTHING LESS. THANKS,

I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, TOM ROHR 2119 TAMARRON TER MANHATTAN KS, 66502-1958

WE DON'T NEED EVERGY TO RAISE THEIR RATES WHEN THEY CAN'T KEEP SERVICE RELIABLE DURING THE STORMS. WE HAVE ENOUGH TROUBLES WITH GETTING MONEY FOR FOOD AND OTHER THINGS. PLEASE DO NOT RAISE THEIR RATES.

MEMBERS OF THE KCC, WE ARE WRITING TO PROTEST THE PROPOSED EVERGY RATE INCREASE. ACCORDING TO DARRIN IVES, EVERGYS VICE PRESIDENT FOR REGULATORY AFFAIRS, CUSTOMERS IN OUR RURAL AREA OF KANSAS COULD EXPECT AND INCREASE OF 19 MORE PER MONTH, A 25 INCREASE. THAT WOULD BE A BURDEN, NOT ONLY TO INDIVIDUALS, BUT WOULD INCREASE THE ELECTRIC BILLS OF CHURCHES, SCHOOLS AND BUSINESSES, WHICH ALL WOULD EITHER REQUIRE MORE FINANCIAL SUPPORT, OR WOULD HAVE TO RAISE PRICES TO CONSUMERS. EVERGY IS ASKING FOR 218 MILLION INCREASE FOR A RANGE OF PROJECTS, PLUS 250 MILLION TO COVER THE COST OF A WIND FARM THEY BOUGHT IN OKLAHOMA. THEY ARE ASKING US FOR APPROXIMATELY 470 MILLION WHEN THEIR PROFITS WERE 854 MILLION LAST YEAR. THEY PAID THEIR STOCKHOLDERS 535 MILLION IN DIVIDENDS. IT SEEMS TO US THAT, KNOWING THEY WERE GOING TO HAVE THESE PROJECTS TO PAY FOR, THEY SHOULD HAVE HELD BACK THAT MONEY IN ORDER TO COVER THEIR COSTS. WE HAVE SOME KNOWLEDGE OF HOW STOCKS WORK AND IT SEEMS TO US THAT THE COMPANY ISSUES STOCKS TO PAY FOR AND IMPROVE ITS EQUIPMENT AND INFRASTRUCTURE, THEN STOCKHOLDERS GET A SHARE OF WHATEVER PROFITS RESULT FROM THAT INVESTMENT. EVERGY IS PAYING THEIR STOCKHOLDERS FROM THE TOP BEFORE SUBTRACTING THEIR COSTS, WHICH IS NOT THE WAY THAT IS SUPPOSED TO WORK. EVERGY MADE RECORD PROFITS LAST YEAR AND HAS NO NEED TO SOAK THEIR CUSTOMERS IN ORDER TO PAY SHAREHOLDERS AND OUTSIZED SALARIES TO THEIR CORPORATE HEADS. PLEASE DENY THIS RATE INCREASE. THANK YOU, FREDERICK R. AND KATHERINE D. BUDDEN OF ST. MARYS.

TO WHOM IT MAY CONCERN, THE POINT OF ALLOWING EVERGY TO FURTHER MONOPOLIZE OUR ENERGY SUPPLY WAS TO PREVENT A SIGNIFICANT INCREASE IN PRICE; NOW, THEY PROPOSE TO INCREASE THE RATE BY A SUBSTANTIAL AMOUNT DURING A TIME WHERE INFLATION IS OUT OF CONTROL AND PEOPLE ARE STRUGGLING TO PROVIDE THEMSELVES BASIC NECESSITIES. ADDITIONALLY, FAMILY OWNED BUSINESSES ARE STRUGGLING TO STAY OPEN. IN THE MEANTIME, EVERGY'S CEO MADE 6.9 MILLION IN 2022; PERHAPS EVERGY CAN REDUCE THIS MAN'S FLAGRANTLY OBSCENE AMENITY OF A PAY RATE IN A SHOW OF GOOD FAITH BEFORE THEY START TRYING TO DO A FLAT INCREASE THAT WILL DISPROPORTIONATELY AFFECT THOSE MAKING 30,000 OR LESS PER YEAR.

