Comes now Windstream Norlight, LLC (“Applicant”) by and through its undersigned counsel submits this request to cancel its Certification of Convenience and Authority previously granted by the State Corporation Commission of the State of Kansas (“Commission”) in Docket No. 04-CNYC-583-COC to provide switched local exchange and exchange access service within the state of Kansas.

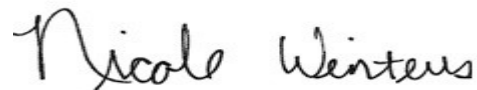

BACKGROUND

1. On January 29, 2004, Cinergy Communications Company was granted authority to provide switched local exchange and exchange access service in Docket No. 04-CNYC-583-COC.
2. On January 2, 2008, Cinergy Communications Company changed its name to Norlight, Inc. in Docket No. 08-CNYC-331-CCN.
3. On August 12, 2011, Norlight, Inc. changed its name to Windstream Norlight, Inc. in Docket No. 11-CNYC-817-CCN.
4. On August 6, 2015, Windstream Norlight, Inc. changed its name to Windstream Norlight, LLC in Docket No. 15-CNYC-612-CCN.

RELIEF SOUGHT

1. The Applicant seeks cancellation of its Certification of Convenience and Authority granted in Docket No. 04-CNYC-583-COC to provide switched local exchange and exchange access service within the state of Kansas. This request is being made as the Applicant no longer has any customers in Kansas and has no intention of acquiring any new customers.
2. The Applicant also seeks a waiver of any customer notification requirements, given that it has no active customers in the state.
3. Additionally, the Applicant also seeks withdrawal of its Competitive Switched Access Tariff No. 2 currently on file with the Commission.

Respectfully submitted this 16th day of October, 2024.
