RE: Golden Belt Telephone Association, Inc.
Tariff changes related to annual directory distribution cessation
26-GNBT- 087-TAR

Dear Ms. Chaney-Tucker:

Attached for filing please find the proposed tariff changes for Golden Belt Telephone Association, Inc. In this filing, Golden Belt is incorporating tariff changes to implement its in-process cessation of printing and annually distributing a dated telephone directory in accordance with the Commission's order in Docket No. 24-GIMT-380-MIS. Also in this filing, Golden Belt is correcting one typographical error found on Original Sheet 9 in Part 1.

If you have any questions, please let me know.

Sincerely,

JAMISON LAW, LLC

Colleen R. Jamison

Colleen R. Jamison

E. ESTABLISHMENT AND FURNISHING OF SERVICE (Continued)

3. Alterations

The customer agrees to notify the Company promptly in writing whenever alterations or new construction on premises owned or leased by the customer will necessitate changes in the Company's wiring or equipment. The customer agrees to pay the Company's tariffed charges for such changes.

4. Maintenance and Repairs

All ordinary expense of maintenance and repairs to Company-owned equipment is borne by the Company. Customers may not rearrange, disconnect, or remove any apparatus or wiring, up to and including the NID, installed by the Company. In case of loss of, damage to, or destruction of any Company equipment occasioned by neglect of the customer, the customer is held responsible for the cost of restoring equipment to its original condition.

5. Customer's Authorization

The Company may require satisfactory written authorization for the right to construct, install, and place required facilities on the customer's premises in order to make the service connection. Such written authorization, when required shall be properly executed by the holder of the legal title to the premises. The Company may refuse to furnish service to any person, firm, or corporation thereon until such requested authorization is provided.

F. DIRECTORIES

1. The Company will comply with the State Corporation Commission's requirements concerning directories, as those requirements exist now or are modified in the future.

2. Directory Errors and Omissions

a. The Company, except as provided herein, shall not be liable for damage claimed on account of errors or omissions from its directories, nor for the result of the publication of such errors in the directory, nor will the Company be a party to controversies arising between customers or others as a result of listings published in its directories. Claims for damages on account of interruptions to service due to errors or omissions in directory listings will be limited to pro rata abatement of the charge for such of the customer's service as is affected, the maximum abatement not to exceed the full amount of the local exchange service for the period from the date of issuance of the directory in which the mistake occurred to the date of issuance of a new directory containing the proper listing.

- d. In churches where the telephone is not accessible for public patronage, as in pastor's studies, and lodges and clubs when there is only occasional use of such service.

H. DIRECTORY LISTINGS

1. General Regulations

- a. The regulations for directory listings, as provided in this section, apply only to the information records and the alphabetical directory or that section of the directory containing the regular alphabetical list of names of customers.
- b. The alphabetical list of names of customers is designed solely for the purpose of information calling parties of telephone numbers of customers and those entitled to use customer's service. Special arrangements of names are not contemplated, nor any form of listing which does not facilitate directory service or is otherwise objectionable, or unnecessary for purpose of identification.
- c. Names in directory listings shall be limited to the following:
 - (1) in connection with residence service:
 - (a) the individual name of the customer; or
 - (b) the individual name of a member of the customer's family.
 - (2) in connection with business service:
 - (a) the individual name of the customer; or
 - (b) the name under which a business is actually being conducted doing business as evidenced by signs of the premises, by letterheads, and by name under which a bank account is carried on; or
 - (c) the name under which a business is actually being conducted by someone other than the customer and which the customer is authorized by such other to use; or
 - (d) the individual names of the officers, partners, or employees of customers; or (T)
 - (e) the names of departments when such listings are deemed necessary from a public viewpoint.
- d. Whenever any question arises as to the right of a customer (1) to list the name of a business which the customer claims the customer is authorized to represent; or (2) to use a listing which includes the trade name of another; the Company may require the customer to secure from the owner of such name, written authority to use it, addressed to the company for the acceptance for insertion or for the continuance of such listings. The Company may refuse to accept or may delete such listing where (1) such written

authority is not furnished or (2) such authority is withdrawn by such owner in writing to the Company.