Narrative

09/25/2023 KCC COMMISSIONERS, EVERY YEAR THE POWER COMPANY PROPOSES A HUGE RATE INCREASE FOR ONE INVENTED REASON OR ANOTHER. YOU ARE THE UTILITY POLICE THAT CAN STOP THESE MADE UP INCREASES AND TOM FOOLERY PROPOSED EVERY SINGLE YEAR BY ONE UTILITY OR ANOTHER. RETIRED PEOPLE AND THOSE LIVING ON FIXED INCOMES SIMPLY CANNOT AFFORD TO LIVE ANYMORE IN KANSAS AND IT IS GOTTEN OUT OF HAND. THESE BIG COMPANIES THAT HAVE BILLIONS IN PROFITS CAN AFFORD TO TAKE SOME OF THESE SO CALLED INFRASTRUCTURE EXPENSES OUT OF THEIR PROFITS AND STILL PAY THEIR STOCKHOLDERS. I AM A 33 YEAR RETIRED LAW ENFORCEMENT OFFICER THAT IS ON A FIXED INCOME AND THE RETIREMENT SYSTEM HAS ZERO INCREASES FOR COST OR LIVING IN THE STATES SYSTEM. I HAVE BEEN RETIRED 6 YEARS AND THINGS ARE EXTREMELY TIGHT MONEY WISE. I DO NOT HAVE HEALTH INSURANCE AND I CANT AFFORD ANY HEALTH INSURANCE ANYMORE AS IT HAS BECOME TO UNAFFORDABLE. I AM LUCKY THAT I HAVE A PENSION BUT IT HAS BEEN A TOUGH 33 YEARS TO GET IT. PLEASE THINK ABOUT THIS AND THE THOUSANDS OF KANSAS THAT HAVE NO INCOME OR NO PENSION THAT STILL HAVE TO BUY ELECTRICITY. PLEASE BE THE UTILITY POLIICE AND CHECK POINT THAT THE LEGISLATURE INTENDED WHEN THE KCC WAS PUT INTO LAW. ONE HAS ONLY TO LOOK AT THE FRAUD ASSOCIATED WITH THE WEEK OF FREEZING WEATHER AND MILLIONS OF MADE UP GAS COSTS A FEW YEARS BACK. THESE PROFITEERS SHOULD BE IN JAIL AS KANSAS HAS LAWS AGAINST PROFITEERING DURING EMERGENCY'S. SINCERLY, JOHN NACHTMAN REPUBLICAN RETIREE ABILENE KS

Narrative

09/25/2023

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, SANDRA WARNOCK 2002 N KESSLER ST WICHITA KS, 67203-1038

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, RICHARD KLINGERMAN 2912 SW INDIAN TRL TOPEKA KS, 66614-3111

WHETHER WE'RE ON A FIXED INCOME RETIRED OR STILL WORKING, PEOPLE CANNOT AFFORD THIS COST HIKE. EVERYTHING IS GOING UP, TAXES, GROCERIES, RENT, UTILITIES, REPAIRS, ETC. THERE'S A LIMIT TO HOW MUCH WE CAN PAY NOT END UP HOMELESS. AND THE 171 V 42 IS CERTAINLY DISPROPORTIONATE. WHY WOULD MINE BE SO MUCH HIGHER THAN SOMEWHERE ELSE? PLUS THE FACT THAT EVERGY IS MAKING LOTS OF MONEY PAYING THEIR SHAREHOLDERS. THIS IS TOTALLY HIGHWAY ROBBERY!!!

Narrative

09/25/2023 EVERGY CLAIMS TO BE OUR YOU-TILITY COMPANY, BUT EVERGY DOES NOT HAVE ITS CUSTOMERS' BEST INTEREST IN MIND IF RATES WILL INCREASE AGAIN, ESPECIALLY FOR THOSE WHO ARE ON A FIXED INCOME. IT SEEMS THAT EVERYTHING IS GOING UP. MY BUDGET, AND THE BUDGET OF A LOT OF FOLKS, CANNOT COVER ALL THE INCREASES.

09/28/2023 COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, BRENDA MUELLER 9026 JAMESBURG WICHITA KS, 67212-5309

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, KATHY JACKSON 87 EUREKA LAKE RD EUREKA KS, 67045-9488

I OPPOSE THIS RATE INCREASE AS I LIVE ON A LIMITED BUDGET. I HAVE INSTALLED A BUDGET-FRIENDLY THERMOSTAT AND AM TRYING TO MAKE MY HOME INSULATED SO IT IS BETTER FOR MY POCKET AND THE ENVIRONMENT. THIS INCREASE WILL CAUSE ME TO HAVE TO CUT BACK ON FOOD OR GAS OR OTHER AREAS IN WHICH IS NOT FAIR TO US THAT HAVE BEEN CUSTOMERS FOR YEARS. PLEASE DO NOT INCREASE OUR ELECTRIC. FIND OTHER WAYS TO CUT COSTS INSTEAD OF GOUGING US THAT LIVE ON A SMALL PAY. THANK YOU, ALBERT HOFFNER

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, MARY MAIER

PLEASE FIGHT FOR NO INCREASE FOR EVERGY. WE HAVE ENDUDURED APPROXIMATELY 20 INCREASE IN COST OF LIVING FOR GROCERIES, GAS, INSURANCES, TO LIST A FEW AND IT IS GETTING HARDER AND HARDER TO SURVIVE ON SOCIAL SERCURITY RETIREMENT. WE CAN'T HANDLE AN INCREASE IN ANYTHING ELSE. THE STREETS OF WICHITA ARE LOADED WITH HOMELESS NOW AND THAT WILL ONLY ADD TO THE ISSUE. PEOPLE ARE BARELY SURVIVING NOW. THE AVERAGE COST OF FINDING A PLACE TO LIVE, RENT OR BUY IS GOING UP SO HIGH ITS IMPOSSIBLE FOR SENIORS TO SURVIVE ON SOCIAL SECURITY WE PAID INTO ALL OUR LIVES. PLEASE STOP INCREASE. SINCERELY, GARY MOORE

