Effective April 1, 2024, services found in Section 2 of this Tariff are grandfathered (obsolete) and no longer available to new customers. A grandfathered service is one that is no longer sold, and availability is limited to lines currently in service at existing locations. Changes, additions, or transfer of service will not be permitted on accounts associated with a grandfathered bundle or package or other grandfathered feature or service. Customers may remove any service or feature from their accounts at any time; however, grandfathered services removed may not be subsequently reinstated. Existing term discount plans/contracts for these services will not be renewed.

Customers have been notified of this change.

Should you have questions or need additional information regarding this filing, please contact me.

Sincerely,

A handwritten signature in black ink that reads "Christina L. Chushuk".

2.1 General

A Global Crossing Local Services, Inc.'s local service provides the Customer with a connection to the Company's facilities that enable the Customer to:

- (i) receive calls from other stations on the public switched telephone network;
- (ii) place calls to other stations on the public switched telephone network;
- (iii) access the Company's operators and business office for service related assistance; access directory assistance for the local calling area; access toll free telecommunications services; access enhanced 911 services for emergency calling; access Telephone Relay Service; and
- (iv) access the interexchange network. A Customer may presubscribe to the carrier of their choice for interLATA and intraLATA calling, or Customer may access a provider on an *ad hoc* basis by dialing the provider's Carrier Identification Code (1010XXX).

B Calls to information service providers (900/976) will be automatically blocked on a per line basis. The Customer may have the blocking removed pursuant to FCC rule 64.1508.

C The local calling area will be the same as that used by the incumbent local exchange company, a description of which can be found in the telephone directory published by the incumbent local exchange company.

D Service will be offered in the following exchanges:

Bethel	Melrose
Bonner Springs	Olathe
Kansas City	Stanley

2.2 **Local Digital Service**

The Company's Local Digital Service is provided to business Customers over access facilities at T-1 or higher capacity. Service is activated by purchasing ports (channels) at rates listed below. Additional channels may be purchased one channel at a time. Local Digital Service includes the standard feature of hunting and dual tone multi-frequency.

2.2.1 **Rates**

	<u>Monthly Recurring Charge</u>	<u>Nonrecurring Charge</u>
Per Channel	\$20.00	\$35.00
½ T1	\$240.00	\$420.00
T1	\$400.00	\$840.00
Usage Per Minute	\$0.00	

2.2.2 **Term Plan Waiver Policy**

Customers choosing term plans may be eligible for the following waiver of non-recurring charges associated with establishing service:

<u>Term plan</u>	<u>Waiver</u>
1 year	50%
2 year	100%
3 year	100%

**2**      **Obsolete Service Descriptions and Rates****(C)****2.3**      **ISDN-PRI**

ISDN-PRI is an alternative arrangement of Local Digital Service. ISDN-PRI is a set of standards that establish compatibility between the public switched telephone network and various data terminals and devices. ISDN-PRI can provide users with multiple services through a single access point and can integrate voice, data, imaging and messaging. Global Crossing offers ISDN-PRI for voice applications only.

Service consists of 23 “B” channels and a single “D” channel that carries the control and signaling information.

Customer premise equipment (“CPE”) that is compatible with ISDN interface is the responsibility of the Customer. The Company is not responsible if any changes in the provisioning of ISDN-PRI result in the obsolescence of the Customer’s equipment or the need for the Customer to modify or change the CPE. The Customer’s terminal equipment and interconnection through non-digital central offices may cause transmission speeds to be slower than the maximum achievable.

ISDN-PRI is subject to the availability of Company facilities.

**2.3.1**      **Rates**

Pricing is per D-channel:

Nonrecurring charge:      \$2,500.00

Monthly recurring charge:      \$100.00

**2.4**      **Foreign Exchange Service**

The Customer may opt to have service furnished from an exchange other than the one in which they are located. This service arrangement is to be furnished under special conditions where it is warranted by the circumstances involved. The Company does not obligate itself to furnish these services, particularly when it involves undue expense or impairment of the service furnished to other customers. The following monthly recurring charge will apply per T-1 equipped with the service:

Monthly Recurring Charge      \$100.00

2.5 **DID Numbers**

Whenever possible, the Company will attempt to provide telephone numbers arranged consecutively in a group, but will not guarantee nor accept responsibility for provision of such an arrangement within or between a block of numbers. In addition, the Company reserves the right to review vacant DID stations or stations not in use to determine efficient telephone number utilization. Should the Company determine, based on its own discretion, that there is inefficient number utilization, the Company may reassign the DID numbers.

Where all numbers in a group have not been connected for service, the Customer is responsible for providing interception of calls to vacant or non-working assigned station lines or telephone numbers by means of attendant intercept or recorded announcement service. The Company will not terminate these numbers to an intercept message on the Customer's behalf.

2.5.1 **Rates**

	Nonrecurring <u>Charge</u>	Monthly Recurring <u>Charge</u>
Per DID Number	\$0.00 (R)	\$0.80 (C)

2. **Obsolete Service Description and Rates** (cont'd)

2.6 **Directory Listings**

Directory listings will be provided in accordance with Section 1.6 of this tariff. The following types of listings are available:

- (i) **Primary Listing.** A primary listing contains the name of the Customer, or the name under which business is regularly conducted, as well as the address and telephone number of the Customer. Primary listings are provided at no charge.
- (ii) **Additional Listings.** Additional listings are available only in the names of Authorized Users of the Customer's service, as defined herein.
- (iii) **Non-Published Listings.** Non-published listings are not printed in directories nor are they available from directory assistance. Non-published listings are subject to the provisions set forth in Sections 1.2 and 1.6.
- (iv) **Non-Listed Numbers.** Non-listed numbers are those which provide for the omission or deletion of the Customer's listing from the telephone directory. Such listings are available from directory assistance.
- (v) **Foreign Listings.** A foreign listing is one that is published in a directory not in the Customer's immediate calling area.
- (vi) **Extra Line Listings.** Provides additional information after a main or additional listing.
- (vii) **Cross Reference Listing.** This provides a reference to another listing in the same directory.

(C)

2.8 **Operator Services**

A The Customer has the option of contacting the incumbent local exchange company operator for general information, such as dialing instructions, country or city codes, area code information and Customer Service 800 numbers. The Customer may obtain the assistance of an incumbent local exchange operator to complete local exchange telephone calls in the following manner:

- (i) Third Party Billing. Provides the Customer with the ability to charge a local call to a third number that is different from the called or calling party. The party answering at the third number has the option to refuse acceptance of the charges in advance or when queried by the operator.
- (ii) Collect Calls. Provides the Customer with the capability to charge a call to the called party. On the operator announcement of a collect call, the called party has the option to refuse acceptance of charges in advance or when queried by the operator.
- (iii) Person to Person. Calls completed with the assistance of an operator to a particular Station and person specified by the caller. The call may be billed to the called party.
- (iv) Station to Station. Calls completed with the assistance of an operator to a particular Station. The call may be billed to the called party.
- (v) Busy Line Verification. Provides the Customer with the capability of verifying that a line they are attempting to dial is busy. May be followed by Busy Line Verification/Interrupt, where the busy line is then interrupted on behalf of the caller.
- (vi) Operator Completed. Provides the Customer with the option of having the Operator complete a call.