H. DIRECTORY LISTINGS (Continued)

e. Primary Listings

One listing without charge, termed the primary listing, is provided for each separate customer service (when two or more exchange access lines are consecutively operated, the first number of the group is considered the primary listing).

I. INITIAL CONTRACT PERIODS AND TERMINATION OF SERVICE

1. Initial Contract Periods

- a. Except as hereinafter provided, the initial (or minimum) contract period for all services where facilities are in place is one month at the same location.

(D)
(D)
(D)
(D)

- c. When service is demanded which requires special or non-standard types or arrangements of equipment or makes it necessary to construct or install additional or special facilities or equipment, the Company may require that a written contract be executed between the Company and the customer providing for a minimum contract period of more than one month at the same location, provided each contract shall be submitted to, and approved by, the State Corporation Commission before it shall become effective.

2. Termination of Service

- a. Service may be terminated prior to the expiration of the initial contract period upon notice being given to the Company, and upon payment of the termination charges given below, in addition to all charges due for service which has been furnished.

- (1) In the case of service for which the initial contract period is one month, the charges are due for the balance of the initial month.

(D)

- (3) Contracts for periods of longer than one month covering services requiring installation of line extensions may be terminated upon payment of all charges that would accrue to the end of the contract period, or the contract will be transferred to a new applicant who is to occupy the same premises and will accept the service effective on the day following termination by the original customer.

the ability to inhibit the display of calling party information to the terminating number.

Q. PRIMARY RATE INTEGRATED SERVICES DIGITAL NETWORK (ISDN) (continued)

3. Direct Inward/Outward Dialing – allows a station user to place or receive calls bypassing the attendant.
4. Calling Services – applicable call control and calling features are available at rates and charges specified elsewhere in this tariff.

R. CUSTOMER PREMISE EQUIPMENT AND FACILITIES - ISDN

1. Compatible customer premise equipment is required to utilize ISDN. All equipment used to interface with these services is required to conform to NT guidelines.
2. The Company shall not be responsible if changes in any of the equipment, operations, or procedures of the Company utilized in the provisioning of such equipment or system, or otherwise, affect its use or performance.

S. REGULATIONS – ISDN

1. Unless specifically exempted, ISDN shall be subject to all general regulations applicable to the provision of service by the Company as stated in this tariff.
2. ISDN is provided at the option of the Company. This service is furnished subject to central office switching capability, capability and availability of outside plant facilities, and the necessary billing capabilities. Where facilities are not available, or unusual expenditures are involved in making them available, the customer may be required to pay additional charges to cover the unusual expenditures. These charges will be determined on an individual case basis.
3. The minimum billing period is twelve (12) months.
4. Service charges found elsewhere in this tariff are applicable per ISDN PRI in addition to rates and charges following.
5. One (1) directory listing is provided without charge for each ISDN customer.
6. Suspension of service is not allowed.
7. Each ISDN PRI B Channel will be counted as one line in determining the application of the Federal Communications Commission's (FCC) End User Access Line Charge (EUCL). The customer shall be liable for all adjustments to the EUCL as mandated by the FCC, or any other regulatory body of competent jurisdiction in the future.

B. SERVICE CHARGES (continued)

premises of the customer, a service order charge is applicable for each completion date and/or each premises.

(3) A service order charge is applicable for requests for:

- (a) initial connection of service;
- (b) connection of additional exchange access lines or trunks, private lines, or tie lines to an established service;
- (c) connection or establishment of additional services;
- (D)
- (e) transfer of facilities from one building to another building of the same customer on the same premises;
- (f) transfer of service involving change in name and responsibility whether or not there is a lapse in service;
- (g) change from business to residence or residence to business service. The charge for that class of service (business or residence) to which the customer's service is being converted, is applicable;
- (h) number change or change of name or address in an established directory listing when the change is not required for continuation of satisfactory service or for correction of the Company's records; or
- (i) reconnection (restoration) of service.

c. Line Connection Charge

(1) A line connection charge is applicable to the provision of each exchange access line in association with any of the following services:

- (a) local access service;
- (b) PBX trunk;
- (c) key system line;
- (d) telephone answering service line;
- (e) private line;
- (f) tie line;
- (g) WATS line; or,
- (h) off premise station line.

(2) A line connection charge is applicable for work in the central office required for each:

- (a) number change made at the request of the customer; or,