09/28/2023

DEAR KANSAS CORPORATION COMMISSION, AS A KANSAN, I WRITE TO ASK THAT THE CORPORATION COMMISSION DIRECT EVERGY TO EFFECTIVELY LOWER UTILITY COSTS FOR LOW INCOME CUSTOMERS INSTEAD OF RAISING THEM BY OVER 170 PER YEAR. I KNOW THAT EVERGY CAN REDUCE COSTS BY ACCELERATING THE TRANSITION AWAY FROM FOSSIL FUELS AND TOWARD AFFORDABLE, RELIABLE CLEAN ENERGY TO PROTECT OUR COMMUNITIES FROM THE WORST IMPACTS OF POLLUTION AND CLIMATE CHANGE. COMMUNITIES ARE WORKING HARD TO ADDRESS THE IMPACTS OF CLIMATE CHANGE, AND EVERGY MUST DO ITS PART BY TAKING ADVANTAGE OF BILLIONS IN SAVINGS OVER THE NEXT TWENTY YEARS FROM FEDERAL FUNDING, SECURITIZATION, AND COAL RETIREMENT. EVERGY HAS ADMITTED IN THE 2021 PUBLIC IRP TESTIMONY THAT IT COULD SWITCH FROM COAL AND GAS TO CLEAN ENERGY SOURCES WITHOUT RATE INCREASES, MAINTAIN GRID RELIABILITY, AND REDUCE HARMFUL POLLUTION EMISSIONS 85 PERCENT BY 2030, PROTECTING CUSTOMERS' HEALTH. YET THAT IS NOT WHAT THE UTILITY IS DOING. EVERGY SPENDS ABOUT 500 MILLION OF ITS CUSTOMERS' MONEY ANNUALLY PURCHASING COAL FROM WYOMING TO FUEL ITS POWER PLANTS. THIS MONEY COULD INSTEAD BE SPENT ON PEAK-POWER-REDUCING CLEAN ENERGY INVESTMENTS IN KANSAS, INSTALLED BY WORKERS IN KANSAS. PLEASE ACT IN THE INTERESTS OF KANSANS BY SIGNALING DISALLOWANCE OF IMPRUDENT NEW COAL AND GAS PLANT INVESTMENTS, AND HOLDING EVERGY PLANNERS ACCOUNTABLE TO ACCURATE CLEAN ENERGY RELIABILITY AND COST ASSUMPTIONS. THE NEXT FIVE YEARS ARE CRUCIAL FOR STOPPING CLIMATE CHANGE AND FOR HELPING VULNERABLE LOW INCOME FAMILIES IN KANSAS. YET EVERGY IS RAISING RATES, GIVING RECORD PROFITS TO INVESTORS, AND NOT TAKING FULL ADVANTAGE OF FEDERAL CLEAN ENERGY FUNDING. EVERGY'S REGULATORS MUST MOVE EVERGY INTO THE FUTURE BY INCENTIVIZING AFFORDABLE, RELIABLE CLEAN ENERGY INVESTMENTS WHILE LOWERING COSTS FOR LOW-INCOME CUSTOMERS. THANK YOU FOR YOUR TIME. I'M RETIRED ON A FIXED INCOME AND IT'S NOW GETTING TO THE POINT THAT ENOUGH IS ENOUGH. STOP RAISING EVERY UTILITY RATE. YOUR SHARE HOLDERS ALREADY GET A NICE RETURN ON THEIR STOCK. IF A MAJOR CORPORATION MOVES TO KANSAS AND YOU HAVE TO BUILD AN ENERGY PLANT FOR THEM, THEN BITE THE BULLET AND BUILD IT BUT CHARGE THEM OVER 20 YEARS. NOT YOUR RESIDENTIAL CUSTOMER, WERE A CAPTIVE AUDIENCE. EVERY TIME WE TURN AROUND YOUR DEMANDING A RAISE IN RATES. AND I DON'T CARE WHAT THE SURROUNDING STATES CHARGE OR WHEN YOU RECEIVED YOUR LAST INCREASE. WAKE UP AND START BEING RESPONSIBLE TO YOUR ORDINARY CUSTOMER AND QUIT SUCKING UP TO BIG CORPORATE. IT DOESN'T MATTER WHAT THEY PAY, THERE JUST GOING TO MAKE THE CONSUMER PAY FOR IT IN HIGHER COSTS FOR THERE PRODUCT. MAYBE YOUR EXECUTIVES AND BOARD MEMBERS NEED TO MAKE A LITTLE LESS IN THEIR COMPENSATION, INCLUDING THEIR STOCK OPTIONS AND OTHER CORPORATE PERKS. SINCERELY, ROBERT J. QUINN

ITS MY OPINION THAT EVERGY CHARGES TOO MUCH AS IT IS. LAST MONTHS ELECTRIC BILL FOR ME IT WAS OVER 300. I AM NOT SEEING THAT. THEY ARE DOING ANYTHING TO HELP LOWER RATES BY FIXING THEIR IN INFRASTRUCTURE. I AM RETIRED AND ON MEDICARE, AND WHILE I HAVE WORKED HARD ALL MY LIFE SO THAT I COULD HAVE A NICE HOME THESE RATES ARE JUST OVERWHELMING. I ALSO QUESTION WHY CERTAIN AREAS ARE CHARGED MORE THAN OTHER AREAS. THIS SHOULD NOT BE HAPPENING IN TODAYS ECONOMY AND WITH EVERYTHING THATS GOING ON.

I JUST WANT TO SAY THAT I REMEMBER WHEN WESTAR AND EVERGY COMBINED AS ONE WITH THEIR REASON FOR DOING SO AS TO HELP KEEP RATES DOWN, OR IF RAISING RATES WERE APPROVED, IT WOULD BE A MINIMAL AMOUNT. WELL...SINCE THE MERGER THE RATES HAVE STEADILY GONE UP AND FOR THOSE OF US LIVING ON A FIXED INCOME, THESE INCREASES ARE BEGINNING TO TAKE THEIR TOLL. WHAT USED TO BE A PAYABLE RATE HAS MANY OF US HAVING TO FORGO OTHER IMPORTANT THINGS IN ORDER TO PAY THE BILL, AND I FIND THIS VERY UNACCEPTABLE. EVERGY IS AN EXTREMELY BIG COMPANY WHO PROVIDES ELECTRICITY TO MANY, MANY PEOPLE, AND IN RURAL KANSAS, THE RATES HAVE BECOME VERY DIFFICULT TO PAY AS WE CANNOT SIMPLY PAY THESE INCREASES WHICH NEVER STOP. 14.24 IS AN EXTREMELY LARGE INCREASE IN RATES AND MANY OF US ARE HAVING DIFFICULTY COMING UP WITH THE MONEY. RURAL KANSAS IS MAINLY MADE UP OF PEOPLE WHO HAVE LIVED THEIR LIVES ON THE LAND THEY ARE LIVING ON OR WHICH HAS BEEN KEPT IN THE FAMILY, AND WE HAVE LIVED HERE AND RAISED FAMILIES HERE. NOW MANY OF US ARE IN OUR SENIOR YEARS, AND TO PUT AN ADDED BURDEN ON THOSE WHO DO NOT HAVE AND CANNOT AFFORD THESE INCREASES THAT NEVER STOP IS WAY BEYOND ACCEPTABLE. I AM ASKING THAT YOU NOT ALLOW EVERGY TO RAISE THEIR RATES LIKE THEY PLAN TO DO SO THAT I AND OTHERS CAN CONTINUE LIVING IN A STATE WE TAKE GREAT PRIDE IN, AND THAT WE LOVE. THERE IS NO REASON FOR AN INCREASE IN RATES! THANK YOU VERY MUCH. GERMAINE BIRD

EVERGY RATE INCREASE PROPOSAL PUBLIC COMMENT 25 SEPTEMBER 2023 DOCKET NO 23-EKCE-775-RTS I AM OPPOSED TO THIS PROPOSAL BY EVERGY. IT IS REALIZED THAT THERE IS HIGHER INFLATION AND HIGHER PRICES PREDICTED FOR FUEL AS WELL AS A REDUCED FAMILY INCOME. IT IS REALIZED THAT EVERGY EMPLOYEES ARE AFFECTED BY THESE SAME FACTORS. I ATTENDED THE PUBLIC HEARING HELD JULY 13, 2023 IN OVERLAND PARK, KS. SEVERAL PEOPLE AT THAT HEARING STATED THAT THEY COULD NOT AFFORD SUCH A LARGE REQUESTED INCREASE. THE BAR GRAPH PRESENTED AT THAT TIME WAS NOT CLEAR TO ME, IN PARTICULAR THE BAR FOR NEW INFRASTRUCTURE INVESTMENTS AT 146 MILLION WHICH EQUATED THE SUM OF THE OTHER BAR VALUES ON THE GRAPH. IT APPEARED THAT THEY HAD DOUBLED THE AMOUNT AND SOUGHT TO PASS THE AMOUNT FOR NEW INFRASTRUCTURE INVESTMENTS ON TO THE CLIENTS IN KANSAS. IN RESPONSE TO MY REQUEST FOR CLARIFICATION, THE KCC FORWARDED MR. GRADYS RESPONSE KCC LETTER AUGUST 2, 2023. THE 146 MILLION NEW INFRASTRUCTURE IMPACT THAT EVERGY REFERRED TO FOR THE EKC RATE CASE IS MADE UP OF SEVERAL LINE ITEMS, WHICH IN AND OF THEMSELVES EACH HAVE THOUSANDS OF LINE ITEMS, TAKING UP HUNDREDS OF PAGES OF INFORMATION. HE REFERRED TO THE COMMISSIONS WEBSITE AND THEN CONTINUED, BUT THE REAL FINANCIAL DATA AND BACKUP BEHIND IT THAT SUPPORTS THE 146 MILLION FIGURE IS INCLUDED IN THE HUNDREDS OF DATA REQUESTS THAT KCC STAFF HAS ISSUED SO FAR OVER 500 AS OF THIS MORNING, AS WELL AS THE THOUSANDS OF PAGES OF DATA THAT HAS BEEN PROVIDED IN RESPONSE TO THOSE QUESTIONS. MR. GRADY ALSO STATED, THAT IS, THE WORD NEW IN THIS CONTEXT IS NEW INFRASTRUCTURE THAT HAS BEEN INSTALLED AND IS SERVING CUSTOMERS SINCE THE LAST RATE CASE IN 2018. HOWEVER, THE QUESTION IS ABOUT THE VALUE OF THE BAR FOR NEW INFRASTRUCTURE INVESTMENT AND PRIOR INSTALLATIONS DO NOT APPEAR TO ME TO BE NEW INFRASTRUCTURE INVESTMENT AS LABELED ON THE GRAPH. MR. GRADY THEN PROVIDED A NUMBER OF ITEMS AND VALUES AND STATED IF YOU ADD EACH OF THESE ITEMS UP IT EQUALS 146,495,697, WHICH

09/25/2023

IS THE ACTUAL NUMBER OF THE BAR CHART IN EVERGYS PRESENTATION. WHEN ADDED, THE SUM OF THE VALUES AS INDICATED, DOES NOT AGREE WITH MR. GRADYS SUM. THIS ONLY ADDS TO THE CONFUSION. ANOTHER POINT OF CONFUSION; WHICH OF THE VALUES INCLUDES THE COSTS TO ACQUIRE AND OPERATE THE PERSIMMON CREEK WIND FACILITY IN OKLAHOMA? EVERGYS REQUEST IS CONFUSING AS TO WHY SUCH A LARGE INCREASE IS NECESSARY. SENATOR MORAN STATED IN HIS NEWSLETTER, FEDERAL ENERGY COMMISSION REGULATORY HAS A STATUTORY OBLIGATION TO MAKE CERTAIN COSTS ARE ALLOCATED IN A MANNER COMMENSURATE WITH THE BENEFITS RECEIVED. TIM CARPENTER OF THE KANSAS REFLECTOR ON SEPTEMBER 7, 2023 STATED, KANSANS ARE PAYING 23 OF TRANSMISSION FACILITY COSTS FOR POWER BENEFICIAL TO CUSTOMERS IN THE 15 STATE SOUTHWEST POWER POOL. THE COMMISSION SHOULD EVALUATE THE CURRENT EVERGY REQUEST FOR RATE INCREASES WITH CONSIDERATION OF THE HIGHER INFLATION COSTS, REDUCED FAMILY INCOMES, HIGHER PRICES PREDICTED FOR FUEL, CLIENT STATEMENTS THAT THEY CANNOT AFFORD SUCH A

I OPPOSE EVERGY'S RATE HIKE. EVERGY AND KCC SHOULD WORK TOGETHER TO FOCUS EFFORTS ON REDUCING ELECTRICITY CONSUMPTION IN HOUSEHOLDS, BUSINESSES AND INDUSTRY. PROGRAMS THAT PROMOTE ENERGY EFFICIENCY BY SUBSIDIZING ENERGY AUDITS, WEATHERIZATION, EFFICIENT APPLIANCES AND PROMOTING SOLAR INSTALLATION WOULD REDUCE THE NEED FOR THESE RATE HIKE. BY LOWERING THE ENERGY DEMAND, EVERGY WOULD NOT NEED TO KEEP BUILDING MORE CAPACITY. WHY DID THE KCC DECLINE TO ACCEPT THESE TYPES OF PROGRAMS THAT EVERGY INITIALLY SUBMITTED? IT DOES NOT MAKE SENSE THAT EVERY TOOL IN THE TOOLBOX WOULD NOT BE USED TO ELIMINATE THE NEED FOR THIS RATE HIKE. PLEASE RECONSIDER IMPLEMENTING THESE TYPES OF PROGRAMS. ACCORDING TO ACEEE, KANSAS IS RANKED 49TH OUT OF 50 STATES IN ENERGY EFFICIENCY [HTTPS:WWW.ACEEE.ORGSTATE-POLICYSCORECARD](https://www.aceee.org/state-policy-scorecard) . WE NEED TO DO BETTER. ALSO, IN THIS ERA OF CLIMATE CHANGE, EVERGY SHOULD NOT BACK AWAY FROM THEIR PROMISE TO CLOSE COAL PLANTS. THEY ARE NOT KEEPING THEIR PROMISES, SO WHY SHOULD CITIZENS ACCEPT THIS HISTORICALLY LARGE RATE INCREASE? KANSAS HAS A LOT OF SUNSHINE AND WIND. IMAGINE THE JOB CREATION OF TECHNICIANS IN THIS FIELD IF KANSAS AND EVERGY WORKED TOGETHER TO INCREASE INSTALLATIONS OF THESE FACILITIES? WE SHOULD NOT HOLD ON TO FOSSIL FUELS, THEY ARE THE FUEL OF THE PAST AND THEY ARE HARMFUL TO HUMANITY. THANK YOU FOR YOUR TIME.

IT'S ONLY 14 MORE A MONTH THEY SAY , THAT'S AFTER THEY SPEND HOW MANY 100,000'S OR WAS OVER A MILLION ? ON A NEW 'CONVENIENT' MAINTENANCE AND STORAGE FACILITY ! AND WHEN THEY TALKED ABOUT THAT NEED THEY CLAIMED IT WOULD SAVE THEM MONEY IN THE LONG RUN . WHERE IS THAT 'SAVINGS' GOING IF THEY WANT A RATE INCREASE. AT THE SAME TIME OUR GRAND CITY OF EMPORIA SPENT 10,000'S OUR TAX DOLLARS ON INFRASTRUCTURE IN SUPPORT OF THIS FACILITY. WHEN DOES IT END ? 14 A MONTH FOR SOMEONE ON A FIXED INCOME IS A LOT BIGGER HIT THAN IT IS ON SOME OVERPAID EXECUTIVE AND THOSE HITS JUST KEEP COMING AND ADDING UP UNTIL THEY ARE BIG HITS . IS KS GAS NEXT IN LINE TO ASK FOR AN INCREASE ? YOU FOLKS KNOW ALL OF THIS BUT WILL PROBABLY CAVE AND GIVE EVERY WHAT THEY WANT , OR AT LEAST SOME PORTION OF THIS INCREASE , INSTEAD OF TELLING THEM TO TIGHTEN THEIR BELTS AND CUT SPENDING . OH THERE IS SO MUCH THAT COULD BE SAID BUT WHY ? THANKS FOR LETTING ME VENT . I'LL PAY THE 'EXTRA' EACH MONTH SIMPLY BECAUSE I HAVE TO HAVE ELECTRICITY TO SURVIVE , JUST LIKE EVERY ONE ELSE.

HAVE YOU CONSIDERED THE PUBLIC BACKLASH THAT COULD RESULT FROM RAISING RATES DURING A RECESSION? FOR EXAMPLE, WHEN THE CEO OF UNITED AIRLINES TOOK A PRIVATE JET TO HIS DESTINATION WHILE PASSENGERS WERE STUCK ON CANCELED FLIGHTS, HE RECEIVED A LOT OF NEGATIVE ATTENTION. THIS BACKLASH COULD HAVE BEEN AVOIDED IF HE HAD TAKEN A FEW PASSENGERS WITH HIM ON HIS PRIVATE JET. RAISING RATES DURING A RECESSION IS ALREADY A DIFFICULT DECISION, BUT IT'S IMPORTANT TO CONSIDER HOW THE PUBLIC WILL REACT. IF PEOPLE FEEL LIKE THEY'RE BEING PUNISHED FOR THE RECESSION, THEY'RE LESS LIKELY TO SUPPORT THE DECISION TO RAISE RATES. IT'S IMPORTANT TO STRIKE A BALANCE BETWEEN ADDRESSING INFLATION AND AVOIDING A PUBLIC BACKLASH. GIVEN THE CURRENT ECONOMIC CLIMATE, I URGE YOU TO WITHHOLD YOUR RATE INCREASES UNTIL PEOPLE ARE NOT STRUGGLING SO MUCH. RAISING INTEREST RATES NOW COULD LEAD TO FURTHER ECONOMIC HARDSHIP AND A PUBLIC BACKLASH.

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, MARY ANN BEATTIE 2672 N PERSHING ST WICHITA KS, 67220-2564

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, JAN SHUPERT-ARICK 2918 STRATFORD CT LAWRENCE KS, 66049-2842

I OPPOSE EVERGY'S REQUEST TO INCREASE ITS RATES. THE COMPANY HAS BEEN PROFITABLE OVER THE PAST YEARS AND IT SEEMS THEY ARE SEEKING AN INCREASE IN RATES MERELY TO FURTHER PAD THE POCKETS OF SHAREHOLDERS. THE KCC STAFF HAVE DONE A GOOD JOB OF REVIEWING EVERGY'S FINANCES AND HAVE SHOWN THAT THE REQUESTED RATE INCREASES ARE FAR ABOVE WHAT IS NEEDED FOR EVERGY TO RUN A PROFITABLE BUSINESS. FURTHERMORE, AS A RESIDENT OF THE LAWRENCE AREA, I'M FRUSTRATED BY EVERGY'S BACKTRACKING ON THEIR PLEDGE TO SHUT DOWN THE LOCAL COAL FIRED POWER PLANT. COAL IS ONE OF THE MORE EXPENSIVE FORMS OF ELECTRICITY AND I DON'T WANT TO PAY INCREASED RATES TO CONTINUE EVERGY'S RELIANCE ON FOSSIL FUELS.

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, RALPH BARNES 7287 BLUE SPRUCE LN MANHATTAN KS, 66503-9706

DO NOT ALLOW THEM TO RAISE RATES 9.8!!!! AS A SMALL BUSINESSPERSON MYSELF, WE ARE ALL STRUGGLING WITH INCREASED CAPITAL COSTS, INFRASTRUCTURE COSTS, LABOR COSTS AND INFLATION. WITH NO OTHER UTILITY TO TURN TO - EVERGY HAS A MONOPOLY IN WICHITA - THE KCC IS OUR SHIELD AGAINST CORPORATE GREED. IF THERE WERE ANOTHER UTILITY WE COULD TURN TO - EVERGY WOULD BE FORCED TO CURB THEIR APPETITE FOR OUR MONEY. I CAN'T RAISE MY RATES BECAUSE MY CLIENTS WILL GO TO ANOTHER AGENT. NOT SO WITH EVERGY. KCC KEEP DOING YOUR JOB!! DO NOT THROW US TAXPAYERS UNDER THE BUS. IF THEY AREN'T PROFITABLE ENOUGH - PERHAPS THEY SHOULD ASK SOME OF THEIR TOP 10 EXECUTIVES TO TAKE PAY CUTS. THAT'S WHAT WE HAVE TO DO!!!!

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, LLOYD BEINE

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, MARCIA A MILLER 5633 SOUTHWEST FOXCROFT CIRCLE SOUTH 204 TOPEKA KS, 66614-4164

I AM DISABLED AND DON'T GET RAISES LIKE A JOB. ITS ALWAYS WHAT RAISE I GET, BUSINESS DECIDES TO RAISE THE PRICES OF ITS PRODUCTS. WHEN I GET 3 PERCENT RAISE THEY RAISE 3-4 PERCENT. THAT IS PER ITEM. I CANT AFFORD ANYMORE. I'M SLOWLY GOING IN DEBT AND HITTING FOOD BANKS JUST TO SURVIVE. PLEASE HELP STOP THESE INCREASES. I CANT DO NO MORE.

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, HARLOW SAFFORD 556 S BLUFF AVE WICHITA KS, 67218-2120

09/26/2023

THE WICHITA SOUTH CENTRAL AREA SHOULD NOT HAVE AN UNFAIR ENERGY INCREASE OF OVER 14 WHILE KC AREA HAS 2 INCREASE. EVERGY HAS ENOUGH REVENUE TO BUILD OR EXPAND THEIR INFRASTRUCTURE. THE CUSTOMERS SHOULD NOT FOOT THE BILL. THAT IS LIKE IF I WANT TO BUILD OR REMODEL MY HOUSE, BUT I WANT SOMEONE ELSE TO PAY FOR IT. I AM AGAINST THIS PROPOSAL AND IT SHOULD NOT BE APPROVED. AND EVERYONE I KNOW FEELS THE SAME WAY. VOTE NO!!!!

Narrative

09/26/2023

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, GARY BOND

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, MARY JOHNSON 801 MOUNDRIDGE DR LAWRENCE KS, 66049-3747

Narrative

09/26/2023

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, CAROLYN BOREN 1728 N SAINT PAUL ST WICHITA KS, 67203-1735

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, NANCY GRECIAN 4417 W 25TH PL LAWRENCE KS, 66047-9673

THE COST OF LIVING AND BASIC NEEDS IS BECOMING UNATTABABLE. YOUR NEEDS TO BRING YOUR STAKEHOLDERS MORE PROFIT IS NOT. MY. PROBLEM! THOSE THAT MAKE MILLIONS ANNUALLY AS IT IS DO NOT DESERVE TO GET RICHER AS THOSE OF US IN THE MIDDLE CLASS STRUGGLE TO SURVIVE. IT'S UNETHICAL AND JUST SICK AND WRONG. DO BETTER! THINK ABOUT THE 95 PERCENT OF YOUR WORK STAFF THAT WILL ALSO BE NEGATIVELY IMPACTED BY THIS INCREASE AND WHO WILL BE KNOCKING ON YOUR DOOR IN 6 MONTHS ASKING FOR A PAY INCREASE JUST TO PAY THEIR BILLS. WHERE WILL THAT FACTOR IN ON YOUR INCREASE SCHEDULE? WILL WE THEN BE IN THE SAME PLACE WITH YOU ASKING FOR ANOTHER INCREASE TO BREAK THE BACKS OF YOUR CUSTOMERS WHO HAVE NO CHOICE BUT TO FIND SOME WAY TO PAY THEIR BILLS?

100 OPPOSED TO RATE INCREASE OF THIS AMOUNT. THIS AREA CANNOT AFFORD THE INCREASE JUST SO THE COMPANY CAN LOOK APPEALING TO STOCKHOLDERS. HOW ABOUT YOU TAKE CARE OF THE PEOPLE YOU SERVE, FIRST, INSTEAD OF WANTING TO US TO SUPPORT MAKING OTHERS RICH. WHY DON'T WE BRING ANOTHER COMPANY INTO THE AREA SO YOU DON'T HAVE A MONOPOLY? MAYBE THEN YOU WOULD APPRECIATE WHAT YOU HAVE AND QUIT LOOKING TO TAKE ADVANTAGE OF US. HOW DO YOU EXPECT FIXED INCOME INDIVIDUALS TO SUPPORT THIS?

Narrative

09/26/2023

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, JOHN VEDIZ

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, RUSSELL MOSIMAN 1708 S LINDENWOOD DR OLATHE KS, 66062-2444

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, JEFFREY STONE 821 CHOCTAW AVE SALINA KS, 67401-4531

I AM A FREESTATE ELECTRIC COOPERATIVE CUSTOMER, WHICH PURCHASES FROM EVERGY. PLEASE DENY EVERGYS REQUEST TO RAISE THE RATES. MOST PEOPLE, THOSE OLDER, DISABLED ON LIMITED INCOMES, AND FAMILIES ARE ALREADY STRUGGLING TO PAY FOR FOOD, MEDICINE AND HOUSING. INFLATION HAS ALREADY STOLEN INCOME FROM KANSANS. WHY SHOULD WE BE FORCED TO PAY FOR EVERGY TO RECOVER THE COST OF INVESTMENTS? THESE INVESTMENTS IN GREEN ENERGY ARE POLITICAL THEATRE AND DO NOTHING TO ENSURE RELIABLE LOW-COST, LIFE-SAVING ENERGY. THESES INVESTMENTS DO NOT BENEFIT KANSANS IN ANY WAY AT ALL. THANK YOU FOR YOUR CONSIDERATION.

EKCE	23-EKCE-775-RTS	O	0

Narrative

09/26/2023

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU,

KANSAS CORPORATION COMMISSION

I OPPOSE THE EVERGY RATE HIKE AMOUNT. WEVE BEEN ADVISED THIS RATE HIKE WOULD GREATLY IMPACT THE WICHITA, KS AREA AND HAVE LITTLE IF ANY EFFECT ON THE NORTHEASTERN PART OF KANSAS. THAT IS HIGHLY UNFAIR. THIS RATE HIKE SHOULD BE DIVIDED AMONGST ALL CUSTOMERS AND NOT SINGLE OUT SOME CUSTOMERS TO PAY HIGHER AMOUNTS. WHY SHOULD WE, IN SOUTH CENTRAL KANSAS, BE PENALIZED AND FORCED TO PAY MORE, WHEN THERE ARE HIGHER SALERIES AND A BETTER ECONOMY IN THE JOHNSON AND WYANDOTTE COUNTIES? THAT IS HIGHLY UNFAIR. SHOULD EVERGY FEEL THEY NEED A RATE HIKE IT SHOULD BE DISTRIBUTED EQUALLY AMONG ALL OF THEIR CUSTOMERS. I AM OPPOSED TO AN UNEQUAL EVERGY RATE HIKE. REGARDS, ELAINE NEEL 619 N TIMBERLEAF DR DERBY, KS 67037

COMMISSIONERS, ELECTRICITY IS ESSENTIAL FOR ME AND ALL KANSAS RESIDENTS FROM TURNING ON THE LIGHTS AND USING DEVICES LIKE COMPUTERS AND MEDICAL EQUIPMENT TO RUNNING HEATERS, COOLERS, AND COOKING ON THE STOVE. WITH THE EFFECTS OF INFLATION, WE ARE ALREADY STRUGGLING TO PAY OUR UTILITY BILLS ALONG WITH OTHER NECESSITIES LIKE FOOD, MEDICINE, AND HOUSING. I URGE COMMISSIONERS OF THE KANSAS CORPORATION COMMISSION TO REJECT EVERGYS PROPOSAL TO RAISE RESIDENTIAL CUSTOMERS RATES BY 304 MILLION IN 2024. THIS WOULD RESULT IN MY ELECTRIC BILL INCREASING TO AS MUCH AS 171 MORE ANNUALLY. EVERGY SHOULD NOT BE ALLOWED TO BENEFIT THE UTILITY'S BOTTOM LINE ON THE BACKS OF RESIDENTIAL CUSTOMERS LIKE ME. PLEASE REJECT EVERGYS PROPOSAL TO RAISE MY ELECTRIC RATES. THANK YOU, RACHELLE PORTER 923 SOUTH SUNSET DRIVE OLATHE KS, 66061-4948
